THIS IS SCHEDULE PART 6 REFERRED TO IN THE FOREGOING AGREEMENT BETWEEN TIE AND THE INFRACO

SCHEDULE PART 6

MAINTENANCE PAYMENT REGIME

PART A PAYMENT FOR INFRASTRUCTURE MAINTENANCE SERVICES

PART 1 ALLOCATION OF PERFORMANCE POINTS

DEFINITIONS

In this part A of this Schedule Part 6 (*Maintenance Payment Regime*), except to the extent that the context otherwise requires, the following words and expressions shall have the meanings hereby ascribed to them:

"**Actual Performance Level**" means, in relation to each Service Element in each Reporting Period:

(i) (for each Edqual Service Element) the percentage achievement of the Performance Test in respect of that Service Element derived from inspections carried out under paragraph 3 of part A of this Schedule Part 6 (*Maintenance Payment Regime*), during that Reporting Period;

(ii) (for the Punctuality Service Element) the level of performance in relation to that Service Element that is taken into account in calculating the Tram Punctuality Performance for that Service Element in that Reporting Period; and

(iii) (for the Information Provision Service Element and the Fault Correction Service Element) the level of performance in relation to that Service Element that is taken into account in calculating the Performance Points to be allocated for that Service Element in relation to that Reporting Period;

"**Available Infrastructure**" means that the Edinburgh Tram Network:

(i) is fully functional each Operating Day from half an hour before the First Tram is scheduled to leave the Depot until half an hour after the Last Tram is scheduled to return to the Depot, compliant in all material respects with the Employer's Requirements, save for Minor Infrastructure Defects;

"**Correction Time Limit**" means, for a category of Fault set out in the table in part 4 of part A of this Schedule Part 6 (*Maintenance Payment Regime*), the number of hours or days stated in that table in relation to that category;

"**Edqual Performance Benchmark**" means the level above which positive performance points are awarded and below which negative performance points are allocated, as shown in the tables in Part 3;

"**Edqual Service Element**" means a specified aspect of the Infrastructure Maintenance Services inspected under paragraph 3 of part A of this Schedule Part 6 (*Maintenance Payment Regime*), in respect of which a Performance Test is set out in part 2 of part A of this Schedule Part 6 (*Maintenance Payment Regime*), falling within one of the following categories:

A Not used

B Tramstop repairs and maintenance;

C CCTV systems;

D Passenger information visual displays;

E Poster cases, signage and printed Edinburgh Tram Network service information at Tramstops; and

F Public address system and help points at Tramstops;

"**Excusing Cause**" means any one or more of the following events which interrupts the operation of the Trams or which adversely affects the Punctuality Service Element, the Edqual Service Element or the Fault Correction Service Element:

(i) a road traffic accident;

(ii) the actions of any of the Emergency Services, CEC or Utilities Companies,

provided that, in the case of each of (i) and (ii):

(a) the Infraco has used all reasonable endeavours to mitigate the effect of such Excusing Cause; and

(b) the Infraco notifies **tie** as soon as it becomes aware of the potential and/or actual impact on its ability to perform the Infrastructure Maintenance Services;

(iii) a failure on the part of **tie** in complying with its obligations under this Agreement where the Infraco can reasonably demonstrate to **tie**'s satisfaction that:

(a) such failure had a material impact on its ability to perform the Maintenance Services;

(b) the Infraco has used all reasonable endeavours to mitigate the effects of such failure; and

(c) the Infraco notified **tie** as soon as it became aware of the potential and/or actual impact on its ability to perform the Maintenance Services;

(iv) any Permitted Variation which causes the Infraco to be unable to perform the Maintenance Services but only to the extent that **tie**:

(a) shall have given its prior written consent to the Maintenance Services being affected in such a manner;

(b) was informed by the Infraco of the extent of the impact on such Infrastructure Maintenance Services as part of the process of agreeing such Permitted Variation;

(v) a Force Majeure Event;

(vi) environmental conditions, that are outside the environmental parameters in the Employers Requirements contained in Schedule Part 2 of this Agreement which result in damage to the Edinburgh Tram Network;

(vii) where special measures are required to be undertaken in order to comply with protected species in accordance with Clause 18.2 of Part B of Schedule Part 3 (*Code of Maintenance Practice*); and

(viii) where there has been agreement to have a planned suspension of the Transport Services for major maintenance and/or renewal activities in accordance with Clause 17.12 of the Infraco Contract.

"**Exemption Claim**" means a retrospective claim against the allocation of negative Performance Points made by the Infraco in respect of the the Edqual Service Element under paragraph 6.2 and Fault Correction Service Element under paragraph 7.3 of part A of this Schedule Part 6 (*Maintenance Payment Regime*);

"**Fault**" means in respect of any part of the Edinburgh Tram Network maintained by the Infraco as part of the Infrastructure Maintenance Services:

(i) any defect, fault or disrepair that would cause a Performance Test to be failed or the Edinburgh Tram Network not to be Available Infrastructure;

(ii) (in the case of a Monitoring Point) any defect, fault or disrepair that causes it to be Out of Service or to generate inaccurate data whether the cause is equipment installed on the Trams or elsewhere;

(iii) (in the case of any electronic monitoring equipment) any defect, fault or disrepair that causes it to be Out of Service or generate inaccurate data; or

(iv) any other defect, fault or disrepair that has the effect that the relevant part of the Edinburgh Tram Network cannot be used safely, that materially impairs its functionality or that it is both noticeable by members of the public and adversely affects their perception of the quality of the Edinburgh Tram Network as measured by tests contained in Part 2 section B, C, D, E & F;

"**Fault Correction Performance Benchmark**" means the time elapsed after which if a fault has not been corrected then negative performance points are allocated;

"**Fault Correction Service Element**" means the correction of Faults by the Infraco as referred to in paragraph 4 of part A of this Schedule Part 6 (*Maintenance Payment Regime*);

"**First Tram**" means each of the timetabled Trams which are the first to operate in passenger service on each route in each direction on any day;

"**Improvement Programme**" means an improvement programme as referred to in paragraph 15 of part A of this Schedule Part 6 (*Maintenance Payment Regime*);

"**Information Package**" means:

(i) each Annual Service Report required to be submitted annually by the Infraco under Clause 73.4;

(ii) each Self-Monitoring Plan required to be submitted annually by the Infraco under Clause 56.5;

(iii) each Best Value Improvement Plan supporting information required to be submitted by the Infraco under Clause 56.4 and Clause 73.9;

(iv) each annual Maintenance Plan required to be submitted by the Infraco;

(v) each renewal programme required to be submitted annually by the Infraco; and

(vi) each package of information that **tie** is entitled to request and does request by the Infraco to submit to it under any other provision of this Agreement;

"**Information Provision Service Element**" means the provision by the Infraco of Information Packages to **tie** under this Agreement;

"**Infraco Last Late Tram**" means an Infraco Late Tram that is also a Last Tram;

"**Infraco Late Tram**" means a Late Tram that is late because of:

(i) any delay to that Tram, that as a result of a Fault, causes that Tram to be a Late Tram except insofar as the Fault relates to damage or vandalism by a third party which directly or indirectly causes the Tram to be a Late Tram or has already been classified as a Tram Maintainer Late Tram or an Operator Late Tram;

(ii) the Edinburgh Tram Network not being offered as Available Infrastructure by the Infraco;

(iii) any action or omission of the Infraco; or

(iv) any damage or vandalism to the Tram or Edinburgh Tram Network, caused by any action or omission of the Infraco;

"**Infrastructure Performance Rectification Plan**" has the meaning given to it in paragraph 11.5 of part A of this Schedule Part 6 (*Maintenance Payment Regime*);

"**Initial Spares List**" means the list contained in Schedule Part 25 *(Spare Parts)*;

"**Last Tram**" means each of the timetabled Trams which are the last to operate in passenger service on each route in each direction on any day;

"**Low Performance Level**" means, for a Service Element, an Actual Performance Level that is lower than the level required to ensure that positive Performance Points equal to 60% of the Maximum Positive Allocation for the Service Element are allocated;

"**Maximum Negative Allocation**" means, in relation to a Service Element:

(i) (for each Edqual Service Element) the number of negative Performance Points stated as being the Maximum Negative Allocation for that Service Element in part 3 of part A of this Schedule Part 6 (*Maintenance Payment Regime*);

(ii) (for the Information Provision Service Element) 100 negative Performance Points; and

(iii) (for the Fault Correction Service Element) 1,000 negative Performance Points;

"**Maximum Performance Payment**" means the base payment for each Reporting Period in respect of the Infrastructure Maintenance Services in the Maintenance Contract Pricing Price Analysis included in Schedule Part 7 of the Infraco Contract and Indexed for the relevant Service Year;

"**Maximum Positive Allocation**" means, in relation to a Service Element:

(i) (for each Edqual Service Element) the number of positive Performance Points stated as being the Maximum Positive Allocation for that Service Element in part 3 of part A of this Schedule Part 6 (*Maintenance Payment Regime*);

(ii) (for the Information Provision Service Element) 100 positive Performance Points; and

(iii) (for the Fault Correction Service Element) 1000 positive Performance Points;

"**Minimum Overall Payment Performance**" means 95%;

"**Minimum Performance Payment**" means 90% of the Maximum Performance Payment and Indexed for the relevant Service Year;

"**Minimum Spare Parts Pool**" means the minimum level of each Spare Part or Special Tool to be held in the Spare Parts Pool as specified in Schedule Part 25 (*Spare Parts*);

"**Minor Infrastructure Defect**" means a defect to the infrastructure of the Edinburgh Tram Network that will not affect the safety or quality of operation of the Edinburgh Tram Network, or its compliance with the Disability Discrimination Act 1995, that has been advised to the Infraco and which does not constitute a restriction in the manner in which it is to be operated;

"**Monitoring Point**" means the locations where the arrival or departure of Trams is recorded for the purpose of calculating Tram punctuality for the purpose of part A of this Schedule Part 6 (*Maintenance Payment Regime*), being:

(i) **Phase 1A:** for the purposes of monitoring arrival and departure: Edinburgh Airport;

(ii) **Phase 1A:** for the purposes of measuring departure only:

(a) Edinburgh Park Station;

(b) Haymarket;

(c) Foot of the Walk;

(d) Leith (Newhaven or Ocean Terminal - according to the service); and

(e) Picardy Place; and

(iii) **Phase 1B:** for the purposes of measuring departure only:

(a) Crewe Toll (northbound only); and

(b) Granton Square;

"**Negative Allocation Rate**" means, for an Edqual Service Element the rate of allocation of negative Performance Points stated in part 3 of part A of this Schedule Part 6 (*Maintenance Payment Regime*), as being the Negative Allocation Rate for that Service Element;

"**Operating Day**" means a 24 hour period running from 3 a.m. on each day when Trams are timetabled to run;

"**Operator Late Tram**" means a Late Tram that is late because of:

(i) any delay to that Tram, that as a result of any action or omission of the Operator, causes that Tram to be a Late Tram;

(ii) the Tram not being offered as an Available Tram by the Operator as a result of not being cleaned; or

(iii) any damage or vandalism to the Tram or Edinburgh Tram Network, caused by any action or omission of the Operator;

"**Out of Service**" means, in relation to any Monitoring Point or any other relevant electronic monitoring equipment or system, that meaningful data relating to the operation of Transport Services or the availability of the relevant equipment is for the time being not being recorded, irrespective of the reasons for this;

"**Overall Payment Performance**" has the meaning given to it in paragraph 11.2 of part A of this Schedule Part 6 (*Maintenance Payment Regime*);

"**Performance Payment**" means the payment calculated in accordance with paragraph 12.1 of part A of this Schedule Part 6 (*Maintenance Payment Regime*) as Indexed for the relevant Service Year;

"**Performance Point**" means a performance point (which may be positive or negative) allocated in accordance with part A of this Schedule Part 6 (*Maintenance Payment Regime*);

"**Performance Point Value**" means, in relation to a Reporting Period in a Service Year, the amount stated for that Service Year in the following table as Indexed for that Service Year:

Service Year	Performance Point Value
First Service Year	£ 1.00
Second Service Year	£ 1.01
Third Service Year	£ 1.02
Fourth Service Year	£ 1.03
Fifth Service Year	£ 1.04
Sixth Service Year	£ 1.05
Seventh Service Year	£ 1.06
Eighth Service Year	£ 1.07
Ninth Service Year	£ 1.08
Tenth Service Year	£ 1.09

"**Performance Rebate**" equals, in relation to a Reporting Period:

(i) the amount by which the Performance Payment for the Infrastructure Maintenance Services payable by **tie** in relation to that Reporting Period is lower than it would otherwise have been as a result of the occurrence of one or more Excusing Causes; less

(ii) the Relief Threshold;

"**Performance Test**" means, in relation to an Edqual Service Element, the test set out for that Service Element in part 2 of part A of this Schedule Part 6 (*Maintenance Payment Regime*);

"**Positive Allocation Rate**" means, for an Edqual Service Element, the rate of allocation of positive Performance Points stated in part 3 of part A of this Schedule Part 6 (*Maintenance Payment Regime*) as being the Positive Allocation Rate for that Service Element;

"**PPR Commencement Date**" means the date immediately following the first day of the first Reporting Period following the Service Commencement Date;

"**Punctuality Payment**" means the payment calculated in accordance with paragraph 11.1 of part A of this Schedule Part 6 (*Maintenance Payment Regime*);

"**Punctuality Service Element**" means the punctuality performance of the Tram service on the Edinburgh Tram Network measured at a series of Monitoring Points;

"**Relief Threshold**" means £1,000 as Indexed;

"**Service Elements**" means, as the context requires, the Punctuality Service Element, the Edqual Service Element, the Information Provision Service Element and/or the Fault Correction Service Element;

"**Service Year**" means a period between 1 April and 30 March in any year and, for the avoidance of doubt, the second Service Year shall commence on the 1 April immediately following the Service Commencement Date;

"**Timetabled Monitored Trams**" means the number of Trams providing Transport Services timetabled to pass a Monitoring Point in a Reporting Period as adjusted with any pre-agreed changes to the Transport Services;

"**Tram Punctuality Performance**" has the meaning given to it in paragraph 5.1 of part A of this Schedule Part 6 (*Maintenance Payment Regime*);

"**Zero Points Level**" means for an Edqual Service Element, the percentage stated in the table in part 3 of part A of this Schedule Part 6 (*Maintenance Payment Regime*), in the column headed "Zero Points Level (Initial)".

Where defined terms are used in this Schedule Part 6 which are not defined in this Schedule Part 6 or in the Infraco Contract, they shall have the same meaning as is given in the Tram Maintenance Agreement (or Tram Supply Agreement where relevant).

1. GENERAL DESCRIPTION OF THE INFRASTRUCTURE MAINTENANCE PAYMENT REGIME

1.1 The five elements which shall be used to determine the amount of each Infrastructure Maintenance Services Payment in accordance with part A of this Schedule Part 6 (*Maintenance Payment Regime*) are as follows:

(i) Minimum Performance Payment –90% of the Maximum Performance Payment;

(ii) Punctuality Service Element –7.5% of the Maximum Performance Payment;

(iii) Edqual Service Element – 2% of the Maximum Performance Payment; and

(iv) Fault Correction Service Element and Information Provision Service Element – together 0.5% of the Maximum Performance Payment.

2. MONITORING OF PUNCTUALITY SERVICE ELEMENT

2.1 The Punctuality Service Element shall be electronically monitored and the Infraco shall:

(a) (without prejudice to its general obligations to do so under this Agreement) maintain all relevant electronic monitoring equipment;

(b) repair or replace such equipment forthwith where it is Out of Service or where necessary to correct any inaccuracy affecting the calculation of an Infrastructure Maintenance Services Payment; and

(c) ensure that **tie** receives direct reports for the Punctuality Service Element in such form and format as **tie** reasonably requests from time to time.

To support the Infraco achieve this obligation **tie** shall procure that the Operator provides data on the punctuality of the Transport Services in a timely manner.

2.2 Without prejudice to any other obligation of the Infraco under this Agreement, **tie** shall have the right, upon giving reasonable notice to the Infraco, to inspect any electronic monitoring equipment relevant to the monitoring of the Punctuality Service Element installed on the Trams, track or elsewhere or any records kept, including for the purpose of verifying their accuracy.

2.3 If in relation to a Reporting Period, a Monitoring Point:

2.3.1 is Out of Service for 36 hours or less in any Reporting Period (at times when it should have been in service), then the relevant missing data for the period when the Monitoring Point was Out of Service shall be assumed (for the purposes only of allocating Performance Points) to be consistent, so far as possible, with the average of the data actually collected during that Reporting Period at the Monitoring Point; or

2.3.2 if a Monitoring Point is Out of Service for more than 36 hours in any Reporting Period (at times when it should have been in service), then either:

1. the relevant missing data for the period when the Monitoring Point was Out of Service shall be assumed (for the purposes only of allocating Performance Points) to be consistent, so far as possible, with the average of the data

actually collected during the previous three Reporting Periods at the Monitoring Point; or

2. if the Infraco provides alternative data to **tie** in respect of the times of Transport Services operating at that Monitoring Point and **tie** is reasonably satisfied that the data is a reasonably accurate proxy for the relevant missing data and a reasonable basis for determining the Infrastructure Maintenance Services Payment under part A of this Schedule Part 6 (*Maintenance Payment Regime*), then the alternative data shall be accepted by **tie** for the purposes of determining the Actual Performance Level for the Punctuality Service Element;

2.3.3 if a Monitoring Point is not Out of Service but inaccurate to such a degree that the calculation of an Infrastructure Maintenance Services Payment would be affected, then the Parties shall use reasonable endeavours to agree what would be fair and reasonable on the basis of all available alternative information in relation to performance of the relevant Transport Services as the appropriate number of Performance Points (if any) to be allocated for the affected Service Element and service route in that Reporting Period and, failing such agreement within 28 days of the end of that Reporting Period, the matter may at the instance of either Party be referred for determination in accordance with the Dispute Resolution Procedure.

2.4 If in relation to a Reporting Period, any electronic monitoring equipment relevant to the monitoring of the Punctuality Service Element installed on any Trams is Out of Service or inaccurate to such a degree that the calculation of an Infrastructure Maintenance Services Payment would be affected, the Parties shall use their respective reasonable endeavours to agree what would be fair and reasonable on the basis of all available alternative information in relation to performance of the relevant Transport Services as the appropriate number of Performance Points (if any) to be allocated for the affected Service Element and service route in that Reporting Period and, failing such agreement within 28 days of the end of that Reporting Period, the matter may at the instance of either Party be referred for determination in accordance with the Dispute Resolution Procedures.

3. Inspection of Edqual Service Elements

3.1 In relation to each Edqual Service Element, the Actual Performance Level for that Edqual Service Element shall be monitored as follows:

(a) **tie** shall arrange for monitoring inspectors to inspect Tramstops, the Depot, car parks and/or any other part of the Edinburgh Tram Network (including areas adjacent to it), as the case may be, to assess whether the relevant Performance Test is passed in respect of the relevant Edqual Service Elements;

(b) in each Reporting Period, **tie** shall inspect such number of Tramstops, the Depot, car parks and/or any other part of the Edinburgh Tram Network (including areas adjacent to it), as the case may be, as it reasonably considers appropriate provided that:

(i) **tie** shall inspect at least 80% of the Tramstops in each Reporting Period and shall use its reasonable endeavours to inspect all Tramstops in each Reporting Period;

(ii) **tie** shall use all reasonable endeavours to select Tramstops, the Depot, car parks and any other part of the Edinburgh Tram Network (including areas adjacent to it) for inspection at such times and in such a manner as shall ensure, so far as reasonably practicable, that the results of the monitoring provide a reasonable basis for the calculation of Infrastructure Maintenance Services Payments, including by:

(A) carrying out a reasonably greater proportion of inspections at more highly used Tramstops and during periods of higher demand for Transport Services; and

(B) incorporating a random element in their selection; and

(iii) no Tramstop shall be inspected at times other than in the period between 15 minutes prior to the First Tram departing from the Tramstop and 15 minutes after the Last Tram arriving or departing the relevant Tramstop;

and provided further that **tie** shall not be obliged to arrange or carry out any inspections in relation to any part of the Edinburgh Tram Network where Transport Services are not being operated;

(c) the Infraco shall be entitled, on giving reasonable notice to **tie**, to accompany any of **tie**'s monitoring inspectors in carrying out inspections under this paragraph 3; and

(d) **tie** will keep records detailing the number, timing and location of inspections, together with the results of each inspection so far as reasonably practicable in sufficient detail

to enable **tie** to verify consistency with the requirements of part A of this Schedule Part 6 (*Maintenance Payment Regime*).

3.2 **tie** shall:

(a) use reasonable endeavours to notify the Infraco where monitoring inspectors' reports indicate that a Performance Test has not been passed as soon as reasonably practicable after the week in which the relevant inspection has been carried out, and in any event by no later than 3 Business Days after each Reporting Period End Date during which such inspection took place;

(b) submit to the Infraco as soon as reasonably practicable after the end of each Reporting Period and in any event no later than 3 Business Days after each Reporting Period End Date a report containing a reasonable summary of the results of the inspections carried out in that Reporting Period and stating the Actual Performance Level for that Reporting Period for each Edqual Service Element; and

(c) use reasonable endeavours to input inspection results to the Asset Management System on such basis as agreed between **tie** and the Infraco.

3.3 The Infraco shall be entitled, on giving reasonable notice to **tie**, to inspect and to review any or all of **tie**'s records concerning the time, place, methodology and results of inspections made under this paragraph 3 with a view to verifying that inspections have been carried out in accordance with the requirements of part A of this Schedule Part 6 (*Maintenance Payment Regime*), and to identify opportunities for improving the Infraco's performance of the Infrastructure Maintenance Services.

4. Monitoring of Fault Correction Service Element

4.1 The Infraco shall provide and maintain a fault reporting facility, a log of all Faults and a record of the action taken to correct such Faults including by:

(a) (to the extent reasonably practicable) using the Asset Management System for this purpose;

(b) providing a facility for the Infraco Parties, **tie,** the **tie** Parties, **tie's** Representative, the Tram Maintainer, the Infraco and the Operator to report Faults by telephone or by e-mail and encouraging due reporting of all Faults;

(c) recording the date and time at which each Fault is reported to the Infraco or otherwise comes to the Infraco's attention, such date and time to be no later than:

1. the date and time at which **tie** notifies the Infraco under paragraph 3.2 that a Performance Test has not been passed where this has been caused by the relevant Fault; or

2. the date and time at which information relating to the Fault is input into the Asset Management System, if in use for this purpose;

(d) recording the action taken to correct each Fault and, where practicable, the identity of the person(s) taking that action; and

(e) recording the date and time at which each logged Fault is corrected and, where the time between the time at which each Fault is reported pursuant to Paragraph 4.1 (c) above and the time at which each logged Fault is corrected_exceeds the Correction Time Limit, the number of days (including part days) after the expiry of the Correction Time Limit before the Fault was corrected.

5. Calculation of Punctuality Service Element

5.1 Tram Punctuality Performance shall be calculated on the following basis:

$$TPP = 1 - \left(\frac{LT + (5 \times LLT)}{TMT} \right)$$

where:

TPP is the Tram Punctuality Performance;

LT is the total number of Infraco Late Trams in the Reporting Period;

LLT is the total number of Infraco Late Last Trams in the Reporting Period; and

TMT is the total number of Timetabled Monitored Trams in the Reporting Period.

Excusing Causes

5.2 In determining the number of Infraco Late Trams and Infraco Late Last Trams in any Reporting Period for the purposes of paragraph 5.1 above, the Infraco shall not include any Infraco Late Tram or Infraco Late Last Tram arising from an Excusing Cause that existed at

the time the Tram arrived at (or departed) the relevant Monitoring Point. A report shall be submitted in accordance with paragraph 14 of Part A of this Schedule Part 6.

6. Calculation of Performance Points for Edqual Service Elements

6.1 Subject to the remaining provisions of part A of this Schedule Part 6 (*Maintenance Payment Regime*), for each Edqual Service Element, Performance Points shall be allocated in relation to each Reporting Period as follows:

(a) if the Actual Performance Level exceeds the relevant Zero Points Level for that Reporting Period then positive Performance Points shall be allocated as follows:

Positive Performance Points = (APL – ZPL) x PAR x 100

where:

APL is the applicable Actual Performance Level;

ZPL is the applicable Zero Points Level; and

PAR is the applicable Positive Allocation Rate;

(b) if the Actual Performance Level is equal to the relevant Zero Points Level then no positive Performance Points shall be allocated; and

(c) if the Actual Performance Level is less than the relevant Zero Points Level for that Reporting Period, then negative Performance Points shall be allocated as follows:

Negative Performance Points = (ZPL – APL) x NAR x 100

where:

ZPL is the applicable Zero Points Level;

APL is the applicable Actual Performance Level; and

NAR is the applicable Negative Allocation Rate.

6.2 The Infraco may make an Exemption Claim in respect of any Fault for the purposes of avoiding the allocation of negative Performance Points under the Edqual Service Element as follows:

(a) the Infraco shall notify **tie** in writing of the Fault or Faults in respect of which it seeks exemption from the allocation of negative Performance Points under the Edqual Service Element:

(i) setting out the causes of the Fault and the reasons for the Infraco not being able, using reasonable endeavours and in accordance with Good Industry Practice, to correct the Fault within the relevant Correction Time Limit;

(ii) enclosing such supporting information, documents and explanations as shall enable **tie** to consider the Exemption Claim; and

(iii) containing a programme setting out the steps the Infraco reasonably considers will lead to the correction of the Fault as soon as reasonably practicable, the proposed timescales for those steps and their estimated cost;

(b) the Infraco shall submit to **tie** such information and explanations as **tie** may reasonably request in respect of the Exemption Claim and any programme submitted under paragraph 6.2(a)(iii);

(c) without prejudice to any other obligation under this Agreement, the Infraco shall comply with the programme submitted by it under paragraph 6.2(a)(iii); and

(d) if an Exemption Claim demonstrates to **tie**'s reasonable satisfaction that the Infraco's failure to correct the Fault under the Edqual Service Element is due to:

(i) non-availability of parts in circumstances where the Infraco has taken all reasonable and prudent steps to prevent such non-availability in accordance with Good Industry Practice with reference to the Minimum Spare Parts List;

(ii) non-availability of parts in circumstances where the Infraco has taken all reasonable steps to prevent such non-availability and the level of parts as set out in the Minimum Spare Parts List is inadequate as a result of the requirement by **tie** to reduce the level of Spare Parts from the levels set out in the Initial Spare Parts List;

(iii) non-availability of the road-rail maintenance vehicle where there are two maintenance activities to be undertaken in parallel despite the Infraco having taken all prudent steps to prevent such non-availability in accordance with Good Industry Practice to resource planning; and/or

(iv) circumstances beyond the reasonable control of the Infraco which could not reasonably have been foreseen by the Infraco;

but that the Infraco is using all reasonable endeavours to correct the Fault in accordance with the programme submitted by it under paragraph 6.2(a)(iii) and in accordance with Good Industry Practice as soon as reasonably practicable in the circumstances then, if and to the extent that the failure is due to the circumstances in (i) and (ii) above, and for so long as the Infraco is using all such reasonable endeavours and reporting progress to **tie** at intervals of no less than 7 days, no negative Performance Points shall be allocated in respect of the Fault under paragraph 6.1.

7. Calculation of Performance Points for Fault Correction Service Element

7.1 The Fault Correction Service Element consists of the correction of Faults by the Infraco under this Agreement which shall be monitored and Performance Points allocated in respect thereof in accordance with this paragraph 7.

7.2 For the Fault Correction Service Element, Performance Points shall (subject to the remaining provisions of part A of this Schedule Part 6 (*Maintenance Payment Regime*)) be allocated in relation to each Reporting Period as follows:

$$\textbf{Performance Points} = \textbf{MPA}_{(FC)} - \textbf{NPP}_{(FC)}$$

where:

$\textbf{MPA}_{(FC)}$ is the Maximum Positive Allocation for the Fault Correction Service Element; and

$\textbf{NPP}_{(FC)}$ is the aggregate number of negative Performance Points (if any) allocated in relation to the Fault Correction Service Element as follows:

(a) subject to paragraphs (b) and (c) below, by allocating, for each day or part day during that Reporting Period that any individual Fault remained uncorrected after the expiry of the relevant Correction Time Limit, the number of negative Performance Points set out as the daily rate in relation to the category of Faults applying to that Fault in the table in Part 4 of part A of this Schedule Part 6 (*Maintenance Payment Regime*);

(b) for each Reporting Period in the first Service Year the first 1,000 negative Performance Points that would otherwise be allocated under paragraph (a) above shall be disregarded and shall not be so allocated; and

(c) for each Reporting Period in the second and subsequent Service Years the first 500 negative Performance Points that would otherwise be allocated under paragraph (a) above shall be disregarded and shall not be so allocated.

7.3 The Infraco may make an Exemption Claim in respect of any Fault for the purposes of avoiding the allocation of negative Performance Points under the Fault Correction Service Element as follows:

(a) the Infraco shall notify **tie** in writing of the Fault or Faults in respect of which it seeks exemption from the allocation of negative Performance Points under the Fault Correction Service Element:

(i) setting out the causes of the Fault and the reasons for the Infraco not being able, using reasonable endeavours and in accordance with Good Industry Practice, to correct the Fault within the relevant Correction Time Limit;

(ii) enclosing such supporting information, documents and explanations as shall enable **tie** to consider the Exemption Claim; and

(iii) containing a programme setting out the steps the Infraco reasonably considers will lead to the correction of the Fault as soon as reasonably practicable, the proposed timescales for those steps and their estimated cost;

(b) the Infraco shall submit to **tie** such information and explanations as **tie** may reasonably request in respect of the Exemption Claim and any programme submitted under paragraph 7.3(a)(iii);

(c) without prejudice to any other obligation under this Agreement, the Infraco shall comply with the programme submitted by it under paragraph 7.3(a)(iii); and

(d) if an Exemption Claim demonstrates to **tie**'s reasonable satisfaction that the Infraco's failure to correct the Fault within the Correction Time Limit is due to:

(i) non-availability of parts in circumstances where the Infraco has taken all reasonable and prudent steps to prevent such non-availability in accordance with Good Industry Practice with reference to the Minimum Spare Parts List;

(ii) non-availability of parts in circumstances where the Infraco has taken all reasonable steps to prevent such non-availability and the level of parts as set out in the Minimum Spare Parts List is inadequate as a result of the requirement by **tie** to reduce the level of Spare Parts from the levels set out in the Initial Spare Parts List;

(iii) non-availability of the road-rail maintenance vehicle where there are two maintenance activities to be undertaken in parallel despite the Infraco having taken all prudent steps to prevent such non-availability in accordance with Good Industry Practice to resource planning;

(iv) circumstances beyond the reasonable control of the Infraco which could not reasonably have been foreseen by the Infraco; and/or

(v) an Excusing Cause,

but that the Infraco is using all reasonable endeavours to correct the Fault in accordance with the programme submitted by it under paragraph 7.3(a)(iii) and in accordance with Good Industry Practice as soon as reasonably practicable in the circumstances then, if and to the extent that the failure is due to the circumstances in (i) and (ii) above, and for so long as the Infraco is using all such reasonable endeavours and reporting progress to **tie** at intervals of no less than 7 days, no negative Performance Points shall be allocated in respect of the Fault under paragraph 7.2.

8. Allocation of Performance Points for Information Provision Service Element

8.1 For the Information Provision Service Element, Performance Points shall (subject to the remaining provisions of this Schedule Part 6 (*Maintenance Payment Regime*)) be allocated in relation to each Reporting Period as follows:

$$\textbf{Performance Points} = \textbf{MPA}_{(L)} - \textbf{NPP}_{(L)}$$

where:

$MPA_{(L)}$ is the Maximum Positive Allocation for the Information Provision Service Element; and

$NPP_{(L)}$ is the aggregate number of negative Performance Points (if any) allocated as follows in respect of each Information Package which should have been provided to **tie** during that Reporting Period in accordance with this Agreement but was not provided (without any material omissions) before the end of that Reporting Period:

	Negative Performance Points to be allocated
Where the relevant Information Package was duly provided in the most recent previous Reporting Period in which it was due;	50
Where the relevant Information Package was not duly provided in the most recent previous Reporting Period in which it was due but was duly provided in the last but one Reporting Period in which it was due;	250
Where the relevant Information Package was not duly provided in the two or more most recent previous Reporting Periods in which it was due.	500

9. Pro Rata Allocations And Maximum And Minimum Allocations

9.1 In relation to any Reporting Period that is more or less than 28 days in length, Performance Points shall, save to the extent that such Performance Points relate to individual failures in the performance of the Infrastructure Maintenance Services by the Infraco, be allocated under the remaining provisions of part A of this Schedule Part 6 (*Maintenance Payment Regime)* on a pro rata basis.

9.2 The number of positive Performance Points that may be allocated under paragraph 6 of part A of this Schedule Part 6 (*Maintenance Payment Regime*) in relation to an Edqual Service Element for a Reporting Period shall not exceed the Maximum Positive Allocation for that Edqual Service Element for that Reporting Period except where the number of positive Performance Points allocated in relation to that Service Element in the immediately preceding Reporting Period fell short of the relevant Maximum Positive Allocation, in which case any excess positive Performance Points shall be allocated in relation to that Service Element, up to a maximum number equal to such shortfall.

9.3 The number of negative Performance Points that may be allocated under paragraphs 6, 7 and 8 of part A of this Schedule Part 6 (*Maintenance Payment Regime*) in relation to a Service Element for a Reporting Period shall be such that, where there is a resulting net allocation of negative Performance Points in relation to the Service Element, this shall not exceed the number of negative Performance Points equal to the Maximum Negative Allocation for that Service Element for that Reporting Period.

10. Low Performance Ratchets

10.1 Where:

(a) a Low Performance Level occurs in respect of an Edqual Service Element, the Information Provision Service Element or the Fault Correction Service Element; and

(b) there have been three or more previous Low Performance Levels for that Service Element within the five Reporting Periods immediately preceding that Reporting Period;

then additional negative Performance Points equal in number to a specified percentage of the Maximum Negative Allocation for that Service Element shall be allocated in relation to that Reporting Period as follows:

Number of Service Element Low Performance Levels in previous five Reporting Periods	**Percentage of Service Element Maximum Negative Allocation to be allocated as additional negative Performance Points**
3	25
4	50

5	75

11. Conversion of Tram Punctuality Performance into the Punctuality Payment

11.1 Punctuality Payment

The Punctuality Payment due from **tie** to the Infraco for each Reporting Period shall be calculated as follows:

$$PP = (7.5\% \times MaxPP) \times OPP$$

where:

PP is the Punctuality Payment;

MaxPP is the Maximum Performance Payment for the Reporting Period;

OPP is the Overall Payment Performance as calculated in accordance with paragraph 11.2 of part A of this Schedule Part 6 (*Maintenance Payment Regime*).

11.2 The Overall Payment Performance shall be calculated on the following basis:

$$OPP = \frac{TPP - MinOPP}{100\% - MinOPP}$$

save where OPP is a negative figure, in which case OPP shall be 0

and where:

TPP is the Tram Punctuality Performance calculated in accordance with paragraph 5 of part A of this Schedule Part 6 (*Maintenance Payment Regime*); and

MinOPP is the Minimum Overall Payment Performance.

11.3 The Infraco shall evaluate the Tram Punctuality Performance in accordance with part A of this Schedule Part 6 (*Maintenance Payment Regime*).

11.4 The Infraco's Representative shall meet with representatives of the Operator, the Tram Maintainer, **tie** and the Infrastructure Maintainer every Operating Day that is also a Business Day at 09:00 (or such other time as all parties shall reasonably agree) to determine the responsibility for any Late Trams, the Edinburgh Tram Network not being Available

Infrastructure, or poor performance of Trams or the Edinburgh Tram Network. Where the parties cannot, acting reasonably, determine responsibility for any Late Tram, the Edinburgh Tram Network not being Available Infrastructure, or poor performance then **tie** shall, in its absolute discretion, determine responsibility, subject only to referral of such resolution to the Dispute Resolution Procedure.

11.5 If the Tram Punctuality Performance is less than 95% then the Infraco shall, within 3 Business Days, or such other period as is agreed between the Parties, of the end of the Reporting Period prepare a rectification plan ("**Performance Rectification Plan**") (to be agreed with **tie**, acting reasonably) setting out a comprehensive analysis of the reasons why the Tram Punctuality Performance is less than 95% and setting out a detailed plan to improve performance to achieve a Tram Punctuality Performance of at least 98%.

12. Conversion of Performance Points into Infrastructure Maintenance Services Payments

12.1 Subject to paragraph 12.2 of part A of this Schedule Part 6 (*Maintenance Payment Regime*), the Performance Payment for each Reporting Period shall be calculated as follows:

(APP - LPP) x PPV

where:

APP is the aggregate net number of Performance Points (which may be positive or negative) allocated under part A of this Schedule Part 6 (*Maintenance Payment Regime*) other than under paragraph 10 of part A of this Schedule Part 6 (*Maintenance Payment Regime*) for all Service Elements in relation to that Reporting Period;

LPP is the aggregate number of negative Performance Points allocated under paragraph 10 of part A of this Schedule Part 6 (*Maintenance Payment Regime*) in respect of any Low Performance Levels occurring in relation to that Reporting Period; and

PPV is the Performance Point Value for that Reporting Period,

Provided that such Performance Payment in each Reporting Period shall not exceed 2.5% of the Maximum Performance Payment.

12.2 The Performance Payment otherwise payable in accordance with the formula set out in paragraph 12.1 of part A of this Schedule Part 6 (*Maintenance Payment Regime)* shall be subject to the following adjustments during the first Service Year:

(a) for payment calculation purposes only, the Infraco shall be deemed to have been allocated the Maximum Positive Allocation for each Service Element in respect of Reporting Periods prior to the PPR Commencement Date; and

(b) in determining the value of LPP any Low Performance Level occurring in respect of a Reporting Period prior to the PPR Commencement Date shall be disregarded.

12.3 Where the Performance Payment calculated in accordance with paragraph 12 of part A of this Schedule Part 6 (*Maintenance Payment Regime*) is a negative number, no payment shall be required to be made by the Infraco to **tie** but the negative number shall be carried forward and set off against the next Infrastructure Maintenance Services Payment(s) and, in the event that there is such a negative number on the Termination Date that would be carried forward had this Agreement not terminated, the Infraco shall pay to **tie** an amount equal to that number by no later than one month after the Termination Date by way of reimbursement of Infrastructure Maintenance Services Payments previously paid to the Infraco.

13. Determination and Payment of Infrastructure Maintenance Services Payments

13.1 **tie** shall determine the Infrastructure Maintenance Services Payment due for each Reporting Period calculated in accordance with part A of this Schedule Part 6 (*Maintenance Payment Regime*) as follows:

(a) within 3 Business Days after each Reporting Period End Date, the Infraco shall submit an application for payment which shall set out the Minimum Performance Payment, the Punctuality Payment and the Performance Payment claimed for the relevant Reporting Period together with a statement showing how the payments have been calculated including the net number of Performance Points (which may be negative or positive) allocated in relation to each Service Element:

(i) (for Edqual Service Elements) based entirely on the relevant information provided by **tie** to the Infraco under paragraph 3 of part A of this Schedule Part 6 (*Maintenance Payment Regime*);

(ii) (for the Information Provision Service Element) based on the provision or non-provision of Information Packages to **tie** which were due to be provided to **tie** during that Reporting Period; and

(iii) (for the Fault Correction Service Element) based on the relevant records made and kept by the Infraco in accordance with paragraph 4.1 of part A of this Schedule Part 6 (*Maintenance Payment Regime*) but including any

adjustments under paragraph 7.3 of part A of this Schedule Part 6 (*Maintenance Payment Regime*),

together with such supporting information as is reasonably necessary to enable **tie** to understand the basis on which the application for payment and supporting statement has been prepared;

(b) the Infraco shall provide, as soon as reasonably practicable after any request by **tie**, such further information and explanations as **tie** may reasonably request;

(c) if either Party wishes to dispute the Performance Points allocated or the amount of the Infrastructure Maintenance Services Payment for any Reporting Period, it shall refer the matter to the Dispute Resolution Procedure for determination.

13.2 **tie** shall pay to the Infraco each Infrastructure Maintenance Services Payment determined in accordance with paragraph 13.1 of this Schedule Part 6 (*Maintenance Payment Regime*) in accordance with Clause 68 (*Payment in respect of Maintenance Services*).

13.3 NOT USED

13.4 **Review of Performance Benchmarks**

13.4.1 On or prior to the expiry of 13 full Reporting Periods after the date of issue of the Certificate of Service Commencement and thereafter on or prior to each subsequent Performance Review Date, **tie** shall review and determine the Edqual Performance Benchmark and the Fault Correction Performance Benchmark ("Performance Benchmarks") to apply for each Reporting Period from each such date to the next Performance Review Date.

13.4.2 In determining what Performance Benchmarks are to apply up to the next Performance Review Date under paragraph 13.4.1 above, **tie** will have regard to the following:

13.4.2.1 the level of performance achieved by the Infraco in the preceding periods in relation to the then current level of Performance Benchmarks and the extent to which that level of performance is or is likely to be sustainable or to be improved upon by an efficient maintenance contractor using all reasonable endeavours to optimise the availability of the System;

13.4.2.2 the improvement in performance which the Infraco might reasonably be expected to achieve up to the next Performance Review Date; and

13.4.2.3 the effect (or likely effect) of any investments or improvements made, or due to be made which can reasonably be expected to affect the performance of the Infraco under this Agreement.

13.4.3 If the Infraco disagrees that any or all of the Performance Benchmarks determined by **tie** under paragraphs 13.4.1 and 13.4.2 above are reasonable for **tie** to determine then either of the parties may refer that issue for determination in accordance with the Dispute Resolution Procedure but until such revisions are agreed or otherwise determined in accordance with such Dispute Resolution Procedure, the Performance Benchmarks as assessed by **tie** under paragraphs 13.4.1 and 13.4.2 above shall apply.

14. Excusing Causes and Performance Rebates

14.1 If and to the extent that one or more Excusing Causes has an adverse impact on the performance of the Infrastructure Maintenance Services or on the monitoring of such performance under part A of this Schedule Part 6 (*Maintenance Payment Regime*) such that the Infrastructure Maintenance Services Payment payable by **tie** under part A of this Schedule Part 6 (*Maintenance Payment Regime*) in relation to a Reporting Period is lower than it would otherwise have been by an amount equal to or greater than the Relief Threshold then, in order to claim a Performance Rebate from **tie** in consequence thereof, the Infraco shall:

(a) within 14 days after the end of the relevant Reporting Period submit to **tie** written notice:

(i) describing the effect that each such Excusing Cause has had on the performance of the Infrastructure Maintenance Services or on the monitoring of such performance during that Reporting Period including full details of the nature of the Excusing Cause, the date of occurrence and its duration (or likely duration in the case of a Excusing Cause that is affecting Infrastructure Maintenance Services at the date of the notice);

(ii) describing the effect of each such Excusing Cause on the allocation of Infraco Late Trams, Infraco Last Late Trams and Performance Points;

(iii) stating the Infrastructure Maintenance Services Payment that would have been due from **tie** in respect of that Reporting Period had the Excusing Cause(s) not occurred; and

(iv) stating the proposed Performance Rebate due from **tie** assuming that the Actual Performance Level for a Service Element during any period affected by an Excusing Cause would have been no higher than the Actual Performance Level applying to that Service Element during those parts of the Reporting Period not affected by an Excusing Cause (or where the proposed Performance Rebate applies to a full Reporting Period, the previous Reporting Period not affected by an Excusing Cause);

(b) demonstrate to the reasonable satisfaction of **tie** that:

(i) the Infraco could not have avoided the occurrence of the Excusing Cause(s) or the consequences thereof by steps which it might reasonably be expected to have taken, without incurring material additional expenditure;

(ii) the Excusing Cause(s) caused the claimed effect on the allocation of Performance Points; and

(iii) the reduction in the Infrastructure Maintenance Services Payment caused by the Excusing Cause(s) could not reasonably be expected to have been avoided or reduced by the Infraco taking all those steps which a reasonably experienced, efficient and competent maintenance contractor engaged in the same type of undertaking (comparable in size, scope and complexity to its activities in relation to this Agreement) would properly be expected to take if seeking in good faith and in accordance with Good Industry Practice to mitigate or recover the effect of the Excusing Cause(s), in particular by implementing any relevant contingency plans that the Infraco is required to put in place under this Agreement.

14.2 In the event that the Infraco has submitted a notice under paragraph 14.1(a) and complied with its obligations under paragraph 14.1(b) then:

(a) the Infraco and **tie** shall endeavour to agree as soon as practicable the amount of the Performance Rebate (if any);

(b) the Infraco shall provide, as soon as reasonably practicable after any request by **tie**, such further information and explanations as **tie** may reasonably request;

(c) to the extent that **tie** agrees to pay the proposed Performance Rebate, **tie** shall pay to the Infraco the Performance Rebate or such part as it agrees to be payable, within 14 days of the later of the receipt by **tie** of the notice to **tie** under paragraph 14.1(a) and

the receipt of all information and explanations requested under paragraph 14.1(b) that are reasonably required by **tie** to verify its liability to make such payment;

(d) if **tie** wishes to dispute all or part of the proposed Performance Rebate, it shall, within 28 days of receipt of the notice under paragraph 14.1(a) of part A of this Schedule Part 6 (*Maintenance Payment Regime*) (or if later within 28 days after receipt of any further information reasonably requested under paragraph 14.2 (b) of part A of this Schedule Part 6 (*Maintenance Payment Regime*)), submit written notice to the Infraco setting out the reasons why it disagrees with the notice submitted under paragraph 14.1 (a) of part A of this Schedule Part 6 (*Maintenance Payment Regime*) or considers that the Infraco has not complied with its obligations under paragraph 14.1(b) of part A of this Schedule Part 6 (*Maintenance Payment Regime*);

(e) to the extent that the Infraco and **tie** are unable to agree the amount of the Performance Rebate (if any) within 28 days of days of receipt of the notice referred to in paragraph 14.2 (d) of part A of this Schedule Part 6 (*Maintenance Payment Regime*), then the determination of the applicable Performance Rebate may at the instance of either Party be referred for determination in accordance with the Dispute Resolution Procedure; and

(f) **tie** shall pay any unpaid amount of the Performance Rebate subsequently agreed or determined to be payable within 14 days of the quantum of the Performance Rebate being agreed or within 14 days of receipt by **tie** of the determination thereof, together with interest in accordance with the rate set out in Clause 62.4 from the due date for payment of the Infrastructure Maintenance Services Payment for the Reporting Period in relation to which the Performance Rebate is payable up to the date of payment.

14.3 **tie** shall be entitled to deduct from any Performance Rebates payable by it under this paragraph 14 of part A of this Schedule Part 6 (*Maintenance Payment Regime)* any variable cost savings realised by the Infraco as a result of non-performance of the Infrastructure Maintenance Services, particularly in the case of Excusing Causes having an extended duration.

15. Improvement Programmes

15.1 Without prejudice to all other obligations under this Agreement in respect of the Infrastructure Maintenance Services, the Infraco shall use all reasonable endeavours to ensure that as from the PPR Commencement Date, the Actual Performance Level for each Service Element is at

least equal to the level required to achieve the Maximum Positive Allocation for that Service Element.

15.2 Where a Low Performance Level occurs in respect of an Edqual Service Element or the Fault Correction Service Element and there has been a previous Low Performance Level for that Service Element within the five Reporting Periods immediately preceding that Reporting Period then without prejudice to **tie**'s other rights and remedies under this Agreement:

15.2.1 the Infraco shall as soon as reasonably practicable, and in any event within 30 days of the relevant Actual Performance Level that constitutes a Low Performance Level being agreed or determined, submit to **tie** either:

(a) a proposed Improvement Programme setting out:

(i) the steps it reasonably considers are likely to improve the Actual Performance Level for that Service Element for subsequent Reporting Periods such that the Maximum Positive Allocation is allocated for that Service Element;

(ii) why those steps are considered likely so to improve the Actual Performance Level;

(iii) the proposed timescales for the steps to be taken; and

(iv) the estimated costs of the steps to be taken;

or

(b) (if the Infraco reasonably considers that there are no steps that are likely to so improve the Actual Performance Level for that Service Element or where relevant steps previously agreed between the Parties with a view to improving the Actual Performance Level for that Service Element are in the course of being implemented and are yet to come fully into effect) an application for an exemption from the requirement to submit an Improvement Programme, setting out in full the justification for requesting the exemption;

15.2.2 the Infraco shall submit to **tie** such information and explanations as **tie** may reasonably request in respect of a proposed Improvement Programme or application for exemption;

15.2.3 **tie** may make modifications to a proposed Improvement Programme by written notice submitted to the Infraco within 30 days of receipt the proposed Improvement

Programme provided that such modifications are reasonable and practicable and in particular do not require the Infraco to incur additional expenditure that is disproportionate to the improvement in the Actual Performance Level sought to be achieved;

15.2.4 in the event of any dispute between **tie** and the Infraco as to whether or not any exemption applied for under paragraph 15.2.1(a)(ii) of part A of this Schedule Part 6 (*Maintenance Payment Regime)* should be granted, or as to whether or not any modifications proposed by **tie** under paragraph 15.2.3 of part A of this Schedule Part 6 (*Maintenance Payment Regime*) are reasonable and practicable or require the Infraco to incur additional expenditure that is disproportionate, then the dispute may at the instance of either Party be referred for determination in accordance with the Dispute Resolution Procedure; and

(e) without prejudice to any other obligation under this Agreement, the Infraco shall comply with any Improvement Programme, as modified where applicable under paragraphs 15.2.3 and/or 15.2.4.

Part 2 Edinburgh Tram Network Service Element Performance Tests for the Infrastructure Maintenance Services

A: NOT USED

B: EDINBURGH TRAM NETWORK TRAMSTOP REPAIRS AND MAINTENANCE

B1 Service Element: Repair And Maintenance of Tramstop Canopies

This Performance Test will be failed in relation to a Tramstop where, in respect of any canopy at the Tramstop:

(a) the canopy leaks;

(b) the canopy roof or walls are damaged (including peeling paint) over an area larger than A3 size or any section of the canopy roof or wall is missing;

(c) the canopy should be present but is missing (unless an exemption has been agreed with **tie**, acting reasonably);

(d) the canopy has been etched with wording or diagrams that have an obscene or racist meaning; or

(e) the canopy is defective in such a way as to prevent its normal usage and/or that makes it dangerous for passengers to use.

B2 Service Element: Repair And Maintenance of Shelters and Seating

This Performance Test will be failed in relation to a Tramstop where, in respect of any shelter or seat unit (defined as being a set of two or more adjoining seats, or a bench) at the Tramstop:

(a) it should be present but is missing;

(b) it is damaged in such a way as could damage or injure persons or their clothing;

(c) any seat unit is unsecured or unstable;

(d) the asset is defective in such a way as to interfere with usage and/or that makes it dangerous for passengers to use;

(e) the asset has been etched with wording or diagrams that have an obscene or racist meaning;

(f) any glazing panel forming part of or intended to form part of the relevant shelter is missing;

(g) litter bins within the relevant shelter are: missing (when they should be present), damaged, not securely fixed or broken in such a way that they are unfit for use;

(h) any glazing panel forming part of the relevant shelter has a hole in it larger than 10cm in diameter or any crack longer than 10cm; or

(i) any light within the relevant shelter is not working (and for this purpose a light is deemed not to be working if it is broken, missing, flickering or unlit during the hours of darkness).

B 3.1 Service Element: Repair And Maintenance Of Lifts

This Performance Test will be failed in relation to a Tramstop or the Depot where, in respect of any lift at the Tramstop or the Depot:

(a) lighting systems for the relevant lift fail to operate fully within or around the asset (individual units). A lighting system will be deemed to fail if:

(i) any light in, or adjacent to a lift is not fully operational;

(ii) a diffuser is missing or broken; or

(iii) a light is missing when it should be present;

(b) the floor area of the relevant lift is damaged e.g. dangerously uneven or potholed (trip hazard deeper than 3cms) to an extent likely to be a risk to a mobility impaired person;

(c) hand rails are not secure or are missing. There is a requirement that where a place for a hand rail exists within the structure then a rail should be in place;

(d) the floor area of the relevant lift is affected by adverse weather conditions in such a way as to be dangerous when used by passengers;

(e) any glazing panel forming part of the relevant lift is missing;

(f) any glazing panel forming part of the relevant lift has a hole in it;

(g) any glazing panel forming part of the relevant lift has through any means become opaque except where designed to be opaque;

(h) the roof or walls of the lift are damaged e.g. paint peeling, on an individual area larger than A3 size or sections of the relevant roof or wall are missing; or

(i) the relevant lift has been etched with wording or diagrams that have an obscene or racist meaning.

B 3.2 Service Element: Availability of Lifts

This Performance Test will be failed in relation to a Tramstop or the Depot where, in respect of any lift at the Tramstop or the Depot:

(a) the relevant lift is unavailable or fails to operate (unless maintenance is underway or servicing is taking place); or

(b) the relevant lift is defective in such a way as to interfere with usage and/or that makes it dangerous for passengers to use.

B4 Service Element: Repair and Maintenance of Embankments, Ramps and Surrounding Areas

This Performance Test will be failed in relation to a Tramstop where, in respect of any embankments or ramp at the Tramstop:

(a) the relevant embankment or ramp is unavailable or closed during normal operating hours i.e between 15 minutes before the First Tram and 15 minutes after the Last Tram;

(b) the relevant embankment or ramp is defective in such a way as to interfere with usage and/or that makes it dangerous for passengers to use;

(c) lighting systems for the relevant embankment or ramp fail to operate fully within or around it. A lighting system will be deemed to fail for this purpose if:

(i) any two adjacent lights are not fully operational;

(ii) a diffuser is missing or broken; or

(iii) a light is missing when it should be present;

(d) the floor area of the relevant embankment or ramp is damaged e.g. dangerously uneven or potholed (trip hazard deeper than 3cms) to an extent likely to be a risk to a mobility impaired person;

(e) hand or guard rails for the relevant embankment or ramp are not secure or are missing when they should be present;

(f) the relevant embankment or ramp has any railings/fencing that is damaged in such a way that could cause injury to passengers, damage to clothing or allows unauthorised access;

(g) the floor area of the relevant embankment or ramp is affected by adverse weather conditions in such a way as to be dangerous when used by passengers. (Including during icy and/or snowy conditions by not being appropriately treated);

(h) litter bins on the relevant embankment or ramp are: missing, damaged, not securely fixed or broken in such a way as to be unfit for use;

(i) the relevant embankment or ramp has been etched with wording or diagrams that have an obscene or racist meaning; or

(j) the vegetation in surrounding areas is overgrown or non-compliant with the Third Party Agreements or the Environmental Statements.

B5 Service Element: Repair and Maintenance of Stairs, Footbridges and Subways

This Performance Test will be failed in relation to a Tramstop where, in respect of any flight of stairs, footbridge, subway or foyer at the Tramstop:

(a) the area is unavailable or closed during normal operating hours i.e. between 15 minutes before the first Passenger Service and 15 minutes after the last Passenger Service;

(b) the asset is defective in such a way as to interfere with usage and/or that makes it dangerous for passengers to use;

(c) lighting systems fail to operate fully within or around the asset, (Individual Units). For this purpose a lighting system will be deemed to fail if:

(i) any two adjacent lights are not fully operational;

(ii) a diffuser is missing or broken; or

(iii) a light is missing when it should be present;

(d) the floor area is damaged e.g. dangerously uneven or potholed (trip hazard deeper than 3cms) to an extent likely to be a risk to a mobility impaired person, or in the case of stairs, loose stair treads;

(e) hand or guard rails are not secure or are missing when they should be present;

(f) the floor area is affected by adverse weather conditions in such a way as to be dangerous when used by passengers. (Including during icy and/or snowy conditions by not being appropriately treated);

(g) any glazing panel forming part of the stairs, footbridge or subway is missing when it should be present;

(h) any glazing panel forming part of the stairs, footbridge or subway has a hole in it larger than 10cm in diameter or any crack longer than 10cm;

(i) any glazing panel forming part of the stairs, footbridge, subway or foyer has through any means become opaque except where designed to be opaque;

(j) the roof or walls of the relevant stairs, footbridge or subway are damaged over an individual area larger than A3 size (including peeling paint), or any section of the roof or wall is missing;

(k) the roof of the relevant stairs, footbridge, subway or foyer leaks;

(l) the relevant stairs, footbridge or subway have been etched with wording or diagrams that have an obscene or racist meaning; or

(m) the fencing of any flight of stairs or footbridge is missing or is defective in such a way as to interfere with usage and/or that makes it dangerous for passengers.

B6 Service Element: Repair and Maintenance of Platforms

This Performance Test will be failed in relation to a Tramstop where, in respect of any Platform (which for this purpose includes any area at floor level within canopies and shelters together with all and any items of equipment on or within the area of the platform which are not specifically referred to in any other Edinburgh Tram Network Service Element within category B) at the Tramstop:

(a) the area is unavailable or closed during normal operating hours i.e. between 15 minutes before the first Passenger Service and 15 minutes after the last Passenger Service;

(b) the floor area is damaged e.g. dangerously uneven or potholed (trip hazard deeper than 3cms) to an extent likely to be a risk to a mobility impaired person;

(c) the floor area is affected by adverse weather conditions in such a way as to be dangerous when used by passengers. (Including during icy and/or snowy conditions by not being appropriately treated);

(d) lighting systems for the platform fail to operate fully. A lighting system will be deemed to fail if:

(i) any two adjacent lights are not fully operational;

(ii) a diffuser is missing or broken; or

(iii) a light is missing when it should be present;

(e) any litter bin or newspaper dispenser on the platform is: missing (when it should be present), not securely fixed, damaged or broken in such a way that it is unfit for use;

(f) hand or guard rails on the platform are not secure or are missing when they should be present; or

(g) platform railings/fencing is damaged in such a way that could cause injury to passengers, damage to clothing or allow unauthorised access to platform.

B7 Service Element: Repair and Maintenance of Car Parks

This Performance Test will be failed in relation to a Tramstop or the Depot where, in respect of any car park at the Tramstop or the Depot:

(a) less than 95% of parking bays at any Tramstop or the Depot are capable of being available for use by passengers to park cars or motorbikes;

(b) lighting systems for the car park fail to operate fully within or around the car park (individual units). A lighting system will be deemed to fail if:

(i) any two adjacent lights are not fully operational;

(ii) a diffuser is missing or broken; or

(iii) a light is missing when it should be present;

(c) the car park surface is damaged e.g. pot holes larger than an area of A3 size or deeper than 3cms are present;

(d) foliage in the car park is dense and overhangs car parking bays and walkways, in such a way that would prevent or hinder a passenger from using the car park;

(e) foliage in the car park obscures the lighting systems or signs; or

(f) signing in the car park is damaged or missing when it should be present.

B8 Service Element: Repair and Maintenance of Tramstop Cycle Parking

This Performance Test will be failed in relation to a Tramstop where, in respect of any cycle parking facilities at the Tramstop the facilities are damaged in any way so as to prevent:

(a) the cycle parking area is unavailable for use due to obstruction; or

(b) the facilities are missing when they should be present.

C: CLOSED CIRCUIT TELEVISION SYSTEMS

C1 Service Element: Closed Circuit Television Systems

This Performance Test will be failed in relation to a Tramstop or the Depot if, on inspection (whether at the Tramstop, the Depot or at the CCTV control room):

(a) the Infraco does not provide video files for specified cameras, recorded at specified dates and times as requested by **tie** to view the results of the test performed by the monitoring inspector;

(b) a camera at the relevant Tramstop or the Depot which should tilt, pan or zoom fails to do so (including (for the avoidance of doubt) upon activation of a passenger emergency call point) (and, for the avoidance of doubt, a camera will have failed to zoom if (*inter alia*) the real time or recorded picture is sufficiently indistinct to prevent identification of an unknown individual in accordance with police scientific development branch methodology for evidential purposes);

(c) a camera at the relevant Tramstop or Depot fails to operate;

(d) a camera at the relevant Tramstop or Depot is missing when it should be present; or

(e) the real time or recorded picture taken by a camera at the relevant Tramstop or Depot is sufficiently indistinct to prevent recognition of an unknown individual in accordance with police scientific development branch methodology,

provided always that in relation to any Reporting Period when the monitoring inspectors are not (save in circumstances when it would be unreasonable to permit access) permitted access to the CCTV control room to view real time operation, the Performance Test for this Service Element will be deemed to have failed all inspections and the Actual Performance Level shall be zero.

D: PASSENGER INFORMATION VISUAL DISPLAYS AT TRAMSTOPS

D1 Service Element : Passenger Information Visual Displays

This Performance Test will be failed in relation to a Tramstop where, in respect of any Passenger Information Visual Display Unit at the Tramstop:

(a) the unit is not working;

(b) the unit is missing when it should be present; or

(c) the unit is damaged and/or the information is illegible from a distance of 3 metres along the platform of the Tramstop by a person with perfect, or perfectly corrected eyesight.

E: POSTER CASES, SIGNAGE AND PRINTED EDINBURGH TRAM NETWORK SERVICE INFORMATION

E1 Service Element: Poster Cases

This Performance Test will be failed in relation to a Tramstop where, in respect of any poster case at the Tramstop:

(a) the frame of the poster case is damaged in any way that prevents its use for display of posters;

(b) information within the poster case is not clear and legible through the cover of the poster case due to damage;

(c) the poster case frame has visible rust or discoloration covering an area greater than 10cms square; or

(d) the poster case is missing when it should be present.

E2 Service Element: Edinburgh Tram Network Tramstop Signing

This Performance Test will be failed in relation to a Tramstop where, in respect of any signs at the Tramstop:

(a) the sign is missing where it should be present;

(b) the sign is damaged in any way that prevents the information from being clearly legible, (including through failures in internal lighting systems);

(c) the sign is obscured by foliage or other non-authorised materials e.g. including builder's materials, scaffolding or other obscuring object;

(d) the information on the sign is incorrect; or

(e) the sign has been etched with wording or diagrams that have an obscene or racist meaning.

F: PUBLIC ADDRESS SYSTEM AND HELP POINTS AT EDINBURGH TRAM NETWORK TRAMSTOPS

F1 Service Element: Public Address System at Tramstops

This Performance Test will be failed in relation to a Tramstop where, in respect of any public address system at the Tramstop:

(a) announcements are not audible to a person with normal or perfectly corrected hearing under ambient noise conditions that could reasonably be expected to occur at the relevant Tramstop; or

(b) announcements are not clear and understandable and this appears to be as a result of the public address system being faulty.

F2 Service Element: Passenger Emergency and Information Call Points at Tramstops

This Performance Test will be failed in relation to a Tramstop where, in respect of any passenger emergency call point at the Tramstop:

(a) the Operator's response following activation of the passenger emergency call point is not audible to a person with normal or perfectly corrected hearing or is not clear and understandable and this appears to be as a result of the emergency call point being faulty;

(b) the passenger emergency call point is not functioning or is missing when it should be present; or

(c) (if functionality is provided) after the Operator has answered the call, the red light is not illuminated to indicate that it is ready for a member of public to speak.

PART 3 (EDINBURGH TRAM NETWORK SERVICE ELEMENT TABLES)

A: NOT USED

B: TRAMSTOP REPAIRS AND MAINTENANCE

SERVICE ELEMENT		Zero Points Level (Initial)	Positive Allocation Rate	Maximum Positive Allocation	Negative Allocation Rate	Maximum Negative Allocation

PART 4 (FAULT CORRECTION SERVICE ELEMENT)

Fault category	Correction Time Limit Between 06:01-22:00	Correction Time Limit Between 22:01-06:00	Description	Negative Performance Points Per Day or Part Day
1	1 hour to attend and make safe and functional. 2 hours to breakdown intervention	2 hours to attend and make safe and functional. Rectified by 07:30 (if notified before 5:30am)	Critical issue such as health & safety risk, or failure halting the operation of the tram network in whole or part thereof, failure of major system	
2	2 hours	3 hours	Failure impacting the punctuality of the tram network, or having potential to impact	
3	8 hours	9 hours	Failure or incident not having immediate impact on network operation, but impacting the quality of the Transport Services	
4	1 week	1 week	Failure or incident not impacting network operation, nor quality of the Transport Services	
Tramstop lighting Fault	2 days	2 days		500
Tramstop telephone Fault	3 days	3 days		250
Fault causing the lift at Murrayfield Tramstop or depot to be out of operation	6 hours	6 hours		500
Tramstop electronic passenger information display Fault	2 days	2 days		500
Tramstop PA system Fault	24 hours	24 hours		500
Tramstop CCTV Fault	2 days	2 days		250
Defect, fault or other disrepair that restricts access to all or part of a Tramstop or otherwise interferes with its use	1 day	1 day		250
Defect, fault or disrepair causing a	24 hours	24 hours		250

Fault category	Correction Time Limit Between 06:01-22:00	Correction Time Limit Between 22:01-06:00	Description	Negative Performance Points Per Day or Part Day
trip hazard at a Tramstop (including unintended changes of floor levels or protrusions from the floor of more than 25mm)				
Defect degrading system access to below DDA requirements	6 days	6 days		250
Broken glass at a Tramstop or the depot	2 hours	2 hours to attend, make safe and functional. Rectified by 07:30, if notified between 22:01 and 05:30		250
Overflowing / damaged gutter at a Tramstop or the depot	24 hours	24 hours		250
Structural defect, fault or other disrepair at a Tramstop or the depot	28 days	28 days		250
Any other defect, fault or other disrepair at a Tramstop or the depot (including in relation to shelters, seats, canopies, signage, cycle parking, litter bins and poster cases) but excluding blocked drains, overgrown vegetation and fencing faults	5 days	5 days		250
Blocked drain other than on a street running section of the Edinburgh Tram Network System	24 hours	24 hours		250
Blocked drain on a street running section of the Edinburgh Tram Network System	2 hours	By 07:30 if notified between 22:01 and 05:30		250
Overgrown vegetation	3 days	3 days		250
Defect, fault or disrepair fencing	6 hours	6 hours		500

Fault category	Correction Time Limit Between 06:01-22:00	Correction Time Limit Between 22:01-06:00	Description	Negative Performance Points Per Day or Part Day
such that access to the track or buildings and equipment is not prevented				
Defect, fault or disrepair in respect of a Monitoring Point or any other electronic monitoring equipment	24 hours	24 hours		1000
Structural defect, fault or disrepair other than at a Tramstop or the depot	28 days	28 days		250
Any other defect, fault or disrepair other than at a Tramstop or the depot	2 days	2 days		250

PART B PAYMENT FOR TRAM MAINTENANCE SERVICES

DEFINITIONS

In this part B of this Schedule Part 6 (*Maintenance Payment Regime*), except to the extent that the context otherwise requires, the following words and expressions shall have the meanings hereby ascribed to them:

"**Available Tram**" means that a Tram (or Trams):

(i) fully complies with the Tram Maintenance Specification, save for Minor Defects (as defined in the Tram Maintenance Agreement); and

(ii) is free from Material Defects (as defined in the Tram Maintenance Agreement);

"**Defective Tram**" means a Tram operating in passenger service with a Minor Defect (as defined in the Tram Maintenance Agreement) which arrives at or departs from a Monitoring Point;

"**Excusing Cause**" means any one or more of the following events which interrupts the operation of the Trams:

(i) a road traffic accident;

(ii) the actions of any of the Emergency Services, CEC or Utilities Companies

provided that, in the case of each of (i) and (ii):

(a) the Infraco has used all reasonable endeavours to mitigate the effect of such Excusing Cause; and

(b) the Infraco notifies **tie** as soon as it becomes aware of the potential and/or actual impact on its ability to perform the Tram Maintenance Services;

(iii) a failure on the part of **tie** in complying with its obligations under this Agreement where the Infraco can demonstrate to **tie**'s satisfaction that:

(a) such failure had a material impact on its ability to perform the Tram Maintenance Services;

(b) the Infraco has used all reasonable endeavours to mitigate the effects of such failure; and

(c) the Infraco notified **tie** as soon as it became aware of the potential and/or actual impact on its ability to perform the Tram Maintenance Services;

(iv) any Permitted Variation which causes the Infraco to be unable to perform the Tram Maintenance Services but only to the extent that **tie**:

(a) shall have given its prior written consent to the Tram Maintenance Services being affected in such a manner; and

(b) was informed by the Infraco of the extent of the impact on such Tram Maintenance Services as part of the process of agreeing such Permitted Variation;

(v) a Force Majeure Event; and

(vi) environmental conditions, which result in damage to the Edinburgh Tram Network, that are outside the environmental parameters in the Employer's Requirements.

"**Maximum Performance Payment**" means the base periodic payment for the Tram Maintenance Services set out in part 3 of Schedule 3 (*Payment*) of the Tram Maintenance Agreement;

"**Minimum Overall Payment Performance**" means 95% Tram Punctuality Performance;

"**Minimum Performance Payment**" means 70% of the Maximum Performance Payment;

"**Overall Payment Performance**" has the meaning given to it in paragraph 2 of part B of this Schedule Part 6 (*Maintenance Payment Regime*);

"**Services Payment**" means the payment to be made for carrying out the Tram Maintenance Services (except for the Mobilisation Services) as calculated in accordance with part B of this Schedule Part 6 (*Maintenance Payment Regime*);

"**Timetabled Hot Spares**" means the number of Hot Spares (as defined in the Tram Maintenance Agreement) timetabled to be made Available Tram(s) by the Infraco for use by the Operator in a Reporting Period;

"**Tram Maintainer Late Tram**" means a Late Tram that is late because of:

(i) any defect on the Tram that does not relate to damage or vandalism by a third party directly or indirectly causing the Tram to be a Late Tram;

(ii) any action or omission of the Tram Maintainer; and/or

(iii) a Tram not being offered as an Available Tram to the Operator by the Tram Maintainer.

"**Tram Performance Rectification Plan**" has the meaning given to it in paragraph 6 of part B of this Schedule Part 6 (*Maintenance Payment Regime*);

"**Tram Punctuality Performance**" has the meaning given to it in paragraph 8 of part B of this Schedule Part 6 (*Maintenance Payment Regime*);

1. Tram Maintenance Services Payment

The Services Payment due from **tie** to the Infraco for each Reporting Period shall be established as follows:

SP = ((MaxPP - MinPP) x *OPP) + MinPP*

In any event SP shall not be less that the Minimum Periodic Payment

where:

SP is the Services Payment;

MaxPP is the Maximum Performance Payment for the Reporting Period as calculated in accordance with paragraph 3 of part B of this Schedule Part 6 (*Maintenance Payment Regime*);

MinPP is the Minimum Performance Payment for the Reporting Period;

OPP is the Overall Payment Performance as calculated in accordance with paragraph 2 of part B of this Schedule Part 6 (*Maintenance Payment Regime*).

2. Overall Payment Performance

The Overall Payment Performance shall be calculated on the following basis:

$$OPP = \frac{TPP - MinOPP}{100\% - MinOPP}$$

save where OPP is a negative figure, in which case OPP shall be 0 (zero)

and where:

TPP is the Tram Punctuality Performance calculated in accordance with paragraph 8; and

MinOPP is the Minimum Overall Payment Performance.

3. Maximum Performance Payment

The Maximum Performance Payment shall be adjusted in accordance with this paragraph 3:

3.1 Maximum Performance Payment is based upon the planned total Tram kilometrage per year as set out in Part C of this Schedule Part 6 (*Maintenance Payment Regime*) for the first three years and, thereafter, as advised by the Client ("**Planned Kilometrage**");

3.2 the Infraco will measure the total kilometrage travelled by the Tram fleet in each Reporting Period ("**Actual Kilometrage**").

3.3 not used

3.4 not used

Tram Punctuality

4. The Infraco shall evaluate the Tram Punctuality Performance in accordance with part B of this Schedule Part 6 (*Maintenance Payment Regime*).

5. The Infraco's Representative shall meet with representatives of the Tram Maintainer, the Infrastructure Maintainer, the Operator and **tie** every Operating Day at 09:00 (or such other time as all parties shall reasonably agree) to determine the responsibility for any Late Trams or other non Availability or poor performance of Trams. Where the parties cannot, acting reasonably, determine responsibility for any Late Tram or other non Availability or poor performance then **tie** shall, in its absolute discretion, determine responsibility, subject only to referral of such resolution to the Dispute Resolution Procedure.

6. If the Tram Punctuality Performance is less than 95% then the Infraco shall, within 10 Business Days prepare a rectification plan ("**Tram Performance Rectification Plan**") (to be agreed with **tie**, acting reasonably) setting out a comprehensive analysis of the reasons why the Tram Punctuality Performance is less than 95% and setting out a detailed plan to improve performance to achieve a Tram Punctuality Performance of at least 98%.

7. The Infraco shall report the results of the evaluation for each Reporting Period to **tie** on or before the 10th Business Day of the Reporting Period following the Reporting Period in which the evaluation was performed.

Tram Punctuality Performance

8. Tram Punctuality Performance shall be calculated on the following basis:

$$TPP = 1 - \left(\frac{LT + UHS + \left(\frac{DT}{4} \right) + (5 \times LLT)}{TMT + TMS} \right)$$

where:

TPP is the Tram Punctuality Performance;

LT is the total number of Tram Maintainer Late Trams in the Reporting Period;

UHS is the total number of Timetabled Hot Spares which were not offered as Available Tram(s) in accordance with Clause 9.2.1.1 of the Tram Maintenance Agreement in the Reporting Period;

DT is the total number of Defective Trams in the Reporting Period;

LLT is the total number of Tram Maintainer Late Last Trams in the Reporting Period;

TMT is the total number of Timetabled Monitored Trams in the Reporting Period; and

TMS is the total number of Timetabled Hot Spares in the Reporting Period.

9. Excusing Causes

In determining the number of Tram Maintainer Late Trams and Tram Maintainer Late Last Trams in any Reporting Period for the purposes of paragraph 8 above, the Infraco shall not include any Tram Maintainer Late Tram or Tram Maintainer Late Last Tram arising from an Excusing Cause that existed at the time the Tram arrived at (or departed) the relevant Monitoring Point. A report shall be submitted in accordance with paragraph 12.

10. Services Payment Pending Tram Reliability

10.1 Until the earlier of:

10.1.1 the date when Reliability of every Tram has been certified (within the meaning given in the Tram Supply Agreement); and

10.1.2 the expiry of 13 Full Reporting Periods from the commencement of passenger services,

the Services Payment due from **tie** to the Infraco shall be established as follows:

SP = MaxPP x 0.9

where SP, MaxPP and MinPP have the meaning given to those expressions in paragraph 1 of Part B of this Schedule Part 6 (*Maintenance Payment Regime*).

10.2 That element of the Maximum Performance Payment for each Reporting Period which is not payable pursuant to paragraph 10.1 ("**Service Payment Retention**") shall be applied as follows:

10.2.1 The Service Payment Retention shall be paid to the Infraco in accordance with the provisions of Clause 68 (*Payment in Respect of Maintenance Services*), which shall be construed mutatis mutandis, as if references therein to the date of the Interim Certificate was a reference to the date when the final Tram is declared Reliable provided that all Trams shall have been delivered Reliable not later than the expiry of 13 full Reporting Periods from the commencement of passenger services; or

10.2.2 If all Trams have not been declared reliable by the expiry of 13 full Reporting Periods from the commencement of passenger services, the Service Payment Retention shall be retained by **tie** and the Infraco shall have no further entitlement to it.

10.3 Upon the earlier of:

10.3.1 the payment of the Service Payment Retention to the Infraco pursuant to paragraph 3.2.1; or

10.3.2 the expiry of 13 full Reporting Periods from the commencement of passenger services,

the Services Payment provisions set out in paragraph 1.1 of part B of this Schedule Part 6 (*Maintenance Payment Regime*) shall apply with full force and effect, and the provisions of this paragraph 10 shall cease to have effect (save in respect of the payment obligation or retention right set out in paragraph 10.2 of part B of this Schedule Part 6 (*Maintenance Payment Regime*)).

11. Review of Performance Benchmarks

11.1 On or prior to the expiry of 13 full Reporting Periods after the commencement of passenger services and thereafter on or prior to each subsequent Performance Review Date, the Client shall review and determine the Minimum Overall Payment Performance benchmark and the Tram Punctuality Performance benchmark ("**Performance Benchmarks**") to apply for each Reporting Period from each such date to the next Performance Review Date.

11.2 In determining what Performance Benchmarks are to apply up to the next Performance Review Date under paragraph 11.1 of part B of Schedule Part 6 (*Maintenance Payment Regime*), the Client will have regard to the following:

11.2.1 the level of performance achieved by the Tram Maintainer in the preceding periods in relation to the then current level of Performance Benchmarks and the extent to which that level of performance is or is likely to be sustainable or to be improved upon by an efficient maintenance of the Trams using all reasonable endeavours to optimise the availability of those Trams;

11.2.2 the improvement in performance which the Tram Maintainer might reasonably be expected to achieve up to the next Performance Review Date; and

11.2.3 the effect (or likely effect) of any investments or improvements made, or due to be made which can reasonably be expected to affect the performance of the Tram Maintainer under this Agreement.

11.3 If the Tram Maintainer disagrees that any or all of the Performance Benchmarks determined by the Client under paragraphs 11.1 and 11.2 of part B of Schedule Part 6 (*Maintenance Payment Regime*) are reasonable for the Client to determine then either of the parties may refer that issue for determination in accordance with the Dispute Resolution Procedure but until such revisions are agreed or otherwise determined in accordance with such Dispute Resolution Procedure, the Performance Benchmarks as assessed by the Client under paragraphs 11.1 and 11.2 of part B of Schedule Part 6 (*Maintenance Payment Regime*) shall apply.

12. Excusing Causes and Performance Rebates

12.1 To the extent that:

12.1.1 a single Defect on a Tram in passenger service has lead to Tram Maintainer Late Trams continuing to be allocated in excess of one hour after the removal of the defective Tram back to the Depot where the Tram Maintainer has made a Hot Spare available to the Operator; or

12.1.2 one or more Excusing Causes have resulted in Tram Maintainer Late Trams being allocated which are due to an adverse impact on the performance of the Services by the Tram Maintainer under this Agreement of an Excusing Cause or on the monitoring of such performance under part B of this Schedule Part 6 (*Maintenance Payment Regime*)

results in the Services Payment payable by **tie** under part B of this Schedule Part 6 (*Maintenance Payment Regime*) in relation to a Reporting Period being less than it would otherwise have been by an amount equal to or greater than the Relief Threshold then, in order to claim a Performance Rebate from **tie** in consequence thereof, then the Infraco shall:

(a) within 10 Business Days after the end of the relevant Reporting Period submit to **tie** written notice:

(i) describing the effect that each such single defect or single defect or Excusing Cause has had on the performance of the Tram Maintenance Services or on the monitoring of such performance during that Reporting Period including full details of the nature of the single defect or Excusing Cause, the date of occurrence and its duration (or likely duration in the case of a single defect or Excusing Cause that is affecting Tram Maintenance Services at the date of the notice);

(ii) describing the effect of each such single defect or Excusing Cause or external factor on the allocation of Tram Maintainer Late Trams, Tram Maintainer Last Late Trams and Performance Points;

(iii) stating the Tram Maintenance Services Payment that would have been due from **tie** in respect of that Reporting Period had the Excusing Cause(s) or external factor not occurred; and

(iv) stating the proposed Performance Rebate due from **tie** assuming that the Actual Performance Level for Tram Punctuality Performance during any period affected by an Excusing Cause or external factor

would have been no higher than the Actual Performance Level applying to those parts of the Reporting Period not affected by an Excusing Cause or external factor (or where the proposed Performance Rebate applies to a full Reporting Period, the previous Reporting Period not affected by an Excusing Cause or external factor);

(b) demonstrate to the reasonable satisfaction of **tie** that:

(i) the Tram Maintainer could not have avoided the occurrence of the Excusing Cause(s) or the external factor or the consequences thereof by steps which it might reasonably be expected to have taken, without incurring material additional expenditure;

(ii) the Excusing Cause(s) or external factor caused the claimed effect on the allocation of Performance Points; and

(iii) the reduction in the Services Payment caused by the Excusing Cause(s) or external factor could not reasonably be expected to have been avoided or reduced by the Infraco taking all those steps which a reasonably experienced, efficient and competent maintenance contractor engaged in the same type of undertaking (comparable in size, scope and complexity to its activities in relation to this Agreement) would properly be expected to take if seeking in good faith and in accordance with Good Industry Practice to mitigate or recover the effect of the Excusing Cause(s), in particular by implementing any relevant contingency plans that the Infraco is required to put in place under this Agreement.

12.2 In the event that the Infraco has submitted a notice under paragraph 12.1(a) and complied with its obligations under paragraph 12.1(b) then:

(a) the Infraco and **tie** shall endeavour to agree as soon as practicable the amount of the Performance Rebate (if any);

(b) the Infraco shall provide, as soon as reasonably practicable after any request by **tie**, such further information and explanations as **tie** may reasonably request;

(c) to the extent that **tie** agrees to pay the proposed Performance Rebate, **tie** shall pay to the Infraco the Performance Rebate or such part as it agrees to be payable, within 14 days of the later of the receipt by **tie** of the notice to **tie** under paragraph 12.1(a) and the receipt of all information and explanations requested under paragraph 12.1(b) that are reasonably required by the Client to verify its liability to make such payment;

(d) if **tie** wishes to dispute all or part of the proposed Performance Rebate, it shall, within 28 days of receipt of the notice under paragraph 12.1(a) of part 1 of this Schedule Part 6 (*Maintenance Payment Regime*) (or if later within 28 days after receipt of any further information reasonably requested under paragraph 12.2 (b) of part B of this Schedule Part 6 (*Maintenance Payment Regime*)), submit written notice to the Infraco setting out the reasons why it disagrees with the notice submitted under paragraph 12.1 (a) of part B of this Schedule Part 6 (*Maintenance Payment Regime*) or considers that the Tram Maintainer has not complied with its obligations under paragraph 12.1(b) of part B of this Schedule Part 6 (*Maintenance Payment Regime*);

(e) to the extent that the Infraco and **tie** are unable to agree the amount of the Performance Rebate (if any) within 28 days of days of receipt of the notice referred to in paragraph 12.2 (d) of part B of this Schedule Part 6 (*Maintenance Payment Regime*), then the determination of the applicable Performance Rebate may at the instance of either Party be referred for determination in accordance with the Dispute Resolution Procedure; and

(f) **tie** shall pay any unpaid amount of the Performance Rebate subsequently agreed or determined to be payable within 14 days of the quantum of the Performance Rebate being agreed or within 14 days of receipt by **tie** of the determination thereof, together with interest in accordance with the rate set out in Clause 69.1 of this Agreement from the due date for payment of the Services Payment for the Reporting Period in relation to which the Performance Rebate is payable up to the date of payment.

12.3 **tie** shall be entitled to deduct from any Performance Rebates payable by it under this paragraph 12 of part B of this Schedule Part 6 (*Maintenance Payment Regime*) any variable cost savings realised by the Infraco as a result of non-

performance of the Services, particularly in the case of Excusing Causes having an extended duration.

PART C: MAXIMUM PERFORMANCE PAYMENT FOR TRAM MAINTENANCE SERVICES

PAYMENT MILESTONES SCHEDULE 1 TO 27 TRAMS

PAYMENT MILESTONES MAINTENANCE SCHEDULE- 1 TO 27 Trams			CAF				Payment Period				
No.	**Milestone Description**	**Comments**	**Previous Forecast Date**	**Revised forecast date based on signature on 28th March 2008**	**Previous forecast reporting period**	**revised forecast reporting period**	**Period End Date**	**Application for payment**	**Clause 38.6 Issue of Interim Certificate**	**Clause 38.6 VAT Certificate to client**	**Clause 38 payment of Interim Certificate**
	Maintenance payment will start on commencement of shadow running and will apply to all 27 Trams.							within 15 Business Days	10 Business Days from application date	10 Business Days from issue of interim certificate	20 days from issued of interim certificate
1	Commencement of Shadow Running	Employers Requirements Clause 23.10 Shadow Running. The evaluation of the shadow running is the	30/09/2010	30/12/2010	07/2010-2011	10/2010-2011	08/01/2011	28/01/2011	11/02/2011	25/02/2011	03/03/2011

		pre operations test. Tram Inspector will confirm passing of test so payment can be made									
2	Maintenance payment number 01 year 1	Payment number 1 is due at the start of shadow running	30/09/2010	30/12/2010	07/2010-2011	10/2010-2011	08/01/2011	28/01/2011	11/02/2011	25/02/2011	03/03/2011
3	Maintenance payment number 02 year 1	Payment number 2 is due at end of first period after maintenance payment 1 was applied for		30/01/2011		11/2010-2011	05/02/2011	25/02/2011	11/03/2011	25/03/2011	31/03/2011

NOTE 1: If each tram or any tram does not exceed 55.000 km per year or is above 100.000 km per year, the parties shall meet and reach an agreement with respect to payment for that tram or trams.

NOTE 2: Unless the parties agree otherwise, the parties shall agree at the beginning of the year the payment forecast and the payments for periods 1 to 12 shall be made based on that forecast with a balancing payment to adjust for the actual at the end of period 13.

NOTE 3: For years 1 to 3 then the proportion of the €/km figure that is based upon costs incurred in £ sterling is 40%. Therefore 40% is not subject to currency fluctuation and shall be converted into £/km using the rate of 0.69 € per £1 sterling. The other 60% shall be converted into £/km based on the prevailing rate on the date of payment application unless the Parties agree to hedge the maintenance payments.

NOTE 4: For years 4 to 30 then the proportion of the €/km figure that is based upon costs incurred in £ sterling is 60%. Therefore 60% is not subject to currency fluctuation and shall be converted into £/km using the rate of 0.69 € per £1 sterling. The other 40% shall be converted into £/km based at the prevailing rate on the date of payment application unless the Parties agree to hedge the maintenance payments.

THIS IS SCHEDULE PART 7 REFERRED TO IN THE FOREGOING AGREEMENT BETWEEN TIE AND THE INFRACO

1.0 Introduction

2.0 Adjusting Prices for Changes

3.0 The Application of Rates

4.0 Maintenance Price Build Ups

5.0 Schedule of Rates for Infraco Repairs

6.0 Schedule of Rates for Tram Maintainer Repairs

7.0 Disallowed Costs

8.0 Tram Maintainer Maintenance Prices

APPENDIX A - Maintenance Price Build up

APPENDIX B - Schedule of Rates for Additional services

APPENDIX C - Schedule of Agreed repairs for Tram Maintainer

APPENDIX D - Schedule of Agreed Repairs for Infraco

APPENDIX E - Manpower ETN

APPENDIX F - Process for Agreement of Permitted Variations

1. INTRODUCTION

1.1 The Tram Maintenance Agreement price is on a 'fixed and firm' price per km basis and indexed.

Payment for the Tram Maintenance Agreement will be made in accordance with the Tram Maintenance Agreement clauses:

- Clause 42 – Payments
- Schedule 3 – Part 1 Performance Payment
- Schedule 3 - Part 2 Mobilisation Milestones
- Schedule 3 - Part 3 Maximum Performance Payment

1.2 The Infraco Contract maintenance pricing (excluding mobilisation fee and payment for initial spare parts) is subject to Indexation, paid each Reporting Period in accordance with this Agreement and not subject to variation unless changed pursuant to one of the following clauses in this Agreement:

- Clause 52 – Maintenance
- Clause 57 – Performance Review
- Clause 65 – Compensation Events
- Clause 66 – Payment of the Contract Price
- Clause 68 – Payment in respect of Maintenance Services
- Clause 71 – Labour Tax and Landfill Tax Fluctuations
- Clause 79 – Management of Variations
- Clause 80 – **tie** Changes
- Clause 81 – Infraco Changes
- Clause 82 – Small Works Changes
- Clause 84 – Qualifying Changes in Law

1.3 The Infraco Contract Schedule contains Employer' Requirements for Maintenance Services and the Infraco Proposal for Infrastructure Maintenance Services

- Schedule Part 2 (Employer's Requirements) – Section 40 Maintenance
- Schedule Part 30 (Infraco Proposals) - Section 3 Maintenance –Part 1 Maintenance Proposal from BBS

1.4 Payment for the Maintenance Services will be made in accordance with the Infraco Contract clauses:

- Clause 52 – Maintenance
- Clause 68 – Payment in respect of Maintenance Services

1.5 The Infraco Contract Schedule contains the Maintenance Payment Regime for determining the performance related payment for both Infrastructure Maintenance Services and Tram Maintenance Services:

- Schedule Part 6 – Maintenance Payment Regime

1.6 The Infraco or Tram Maintainer is not entitled to any other amounts, save as set out in this Schedule Part 7 or as otherwise set out in the Infraco or Tram Maintenance Agreement.

1.7 No provision within the Infraco Contract, the Tram Supply Agreement or Tram Maintenance Agreement shall entitle the Infraco, Tram Supplier or Tram Maintainer to more than one payment for any Part or other entitlement under the Infraco Contract, Tram Supply Agreement or Tram Maintenance Agreement.

1.8 References to clause numbers in the Agreement or paragraph numbers in the Schedule are to Clauses and paragraphs in the Infraco Contract unless expressly stated as referring to the Tram Supply Agreement or the Tram Maintenance Agreement.

1.9 Where defined terms are used in this Schedule Part 7 which are not defined in this Schedule Part 7 or in the Infraco Contract, they shall have the same meaning as is given in the Tram Maintenance Agreement (or Tram Supply Agreement where relevant).

1.10 All rates, lump sums and the like contained in this Schedule Part 7 are exclusive of Value Added Tax and are in Pounds Sterling.

1.11 The Services Payment due to the Tram Maintainer will be subject to Schedule 3 Part 1 of the Tram Maintenance Agreement (Performance Payment) Clause 1.1.

1.12 The Overall Payment Performance due to the Tram Maintainer will be subject to Schedule 3 Part 1 of the Tram Maintenance Agreement (Performance Payment) Clause 1.2.

1.13 The Maximum Performance Payment to the Tram Maintainer will be subject to Schedule 3 Part 1 of the Tram Maintenance Agreement (Performance Payment) Clause 1.3.

1.14 The Maximum Performance Payment set out in Part 3 of Schedule 3 of the Tram Maintenance Agreement is subject to a Minimum Overall Payment Performance of 95% as set out in Part 3 of Schedule 3 of the Tram Maintenance Agreement.

2. ADJUSTING MAINTENANCE PRICES FOR CHANGES

2.1 Adjusting maintenance prices for Permitted Variations shall be undertaken in accordance with this Agreement and where they relate to Tram Maintenance Services, then reference shall be made to the change procedure in the Tram Maintenance Agreement as listed for reference in paragraph 1.1 and 1.2.

3. THE APPLICATION OF RATES

3.1 The rates for Additional Services are as detailed in Appendix B.

3.2 The rates for Agreed Repairs for Tram Maintainer are as detailed in Appendix C.

4. MAINTENANCE PRICE BUILD UPS

4.1 The Infraco Maintenance Costs Evaluation for Phase 1a are as contained in Appendix A.

5. SCHEDULE OF RATES INFRACO REPAIRS

5.1 The schedule of rates for Infraco Repairs is detailed in the Infraco Proposal and in Appendix D.

6. SCHEDULE OF RATES TRAM MAINTAINER REPAIRS

6.1 The schedule of rates for Tram Maintainer Repairs is included in Appendix C.

7. DISALLOWED COSTS

7.1 The following items shall be explicitly excluded from any Payment Application in connection with the provision of the Maintenance Services:

Generally, for items inclusive below, costs shall mean the Infraco's own costs but will not include costs levied by **tie** for any default by the Infraco or are taken as a set off in respect of Maintenance Services.

7.1.1 Costs not payable under the Infraco Contract.

7.1.2 Costs arising from the Infraco's Design errors.

7.1.3 Costs arising related to claims for Deductibles on insurance policies for which the Infraco is responsible in terms of Clause 76.16.

7.1.4 Costs as incurred only because the Infraco did not follow an acceptance or procurement procedure stated in the Agreement to the extent that this has increased actual costs from what they otherwise would have been (i.e. the extra over cost is disallowed).

7.1.5 Costs as incurred only because the Infraco did not proceed regularly and diligently with the Services.

7.1.6 Costs arising where the work was delayed, disrupted, or cancelled due to the default of the Infraco (including where the Infraco's default was the cause of an emergency).

7.1.7 Costs arising where the Infraco did not make a bona fide attempt to use arranged access (which includes having the appropriate physical presence on site required to utilise the access) except where the Infraco was instructed by **tie**'s Representative not to use the access.

7.1.8 Costs arising from the additional cost of a Permitted Variation (calculated in accordance with Appendix F of this Schedule Part 7) resulting where the Infraco failed to give an early warning and/or notification of in accordance with the requirements of the Infraco Contract or failed to submit for the information required by the Infraco Agreement.

7.1.9 Costs arising from correcting defects caused by the Infraco not complying with a requirement for how he is to provide the Services stated in the Infraco Contract.

8. TRAM MAINTAINER MAINTENANCE PRICES

8.1 The Tram Maintainer Maintenance prices are included in Schedule 3, Part 2 (Mobilisation Milestones - Payment Milestones Schedule Capital) and Schedule 3, Part 3 (Maximum Performance Payment) of the Tram Maintenance Agreement.

APPENDIX A

MAINTENANCE PRICE BUILD UP

1. ETN Infraco maintenance costs evaluation

1.1 Basis

The basis of the maintenance costs is section 40 of the Employer's Requirements and the Infraco Proposal.

ETN Infraco maintenance costs evaluation

Bidder name: BBS - Phase 1a

Date submitted: 08.04.2008

(considering bogie, OLE fixed tensioning, extended mobilisation period, carpark maintenance, excluding cleaning it is assumed that Tramco Maintainer will join the consortium; in case of novation Infraco would add a markup to Tramco Maintenance Price)

Sections:

Maintenance	Complete the staff headcount and annual pay details along with annual amounts for planned preventative, reactive and lifecycle materials / contracts
Staff	Complete the staff headcount and annual pay details along for staff members not already included in the maintenance section
Overheads	Complete annual totals for general overheads
Total	Totals the figures entered on the above three tabs

Enter data in the cells shaded green

To be completed in conjunction with the document "ETN Infraco maintenance costs evaluation schedule detail"

APPENDIX B

SCHEDULES OF RATES FOR ADDITIONAL SERVICES

Additional Service	Reference No.	Basis of Additional Labour Cost	Basis of Additional Material Cost	Liquidated Damages in the event of failure to provide
Extended operational hours with 15 minute response time from Monday to Saturday inclusive	1	£160 per hour of extended operational hours cover beyond 22:00	No change as existing Agreement	10% of Additional Labour Cost
Additional staff cover over night to prepare for service start-up from Monday to Saturday inclusive	2	£160 per hour of extended operational hours cover prior to 06:00	No change as existing Agreement	10% of Additional Labour Cost
Extended operational hours with 15 minute response time, on Sundays and public holidays only	3	£185 per hour of extended operational hours cover beyond 22:00	No change as existing Agreement	10% of Additional Labour Cost
Additional staff cover over night to prepare for service start-up, on Sundays and public holidays	4	£185 per hour of extended operational hours cover prior to 06:00	No change as existing Agreement	10% of Additional Labour Cost

The hourly rates in the table above are based on the following assumptions:

1) a team of three staff will be provided
2) the additional working time will be limited to the hours given below:
   - maximum 2 hours extra per day
   - maximum 10 hours extra per week
   - maximum 20 hours extra per month
   - maximum 200 hours per year

Additional material costs will be charged if the additional system availability leads to a deviation from the enhanced level timetable as detailed in section 2 of the Employer's Requirements.

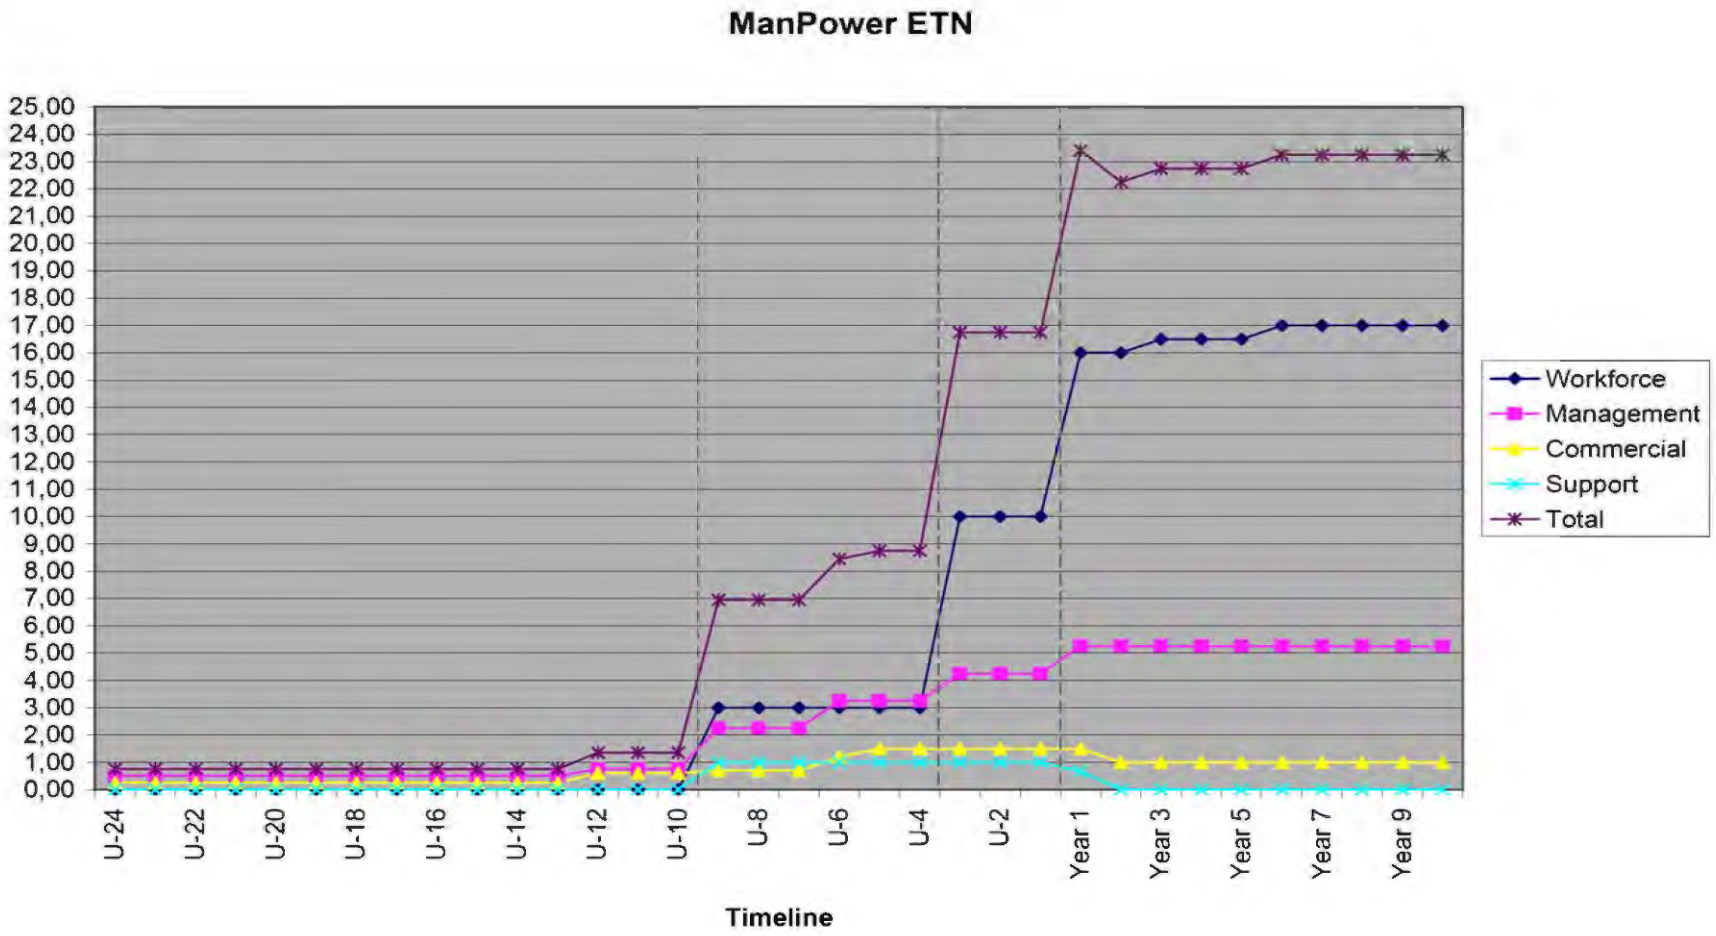
17. Replace Passenger Help Points	no	1.971,00 £
18. Replace Advertising Panel		

The above list is not exhaustive and is provided for indicative reasons where highlighted in yellow.

APPENDIX E



USB00000047_0017

APPENDIX F

PROCESS FOR AGREEMENT OF PERMITTED VARIATIONS

1.0 Generally

1.1 The Parties shall determine the value of any **tie** Changes in accordance with Clause 80.6 of the Infraco Contract.

1.2 Where Clause 80.6.3 or 80.6.4 applies to the extent that Clause 80.6.3 or 80.6.4 apply then the valuation shall be on the basis of Actual Cost or estimated Actual Cost.

1.3 In respect of a valuation of any work under 1.2 above **tie**'s Representative shall apply head office overheads and profit percentages to the appropriate elements of Actual Cost or Estimated Costs as follows:

(a)	Civil Engineering works	10%
(b)	Systems and Track works	17%

1.4 The amount of the overheads and profit percentage calculated as part of the valuation of Permitted Variations shall be added in the case where the valuation results in an addition and shall be deducted where the valuation results in an omission.

1.5 The following principles shall be applied:

(a) Where the Maintenance Services performed are of similar character and executed under similar conditions to that reflected by the unit rates in this Schedule then such Maintenance Services shall be valued at the unit rates contained therein as applicable.

(b) Where Maintenance Services are not of a similar character, are not executed under similar conditions or involve asset quantities significantly different from those reflected by this Schedule then such Maintenance Services shall be valued using such Rates contained therein as the basis for valuation so far as this may be reasonable.

(c) Where the principles of (a) and (b) are considered inappropriate by the Parties the Maintenance Services shall be valued on the basis of Actual Cost where possible or estimated cost, failing which a fair valuation shall be made.

1.6 Where 1.2 above is the basis of the valuation of **tie** Changes then the following items shall not be included as Actual Costs under the Infraco Contract.

(a) Costs not justified by the Infraco's accounts and records.

(b) Costs not payable under the Infraco Contract.

(c) Costs arising from the Infraco's Design errors.

(d) Costs arising in respect of loss or damage except as provided for under the Agreement.

(e) Costs which should have not been paid to a sub-contractor in accordance with the relevant sub-contract.

(f) Costs arising from people who are part of the Head Office Overhead.

THIS IS SCHEDULE PART 8 REFERRED TO IN THE FOREGOING AGREEMENT BETWEEN TIE AND THE INFRACO

SCHEDULE PART 8

BONDS, PARENT COMPANY GUARANTEES AND COLLATERAL WARRANTIES

PART A

PERFORMANCE BOND

To be issued by ANZ Investment Bank, Australian and New Zealand Banking Group Limited

tie LIMITED
City Point
Haymarket Terrace
Edinburgh
Midlothian
EH12 5HD
Attention: Stewart McGarrity, Finance Director

Performance Guarantee No: *[Insert No]* in relation to the Edinburgh Tram Network

An unincorporated joint venture comprising Bilfinger Berger UK Limited ("**BB Subsidiary**") and Siemens plc ("**Siemens Subsidiary**") (together the "**Infraco**" and individually each an "**Infraco Member**") intend to enter into a contract (with joint and several liability) with **tie** Limited, a company incorporated with registration number SC230949, with registered office at City Chambers, High Street, Edinburgh, Midlothian EHI 1YJ, ("**tie**") for the design, construction, testing, commissioning and maintenance of the Edinburgh Tram Network (the "**Infraco Contract**") . Pursuant to the terms of the Infraco Contract, Infraco agreed to procure for the benefit of **tie** a performance guarantee in the amount £*23,000,000.00* (TWENTY THREE MILLION Pounds Sterling) as security for Infraco's performance under the Infraco Contract.

AUSTRALIA AND NEW ZEALAND BANKING GROUP LIMITED (ABN 11 005 357 522) a company incorporated in the Commonwealth of Australia whose registered office is at Level 14, 100 Queen Street, Melbourne, Victoria 3000, Australia acting through its London branch at 40 Bank Street, Canary Wharf, London E14 5EJ
(the "**Surety**") hereby issues the following performance guarantee (the "**Guarantee**") on behalf of Infraco for the benefit of **tie**.

The Surety hereby guarantees for the benefit of **tie** the payment of an amount up to the maximum total amount of £*23,000,00.00* (TWENTY THREE MILLION Pounds Sterling) (the "**Maximum Liability Amount**"), provided always that the Maximum Liability Amount shall be automatically reduced to the value shown in the following table upon presentation by Infraco of a copy of the below mentioned documents to the Surety and certified by **tie** (which the Surety may accept as conclusive evidence that such reduction is due) as Infraco fulfils its obligations under the Infraco Contract:

Event & Documentation	**Maximum Liability Amount**
Issuance of the Certificate of Service Commencement substantially in the form of Appendix B1	£11,500,000
Issuance of the Network Certificate substantially in the form of Appendix B2	£9,200,000
Issuance of the Reliability Certificate substantially in the form of Appendix B3	Nil

In accordance with the terms of this Guarantee, the Surety shall promptly (and in any event no later than five business days) following receipt of a demand or demands in writing from **tie** (the "**Demand Notice**") substantially in the form set out in Appendix A pay or discharge the amount demanded by **tie**, in available funds by electronic transfer to the account nominated in the Demand Notice, without inquiry and without any deductions whatsoever or any right of set-off, abatement or counterclaim.

A Demand Notice issued by **tie** to the Surety under this Guarantee shall be accompanied by a written statement which identifies the Infraco's failure or default and shall attach a certified copy of **tie's** written notice to the Infraco, pursuant to the Infraco Contract, notifying it of the relevant failure or default (the "**Default Notice**"). Such Demand Notice shall not be presented to the Infraco earlier than the date which is 14 days following the date of the Default Notice.

Any Demand Notice shall be in writing signed by two authorised representatives of **tie** whose signatures shall be proof of authority of **tie**. Where this Guarantee has been assigned according to the terms of this Guarantee, the Demand Notice shall be signed by two authorised signatories of the new beneficiary, and shall be valid providing the assignment has been notified to the Surety in accordance with the below-mentioned procedure and shall be accompanied by written evidence confirming that the Infraco Contract has been assigned to such beneficiary in accordance with the terms of the Infraco Contract.

This Guarantee shall enter into force on the date hereof and shall immediately terminate on the occurrence of the earliest of any of the following events (a "**Termination Event**"):

1. demands totalling in aggregate the Maximum Liability Amount are paid under this Guarantee; or

2. this original Guarantee document is returned to the Surety accompanied by a covering note signed by **tie** confirming that it has been returned for cancellation; or

3. the 31/08/2013; or

4. upon presentation by Infraco to the Surety of a copy of the Reliability Certificate certified by **tie** which the Surety is entitled to accept as conclusive evidence of achievement of a Termination Event.

All obligations and liabilities of the Surety under this Guarantee shall immediately cease after the occurrence of a Termination Event. Any claim by **tie** shall be barred and unenforceable unless the written Demand Notice is received by the Surety prior to the occurrence of a Termination Event. Following the occurrence of a Termination Event **tie** shall immediately return to the Surety the original of this Guarantee, which shall be null and void whether returned to the Surety or not.

tie shall be entitled to assign this Guarantee only to the person to which the Infraco Contract has been assigned with prior notification to, but without the consent of (except of (iv) below), the Surety provided that such assignation shall be as permitted pursuant to the Infraco Contract, that is to say an assignation to any of (i) City of Edinburgh Council or Scottish Ministers (and the legal successors or assignees of each of these parties); (ii) Transport Edinburgh Limited; (iii) any party guaranteed by the City of Edinburgh Council or Scottish Ministers; and (iv) any party prior to such assignation approved in writing by the Infraco. A notice of assignment of this Guarantee (in case of (iv) accompanied by a copy of the approval letter of Infraco) shall be provided by **tie** to the Surety promptly following such assignment which shall be conclusive evidence that such assignment has taken place.

The Surety's liability under this Guarantee shall not be affected or reduced by the insolvency of Infraco (or either Infraco Member) or the liquidation, receivership or other like temporary or permanent status of one or more of them.

A Demand Notice received from **tie** in accordance with the terms of this Guarantee shall be conclusive evidence of the Surety's liability to pay to **tie** and of the amount of the sum or sums which the Surety is liable to pay. Subject to a Demand Notice being made in accordance with the terms of this Guarantee, the Surety's obligation to make payment under this Guarantee shall be a primary, independent and absolute obligation and the Surety shall not be entitled to delay or withhold payment for any reason. The Surety's obligation hereunder shall not be affected by any act, omission, matter or thing which, but for this provision, might operate to release or otherwise exonerate the Surety from the obligations hereunder in whole or in part, including without limitation and whether or not known to the Surety or to **tie**:

(i) any time or waiver granted to **tie** or to Infraco;

(ii) the taking, variation, compromise, renewal or release of or the refusal or neglect to perfect or to enforce any rights, remedies or securities against **tie** or Infraco;

(iii) any legal limitation, disability or incapacity relating to **tie** or Infraco;

(iv) any variation of or amendment to the Infraco Contract (or related documentation) or the works or services to be performed thereunder or any other document or security so that references to the Infraco Contract in this Guarantee shall include each such variation and amendment;

(v) any unenforceability, invalidity or frustration of any rights or obligations of **tie** or Infraco under the Infraco Contract or any other document or security; and

(vi) any other fact, circumstance regarding Infraco (or the Infraco Members), provision of statute or rule of law which might, were the Surety's liability to be secondary rather than primary, entitle the Surety to be released or discharged in whole or in part from the Surety's undertaking.

All notices and Demand Notices related to this Guarantee shall be sent by registered mail and be addressed to Australia and New Zealand Banking Group Limited, 40 Bank Street, Canary Wharf, London, E14 5EJ.

This Guarantee may only be amended, modified or supplemented by an instrument in writing signed for and on behalf of the Surety.

This Guarantee shall be construed and interpreted according to the Laws of Scotland and shall be subject to the exclusive jurisdiction of the Scottish Courts. The Surety confirms that it will not raise any defence of inconvenient forum in proceedings brought in the Scottish Courts.

PART B

RETENTION BOND

To be issued by: Deutsche Bank AG (London branch),
Global Trade Finance, Attention Christina Gnad

RETENTION BOND in relation to the Edinburgh Tram Network

THIS RETENTION BOND is issued on 2008

WHEREAS

A. **tie LIMITED**, a company incorporated in Scotland under number SC230949 and having its registered office at City Chambers, High Street, Edinburgh EH1 1YJ ("**tie**"**)** (which expression shall include it successors, permitted assignees and transferees) intend to enter into an agreement for the appointment of a contractor (hereinafter referred to as the "**Infraco Contract**") with Bilfinger Berger UK Limited and Siemens plc (on a joint and several basis) (the "**Infraco**" and individually "**Infraco Members**") to design, construct, test, commission and maintain a light rapid transit system in Edinburgh known as the Edinburgh Tram Network.

B. The Infraco Contract obliges the Infraco to deliver to **tie** an irrevocable retention bond issued by a surety acceptable to **tie** and callable subject only to written notification by **tie** in terms of this Retention Bond.

C. **DEUTSCHE BANK AG**, a company incorporated in Germany and acting through its London Branch under branch number BR000005 and whose registered office is at Winchester House, 1 Great Winchester Street, London EC2N 2DB ("**Surety**"), is willing to issue this Retention Bond.

THE SURETY HEREBY DECLARES

In consideration of **tie** accepting the Surety's obligations set out in this Retention Bond in discharge of the Infraco's undertaking to provide a retention bond pursuant to the Infraco Contract and subject to the provisions of this Retention Bond, the Surety hereby irrevocably agrees and undertakes to pay to **tie** an initial sum not exceeding a total aggregate value of £2,000,000 (Two Million Pounds Sterling) ("**Bonded Amount**") and the Surety accordingly covenants with **tie** and agrees as follows:

1. The Surety hereby covenants with **tie** that promptly, and in any event no later than five business days, following receipt by the Surety of a notice in writing from **tie** substantially in the form set out in Appendix 1 ("**Demand Notice**") that the Infraco has failed to perform or observe any of its duties and/or obligations arising under or in connection with the Infraco

Contract and/or has committed a breach of any provision and/or has failed to fulfil any warranty or indemnity set out in the Infraco Contract and/or has failed to satisfy any of its liabilities under or in connection with the Infraco Contract, the Surety shall, without inquiry, pay to **tie** in full and without any deductions whatsoever or any right of set-off, abatement or counterclaim, the sum due from the Infraco under the Infraco Contract as stated by **tie** in the Demand Notice in available funds by electronic transfer to the account nominated in the Demand Notice, not exceeding in aggregate the Bonded Amount.

2. Any Demand Notice shall be in writing signed by two authorised representatives of **tie** whose signatures shall be proof of authority of **tie**. A Demand Notice issued by **tie** under this Retention Bond shall provide the Surety with a written statement which identifies the Infraco's failure or default, and shall attach a certified copy of **tie's** communication to the Infraco, pursuant to the Infraco Contract, notifying it of the relevant failure or default (the "**Default Notice**"). Such Demand Notice shall not be presented to the Surety earlier than the date which is 14 days following the date of the Default Notice. Where this Retention Bond has been assigned, in accordance with Clause 1, the Demand Notice shall be signed by two authorised signatories of the new beneficiary, and shall be accompanied by written evidence confirming that the Infraco Contract has been assigned to such beneficiary in accordance with the terms of the Infraco Contract.

3. Subject to Clauses 1 and 2 above, upon receipt by the Surety of a Demand Notice from **tie** the Surety shall not be entitled or obliged to make any enquiry or proof or contestation or impose any further conditions on **tie** (or the Infraco) and **tie** shall not need to take any legal action against or to obtain the consent of the Infraco. **tie** may make as many separate demands hereunder as **tie** thinks fit, provided that the amount demanded, when taken with all previous demands under this Retention Bond and satisfied by the Surety, does not exceed the Bonded Amount. **tie** shall not be obliged to exercise any other right or remedy **tie** may have (against the Infraco, any Infraco Member or any person guaranteeing the obligations of any Infraco Member(s)) before making a demand under this Retention Bond.

4. A Demand Notice received from **tie** in accordance with Clauses 1 and 2 above shall be conclusive evidence of the Surety's liability to pay to **tie** and of the amount of the sum or sums which the Surety is liable to pay. Subject to demand being made in accordance with the terms of this Retention Bond, the Surety's obligation to make payment under this Retention Bond shall be a primary, independent and absolute obligation and the Surety shall not be entitled to delay or withhold payment for any reason. The Surety's obligation hereunder shall not be affected by any act, omission, matter or thing which, but for this provision, might operate to

release or otherwise exonerate the Surety from the obligations hereunder in whole or in part, including without limitation and whether or not known to the Surety or to **tie**:

4.1 any time or waiver granted to **tie** or to the Infraco;

4.2 the taking, variation, compromise, renewal or release of or the refusal or neglect to perfect or to enforce any rights, remedies or securities against **tie** or the Infraco;

4.3 any legal limitation, disability or incapacity relating to **tie** or the Infraco;

4.4 any variation of or amendment to the Infraco Contract (or related documentation) or the works or services to be performed thereunder or any other document or security so that references to the Infraco Contract in this Retention Bond shall include each such variation and amendment;

4.5 any unenforceability, invalidity or frustration of any rights or obligations of **tie** or the Infraco under the Infraco Contract or any other document or security; and

4.6 any other fact, circumstance regarding Infraco (or the Infraco Members), provision of statute or rule of law which might, were the Surety's liability to be secondary rather than primary, entitle the Surety to be released or discharged in whole or in part from the Surety's undertaking.

5. The Surety's liability under this Retention Bond shall not be affected or reduced by the insolvency of the Infraco (or either Infraco Member) or their liquidation, receivership or other like temporary or permanent status.

6. **tie** shall be at liberty to compromise, release, waive or neglect any security as it sees fit, without impairment of its rights under this Retention Bond.

7. This Retention Bond shall cease to have effect on the date ("**Bond Expiry**") being the date which is the earlier of:

7.1 31/08/2013; and

7.2 the date of issue of the Reliability Certificate, as evidenced by presentation by Infraco of a copy of the Reliability Certificate certified by **tie** to the Surety,

save in connection with any Demand Notice received by the Surety in writing prior to Bond Expiry. Immediately following Bond Expiry, **tie** shall return this Retention Bond to the Surety for cancellation which should be null and void whether returned to the Surety or not.

8. **tie** shall be entitled to assign this Retention Bond only to the person to which the Infraco Contract has been assigned with prior notification to, but without the consent of (except of (iv) below in which case consent shall not be unreasonably withheld or delayed), the Surety, provided that the assignation shall be permitted pursuant to the Infraco Contract, that is to say an assignation to any of (i) City of Edinburgh Council or the Scottish Ministers (and the legal successors or assignees of either of these parties); (ii) any party guaranteed by the City of Edinburgh Council or Scottish Ministers; (iii) Transport Edinburgh Limited; and (iv) any party approved prior to such assignation in writing by the Infraco. A notice of assignment of this Retention Bond (in case of (iv) accompanied by a copy of the approval letter of the Infraco) shall be provided by **tie** to the Surety promptly following such assignment which shall be conclusive evidence that such assignment has taken place.

9. Any Demand Notice to be served by **tie** pursuant to this Retention Bond shall be sent by **tie** to the Surety, to the Surety's address at Deutsche Bank AG, Trade and Risk Services group, Winchester House, 1 Great Winchester House, London, EC2N 2DB (and if sent by special or recorded delivery shall be taken as having been received by the Surety on the date of receipt by the Surety as evidenced by the relevant certificate of delivery) or shall be delivered personally to the Surety at the address set out in this Clause 9 (and shall be deemed to have been received at the time of delivery). The Surety appoints its London branch at this address as agent to accept service of process.

10. This Retention Bond shall be governed by and construed in accordance with the Laws of Scotland and the Parties hereby agree to submit to the exclusive jurisdiction of the Court of Session over any claim arising out of this Retention Bond. The Surety confirms it will not raise any defence of inconvenient forum in proceedings brought in the Scottish Courts.

11. Save as permitted under Clause 8, a person who is not a party to this Retention Bond shall have no right to enforce any of the terms of this Retention Bond.

12. In this Retention Bond:

    12.1 "**person**" includes any firm and any entity having legal capacity;

    12.2 the definitions given in the recitals apply to the rest of this Retention Bond; and

12.3 "**Reliability Certificate**" means a certificate substantially in the form shown in Appendix 2, issued by **tie** to confirm that the Edinburgh Tram Network, as designed, constructed, tested, commissioned and maintained by the Infraco, has satisfied reliability testing and performance criteria for a period of one year after opening for public service.

PART C

DEFECTS RECTIFICATION BOND

DEFECTS RECTIFICATION BOND in relation to **THE EDINBURGH TRAM NETWORK**

THIS DEFECTS RECTIFICATION BOND is issued on 2008

WHEREAS

A. **tie LIMITED**, a company incorporated in Scotland under number SC230949 and having its registered office at City Chambers, High Street, Edinburgh EH1 1YJ ("**tie**") (which expression shall include it successors, permitted assignees and transferees) entered into an agreement for the appointment of a contractor (hereinafter referred to as the "**Infraco Contract**") dated [◆] 2008 with Bilfinger Berger UK Limited and Siemens plc (on a joint and several basis) (the "**Infraco**" and individually "**Infraco Members**") to design, construct, test, commission and maintain a light rapid transit system in Edinburgh known as the Edinburgh Tram Network.

B. The Infraco Contract obliges the Infraco to deliver to **tie** an irrevocable defects rectification bond in the circumstances set out in Clause 96.4, issued by a surety acceptable to **tie** and callable subject only to written notification by **tie** in terms of this Defects Rectification Bond.

C. **[◆]**, a company incorporated in England/Wales/Scotland under company number [◆] whose registered office is at [◆] ("**Surety**"), is willing to issue this Defects Rectification Bond.

THE SURETY HEREBY DECLARES

In consideration of **tie** accepting the Surety's obligations set out in this Defects Rectification Bond in discharge of the Infraco's undertaking to provide a defects rectification bond pursuant to the Infraco Contract and subject to the provisions of this Defects Rectification Bond, the Surety hereby irrevocably agrees and undertakes to pay to **tie** an initial sum not exceeding a total aggregate value of [£1,000,000 (One Million Pounds Sterling) or whatever amount is determined should be the amount of this Defects Rectification Bond pursuant to Clause 96.4.3 of the Infraco Contract] ("**Bonded Amount**") and the Surety accordingly covenants with **tie** and agrees as follows:

1. The Surety hereby covenants with **tie** that promptly, and in any event no later than five business days, following receipt by the Surety of a notice in writing from **tie** substantially in the form set out in Appendix 1 ("**Demand Notice**") that the Infraco has failed to perform or observe any of its obligations arising under Clause 96.5 of the Infraco Contract and/or has failed to satisfy any of its liabilities under or in connection with the Required Condition, the

Surety shall, without inquiry, pay to **tie** in full and without any deductions whatsoever or any right of set-off, abatement or counterclaim, the sum due from the Infraco under the Infraco Contract as stated by **tie** in the Demand Notice in available funds by electronic transfer to the account nominated in the Demand Notice, not exceeding in aggregate the Bonded Amount.

2. Any Demand Notice shall be in writing signed by two authorised representatives of **tie** whose signatures shall be proof of authority of **tie**. A Demand Notice issued by **tie** under this Defects Rectification Bond shall provide the Surety with a written statement which identifies the Infraco's failure or default, and shall attach a certified copy of **tie's** communication to the Infraco, pursuant to the Infraco Contract, notifying it of the relevant failure or default (the "**Default Notice**"). Such Demand Notice shall not be presented to the Surety earlier than the date which is 14 days following the date of the Default Notice. Where this Defects Rectification Bond has been assigned, in accordance with Clause 1, the Demand Notice shall be signed by two authorised signatories of the new beneficiary, and shall be accompanied by written evidence confirming that the Infraco Contract has been assigned to such beneficiary in accordance with the terms of the Infraco Contract.

3. Subject to Clauses 1 and 2 above, upon receipt by the Surety of a Demand Notice from **tie** the Surety shall not be entitled or obliged to make any enquiry or proof or contestation or impose any further conditions on **tie** (or the Infraco) and **tie** shall not need to take any legal action against or to obtain the consent of the Infraco. **tie** may make as many separate demands hereunder as **tie** thinks fit, provided that the amount demanded, when taken with all previous demands under this Defects Rectification Bond and satisfied by the Surety, does not exceed the Bonded Amount. **tie** shall not be obliged to exercise any other right or remedy **tie** may have (against the Infraco, any Infraco Member or any person guaranteeing the obligations of any Infraco Member(s)) before making a demand under this Defects Rectification Bond.

4. A Demand Notice received from **tie** in accordance with Clauses 1 and 2 above shall be conclusive evidence of the Surety's liability to pay to **tie** and of the amount of the sum or sums which the Surety is liable to pay. Subject to demand being made in accordance with the terms of this Defects Rectification Bond, the Surety's obligation to make payment under this Defects Rectification Bond shall be a primary, independent and absolute obligation and the Surety shall not be entitled to delay or withhold payment for any reason. The Surety's obligation hereunder shall not be affected by any act, omission, matter or thing which, but for this provision, might operate to release or otherwise exonerate the Surety from the obligations hereunder in whole or in part, including without limitation and whether or not known to the Surety or to **tie**:

4.1 any time or waiver granted to **tie** or to the Infraco;

4.2 the taking, variation, compromise, renewal or release of or the refusal or neglect to perfect or to enforce any rights, remedies or securities against **tie** or the Infraco;

4.3 any legal limitation, disability or incapacity relating to **tie** or the Infraco;

4.4 any variation of or amendment to the Infraco Contract (or related documentation) or the works or services to be performed thereunder or any other document or security so that references to the Infraco Contract in this Defects Rectification Bond shall include each such variation and amendment;

4.5 any unenforceability, invalidity or frustration of any rights or obligations of **tie** or the Infraco under the Infraco Contract or any other document or security; and

4.6 any other fact, circumstance regarding Infraco (or the Infraco Members), provision of statute or rule of law which might, were the Surety's liability to be secondary rather than primary, entitle the Surety to be released or discharged in whole or in part from the Surety's undertaking.

5. The Surety's liability under this Defects Rectification Bond shall not be affected or reduced by the insolvency of the Infraco (or either Infraco Member) or their liquidation, receivership or other like temporary or permanent status.

6. **tie** shall be at liberty to compromise, release, waive or neglect any security as it sees fit, without impairment of its rights under this Defects Rectification Bond.

7. This Defects Rectification Bond shall cease to have effect on the date ("**Bond Expiry**") being the date which is the earlier of:

7.1 **[◆]** [this date will be five years from the date on which the Infraco is obliged pursuant to Clause 96.4.3 of the Infraco Contract to provide the Defects Rectification Bond]; and

7.2 the date of release of the Defects Rectification Bond under Clause 96.6 of the Infraco Contract, as evidenced by a notice from **tie** to the Infraco confirming completion of the rectification works,

save in connection with any Demand Notice received by the Surety in writing prior to Bond Expiry. Immediately following Bond Expiry, **tie** shall return this Defects Rectification Bond

to the Surety for cancellation which should be null and void whether returned to the Surety or not.

8. **tie** shall be entitled to assign this Defects Rectification Bond only to the person to which the Infraco Contract has been assigned with prior notification to, but without the consent of (except in (iv) below in which case consent shall not be unreasonably withheld or delayed), the Surety, provided that the assignation shall be permitted pursuant to the Infraco Contract, that is to say an assignation to any of (i) City of Edinburgh Council or the Scottish Ministers (and the legal successors or assignees of either of these parties); (ii) any party guaranteed by the City of Edinburgh Council or Scottish Ministers; (iii) Transport Edinburgh Limited; and (iv) any party approved prior to such assignation in writing by the Infraco. A notice of assignment of this Defects Rectification Bond (in case of (iv) accompanied by a copy of the approval letter of Infraco) shall be provided by **tie** to the Surety promptly following such assignment which shall be conclusive evidence that such assignment has taken place.

9. Any Demand Notice to be served by **tie** pursuant to this Defects Rectification Bond shall be sent by **tie** to the Surety, to the Surety's address at ***[Insert Address]*** (and if sent by special or recorded delivery shall be taken as having been received by the Surety on the date of receipt by the Surety as evidenced by the relevant certificate of delivery) or shall be delivered personally to the Surety at the address set out in this Clause 9 (and shall be deemed to have been received at the time of delivery). The Surety hereby appoints [its London branch at this address] as agent to accept service of process.

10. This Defects Rectification Bond shall be governed by and construed in accordance with the Laws of Scotland and the Parties hereby agree to submit to the exclusive jurisdiction of the Court of Session over any claim arising out of this Defects Rectification Bond. The Surety confirms it will not raise a defence of inconvenient forum in proceedings brought in the Scottish Courts.

11. Save as permitted under Clause 8, a person who is not a party to this Defects Rectification Bond shall have no right to enforce any of the terms of this Defects Rectification Bond.

12. In this Defects Rectification Bond:

    12.1 "person" includes any firm and any entity having legal capacity;

    12.2 the definitions given in the recitals apply to the rest of this Defects Rectification Bond; and

12.3 "**Required Condition**" shall have the meaning given to it in Clause 96.4.1 of the Infraco Contract.

PART D

(1) SIEMENS AKTIENGESELLSCHAFT

- and -

(2) tie LIMITED

PARENT COMPANY GUARANTEE

relating to the obligations under the Infraco Contract dated [◆] 2008 in respect of the Edinburgh Tram Network

THIS GUARANTEE is made this ◆ day of ◆ [*date*]

BETWEEN:

(1) **SIEMENS AKTIENGESELLSCHAFT**, a company established in Berlin and Munich, Germany with registration number HRB 12300 Berlin Charlottenburg and HRB 6684 Munich, (the "**Guarantor**"); and

(2) **tie LIMITED**, a company incorporated with registration number SC230949, with registered office at City Chambers, Edinburgh, Midlothian EHI 1YJ, ("**tie**").

WHEREAS:

(A) An unincorporated joint venture comprising Bilfinger Berger UK Limited ("**Bilfinger Subsidiary**") and Siemens plc ("**Siemens Subsidiary**") (together "**Infraco**" and individually each an "**Infraco Member**") are entering into a contract (with joint and several liability) with **tie** for the design, construction, testing, commissioning and maintenance of the Edinburgh Tram Network (the "**Infraco Contract**").

(B) It is a condition of the Infraco Contract that the Siemens Subsidiary procures the execution and delivery to **tie** of this parent company guarantee (the "**Guarantee**") and the Bilfinger Subsidiary procures the execution and delivery to **tie** of a similar parent company guarantee (the "**Bilfinger Berger AG Guarantee**").

(C) The Guarantor has agreed to guarantee the obligations of the Siemens Subsidiary pursuant to the Infraco Contract.

THE PARTIES AGREE as follows:

1. INTERPRETATION, REPRESENTATIONS, WARRANTIES AND ACKNOWLEDGEMENTS BY THE GUARANTOR

1.1 In this Guarantee and the recitals hereto, unless the context otherwise requires or unless otherwise defined or provided for in this Guarantee, words and expressions when used herein shall have the same meaning as is attributed to them under the Infraco Contract.

1.2 The Guarantor hereby represents and warrants and undertakes to **tie** that:

1.2.1 it is a public limited company duly registered, incorporated and validly existing under the laws of the Federal Republic of Germany;

1.2.2 it has the power to enter into this Guarantee and to exercise its rights and perform its obligations under this Guarantee;

1.2.3 all required corporate (including supervisory board approval) and other action to authorise its execution of this Guarantee and the performance of its obligations under this Guarantee has been duly taken;

1.2.4 the obligations expressed to be assumed by it in this Guarantee are legal and valid obligations binding on it and enforceable in accordance with the terms hereof;

1.2.5 the entry into and performance by it of this Guarantee does not and will not conflict with:

1.2.5.1 any law or regulation applicable to it;

1.2.5.2 its "**Satzung**" and applicable "**Geschaeftsordnungen**" of the "**Vorstand**" and the "**Aufsichtsrat**" (if any); or

1.2.5.3 any agreement or instrument binding upon it or any of its assets;

1.2.6 the Guarantor has legal capacity to enter into this Guarantee governed by Scots law.

1.3 The Guarantor acknowledges that **tie** has accepted this Guarantee in full reliance on the representations and warranties set out in this Clause 1 (Representations, Warranties and Acknowledgements by the Guarantor) and on the basis that this Guarantee is effective to guarantee the performance and payment obligations owed on a joint and several basis by the Siemens Subsidiary as an Infraco Member pursuant to the Infraco Contract.

2. UNDERTAKING

2.1 In consideration of **tie** entering into the Infraco Contract with the Infraco, the Guarantor, subject to Clause 3 of this Guarantee, irrevocably guarantees to **tie** the due and punctual observance and performance of the Siemens Subsidiary, its successors and permitted assignees, either itself or by such other entity nominated by the Guarantor (subject to that entity being acceptable to **tie**), of each and all of the obligations, warranties, duties and undertakings of the Siemens Subsidiary under, or pursuant to, the Infraco Contract (the "**Guaranteed Obligations**") when and as such obligations, warranties, duties and undertakings shall become due and performable by the Siemens Subsidiary according to the terms of the Infraco Contract.

2.2 Subject to Clause 3 of this Guarantee, the Guarantor shall pay any amount demanded by **tie** under a written notice substantially in the form of Schedule 1 hereto, such payment to be made by the Guarantor in pounds sterling (£) with five (5) business days of the date of receipt of the demand to the bank account nominated in the demand notice.

3. LIMITATIONS OF LIABILITY

3.1 The Guarantor may raise hereunder all objections and defences the Siemens Subsidiary and/or the Infraco has under the Infraco Contract and may assume all such defence, counterclaim, limitation and/or exclusion of liability as the Siemens Subsidiary and/or the Infraco may have against **tie** pursuant to the Infraco Contract. In no circumstances shall the Guarantor ever be liable (i) to a greater extent than the liability of the Siemens Subsidiary under the Infraco Contract or (ii) for any loss of business, opportunity, revenue, profit or anticipated profit or for any indirect or consequential loss or damages unless the Infraco is liable therefor.

3.2 Subject to Clause 3.4, the liability of the Guarantor in relation to payment obligations of the Siemens' Subsidiary arising from or in connection with the Infraco Contract pursuant to this Guarantee shall not exceed (when taken together with any other amount recovered by **tie** under the Infraco Contract and/or under this Guarantee) an amount equal to the aggregate of:

3.2.1 the lower of:

a)

(A) £19,800,000 for the period from the Effective Date until the date four years from the issue of the Reliability Certificate; or

(B) £15,750,000 for the period from four to six years from the issue of the Reliability Certificate; or

(C) £13,500,000 for the period from six to eight years from the issue of the Reliability Certificate; or

(D) £9,000,000 for the period from eight to ten years from the issue of the Reliability Certificate; or

(E) £4,500,000 for the period from ten to twelve years from the issue of the Reliability Certificate;

For the avoidance of doubt, any payments made to **tie** by the Guarantor on behalf of the Infraco and/or the Siemens Subsidiary under or pursuant to this Guarantee shall

count- against the relevant amount as per (A) to (E) without regard to the point of time of payment.

and

b) forty five (45%) of the applicable limits of liability set out in clause 77.8 of the Infraco Contract ,

3.2.2 any amounts which the Guarantor is obliged to pay in accordance with the terms of clause 3.4.

For the avoidance of doubt under no circumstances shall the Guarantor's financial liability pursuant to this Guarantee exceed the lower of:

a)

(A) £44,000,000 for the period from the Effective Date until the date four years from the issue of the Reliability Certificate; or

(B) £35,000,000 for the period from four to six years from the issue of the Reliability Certificate; or

(C) £30,000,000 for the period from six to eight years from the issue of the Reliability Certificate; or

(D) £20,000,000 for the period from eight to ten years from the issue of the Reliability Certificate; or

(E) £10,000,000 for the period from ten to twelve years from the issue of the Reliability Certificate;

For the avoidance of doubt, any payments made to **tie** by the Guarantor on behalf of the Infraco, the Siemens Subsidiary and/or the Bilfinger Subsidiary under or pursuant to this Guarantee shall count against the relevant amount as per (A) to (E) without regard to the point of time of payment.

and

b) the applicable limits of liability set out in clause 77.8 of the Infraco Contract.

3.3 The Guarantor's liability in respect of the Guaranteed Obligations shall be conditional on **tie** first having made demand in writing in respect of the same on the Siemens Subsidiary and

shall be conditional, in case of any demand for payment, on **tie** making a demand on Bilfinger Berger AG for fifty five percent (55%) of the total amount claimed from the Infraco (the "**Bilfinger Share**"). Accordingly, the Guarantor's liability in respect to the Guaranteed Obligations shall be initially limited to forty five (45%) of the value of each claim from **tie** but without prejudice to the obligation of the Guarantor, in the circumstances set out at Clause 3.4 to pay the Bilfinger Share.

3.4 In the event that full payment from Bilfinger Berger AG is not received by **tie** with respect to the Bilfinger Share within 30 days of the day of the receipt of the demand, **tie** shall notify the Guarantor in writing and the Guarantor shall pay **tie** the unpaid portion of the Bilfinger Share within 30 days of receipt by the Guarantor of such notice.

4. EXPIRY

4.1 Without prejudice to Clause 4.4 the obligations of the Guarantor set out herein shall constitute and be continuing obligations and accordingly shall remain in full force and effect from the date hereof:

(a) until the date of issue of the Reliability Certificate or the earlier termination of the Infraco Contract, save that the Guarantor's obligations shall continue with regard to any claim brought or liability incurred by **tie** or the Indemnified Parties arising from or in connection with the Infraco Works (excluding Infrastructure Maintenance Services) which has been pursued by **tie** or the Indemnified Parties and which is already the subject of formal dispute resolution proceedings which have been commenced no later than six months after either of these dates, as the case may be; and

(b) until the date which is twelve years from issue of the Reliability Certificate with regard to any claim brought or liability incurred by **tie** or the Indemnified Parties arising from or in connection with (i) latent defects in the Infraco Works (and any third party claim for direct loss or damage made after issue of the Reliability Certificate and arising from or in connection with latent defects) (ii) uncorrected Patent Defects (iii) liquidated damages outstanding from the settlement of the final account pursuant to Clause 66.6 of the Infraco Contract save that the Guarantor's obligations shall continue with regard to any such claims brought or liabilities pursued by **tie** or the Indemnified Parties which are already the subject of formal dispute resolution proceedings prior to such date or commenced within three months thereafter; and

(c) until the Expiry Date (or the Extended Expiry Date) or earlier termination of the Infraco Contract with regard to any claim brought or liability incurred by **tie** or the Indemnified Parties arising from or in connection with Infrastructure Maintenance Services, save that the Guarantor's obligations shall continue with regard to any claim brought or liability pursued by **tie** or the Indemnified Parties which is the subject of formal dispute resolution proceedings commenced no later than six months after either of these dates, as the case may be; or

(d) until 31st May 2027,

whichever in each case is the earlier.

4.2 In any of the events set forth in Clause 4.1 (a) to (d) of this Guarantee the expiry of the Guarantor's obligations under this Guarantee shall be without prejudice to any liability of the Guarantor accrued prior to or arising from expiry of the Infraco Contract, provided that any claim by **tie** in respect of such liability shall be barred and be unenforceable, unless written notice of the same specifying in reasonable detail the nature and amount of the claim has been received by the Guarantor within three (3) months after the date of termination of the Guarantee as set out in Clause 4.1, and any proceedings in respect of such claim are commenced within the time period specified in each of Clauses 4.1(a) to 4.1(c).

4.3 **tie** undertakes to return this Guarantee to the Guarantor immediately after its expiry in accordance with Clause 4.1 and Clause 4.2 respectively, save where written notice has been given under clause 4.2 by **tie**. However, for the avoidance of doubt, this Guarantee expires independently of its return.

4.4 In the event the Siemens Subsidiary ceases to be a subsidiary of the Guarantor, the Guarantor may offer a replacement guarantee for this Guarantee, substantially in the form hereof. If such replacement guarantee is from a guarantor acceptable to **tie**, acting reasonably having due regard to the remaining performance risk of the Siemens Subsidiary and the credit risk of the replacement guarantor, **tie** shall accept such replacement guarantee as security for the Guaranteed Obligations, and this Guarantee shall thereupon automatically terminate. **tie** undertakes to return the Guarantee to the Guarantor immediately following such termination. For avoidance of doubt the Guarantee shall continue in full force and effect notwithstanding the disposal by the Guarantor of any or all of its shares in the Siemens Subsidiary.

5. PRESERVATION OF RIGHTS

Subject to Clause 3, the obligations of the Guarantor under this Guarantee shall not be discharged by any of the following:

5.1 Any non-written arrangement between the Infraco and/or the Siemens Subsidiary and **tie** which does not directly or indirectly increase or extend the liability of the Guarantor under this Guarantee;

5.2 Any amendment to, or any variation, waiver or release of any obligation of the Infraco and/or the Siemens Subsidiary under or pursuant to the Infraco Contract which does not directly or indirectly increase or extend the liability of the Guarantor under this Guarantee, provided that **tie** has promptly notified the Guarantor of any such amendment, variation, waiver or release;

5.3 Any time or indulgence being granted or agreed to be granted to the Infraco and/or the Siemens Subsidiary in respect of its obligations under or pursuant to the Infraco Contract;

5.4 The taking, variation or release of, or enforcement or neglect to perfect or enforce any right, guarantee, remedy or security from or against the Infraco and/or the Siemens Subsidiary;

5.5 Any legal limitation, disability, incapacity or other circumstances solely relating to the Infraco and/or the Siemens Subsidiary;

5.6 The insolvency, winding-up, dissolution, administration or re-organisation of or any change in status, function, control or ownership of the Infraco and/or the Siemens Subsidiary or any other person;

5.7 Any obligation of the Infraco and/or the Siemens Subsidiary under the Infraco Contract being or becoming illegal, void, invalid, unenforceable or ineffective in any respect;

5.8 Any amendment to the Infraco Contract, or any variation, waiver or release of any obligation of the Infraco and/or the Siemens Subsidiary under the Infraco Contract;

5.9 The assignation or novation of the Infraco Contract in accordance with its terms (provided the Siemens Subsidiary is party to the Infraco Contract as assigned or novated);

5.10 The suspension or termination of the Infraco Contract or of the employment of the Infraco and/or the Siemens Subsidiary under the Infraco Contract; and/or

5.11 Any other matter or thing (whether or not known to the Infraco) which would or might operate to exonerate or discharge the Guarantor from its obligations under this Guarantee.

6. ASSIGNATION

6.1 The Guarantor is not entitled to assign this Guarantee.

6.2 **tie** shall be entitled to assign this Guarantee only to the person to which the Infraco Contract has been assigned with prior notification to, but without the consent of, the Guarantor, provided that the assignation shall be permitted pursuant to the Infraco Contract, that is to say an assignation to any of (i) City of Edinburgh Council or the Scottish Ministers (and the legal successors or assignees of either of these parties); (ii) any party guaranteed by the City of Edinburgh Council or Scottish Ministers; (iii) Transport Edinburgh Limited; and (iv) any party approved in writing by the Infraco.

7. SETTLEMENT CONDITIONAL

Any settlement or discharge between the Guarantor and **tie** shall be conditional upon no security given or payment made to **tie** by the Guarantor or any other person on behalf of the Guarantor at any time being avoided or reduced by virtue of any provisions or enactments relating to bankruptcy, insolvency, liquidation or similar laws of general application for the time being in force (whether in Scotland, the Federal Republic of Germany or the European Union) and, if any such security or payment is so avoided or reduced, **tie** shall be entitled to recover the value or amount of such security or payment from the Guarantor subsequently as if such settlement or discharge had not occurred.

8. EXERCISE OF RIGHTS

8.1 Subject to Clause 3.3 **tie** shall not be obliged before exercising any of the rights, powers or remedies conferred upon it in respect of the Guarantor by this Guarantee or by law:

8.1.1 to take any legal proceedings or obtain judgment in any court against the Infraco or either of Bilfinger Subsidiary or Siemens Subsidiary; or

8.1.2 to make or file any claim or proof in a winding-up or dissolution of the Infraco or either of Bilfinger Subsidiary or Siemens Subsidiary.

8.2 Any judgment, award, agreement or determination of any amount due from the Infraco (or either of Bilfinger Subsidiary or Siemens Subsidiary) under the Infraco Contract shall be binding upon the Guarantor.

9. INTEREST

Any amount which is not paid under this Guarantee when due in accordance with a demand served under Clause 3 shall carry interest at the rate of interest applicable to overdue amounts under the Infraco Contract from the due date, which is 2% p.a. above the prevailing published base rate of The Royal Bank of Scotland plc. For avoidance of doubt interest shall not be paid by the Guarantor under this Guarantee for any period during which interest is continuing to accrue under the Infraco Contract.

10. TAXES

All payments in respect of the obligations of the Guarantor under this Guarantee shall be made free and clear of, and without withholding or deduction for, any taxes, duties, assessments or governmental charges of whatsoever nature imposed, levied, collected or assessed by the United Kingdom or the Federal Republic of Germany, or any Land, political or administrative subdivision or any authority thereof having power to tax, save where such withholding or deduction is required by law. In that event, the Guarantor shall pay such additional amounts as will result in the receipt by **tie** of such amount as would have been received by **tie** if no such withholding or deduction had been required.

11. NO SECURITY

The Guarantor shall not hold any security from the Siemens Subsidiary in respect of this Guarantee and any such security which is held in breach of this provision shall be held by the Guarantor in trust for and shall be promptly transferred to **tie**.

12. DEFERRAL OF RIGHTS

12.1 The Guarantor agrees that, so long as any amounts are owed by the Infraco (or either of Bilfinger Subsidiary or Siemens Subsidiary) to **tie** under or pursuant to the Infraco Contract, or any amounts are owed, or have been paid, to **tie** by the Guarantor under this Guarantee, the Guarantor shall not exercise any rights which it may at any time have by reason of performance by it of its obligations under this Guarantee:

12.1.1 to effect or seek to effect any recovery from the Infraco (or either of Bilfinger Subsidiary or Siemens Subsidiary) in respect of any payment made or liability arising pursuant to this Guarantee, whether by receipt of money or set-off or enforcement of security or otherwise;

12.1.2 to claim any contribution from any other guarantor of the obligations of the Infraco (or either of Bilfinger Subsidiary or Siemens Subsidiary) under the Infraco Contract;

12.1.3 to take (in whole or in part and whether by way of subrogation or otherwise) any rights of **tie**;

12.1.4 to claim in the insolvency, administration, winding-up, bankruptcy or liquidation of the Infraco (or either of Bilfinger Subsidiary or Siemens Subsidiary) in competition with **tie**; and/or

12.1.5 subject to Clause 3.3, to require **tie** to make a claim against the Infraco (or either of Bilfinger Subsidiary or Siemens Subsidiary).

Provided that in the case of Clauses 12.1.1 and 12.1.2 if the Guarantor has made any payment to **tie** pursuant to this Guarantee Agreement, the Guarantor shall be entitled to seek recovery or contribution of such payment (after giving notice to **tie**) on the conditions that such action shall not in any way adversely affect the Infraco's ability (or the Siemens Subsidiary's) to perform and discharge its obligations pursuant to the Infraco Contract for its duration.

12.2 The Guarantor shall hold in trust for **tie** any payment or other benefit received by the Guarantor contrary to the provision of this Clause 12. Such sums shall be used to settle any amounts owing to **tie** and any surplus shall be released to the Guarantor.

13. NOTICES

13.1 Any notice to or demand on the Guarantor to be served under this Guarantee shall be in writing and may be delivered in person or sent by recorded delivery post to the Guarantor at its address appearing in this Guarantee or at such other address as it may have notified to **tie** in accordance with this Clause 13.

13.2 Any such notice or demand shall be deemed to have been served on the Guarantor:

(i) if delivered in person, at the time of delivery; or

(ii) if posted, upon the date recorded for receipt.

(iii) The Guarantor hereby appoints Biggart Baillie LLP, of Dalmore house, 310 St. Vincent Street, Glasgow, G2 5QR, as their agent for service of legal process in Scotland.

14. WAIVER

14.1 No delay or omission of **tie** in exercising any right, power or privilege under this Guarantee shall impair or be construed as a waiver of such right power or privilege nor shall any single or partial exercise of any such right, power or privilege preclude any further exercise of such right, power or privilege or the exercise of any other right, power or privilege.

14.2 A waiver given or consent granted by **tie** under this Guarantee shall be effective only if given in writing and then only in the instance and for the purpose for which it is given.

15. PARTIAL INVALIDITY

The invalidity, illegality or unenforceability in whole or in part of any of the provisions of this Guarantee shall not affect the validity, legality and enforceability of the remaining part or provisions of this Guarantee.

16. DISPUTE RESOLUTION AND GOVERNING LAW

This Guarantee shall be governed by and construed in accordance with the Laws of Scotland and the Parties hereby agree to submit to the exclusive jurisdiction of the Court of Session over any claim arising out of this Guarantee.

17. EXCLUSION OF THIRD PARTY RIGHTS

Subject to any assignation pursuant to clause 6 a person not party to this Guarantee shall have no rights to enforce or rely upon any term of this Guarantee and no *jus quaesitum tertio* is hereby created in favour of any party.

18. PAYMENTS

18.1 All payments to be made by the Guarantor in respect of this Guarantee must be made:

18.1.1 in immediately available electronically transferable funds (with no handling charge, commission or exchange rate conversion fee deducted) to the credit of such bank account as **tie** may designate; and

18.1.2 in pounds sterling or such other currency as **tie** nominates.

SCHEDULE 1

DEMAND LETTER

[Date]

[Guarantor's name]
[Guarantor's address]
Attention: Authorised and responsible representative

EDINBURGH TRAM NETWORK

Dear Sirs,

We refer to the Guarantee Agreement dated [◆] 2008 between us and to the contract (the "**Infraco Contract**") dated [◆] 2008 between us and your subsidiary Siemens plc.

1. This letter is our formal demand for the payment of £[◆] pursuant to Clause 2.2. of the Guarantee Agreement, which amount is due and payable by your subsidiary Siemens plc and has not been paid. Please make payment to: **tie** Limited, [bank account number and details] as provided under Clause 18 of the Guarantee Agreement.

AND/OR

2. This letter is our formal demand that you perform and discharge [*describe relevant obligations*] the obligations, warranties, duties and undertakings of your subsidiary Siemens plc as required pursuant to Clause 2.1 of the Guarantee Agreement which your subsidiary, in breach of the Infraco Contract, has failed to perform and discharge. Please confirm by return the mobilisation arrangements you are making and the timetable for their deployment in Edinburgh and generally.

We confirm that we have made formal demand in writing on Bilfinger Berger UK Limited and that we have also made formal demand on Bilfinger Berger AG in relation to this matter.

Yours faithfully,

tie LIMITED

tie LIMITED	**SIEMENS AKTIENGESELLSCHAFT**

Addendum to form of Parent Company Guarantee between SIEMENS AKTIENGESELLSCHAFT and TIE LIMITED

The Parties agree that the following clause 1.4 shall be inserted into the final Parent Company Guarantee to be executed:

1.4 The Guarantor hereby acknowledges that Siemens Subsidiary (i) has entered into an agreement with the Bilfinger Subsidiary and Construcciones Y Auxiliar de Ferrocarriles S.A. ("**CAF**") whereby CAF has joined the Infraco and (ii) will enter into an agreement (the "**Minute of Variation**") with Bilfinger Berger UK Limited, **tie** and CAF whereby CAF will become party to the Infraco Contract with joint and several responsibility towards **tie**. The Guarantor and **tie** agree, without reservation, that neither the entry of CAF into the Infraco (and any future variation to the terms of such entry) nor any act or omission by CAF nor the Minute of Variation shall have any effect upon the obligations and liabilities of the Guarantor and the rights and entitlements of **tie** Limited pursuant to this Guarantee.

(1) BILFINGER BERGER AG

- and -

(2) tie LIMITED

PARENT COMPANY GUARANTEE

relating to the obligations under the Infraco Contract dated [◆] 2008 in respect of the Edinburgh Tram Network

THIS GUARANTEE is made this ◆ day of ◆ [*date*]

BETWEEN:

(1) **BILFINGER BERGER AG**, a company established in Mannheim, Germany with registration number Amtsgericht Mannheim HRB 4444, Carl-Reiß-Platz 1-5, 68165 Mannheim (the "**Guarantor**"); and

(2) **tie LIMITED**, a company incorporated with registration number SC230949, with registered office at City Chambers, Edinburgh, Midlothian EHI 1YJ, ("**tie**").

WHEREAS:

(A) An unincorporated joint venture comprising Bilfinger Berger UK Limited ("**Bilfinger Subsidiary**") and Siemens plc ("**Siemens Subsidiary**") (together "**Infraco**" and individually each an "**Infraco Member**") are entering into a contract (with joint and several liability) with **tie** for the design, construction, testing, commissioning and maintenance of the Edinburgh Tram Network (the "**Infraco Contract**").

(B) It is a condition of the Infraco Contract that the Bilfinger Subsidiary procures the execution and delivery to **tie** of this parent company guarantee (the "**Guarantee**") and the Siemens Subsidiary procures the execution and delivery to **tie** of a similar parent company guarantee (the "**Siemens Guarantee**").

(C) The Guarantor has agreed to guarantee the obligations of the Bilfinger Subsidiary pursuant to the Infraco Contract.

THE PARTIES AGREE as follows:

1. INTERPRETATION, REPRESENTATIONS, WARRANTIES AND ACKNOWLEDGEMENTS BY THE GUARANTOR

1.1 In this Guarantee and the recitals hereto, unless the context otherwise requires or unless otherwise defined or provided for in this Guarantee, words and expressions when used herein shall have the same meaning as is attributed to them under the Infraco Contract.

1.2 The Guarantor hereby represents and warrants and undertakes to **tie** that:

1.2.1 it is a public limited company duly registered, incorporated and validly existing under the laws of the Federal Republic of Germany;

1.2.2 it has the power to enter into this Guarantee and to exercise its rights and perform its obligations under this Guarantee;

1.2.3 all required corporate (including supervisory board approval) and other action to authorise its execution of this Guarantee and the performance of its obligations under this Guarantee has been duly taken;

1.2.4 the obligations expressed to be assumed by it in this Guarantee are legal and valid obligations binding on it and enforceable in accordance with the terms hereof;

1.2.5 the entry into and performance by it of this Guarantee does not and will not conflict with:

1.2.5.1 any law or regulation applicable to it;

1.2.5.2 its "**Satzung**" and applicable "**Geschaeftsordnungen**" of the "**Vorstand**" and the "**Aufsichtsrat**" (if any); or

1.2.5.3 any agreement or instrument binding upon it or any of its assets;

1.2.6 the Guarantor has legal capacity to enter into this Guarantee governed by Scots law.

1.3 The Guarantor acknowledges that **tie** has accepted this Guarantee in full reliance on the representations and warranties set out in this Clause 1 (Representations, Warranties and Acknowledgements by the Guarantor) and on the basis that this Guarantee is effective to guarantee the performance and payment obligations owed on a joint and several basis by the Siemens Subsidiary as an Infraco Member pursuant to the Infraco Contract.

2. UNDERTAKING

2.1 In consideration of **tie** entering into the Infraco Contract with the Infraco, the Guarantor, subject to Clause 3 of this Guarantee, irrevocably guarantees to **tie** the due and punctual observance and performance of the Bilfinger Subsidiary, its successors and permitted assignees, either itself or by such other entity nominated by the Guarantor (subject to that entity being acceptable to **tie**), of each and all of the obligations, warranties, duties and undertakings of the Bilfinger Subsidiary under, or pursuant to, the Infraco Contract (the "**Guaranteed Obligations**") when and as such obligations, warranties, duties and undertakings shall become due and performable by the Bilfinger Subsidiary according to the terms of the Infraco Contract.

2.2 Subject to Clause 3 of this Guarantee, the Guarantor shall pay any amount demanded by **tie** under a written notice substantially in the form of Schedule 1 hereto, such payment to be made by the Guarantor in pounds sterling (£) with five (5) business days of the date of receipt of the demand to the bank account nominated in the demand notice.

3. LIMITATIONS OF LIABILITY

3.1 The Guarantor may raise hereunder all objections and defences the Bilfinger Subsidiary and/or the Infraco has under the Infraco Contract and may assume all such defence, counterclaim, limitation and/or exclusion of liability as the Bilfinger Subsidiary and/or the Infraco may have against **tie** pursuant to the Infraco Contract. In no circumstances shall the Guarantor ever be liable (i) to a greater extent than the liability of the Bilfinger Subsidiary under the Infraco Contract or (ii) for any loss of business, opportunity, revenue, profit or anticipated profit or for any indirect or consequential loss or damages unless the Infraco is liable therefor.

3.2 Subject to Clause 3.4, the liability of the Guarantor in relation to payment obligations of the Bilfinger Subsidiary arising from or in connection with the Infraco Contract pursuant to this Guarantee shall not exceed (when taken together with any other amount recovered by **tie** under the Infraco Contract and/or under this Guarantee) an amount equal to the aggregate of:

3.2.1 the lower of:

a)

(A) £24,200,000 for the period from the Effective Date until the date four years from the issue of the Reliability Certificate; or

(B) £19,250,000 for the period from four to six years from the issue of the Reliability Certificate; or

(C) £16,500,000 for the period from six to eight years from the issue of the Reliability Certificate; or

(D) £11,000,000 for the period from eight to ten years from the issue of the Reliability Certificate; or

(E) £5,500,000 for the period from ten to twelve years from the issue of the Reliability Certificate;

For the avoidance of doubt, any payments made to **tie** by the Guarantor on behalf of the Infraco and/or the Siemens Subsidiary under or pursuant to this Guarantee shall

count against the relevant amount as per (A) to (E) without regard to the point of time of payment.

and

(b) fifty five percent (55%) of the applicable limits of liability set out in clause 77.8 of the Infraco Contract,

3.2.2 any amounts which the Guarantor is obliged to pay in accordance with the terms of Clause 3.4.

For the avoidance of doubt under no circumstances shall the Guarantor's financial liability pursuant to this Guarantee exceed the lower of:

a)

(A) £44,000,000 for the period from the Effective Date until the date four years from the issue of the Reliability Certificate; or

(B) £35,000,000 for the period from four to six years from the issue of the Reliability Certificate; or

(C) £30,000,000 for the period from six to eight years from the issue of the Reliability Certificate; or

(D) £20,000,000 for the period from eight to ten years from the issue of the Reliability Certificate; or

(E) £10,000,000 for the period from ten to twelve years from the issue of the Reliability Certificate;

For the avoidance of doubt, any payments made to **tie** by the Guarantor on behalf of the Infraco, the Bilfinger Subsidiary and/or the Siemens Subsidiary under or pursuant to this Guarantee shall count against the relevant amount as per (A) to (E) without regard to the point of time of payment.

and

b) the applicable limits of liability set out in clause 77.8 of the Infraco Contract.

3.3 The Guarantor's liability in respect of the Guaranteed Obligations shall be conditional on **tie** first having made demand in writing in respect of the same on the Bilfinger Subsidiary and

shall be conditional, in case of any demand for payment, on **tie** making a demand on Siemens Aktiengesellschaft for forty five percent (45%) of the total amount claimed from the Infraco (the "**Siemens Share**"). Accordingly, the Guarantor's liability in respect to the Guaranteed Obligations shall be initially limited to fifty five percent (55%) of the value of each claim from **tie** but without prejudice to the obligation of the Guarantor, in the circumstances set out at Clause 3.4 to pay the Siemens Share.

3.4 In the event that full payment from Siemens Aktiengesellschaft is not received by **tie** with respect to the Siemens Share within 30 days of the day of the receipt of the demand, **tie** shall notify the Guarantor in writing and the Guarantor shall pay **tie** the unpaid portion of the Siemens Share within 30 days of receipt by the Guarantor of such notice.

4. EXPIRY

4.1 Without prejudice to Clause 4.4 the obligations of the Guarantor set out herein shall constitute and be continuing obligations and accordingly shall remain in full force and effect from the date hereof:

(a) until the date of issue of the Reliability Certificate or the earlier termination of the Infraco Contract, save that the Guarantor's obligations shall continue with regard to any claim brought or liability incurred by **tie** or the Indemnified Parties arising from or in connection with the Infraco Works (excluding Infrastructure Maintenance Services) which has been pursued by **tie** or the Indemnified Parties and which is already the subject of formal dispute resolution proceedings which have been commenced no later than six months after either of these dates, as the case may be; and

(b) until the date which is twelve years from issue of the Reliability Certificate with regard to any claim brought or liability incurred by **tie** or the Indemnified Parties arising from or in connection with (i) latent defects in the Infraco Works (and any third party claim for direct loss or damage made after issue of the Reliability Certificate and arising from or in connection with latent defects) (ii) uncorrected Patent Defects (iii) liquidated damages outstanding from the settlement of the final account pursuant to Clause 66.6 of the Infraco Contract save that the Guarantor's obligations shall continue with regard to any such claims brought or liabilities pursued by **tie** or the Indemnified Parties which are already the subject of formal dispute resolution proceedings prior to such date or commenced within three months thereafter; and

(c) until the Expiry Date (or the Extended Expiry Date) or earlier termination of the Infraco Contract with regard to any claim brought or liability incurred by **tie** or the Indemnified Parties arising from or in connection with Infrastructure Maintenance Services, save that the Guarantor's obligations shall continue with regard to any claim brought or liability pursued by **tie** or the Indemnified Parties which is the subject of formal dispute resolution proceedings commenced no later than six months after either of these dates, as the case may be; or

(d) until 31st May 2027,

whichever in each case is the earlier.

4.2 In any of the events set forth in Clause 4.1 (a) to (d) of this Guarantee the expiry of the Guarantor's obligations under this Guarantee shall be without prejudice to any liability of the Guarantor accrued prior to or arising from expiry of the Infraco Contract, provided that any claim by **tie** in respect of such liability shall be barred and be unenforceable, unless written notice of the same specifying in reasonable detail the nature and amount of the claim has been received by the Guarantor within three (3) months after the date of termination of the Guarantee as set out in Clause 4.1, and any proceedings in respect of such claim are commenced within the time period specified in each of Clauses 4.1(a) to 4.1(c).

4.3 **tie** undertakes to return this Guarantee to the Guarantor immediately after its expiry in accordance with Clause 4.1 and Clause 4.2 respectively, save where written notice has been given under clause 4.2 by **tie**. However, for the avoidance of doubt, this Guarantee expires independently of its return.

4.4 In the event the Bilfinger Subsidiary ceases to be a subsidiary of the Guarantor, the Guarantor may offer a replacement guarantee for this Guarantee, substantially in the form hereof. If such replacement guarantee is from a guarantor acceptable to **tie**, acting reasonably having due regard to the remaining performance risk of the Bilfinger Subsidiary and the credit risk of the replacement guarantor, **tie** shall accept such replacement guarantee as security for the Guaranteed Obligations, and this Guarantee shall thereupon automatically terminate. **tie** undertakes to return the Guarantee to the Guarantor immediately following such termination. For avoidance of doubt the Guarantee shall continue in full force and effect notwithstanding the disposal by the Contractor of any or all of its shares in the Bilfinger Subsidiary.

5. PRESERVATION OF RIGHTS

Subject to Clause 3, the obligations of the Guarantor under this Guarantee shall not be discharged by any of the following:

5.1 Any non-written arrangement between the Infraco and/or the Bilfinger Subsidiary and **tie** which does not directly or indirectly increase or extend the liability of the Guarantor under this Guarantee;

5.2 Any amendment to, or any variation, waiver or release of any obligation of the Infraco and/or the Bilfinger Subsidiary under or pursuant to the Infraco Contract which does not directly or indirectly increase or extend the liability of the Guarantor under this Guarantee, provided that **tie** has promptly notified the Guarantor of any such amendment, variation, waiver or release;

5.3 Any time or indulgence being granted or agreed to be granted to the Infraco and/or the Bilfinger Subsidiary in respect of its obligations under or pursuant to the Infraco Contract;

5.4 The taking, variation or release of, or enforcement or neglect to perfect or enforce any right, guarantee, remedy or security from or against the Infraco and/or the Bilfinger Subsidiary;

5.5 Any legal limitation, disability, incapacity or other circumstances solely relating to the Infraco and/or the Bilfinger Subsidiary;

5.6 The insolvency, winding-up, dissolution, administration or re-organisation of or any change in status, function, control or ownership of the Infraco and/or the Bilfinger Subsidiary or any other person;

5.7 Any obligation of the Infraco and/or the Bilfinger Subsidiary under the Infraco Contract being or becoming illegal, void, invalid, unenforceable or ineffective in any respect;

5.8 Any amendment to the Infraco Contract, or any variation, waiver or release of any obligation of the Infraco and/or the Bilfinger Subsidiary under the Infraco Contract;

5.9 The assignation or novation of the Infraco Contract in accordance with its terms (provided the Bilfinger Subsidiary is party to the Infraco Contract as assigned or novated);

5.10 The suspension or termination of the Infraco Contract or of the employment of the Infraco and/or the Bilfinger Subsidiary under the Infraco Contract; and/or

5.11 Any other matter or thing (whether or not known to the Infraco) which would or might operate to exonerate or discharge the Guarantor from its obligations under this Guarantee.

6. ASSIGNATION

6.1 The Guarantor is not entitled to assign this Guarantee.

6.2 **tie** shall be entitled to assign this Guarantee only to the person to which the Infraco Contract has been assigned with prior notification to, but without the consent of, the Guarantor, provided that the assignation shall be permitted pursuant to the Infraco Contract, that is to say an assignation to any of (i) City of Edinburgh Council or the Scottish Ministers (and the legal successors or assignees of either of these parties); (ii) any party guaranteed by the City of Edinburgh Council or Scottish Ministers; (iii) Transport Edinburgh Limited; and (iv) any party approved in writing by the Infraco.

7. SETTLEMENT CONDITIONAL

Any settlement or discharge between the Guarantor and **tie** shall be conditional upon no security given or payment made to **tie** by the Guarantor or any other person on behalf of the Guarantor at any time being avoided or reduced by virtue of any provisions or enactments relating to bankruptcy, insolvency, liquidation or similar laws of general application for the time being in force (whether in Scotland, the Federal Republic of Germany or the European Union) and, if any such security or payment is so avoided or reduced, **tie** shall be entitled to recover the value or amount of such security or payment from the Guarantor subsequently as if such settlement or discharge had not occurred.

8. EXERCISE OF RIGHTS

8.1 Subject to Clause 3.3 **tie** shall not be obliged before exercising any of the rights, powers or remedies conferred upon it in respect of the Guarantor by this Guarantee or by law:

8.1.1 to take any legal proceedings or obtain judgment in any court against the Infraco or either of Bilfinger Subsidiary or Siemens Subsidiary; or

8.1.2 to make or file any claim or proof in a winding-up or dissolution of the Infraco or either of Bilfinger Subsidiary or Siemens Subsidiary.

8.2 Any judgment, award, agreement or determination of any amount due from the Infraco (or either of Bilfinger Subsidiary or Siemens Subsidiary) under the Infraco Contract shall be binding upon the Guarantor.

9. INTEREST

Any amount which is not paid under this Guarantee when due in accordance with a demand served under Clause 3 shall carry interest at the rate of interest applicable to overdue amounts under the Infraco Contract from the due date, which is 2% p.a. above the prevailing published base rate of The Royal Bank of Scotland plc. For avoidance of doubt interest shall not be paid

by the Guarantor under this Guarantee for any period during which interest is continuing to accrue under the Infraco Contract.

10. TAXES

All payments in respect of the obligations of the Guarantor under this Guarantee shall be made free and clear of, and without withholding or deduction for, any taxes, duties, assessments or governmental charges of whatsoever nature imposed, levied, collected or assessed by the United Kingdom or the Federal Republic of Germany, or any Land, political or administrative subdivision or any authority thereof having power to tax, save where such withholding or deduction is required by law. In that event, the Guarantor shall pay such additional amounts as will result in the receipt by **tie** of such amount as would have been received by **tie** if no such withholding or deduction had been required.

11. NO SECURITY

The Guarantor shall not hold any security from the Bilfinger Subsidiary in respect of this Guarantee and any such security which is held in breach of this provision shall be held by the Guarantor in trust for and shall be promptly transferred to **tie**.

12. DEFERRAL OF RIGHTS

12.1 The Guarantor agrees that, so long as any amounts are owed by the Infraco (or either of Bilfinger Subsidiary or Siemens Subsidiary) to **tie** under or pursuant to the Infraco Contract, or any amounts are owed, or have been paid, to **tie** by the Guarantor under this Guarantee, the Guarantor shall not exercise any rights which it may at any time have by reason of performance by it of its obligations under this Guarantee:

12.1.1 to effect or seek to effect any recovery from the Infraco (or either of Bilfinger Subsidiary or Siemens Subsidiary) in respect of any payment made or liability arising pursuant to this Guarantee, whether by receipt of money or set-off or enforcement of security or otherwise;

12.1.2 to claim any contribution from any other guarantor of the obligations of the Infraco (or either of Bilfinger Subsidiary or Siemens Subsidiary) under the Infraco Contract;

12.1.3 to take (in whole or in part and whether by way of subrogation or otherwise) any rights of **tie**;

12.1.4 to claim in the insolvency, administration, winding-up, bankruptcy or liquidation of the Infraco (or either of Bilfinger Subsidiary or Siemens Subsidiary) in competition with **tie**; and/or

12.1.5 subject to Clause 3.3, to require **tie** to make a claim against the Infraco (or either of Bilfinger Subsidiary or Siemens Subsidiary).

Provided that in the case of Clauses 12.1.1 and 12.1.2 if the Guarantor has made any payment to **tie** pursuant to this Guarantee Agreement, the Guarantor shall be entitled to seek recovery or contribution of such payment (after giving notice to **tie**) on the conditions that such action shall not in any way adversely affect the Infraco's ability (or the Bilfinger Subsidiary's) to perform and discharge its obligations pursuant to the Infraco Contract for its duration.

12.2 The Guarantor shall hold in trust for **tie** any payment or other benefit received by the Guarantor contrary to the provision of this Clause 12. Such sums shall be used to settle any amounts owing to **tie** and any surplus shall be released to the Guarantor.

13. NOTICES

13.1 Any notice to or demand on the Guarantor to be served under this Guarantee shall be in writing and may be delivered in person or sent by recorded delivery post to the Guarantor at its address appearing in this Guarantee or at such other address as it may have notified to **tie** in accordance with this Clause 13.

13.2 Any such notice or demand shall be deemed to have been served on the Guarantor:

(i) if delivered in person, at the time of delivery; or

(ii) if posted, upon the date recorded for receipt.

(iii) The Guarantor hereby appoints Pinsent Masons LLP MNP, of 18-22 Melville Street, Edinburgh, EH3 7NS, as their agent for service of legal process in Scotland.

14. WAIVER

14.1 No delay or omission of **tie** in exercising any right, power or privilege under this Guarantee shall impair or be construed as a waiver of such right power or privilege nor shall any single or partial exercise of any such right, power or privilege preclude any further exercise of such right, power or privilege or the exercise of any other right, power or privilege.

14.2 A waiver given or consent granted by **tie** under this Guarantee shall be effective only if given in writing and then only in the instance and for the purpose for which it is given.

15. PARTIAL INVALIDITY

The invalidity, illegality or unenforceability in whole or in part of any of the provisions of this Guarantee shall not affect the validity, legality and enforceability of the remaining part or provisions of this Guarantee.

16. DISPUTE RESOLUTION AND GOVERNING LAW

This Guarantee shall be governed by and construed in accordance with the Laws of Scotland and the Parties hereby agree to submit to the exclusive jurisdiction of the Court of Session over any claim arising out of this Guarantee.

17. EXCLUSION OF THIRD PARTY RIGHTS

Subject to any assignation pursuant to clause 6 a person not party to this Guarantee shall have no rights to enforce or rely upon any term of this Guarantee and no *jus quaesitum tertio* is hereby created in favour of any party.

18. PAYMENTS

18.1 All payments to be made by the Guarantor in respect of this Guarantee must be made:

18.1.1 in immediately available electronically transferable funds (with no handling charge, commission or exchange rate conversion fee deducted) to the credit of such bank account as **tie** may designate; and

18.1.2 in pounds sterling or such other currency as **tie** nominates.

SCHEDULE 1

DEMAND LETTER

[Date]

[Guarantor's name]
[Guarantor's address]
Attention: Authorised and responsible representative

EDINBURGH TRAM NETWORK

Dear Sirs,

We refer to the Guarantee Agreement dated [◆] 2008 between us and to the contract (the "**Infraco Contract**") dated [◆] 2008 between us and your subsidiary Bilfinger Berger UK Limited.

1. This letter is our formal demand for the payment of £[◆] pursuant to Clause 2.2. of the Guarantee Agreement, which amount is due and payable by your subsidiary Bilfinger Berger UK Limited and has not been paid. Please make payment to: **tie** Limited, [bank account number and details] as provided under Clause 18 of the Guarantee Agreement.

AND/OR

2. This letter is our formal demand that you perform and discharge [*describe relevant obligations*] the obligations, warranties, duties and undertakings of your subsidiary Bilfinger Berger UK Limited as required pursuant to Clause 2.1 of the Guarantee Agreement which your subsidiary, in breach of the Infraco Contract, has failed to perform and discharge. Please confirm by return the mobilisation arrangements you are making and the timetable for their deployment in Edinburgh and generally.

We confirm that we have made formal demand in writing on Siemens plc and that we have also made formal demand on Siemens Aktiengesellschaft in relation to this matter.

Yours faithfully,

tie LIMITED

tie LIMITED	**BILFINGER BERGER AG**

Addendum to form of Parent Company Guarantee between BILFINGER BERGER AKTIENGESELLSCHAFT and TIE LIMITED

The Parties agree that the following clause 1.4 shall be inserted into the final Parent Company Guarantee to be executed:

1.4 The Guarantor hereby acknowledges that Bilfinger Subsidiary (i) has entered into an agreement with the Siemens Subsidiary and Construcciones Y Auxiliar de Ferrocarriles S.A. ("**CAF**") whereby CAF has joined the Infraco and (ii) will enter into an agreement (the "**Minute of Variation**") with Siemens plc, **tie** and CAF whereby CAF will become party to the Infraco Contract with joint and several responsibility towards **tie**. The Guarantor and **tie** agree, without reservation, that neither the entry of CAF into the Infraco (and any future variation to the terms of such entry) nor any act or omission by CAF nor the Minute of Variation shall have any effect upon the obligations and liabilities of the Guarantor and the rights and entitlements of **tie** Limited pursuant to this Guarantee.

PART E

(1) BILFINGER BERGER UK LIMITED AND SIEMENS PLC (TOGETHER THE "INFRACO")

- and -

(2) [*THIRD PARTY BENEFICIARY*]

COLLATERAL WARRANTY IN FAVOUR OF [*THIRD PARTY BENEFICIARY*] FROM INFRACO

relating to

THE PROVISION OF THE INFRACO WORKS FOR THE EDINBURGH TRAM NETWORK

AGREEMENT

BETWEEN

(1) **BILFINGER BERGER UK LIMITED**, a company incorporated in England and Wales under number 02418086 and having its registered office at 150 Aldersgate Street, London, EC1A 4EJ, which expression shall include its successors, permitted assignees and transferees and **SIEMENS PLC**, a company incorporated in England and Wales under number 00727817 and having its registered office at Faraday House, Sir William Siemens House, Frimley, Camberley, Surrey, GU16 8QD, which expression shall include its successors, permitted assignees and transferees,

together (the "**Infraco**" and separately an "**Infraco Member**"); and

(2) **[*THIRD PARTY BENEFICIARY*]** (company number **[◆]**) whose registered office is at **[◆]** [("**Beneficiary**") which expression shall include its successors and permitted assignees;

BACKGROUND

A By an agreement in writing dated **[◆]** (the "**Infraco Contract**"), **tie** Limited, a company incorporated in Scotland under number SC230949 and having its registered office at City Chambers, High Street, Edinburgh, EH1 1YJ, ("**tie**") appointed the Infraco to provide the Infraco Works (as hereinafter defined) in connection with the Edinburgh Tram Network.

B It is a term of the Infraco Contract that the Infraco Members shall enter into this Agreement with the Beneficiary.

IT IS AGREED as follows:

1. **DEFINITIONS AND INTERPRETATION**

In this Agreement:

1.1 the following words and expressions have the following meanings, unless the context requires otherwise:

"**Agreement**" means this document (as amended from time to time pursuant to clause 11);

"**Deliverables**" means all documents, information, reports, diagrams, records, method statements, risk assessments, manuals, schedules, databases, photographs, formulae, plans, designs, specifications, drawings (including as-built drawings), details, calculations, analysis, operation and maintenance manuals, software, data, data

configuration designs, tools and details, software protocols, source and object codes, transport and other models and simulations, the outputs and reports based on any models, programmes and all other material created and/or provided by the Infraco (and/or any Infraco Party or any other third party) in relation to the Infraco Works, required to deliver the Infraco Works;

"**Edinburgh Tram Network**" means the tramway which is to be designed, constructed and maintained in Edinburgh pursuant to the Infraco Contract with respect to Phase 1a (forming part of Line One and Line Two as described in the Tram Legislation) and, if the Phase 1b option set out in Clause 85 of the Infraco Contract is exercised, Phase 1b, together with all associated works and facilities required pursuant to the Infraco Contract including all civil engineering and track works, Trams, infrastructure, plant, machinery and equipment installed or used for such tramway;

"**Good Industry Practice**" means using standards, practices, methods and procedures conforming to Law and exercising that degree of skill, care, diligence, prudence and foresight that would reasonably be expected from a large, reputable, professionally qualified, competent and skilled organisation experienced in carrying out activities of a similar nature, scope and complexity to those comprised in the Infraco Works, and seeking in good faith to comply with its contractual obligations and all duties owed by it;

"**Infraco IPR**" means:

(a) all Intellectual Property Rights in the Deliverables (including Intellectual Property Rights in relation to the Infraco Software) which were already existing and owned by, or licensed to, the Infraco and/or the Infraco Parties prior to the Effective Date;

(b) any modifications or developments of any of the Intellectual Property Rights referred to in paragraph (a) above which are generic in nature and not specific to the carry out of the Infraco Works; and

(c) all Intellectual Property Rights in tram signalling systems, communications systems, SCADA systems and system integration programmes, methodologies or software.

"**Infraco Works**" means the works and services to be undertaken by the Infraco under the Infraco Contract to design, construct, test, commission and maintain Phase 1a and, if instructed, Phase 1b and the Phase 1b Works;

"**Intellectual Property Rights**" means any rights in or to any patent, design right, utility model, trade mark, brand name, service mark, trade name, business name, logo, invention (whether registered or unregistered), domain name, semi-conductor right, topography right, software designs and/or other materials, source code, copyright, moral right, know-how, or rights in databases and any other rights in respect of any industrial or intellectual property, whether capable of being registered or not, including all rights to apply for any of the foregoing rights or for an extension, revival or renewal of any of the foregoing rights and any similar or analogous rights to any of the above, whether arising or granted under the law of Scotland or of any other jurisdiction;

"**Law**" means:

(a) any Act or instruments of the Scottish Parliament or the United Kingdom Parliament or subordinate legislation within the meaning of section 21(1) of the Interpretation Act 1978, any exercise of the Royal Prerogative, and any enforceable community right within the meaning of section 2 of the European Communities Act 1972, and any bye-laws of any local or other statutory authority;

(b) any applicable guidance, policy, direction or determination issued by any regulatory body with which the Infraco and/or the Infraco Parties are bound to comply; and

(c) any applicable judgment of a relevant court of law which is a binding precedent,

in each case in force in Scotland;

"**Liability Cap**" means the liabilities and respective durations for such liabilities pursuant for such liabilities pursuant to the Infraco Contract and set out in Annex A to this Agreement;

"**Party**" means each and any of the parties to this Agreement and Parties shall be construed accordingly;

"**Phase 1a**" means Edinburgh Airport to Newhaven (inclusive), together with the Depot at Gogar and the spur at Roseburn Junction;

"**Phase 1b**" means Roseburn to Granton Square (inclusive);

"**Project IPR**" means any Intellectual Property Rights arising out of, used in or created to implement the Infraco Works and to produce Deliverables (including the Specially Written Software, any asset management system and/or Works programming system) and for the extension of the Edinburgh Tram Network in accordance with the Infraco Contract but excluding any Infraco IPR contained in the Deliverables;

"**Trams**" means all or any of the tram vehicles for the Edinburgh Tram Network to be provided under the Tram Supply Agreement and maintained under the Tram Maintenance Agreement; and

"**Tram Legislation**" means the Edinburgh Tram (Line One) Act 2006 and the Edinburgh Tram (Line Two) Act 2006, and such other legislation relative to the Edinburgh Tram Network as may be enacted from time to time; and

1.2 unless the context requires otherwise:

1.2.1 words importing:

1.2.1.1 the singular include the plural and vice versa; and

1.2.1.2 one gender include all other genders.

1.2.2 a reference to:

1.2.2.1 persons includes firms, companies, corporations, partnerships, trusts, authorities and other incorporated and/or unincorporated bodies; and

1.2.2.2 a clause is a reference to a clause in this Agreement.

1.3 The list of contents and clause headings in this Agreement are included for convenience only and do not affect its interpretation.

1.4 Where a party comprises two or more persons:

1.4.1 any obligations on the part of that party contained or implied in this agreement are deemed to be joint and several obligations on the part of those persons; and

1.4.2 references to that party shall include references to each and any of those persons.

1.5 Any capitalised terms not defined above shall have the meaning accorded to them pursuant to the Infraco Contract.

2. STANDARD OF CARE

2.1 The Infraco warrants and undertakes to the Beneficiary that it has carried out and shall carry out the Infraco Works and its other duties and obligations under the Infraco Contract including in relation to Phase 1b, if so instructed, subject to and in accordance with the terms thereof.

2.2 In addition to and without derogation from clause 2.1, the Infraco warrants to the Beneficiary that:

2.2.1 in the performance of the Infraco Works and its other obligations under the Infraco Contract it shall exercise a reasonable level of professional skill, care and diligence to be expected of a properly qualified and competent contractor experienced in carrying out works and services similar to the Infraco Works in connection with projects of a similar type, nature and complexity;

2.2.2 any design produced by Infraco will ensure compliance with the Employer's Requirements and Infraco Proposals; and

2.2.3 any design produced by the Infraco will fully comply with Law.

2.3 The Infraco shall owe a duty of care to the Beneficiary in carrying out its duties and obligations under the Infraco Contract.

3. MATERIALS

3.1 The Infraco warrants to the Beneficiary that it has not and shall not specify for use or use in relation to the Infraco Works any materials which at the time of use or specification (as the case may be):

3.1.1 are known to be deleterious in the particular circumstances in which they are specified to be used (either to health and safety or to the durability of the Infraco Works); or

3.1.2 contravene any relevant standard or code of practice issued from time to time by the BSI Group or under a European directive relating to standards; or

3.1.3 do not accord with the guidelines contained in the edition of the publication "Good Practice in Selection of Construction Materials" (Ove Arup & Partners) current at the date of specification of use; or

3.1.4 contravene Good Industry Practice.

4. COPYRIGHT LICENCE

4.1 The Beneficiary and the Infraco acknowledge that under the terms of the Infraco Contract, the Infraco has assigned to **tie**, with full title guarantee the Project IPR which is created by the Infraco and used by it to carry out its obligations under the Infraco Contract.

4.2 The Beneficiary and the Infraco acknowledge that under the terms of the Infraco Contract the Infraco has granted to **tie** a non-exclusive perpetual irrevocable royalty free licence to use such Infraco IPR which is contained in the Deliverables as may be necessary for **tie** to use in relation to the Infraco Works and the Maintenance Services and any extension of the Edinburgh Tram Network and undertakes to procure for **tie** a licence on the same terms as above in respect of any Project IPR created by the Infraco Parties.

4.3 The Beneficiary and the Infraco acknowledge that under the terms of the Infraco Contract the Infraco grants to **tie**, with the prior written consent of the Infraco such consent not to be unreasonably withheld, the right to grant non-exclusive non-assignable sub-licences to third parties for such periods of time as **tie** may reasonably require and otherwise on the same terms as the licence granted to **tie** as described in clause 4.2 above, to use the Infraco IPR referred to in clause 4.2 (other than in relation to Third Party Software and commercially available software which is subject to the provisions of clause 102.9 of the Infraco Contract) in so far as is necessary or desirable for such third party to use such Infraco IPR in relation to the Infraco Works for the Edinburgh Tram Network, the Maintenance Services and any extension of the Edinburgh Tram Network. The Infraco hereby consents to the grant of such non-

exclusive non-assignable sub-licence by **tie** to the Beneficiary if **tie** so requires for the period of time as **tie** may reasonable require.

4.4 The Infraco shall, if so requested at any time, execute such documents and perform such acts as may be required fully and effectively to assure to the Beneficiary the rights referred to in this clause 4.

4.5 The Infraco shall provide to the Beneficiary (at the Beneficiary's cost) a copy of any of the Deliverables as soon as reasonably practicable after receipt by the Infraco of a written request from the Beneficiary to do so.

5. REQUIRED INSURANCES

5.1 The Infraco undertakes that:

5.1.1 cover under the Required Insurances (and the Additional Insurances, if any) is extended to include the Infraco's liabilities under this Agreement, to the extent that the Infraco is obliged to maintain such insurances under the Infraco Contract;

5.1.2 this Agreement has been disclosed to the Infraco's current insurers or brokers (as the case may be) and shall be disclosed to any future insurers or brokers providing the insurance required by this Agreement; and

5.1.3 the Infraco shall abide by the terms and conditions of the Required Insurances and the OCIP Insurances and shall use all reasonable endeavours not to do or omit to do anything that might prejudice the respective cover or rights to make a claim.

5.2 As and when reasonably required by the Beneficiary, the Infraco shall produce for inspection documentary evidence that such insurance is being properly maintained.

5.3 If the insurer makes or attempts to make any material alteration or purports to withdraw the Infraco's cover under the Required Insurances or the Additional Insurances (if any), or if the Infraco is unable to obtain insurance, the Infraco shall promptly give notice of this to the Beneficiary.

6. ASSIGNATION

6.1 Except as provided in clause 6.2 neither Infraco Member shall assign, novate or otherwise transfer the whole or any part of this Agreement without the prior written

agreement of the Beneficiary, such agreement not to be unreasonably withheld or delayed in the case that such assignation is to a subsidiary or associated company.

6.2 Subject to notice being served on **tie** and the Beneficiary, the Infraco shall be entitled to assign, novate or otherwise transfer the whole of this Agreement to any person who the Infraco assigns, novates or otherwise transfers (in whole) its duties and obligations under the Infraco Contract without the prior written agreement of the Beneficiary.

6.3 Subject to notice being served on the Infraco and on **tie**, the Beneficiary shall be entitled to assign, novate or otherwise transfer the whole or any part of this Agreement:

6.3.1 without the consent of the Infraco to any person provided that no more than two such assignations will be permitted. Any assignations by the Beneficiary to a subsidiary or associated company of the Beneficiary or a member of the same group of companies will not count as an assignation;

6.3.2 with the prior written consent of the Infraco (such consent not to be unreasonably withheld or delayed).

6.4 The Infraco undertakes to the Beneficiary not to contend in any court proceedings under this Agreement that any person to whom the Beneficiary assigns or has assigned its rights under this Agreement or any of them in accordance with the foregoing provisions of this clause 6 (*Assignation*) is to be precluded from recovering any loss resulting from any breach of this Agreement (whenever happening) by reason that such person is an assignee and not the original contracting party under this Agreement or by reason that the Beneficiary is named under this Agreement or any intermediate assignee of the Beneficiary escaped loss resulting from such breach by reason of the disposal of its interest in the same.

7. LIABILITY OF INFRACO

7.1 No provision of this Agreement is intended to exclude any obligation or liability which would otherwise be implied whether by the law of contract, delict or otherwise.

7.2 The responsibility of the Infraco under this Agreement is not to be reduced or in any way released or limited by any enquiry or inspection by or on behalf of any person notwithstanding that such enquiry or inspection may give rise to a claim by the Beneficiary against a third party.

7.3 The rights and benefits conferred upon the Beneficiary by this Agreement are in addition to any other rights and remedies that the Beneficiary may have against the Infraco including (without prejudice to the generality of the foregoing) any remedies in delict.

7.4 Subject to the other provisions of this Agreement, the liability of the Infraco to the Beneficiary is to be determined in all respects in accordance with the terms of the Infraco Contract and, in the event of any claim by the Beneficiary under this Agreement, the Infraco shall be entitled to rely upon any defence, right, limitation or exclusion under the Infraco Contract as though the Beneficiary were named as **tie** under it, except that:

7.4.1 the Beneficiary shall not be affected by any subsequent variation of the Infraco Contract which would adversely affect the obligations owed by the Infraco or the waiver, compromise or withdrawal of any claim made by **tie**; and

7.4.2 the Infraco shall not be entitled to exercise any right of set-off, retention or withholding against the Beneficiary to which the Infraco may be entitled against **tie**.

7.5 The Infraco shall not be liable to the Beneficiary for any delay in completing the Infraco Works.

7.6 Without prejudice to clause 7.4:

7.6.1 the Beneficiary acknowledges and agrees that the Infraco shall have no liability to the Beneficiary under this Agreement to the extent that such liability would result in the total aggregate liability of the Infraco in connection with the Edinburgh Tram Network exceeding the relevant Liability Cap; and

7.6.2 the Infraco shall have no liability to the Beneficiary under this Agreement following expiry of the period of 12 years from the earlier to occur of the date of issue of the Reliability Certificate and the date of termination of the Infraco Contract.

8. **NOTICES**

8.1 Any notice required to be given under this Agreement is to be hand delivered or sent by prepaid registered or recorded delivery post to the party concerned at its address set out in this Agreement or to such other addresses as may be notified by such party for the purposes of this clause.

8.2 Any notice given pursuant to this clause, if sent by special or recorded delivery, is deemed to have been received on proof of delivery.

9. **RIGHTS OF THIRD PARTIES**

9.1 A person who is not a party to this Agreement shall have no right to enforce any term of this Agreement.

10. **INVALID TERMS**

10.1 If any term of this Agreement shall be held to any extent to be invalid, unlawful or unenforceable:

10.1.1 that term shall to that extent be deemed not to form part of this Agreement; and

10.1.2 the validity and enforceability of the remainder of this Agreement shall not be affected.

11. **VARIATIONS AND WAIVERS TO BE IN WRITING**

11.1 No variation, alteration or waiver of any of the provisions of this Agreement shall be effective unless it is in writing and signed by or on behalf of the Party against which the enforcement of such variation, alteration or waiver is sought.

12. **WAIVER**

12.1 Save where expressly stated, no failure or delay by either Party to exercise any right or remedy in connection with this Agreement shall operate as a waiver of it or of any other right or remedy nor shall any single or partial exercise preclude any further exercise of the same, or of some other right or remedy. A waiver of any breach of this Agreement shall not be deemed to be a waiver of any subsequent breach.

12.2 The Parties' rights and remedies under this Agreement are, except where provided otherwise in this Agreement, independent, cumulative and do not operate to exclude one another or any rights or remedies provided by law.

13. JURISDICTION AND LAW

13.1 This Agreement is governed by and is to be construed according to Scots law and the Scottish courts shall have jurisdiction in relation to all matters arising under it.

ANNEX A

"**Liability Cap**" means:

(i) Subject always to subparagraphs (ii) to (iv) below, in relation to:

(a) any claim brought or liability incurred by **tie** or the Indemnified Parties prior to the issue of the Reliability Certificate or within 6 months of the issue of the Reliability Certificate arising from or in connection with Infraco Works (other than Infrastructure Maintenance Services after the Service Commencement Date) carried out prior to the issue of the Reliability Certificate;

(b) latent defects and uncorrected Patent Defects;

(c) any third party claim made against **tie** or the Indemnified Parties for direct loss or damage made after the issue of the Reliability Certificate and arising from or in connection with latent defects;

(d) liabilities owed by the Infraco connected with liquidated damages outstanding from settlement of final account after Service Commencement;

twenty percent (20%) of the Construction Works Price (including, the value of any **tie** Changes arising from Clause 80 (***tie*** *Changes*), Notified Departures, extensions to the Edinburgh Tram Network instructed through Clause 81 (*Infraco Changes*), Clause 85 (*Phase 1b*) or Clause 86 (*Network Expansions*) (the "**Construction Cap**"), subject to (A) in the case of any liability arising solely from the breach of contract or negligent acts or omissions of the SDS Provider, the SDS Liability Cap; and (B) in the case of any liability arising under (c) above, nine million pounds (£9,000,000);

(ii) subject to sub-paragraphs (iii) and (iv), in respect of claims brought against or liabilities incurred by **tie** or the Indemnified Parties to which paragraph (i) above does not apply, an amount of three million, five hundred thousand pounds (£3,5000,000) (in relation to Phase 1a), or the Maintenance Cap, whichever is lower;

(iii) In relation to liability arising solely from any act or omission of the Tram Supplier, an amount when aggregated with all previous claims equal to twenty percent (20%) of the Aggregate Tram Price and (excluding the proceeds of all insurance, bonds and cash securities) as defined in the Tram Supply Agreement, such liability to be treated as outside the Construction Cap;

(iv) In relation to liability arising from any act or omission of the Tram Maintainer, an aggregate amount of eighteen and one half percent (18.5%) of the aggregate Maximum Performance Payment over the Term of and as defined in the Tram Maintenance Agreement and annually twenty two and one half percent (22.5%) of the aggregate Maximum Performance Payment as defined in the Tram Maintenance Agreement of the Tram Maintenance Services, (in the case of the aggregate cap only excluding the proceeds of any insurance, bonds and cash securities) such liability to be treated as outside the Maintenance Cap;

COLLATERAL WARRANTY IN FAVOUR OF [[tie LIMITED] or [*OTHER THIRD PARTY BENEFICIARY*] FROM [SUB-CONTRACTOR]

relating to
THE INFRACO CONTRACT

AGREEMENT

BETWEEN

(1) **[*SUB-CONTRACTOR*]** [(company number [◆]) whose registered office is at [◆]] *OR* [carrying on business together in partnership under the name of [◆] at [◆]] ("**Sub-Contractor**")];

(2) **[tie LIMITED** (Company Number SC230949) whose registered office is at City Chambers, High Street, Edinburgh, Midlothian, EH1 1YJ**]** OR **[Other third party beneficiary** (company number ◆)**]** whose registered office is at **[◆]** ***OR*** [carrying on business together in partnership under the name of **[◆]** at **[◆]** [("**Beneficiary**") which expression shall include its successors and permitted assignees;

(3) **BILFINGER BERGER UK LIMITED**, a company incorporated in England and Wales under number 02418086 and having its registered office at 150 Aldersgate Street, London, EC1A 4EJ, which expression shall include its successors, permitted assignees and transferees; and

(4) **SIEMENS PLC**, a company incorporated in England and Wales under number 00727817 and having its registered office at Faraday House, Sir William Siemens House, Frimley, Camberley, Surrey, GU16 8QD, which expression shall include its successors, permitted assignees and transferees,

(Bilfinger Berger UK Limited and Siemens plc together the "**Infraco**" and separately an "**Infraco Member**").

BACKGROUND

A By an agreement in writing dated **[◆]** (the "**Infraco Contract**"), [**tie** Limited, a company incorporated in Scotland under number SC230949 and having its registered office at City Chambers, High Street, Edinburgh, EH1 1YJ, ("**tie**")] [the Beneficiary] appointed the Infraco to provide certain works and services to design, construct, test, commission and maintain the Edinburgh Tram Network.

B It is a term of the Infraco Contract that the Infraco shall procure that the Sub-Contractor enter into this Agreement with the Beneficiary.

C The Sub-Contractor has been appointed by the Infraco as [◆] in terms of the Sub-Contract (as hereinafter defined).

D It is a term of the Sub-Contract or has otherwise been agreed that the Sub-Contractor enters into this Agreement with the Beneficiary in relation to the Sub-Contract Works.

IT IS AGREED as follows:

1. DEFINITIONS AND INTERPRETATION

In this Agreement:

1.1 the following words and expressions have the following meanings, unless the context requires otherwise:

"**Agreement**" means this document (as amended from time to time pursuant to clause 13);

"**Edinburgh Tram Network**" means the tramway which is to be designed, constructed and maintained in Edinburgh pursuant to the Infraco Contract in Phase 1a (forming part of Line One and Line Two as described in the Tram Legislation) [and, if the Phase 1b option set out in Clause 85 of the Infraco Contract is exercised, Phase 1b,] together with all associated works and facilities required pursuant to the Infraco Contract including all civil engineering and track works, Trams, infrastructure, plant, machinery and equipment installed or used for such tramway;

"**Good Industry Practice**" means using standards, practices, methods and procedures conforming to Law and exercising that degree of skill, care, diligence, prudence and foresight that would reasonably be expected from a large, reputable, professionally qualified, competent and skilled organisation experienced in carrying out activities of a similar nature, scope and complexity to those comprised in the Sub-Contract Works, and seeking in good faith to comply with its contractual obligations and all duties owed by it;

"**Insurance Period**" means the period of 12 years from the date of issue of the last certificate of substantial completion in respect of the Sub-Contract Works, as established pursuant to and for the purposes of the Sub-Contract (or, if sooner, 12 years after termination of the employment of the Sub-Contractor under the Sub-Contract);

"**Intellectual Property Rights**" means any rights in or to any patent, design right, utility model, trade mark, brand name, service mark, trade name, business name, logo, invention (whether registered or unregistered), domain name, semi-conductor right, topography right, software designs and/or other materials, source code, copyright, moral right, know-how, or rights in databases and any other rights in respect of any industrial or intellectual property, whether capable of being registered or not, including all rights to apply for any of the foregoing rights or for an extension, revival

or renewal of any of the foregoing rights and any similar or analogous rights to any of the above, whether arising or granted under the law of Scotland or of any other jurisdiction;

"**Law**" means:

(a) any Act or instruments of the Scottish Parliament or the United Kingdom Parliament or subordinate legislation within the meaning of section 21(1) of the Interpretation Act 1978, any exercise of the Royal Prerogative, and any enforceable community right within the meaning of section 2 of the European Communities Act 1972 and any bye-laws of any local or other statutory authority;

(b) any applicable guidance, policy, direction or determination issued by any regulatory body with which the Infraco and/or the Sub-Contractor is bound to comply; and

(c) any applicable judgment of a relevant court of law which is a binding precedent,

in each case in force in Scotland;

"**Party**" means each and any of the parties to this Agreement and Parties shall be construed accordingly;

"**Sub-Contract**" means the sub-contract dated [◆] made between the Infraco and the Sub-Contractor;

"**Sub-Contract Works**" means the works and services to be undertaken by the Sub-Contractor under the Sub-Contract;

"**Sub-Contractor Deliverables**" means all documents, information, reports, diagrams, records, method statements, risk assessments, manuals, schedules, databases, photographs, formulae, plans, designs, specifications, drawings (including as-built drawings), details, calculations, analysis, operation and maintenance manuals, software, data, data configuration designs, tools and details, software protocols, source and object codes, transport and other models and simulations, the outputs and reports based on any models, programmes and all other material created and/or provided by the Sub-Contractor (or any other third party) in relation to the Sub-Contract Works, required to deliver the Sub-Contract Works;

"**TEL**" means Transport Edinburgh Limited a company incorporated under the Companies Act with registered number SC269639 and having its registered office at 55 Annandale Street, Edinburgh, Midlothian, EH7 4AZ which shall include its successors in title and permitted assignees;

"**Trams**" means the tram vehicles to be provided for operation on the Edinburgh Tram Network;

"**Tram Legislation**" means the Edinburgh Tram (Line One) Act 2006, the Edinburgh Tram (Line Two) Act 2006 and such other legislation relative to the Edinburgh Tram Network as may be enacted from time to time; and

1.2 unless the context requires otherwise:

1.2.1 words importing:

1.2.1.1 the singular include the plural and vice versa; and

1.2.1.2 one gender include all other genders.

1.2.2 a reference to:

1.2.2.1 persons includes firms, companies, corporations, partnerships, trusts, authorities and other incorporated and/or unincorporated bodies; and

1.2.2.2 a clause is a reference to a clause in this Agreement.

1.3 The list of contents and clause headings in this Agreement are included for convenience only and do not affect its interpretation.

1.4 Where a party comprises two or more persons:

1.4.1 any obligations on the part of that party contained or implied in this agreement are deemed to be joint and several obligations on the part of those persons; and

1.4.2 references to that party shall include references to each and any of those persons.

2. STANDARD OF CARE

2.1 The Sub-Contractor warrants and undertakes to the Beneficiary that it has carried out and shall carry out the Sub-Contract Works and its other duties and obligations under the Sub-Contract subject to and in accordance with the terms thereof.

2.2 In addition to and without derogation from clause 2.1, the Sub-Contactor warrants to the Beneficiary that:

2.2.1 in the performance of the Sub-Contract Works and its other obligations under the Sub-Contract it shall exercise a reasonable level of professional skill, care and diligence to be expected of a properly qualified and competent contractor experienced in carrying out works and services similar to the Sub-Contract Works in connection with projects of a similar type, nature and complexity;

2.2.2 in respect of the design of the Sub-Contract Works under the Sub-Contract, the Sub-Contractor has exercised and shall continue to exercise all reasonable skill, care and diligence to be expected of a properly qualified and competent architect or other appropriate professional designer experienced in projects of similar scope, type, size, nature and complexity as the Edinburgh Tram Network; and

2.2.3 any design produced by the Sub-Contractor will fully comply with Law.

2.3 The Sub-Contractor shall owe a duty of care to the Beneficiary in carrying out its duties and obligations under the Sub-Contract.

3. MATERIALS

3.1 The Sub-Contractor warrants to the Beneficiary that it has not and shall not specify for use or use in relation to the Sub-Contract Works any materials which at the time of use or specification (as the case may be):

3.1.1 are known to be deleterious in the particular circumstances in which they are specified to be used (either to health and safety or to the durability of the Sub-Contract Works; or

3.1.2 contravene any relevant standard or code of practice issued from time to time by the BSI Group or under a European directive relating to standards; or

3.1.3 do not accord with the guidelines contained in the edition of the publication "Good Practice in Selection of Construction Materials" (Ove Arup & Partners) current at the date of specification or use; or

3.1.4 contravene Good Industry Practice.

4. COPYRIGHT LICENCE

4.1 The Sub-Contractor hereby grants to the Beneficiary an irrevocable, perpetual, royalty-free and non-exclusive licence to use such Intellectual Property Rights in the Sub-Contractor Deliverables as may be necessary for the Beneficiary to use in relation to the **[[**Edinburgh Tram Network**]** ***OR*** **[***Where beneficiary is not* ***tie*** *an appropriate use should be included***]** **[**and any extension of the Edinburgh Tram Network**]]**. This licence shall carry the right to grant non-exclusive, non-assignable sub-licences, for such periods of time as the Beneficiary may reasonably require and otherwise on the same terms as the license granted to the Beneficiary pursuant to this Clause 4.1 to use such Intellectual Property Rights in the Sub-Contractor Deliverables in so far as is necessary or desirable for such third party to use such Intellectual Property Rights in relation to the Sub-Contractor Deliverables for the **[[**Edinburgh Tram Network**]** ***OR*** **[***Where beneficiary is not* ***tie*** *an appropriate use should be included***]** **[**and any extension of the Edinburgh Tram Network**]]**.

4.2 In so far as ownership of the copyright and any other Intellectual Property Rights in any Sub-Contractor Deliverable prepared or provided by the Sub-Contractor in connection with the Edinburgh Tram Network is vested in any person other than the Sub-Contractor, the Sub-Contractor shall procure for the Beneficiary the benefit of such a licence as is referred to in clause 4.1 for the purposes referred to therein.

4.3 The Sub-Contractor shall, if so requested at any time, execute such documents and perform such acts as may be required fully and effectively to assure to the Beneficiary the rights referred to in this clause 4.

4.4 The Sub-Contractor shall provide to the Beneficiary (at the Beneficiary's cost) a copy of any of the Sub-Contractor Deliverables as soon as reasonably practicable after receipt by the Sub-Contractor of a written request from the Beneficiary to do so.

4.5 The Sub-Contractor undertakes to the Beneficiary that the use by the Beneficiary of any of the Sub-Contractor Deliverables for any purpose provided for in this clause 4 shall not infringe the rights of any third party in relation to the Sub-Contractor Deliverables.

4.6 The Sub-Contractor shall not be liable for any claim resulting from (i) any use by the Beneficiary (or its licensees) of any of the Sub-Contractor Deliverables for any

purpose other than the use provided for [under the Sub-Contract][under this Agreement] or (ii) any improper or negligent use by the Beneficiary.

5. REQUIRED INSURANCES

5.1 The Sub-Contractor undertakes that:

5.1.1 it has maintained and shall maintain during the performance of its obligations under the Sub-Contract and the Insurance Period each of the insurances as required in terms of the Sub-Contract;

5.1.2 cover under the professional indemnity insurance is extended to include the Sub-Contractor's liabilities under this Agreement;

5.1.3 this Agreement has been disclosed to the Sub-Contractor's current professional indemnity insurers or brokers (as the case may be) and shall be disclosed to any future professional indemnity insurers or brokers providing the insurance required by this Agreement; and

5.1.4 the Sub-Contractor shall abide by the terms and conditions of insurance and shall use all reasonable endeavours not to do or omit to do anything that might prejudice the cover or its right to make a claim.

5.2 As and when reasonably required by the Beneficiary, the Sub-Contractor shall produce for inspection documentary evidence that such insurance is being properly maintained.

5.3 If the insurer makes or attempts to make any material alteration or purports to withdraw the Sub-Contractor's professional indemnity cover, or if the Sub-Contractor is unable to obtain professional indemnity insurance, the Sub-Contractor shall promptly give notice of this to the Beneficiary.

6. STEP-IN [IN THE CASE OF TIE AND TEL]

6.1 The Sub-Contractor shall not exercise nor seek to exercise any right of determination of its employment under the Sub-Contract or to rescind the Sub-Contract or to discontinue the performance of any of the Sub-Contractor's obligations in relation to the Sub-Contract by reason of breach on the part of the Infraco (or otherwise) without giving to the Beneficiary not less than twenty one days' written notice of its intention to do so and specifying in such notice the grounds for the proposed determination.

The Sub-Contractor will for the period of any such notice diligently and properly continue to perform the Sub-Contractor's obligations under the Sub-Contract.

6.2 Any period stipulated in the Sub-Contract for the exercise by the Sub-Contractor of a right of determination will nevertheless be extended as may be necessary to take account of the period of notice required under clause 6.4.

6.3 Compliance by the Sub-Contractor with the provisions of clause 6.1 will not be treated as a waiver of any breach on the part of the Infraco giving rise to the right of determination nor otherwise prevent the Sub-Contractor from exercising its rights after the expiration of the notice unless the right of determination has ceased under the provisions of clause 6.4.

6.4 The right of the Sub-Contractor to determine its employment under the Sub-Contract or to rescind the Sub-Contract or to discontinue the performance of any of its obligations in relation to the Sub-Contract shall cease if within the period of twenty one days referred to in clause 6.1 the Beneficiary gives written notice to the Sub-Contractor:

6.4.1 requiring the Sub-Contractor to continue with the performance of all its obligations under the Sub-Contract;

6.4.2 acknowledging that the Beneficiary is assuming all the obligations of the Infraco under the Sub-Contract; and

6.4.3 undertaking to the Sub-Contractor to discharge all amounts payable to the Sub-Contractor under the terms of the Sub-Contract.

6.5 Upon compliance by the Beneficiary with the requirements of clause 6.4 the Sub-Contract will continue in full force and effect as if the right of determination on the part of the Sub-Contractor had not arisen and in all respects as if the Sub-Contract had been made between the Beneficiary and the Sub-Contractor to the exclusion of the Infraco.

6.6 Notwithstanding that as between the Infraco and the Sub-Contractor the Sub-Contractor's right of determination of its engagement under the Sub-Contract may not have arisen, or may have arisen and the Sub-Contractor has not exercised nor sought to exercise its right of determination, the provisions of clause 6.5 shall nevertheless apply if the Beneficiary gives written notice to the Sub-Contractor and the Infraco that

it will step-in to the Sub-Contract and comply with the requirements on its part under clauses 6.4.1, 6.4.2 and 6.4.3.

6.7 The Sub-Contractor does not need to be concerned or required to enquire whether, and will be bound to assume that, as between the Infraco and the Beneficiary, the circumstances have occurred permitting the Beneficiary to give notice under clause 6.6.

6.8 By acting in accordance with the provisions of this clause 6, the Sub-Contractor will not incur any liability to the Infraco.

6.9 Unless and until the Beneficiary has given notice under this clause 6:

6.9.1 the Beneficiary has no liability whatsoever to the Sub-Contractor in respect of amounts payable to the Sub-Contractor under the Sub-Contract; and

6.9.2 the Beneficiary has no authority to issue any direction or instruction to the Sub-Contractor in relation to the performance of the Sub-Contractor's duties under the Sub-Contract.

6.10 Without prejudice to the provisions of clauses 6.1 to 6.9 inclusive, if prior to the service of any notice under clause 6.4 the employment of the Sub-Contractor under the Sub-Contract is determined for any reason whatsoever the Sub-Contractor shall, if requested in writing so to do by the Beneficiary no later than 12 weeks after the date of such determination, forthwith enter into a new agreement with the Beneficiary in relation to the carrying out of the Sub-Contract Works on the same terms as the Sub-Contract, but with such revisions as the Beneficiary and the Sub-Contractor may reasonably require to reflect altered circumstances and the fact that it is the Beneficiary and not the Infraco employing the Sub-Contractor.

7. ASSIGNATION

7.1 The Sub-Contractor shall not assign, novate or otherwise transfer the whole or any part of the Agreement without the prior written agreement of the Beneficiary.

7.2 Subject to notice being served on the Sub-Contractor [and on **tie**]**,** the Beneficiary shall be entitled to assign, novate or otherwise transfer the whole or any part of this Agreement:

[[*Include where the Beneficiary is* ***tie*****]**

7.2.1 [to the Scottish Ministers, the City of Edinburgh Council or their statutory successors (enjoying full executive authority in their own right under public administrative law) in accordance with the Tram Legislation; or

7.2.2

7.2.2.1 to TEL;

7.2.2.2 or to any other person;

in accordance with the Tram Legislation, and whose obligations under this Agreement are in both cases irrevocably guaranteed (in a form reasonably acceptable to the Sub-Contractor acting reasonably) by CEC or the Scottish Ministers;

7.2.3 with the prior written consent of the Sub-Contractor (such consent not to be unreasonably withheld or delayed) to any person not covered by clauses 7.2.1 or 7.2.2.]

OR

[[*Include where the Beneficiary is an other third party***]**

7.2.1 without the consent of the Sub-Contractor to any person provided that no more than two such assignations will be permitted. Any assignations by the Beneficiary to a subsidiary or associated company of the Beneficiary or a member of the same group of companies will not count as an assignation;

7.2.2 with the prior written consent of the Sub-Contractor (such consent not to be unreasonably withheld or delayed).**]**

7.3 The Sub-Contractor undertakes to the Beneficiary not to contend in any court proceedings under this Agreement that any person to whom the Beneficiary assigns or has assigned its rights under this Agreement or any of them in accordance with the foregoing provisions of this clause is to be precluded from recovering any loss resulting from any breach of this Agreement (whenever happening) by reason that such person is an assignee and not the original contracting party under this Agreement or by reason that the Beneficiary is named under this Agreement or any intermediate assignee of the Beneficiary escaped loss resulting from such breach by reason of the disposal of its interest in the same.

8. LIABILITY OF THE SUB-CONTRACTOR

8.1 No provision of this Agreement is intended to exclude any obligation or liability which would otherwise be implied whether by the law of contract, delict or otherwise.

8.2 The responsibility of the Sub-Contractor under this Agreement is not to be reduced or in any way released or limited by any enquiry or inspection by or on behalf of any person notwithstanding that such enquiry or inspection may give rise to a claim by the Beneficiary against a third party.

8.3 The rights and benefits conferred upon the Beneficiary by this Agreement are in addition to any other rights and remedies that the Beneficiary may have against the Sub-Contractor including (without prejudice to the generality of the foregoing) any remedies in delict.

8.4 Subject to the other provisions of this Agreement, the liability of the Sub-Contractor to the Beneficiary is to be determined in all respects in accordance with the terms of the Sub-Contract and, in the event of any claim by the Beneficiary under this Agreement, the Sub-Contractor shall be entitled to rely upon any defence, right, limitation or exclusion under the Sub-Contract as though the Beneficiary were named as the Infraco under it, except that:

8.4.1 the Beneficiary shall not be affected by any subsequent variation of the Sub-Contract which would adversely affect the obligations owed by the Sub-Contractor or the waiver, compromise or withdrawal of any claim made by the Infraco; and

8.4.2 the Sub-Contractor shall not be entitled to exercise any right of set-off, retention or withholding against the Beneficiary to which the Sub-Contractor may be entitled against the Infraco.

8.5 The Sub-Contractor shall not be liable to the Beneficiary for any delay in completing the Sub-Contract Works.

8.6 Without prejudice to clause 8.4:

8.6.1 the Beneficiary acknowledges and agrees that the Sub-Contractor shall have no liability to the Beneficiary under this Agreement to the extent that such liability would result in the total aggregate liability of the Sub-Contractor in connection with the Edinburgh Tram Network exceeding any liability cap provided for pursuant to the Sub-Contract; and

8.6.2 the Sub-Contractor shall have no liability to the Beneficiary under this Agreement following expiry of the period of 12 years from the date of issue of the Reliability Certificate.

8.7 The Sub-Contractor shall owe no greater duties or obligations in time or in nature hereunder to the Beneficiary than it owes to the Infraco under the Sub-Contract.

9. CONSENT OF INFRACO

9.1 The Infraco consents to the terms of this Agreement.

10. NOTICES

10.1 Any notice required to be given under this Agreement is to be hand delivered or sent by prepaid registered or recorded delivery post to the party concerned at its address set out in this Agreement or to such other addresses as may be notified by such party for the purposes of this clause.

10.2 Any notice given pursuant to this clause, if sent by special or recorded delivery, is deemed to have been received on proof of delivery.

11. RIGHTS OF THIRD PARTIES

11.1 A person who is not a party to this Agreement shall have no right to enforce any term of this Agreement.

12. INVALID TERMS

12.1 If any term of this Agreement shall be held to any extent to be invalid, unlawful or unenforceable:

12.1.1 that term shall to that extent be deemed not to form part of this Agreement; and

12.1.2 the validity and enforceability of the remainder of this Agreement shall not be affected.

13. VARIATIONS AND WAIVERS TO BE IN WRITING

13.1 No variation, alteration or waiver of any of the provisions of this Agreement shall be effective unless it is in writing and signed by or on behalf of the Party against which the enforcement of such variation, alteration or waiver is sought.

14. WAIVER

14.1 Save where expressly stated, no failure or delay by either Party to exercise any right or remedy in connection with this Agreement shall operate as a waiver of it or of any other right or remedy nor shall any single or partial exercise preclude any further exercise of the same, or of some other right or remedy. A waiver of any breach of this Agreement shall not be deemed to be a waiver of any subsequent breach.

14.2 The Parties' rights and remedies under this Agreement are, except where provided otherwise in this Agreement, independent, cumulative and do not operate to exclude one another or any rights or remedies provided by law.

15. JURISDICTION AND LAW

15.1 This Agreement is governed by and is to be construed according to Scots law and the Scottish courts shall have jurisdiction in relation to all matters arising under it.

[[*Include where the Beneficiary is* ***tie*****]**

15.2 The Parties agree that any dispute in relation to this Agreement shall be conducted in accordance with clause [◆] (*Dispute Resolution Procedure*) of the Sub-Contract and the provisions of the said clause [◆] (*Dispute Resolution Procedure*) and Schedule [◆] (*Dispute Resolution Procedure*) and Schedule [◆] (*Panels for Dispute Resolution Procedure*) of the Sub-Contract are deemed to be incorporated mutatis mutandis in respect of this Agreement provided that any reference to "Parties" in the Sub-Contract shall be deemed to refer to the Beneficiary and the Sub-Contractor and the reference in the Sub-Contract to ["clause ◆ (*Notices*)"] shall mean clause 10 of this Agreement.

Attention: Stewart McGarrity, Finance Director

Performance Guarantee No: GTEE 08/0116 in relation to the Edinburgh Tram Network

An unincorporated joint venture comprising Bilfinger Berger UK Limited ("**BB Subsidiary**"), Siemens plc ("**Siemens Subsidiary**") and Constructiones y Auxiliary de Ferrocarriles S.A. ("**CAF**") (together the "**Infraco**" and individually each an "**Infraco Member**") intend to enter into a contract (with joint and several liability) with **tie** Limited, a company incorporated with registration number SC230949, with registered office at City Chambers, High Street, Edinburgh, Midlothian EH1 1YJ, ("**tie**") for the design, construction, testing, commissioning and maintenance of the Edinburgh Tram Network (the "**Infraco Contract**") . Pursuant to the terms of the Infraco Contract, Infraco agreed to procure for the benefit of **tie** a performance guarantee in the amount *£23,000,000.00* (TWENTY THREE MILLION Pounds Sterling) as security for Infraco's performance under the Infraco Contract.

AUSTRALIA AND NEW ZEALAND BANKING GROUP LIMITED (ABN 11 005 357 522) a company incorporated in the Commonwealth of Australia whose registered office is at Level 14, 100 Queen Street, Melbourne, Victoria 3000, Australia acting through its London branch at 40 Bank Street, Canary Wharf, London E14 5EJ (the "**Surety**") hereby issues the following performance guarantee (the "**Guarantee**") on behalf of Infraco for the benefit of **tie**.

The Surety hereby guarantees for the benefit of **tie** the payment of an amount up to the maximum total amount of *£23,000,00.00* (TWENTY THREE MILLION Pounds Sterling) (the "**Maximum Liability Amount**"), provided always that the Maximum Liability Amount shall be automatically reduced to the value shown in the following table upon presentation by Infraco of a copy of the below mentioned documents to the Surety and certified by **tie** (which the Surety may accept as conclusive evidence that such reduction is due) as Infraco fulfils its obligations under the Infraco Contract:

Event & Documentation	**Maximum Liability Amount**
Issuance of the Certificate of Service Commencement substantially in the form of Appendix B1	*£11,500,000*
Issuance of the Network Certificate substantially in the form of Appendix B2	*£9,200,000*
Issuance of the Reliability Certificate substantially in the form of Appendix B3	Nil

In accordance with the terms of this Guarantee, the Surety shall promptly (and in any event no later than five business days) following receipt of a demand or demands in writing from **tie** (the "**Demand Notice**") substantially in the form set out in Appendix A pay or discharge the amount demanded by **tie**, in available funds by electronic transfer to the account nominated in the Demand Notice, without inquiry and without any deductions whatsoever or any right of set-off, abatement or counterclaim.

Continued GTEE 08/0116 page 2 ...

A Demand Notice issued by **tie** to the Surety under this Guarantee shall be accompanied by a written statement which identifies Infraco's failure or default and shall attach a certified copy of **tie's** written notice to Infraco, pursuant to the Infraco Contract, notifying it of the relevant failure or default (the "**Default Notice**"). Such Demand Notice shall not be presented to Infraco earlier than the date which is 14 days following the date of the Default Notice.

Any Demand Notice shall be in writing signed by two authorised representatives of **tie** whose signatures shall be proof of authority of **tie**. Where this Guarantee has been assigned according to the terms of this Guarantee, the Demand Notice shall be signed by two authorised signatories of the new beneficiary, and shall be valid providing the assignment has been notified to the Surety in accordance with the below-mentioned procedure and shall be accompanied by written evidence confirming that the Infraco Contract has been assigned to such beneficiary in accordance with the terms of the Infraco Contract.

This Guarantee shall enter into force on the date hereof and shall immediately terminate on the occurrence of the earliest of any of the following events (a "**Termination Event**"):

1. demands totalling in aggregate the Maximum Liability Amount are paid under this Guarantee; or

2. this original Guarantee document is returned to the Surety accompanied by a covering note signed by **tie** confirming that it has been returned for cancellation; or

3. the 31/08/2013; or

4. upon presentation by Infraco to the Surety of a copy of the Reliability Certificate certified by **tie** which the Surety is entitled to accept as conclusive evidence of achievement of a Termination Event.

All obligations and liabilities of the Surety under this Guarantee shall immediately cease after the occurrence of a Termination Event. Any claim by **tie** shall be barred and unenforceable unless the written Demand Notice is received by the Surety prior to the occurrence of a Termination Event. Following the occurrence of a Termination Event **tie** shall immediately return to the Surety the original of this Guarantee, which shall be null and void whether returned to the Surety or not.

tie shall be entitled to assign this Guarantee only to the person to which the Infraco Contract has been assigned with prior notification to, but without the consent of (except of (iv) below), the Surety provided that such assignation shall be as permitted pursuant to the Infraco Contract, that is to say an assignation to any of (i) City of Edinburgh Council or Scottish Ministers (and the legal successors or assignees of each of these parties); (ii) Transport Edinburgh Limited; (iii) any party guaranteed by the City of Edinburgh Council or Scottish Ministers; and (iv) any party prior to such assignation approved in writing by Infraco. A notice of assignment of this Guarantee (in case of (iv) accompanied by a copy of the approval letter of Infraco) shall be provided by **tie** to the Surety promptly following such assignment which shall be conclusive evidence that such assignment has taken place.

The Surety's liability under this Guarantee shall not be affected or reduced by the insolvency of Infraco (or any Infraco Member) or the liquidation, receivership or other like temporary or permanent status of one or more of them.

A Demand Notice received from **tie** in accordance with the terms of this Guarantee shall be conclusive evidence of the Surety's liability to pay to **tie** and of the amount of the sum or sums which the Surety is liable to pay. Subject to a Demand Notice being made in accordance with the terms of this Guarantee, the Surety's obligation to make payment under this Guarantee shall be a primary, independent and absolute obligation and the Surety shall not be entitled to delay or withhold payment for any reason. The Surety's obligation hereunder shall not be affected by any

Continued on page 3

act, omission, matter or thing which, but for this provision, might operate to release or otherwise exonerate the Surety from the obligations hereunder in whole or in part, including without limitation and whether or not known to the Surety or to **tie**:

i. any time or waiver granted to **tie** or to Infraco;

ii. the taking, variation, compromise, renewal or release of or the refusal or neglect to perfect or to enforce any rights, remedies or securities against **tie** or Infraco,

iii. any legal limitation, disability or incapacity relating to **tie** or Infraco;

iv. any variation of or amendment to the Infraco Contract (or related documentation) or the works or services to be performed thereunder or any other document or security so that references to the Infraco Contract in this Guarantee shall include each such variation and amendment;

v. any unenforceability, invalidity or frustration of any rights or obligations of **tie** or Infraco under the Infraco Contract or any other document or security; and

vi. any other fact, circumstance regarding Infraco (or the Infraco Members), provision of statute or rule of law which might, were the Surety's liability to be secondary rather than primary, entitle the Surety to be released or discharged in whole or in part from the Surety's undertaking.

All notices and Demand Notices related to this Guarantee shall be sent by registered mail and be addressed to Australia and New Zealand Banking Group Limited, 40 Bank Street, Canary Wharf, London, E14 5EJ.

This Guarantee may only be amended, modified or supplemented by an instrument in writing signed for and on behalf of the Surety.

This Guarantee shall be construed and interpreted according to the Laws of Scotland and shall be subject to the exclusive jurisdiction of the Scottish Courts. The Surety confirms that it will not raise any defence of inconvenient forum in proceedings brought in the Scottish Courts.

THE SURETY HEREBY DECLARES

In consideration of **tie** accepting the Surety's obligations set out in this Retention Bond in discharge of the Infraco's undertaking to provide a retention bond pursuant to the Infraco Contract and subject to the provisions of this Retention Bond, the Surety hereby irrevocably agrees and undertakes to pay to **tie** an sum not exceeding a total aggregate value of £2,000,000 (Two Million Pounds Sterling) ("**Bonded Amount**") and the Surety accordingly covenants with **tie** and agrees as follows:

1. The Surety hereby covenants with **tie** that promptly, and in any event no later than five business days, following receipt by the Surety of a notice in writing from **tie** substantially in the form set out in Appendix 1 ("**Demand Notice**") that the Infraco has failed to perform or observe any of its duties and/or obligations arising under or in connection with the Infraco Contract and/or has committed a breach of any provision and/or has failed to fulfil any warranty or indemnity set out in the Infraco Contract and/or has failed to satisfy any of its liabilities under or in connection with the Infraco Contract, the Surety shall, without inquiry, pay to **tie** in full and without any deductions whatsoever or any right of set-off, abatement or counterclaim, the sum due from the Infraco under the Infraco Contract as stated by **tie** in the Demand Notice in available funds by electronic transfer to the account nominated in the Demand Notice, not exceeding in aggregate the Bonded Amount.

2. Any Demand Notice shall be in writing signed by two authorised representatives of **tie** whose signatures shall be proof of authority of **tie**. A Demand Notice issued by **tie** under this Retention Bond shall provide the Surety with a written statement which identifies the Infraco's failure or default, and shall attach a certified copy of **tie's** communication to the Infraco, pursuant to the Infraco Contract, notifying it of the relevant failure or default (the "**Default Notice**"). Such Demand Notice shall not be presented to the Surety earlier than the date which is 14 days following the date of the Default Notice. Where this Retention Bond has been assigned, in accordance with Clause 1, the Demand Notice shall be signed by two authorised signatories of the new beneficiary, and shall be accompanied by written evidence confirming that the Infraco Contract has been assigned to such beneficiary in accordance with the terms of the Infraco Contract.

[redacted]

3. Subject to Clauses 1 and 2 above, upon receipt by the Surety of a Demand Notice from **tie** the Surety shall not be entitled or obliged to make any enquiry or proof or contestation or impose any further conditions on **tie** (or the Infraco) and **tie** shall not need to take any legal action against or to obtain the consent of the Infraco. **tie** may make as many separate demands hereunder as **tie** thinks fit, provided that the amount demanded, when taken with all previous demands under this Retention Bond and satisfied by the Surety, does not exceed the Bonded Amount. **tie** shall not be obliged to exercise any other right or remedy **tie** may have (against the Infraco, any Infraco Member or any person guaranteeing the obligations of any Infraco Member(s)) before making a demand under this Retention Bond.

4. A Demand Notice received from **tie** in accordance with Clauses 1 and 2 above shall be conclusive evidence of the Surety's liability to pay to **tie** and of the amount of the sum or sums which the Surety is liable to pay. Subject to demand being made in accordance with the terms of this Retention Bond, the Surety's obligation to make payment under this Retention Bond shall be a primary, independent and absolute obligation and the Surety shall not be entitled to delay or withhold payment for any reason. The Surety's obligation hereunder shall not be affected by any act, omission, matter or thing which, but for this provision, might operate to release or otherwise exonerate the Surety from the obligations hereunder in whole or in part, including without limitation and whether or not known to the Surety or to **tie**:

4.1 any time or waiver granted to **tie** or to the Infraco;

4.2 the taking, variation, compromise, renewal or release of or the refusal or neglect to perfect or to enforce any rights, remedies or securities against **tie** or the Infraco;

4.3 any legal limitation, disability or incapacity relating to **tie** or the Infraco;

4.4 any variation of or amendment to the Infraco Contract (or related documentation) or the works or services to be performed thereunder or any other document or security so that references to the Infraco Contract in this Retention Bond shall include each such variation and amendment;

4.5 any unenforceability, invalidity or frustration of any rights or obligations of **tie** or the Infraco under the Infraco Contract or any other document or security; and

[redacted]

4.6 any other fact, circumstance regarding Infraco (or the Infraco Members), provision of statute or rule of law which might, were the Surety's liability to be secondary rather than primary, entitle the Surety to be released or discharged in whole or in part from the Surety's undertaking.

5. The Surety's liability under this Retention Bond shall not be affected or reduced by the insolvency of the Infraco (or either Infraco Member) or their liquidation, receivership or other like temporary or permanent status.

6. **tie** shall be at liberty to compromise, release, waive or neglect any security as it sees fit, without impairment of its rights under this Retention Bond.

7. This Retention Bond shall cease to have effect on the date ("**Bond Expiry**") being the date which is the earlier of:

7.1 31/08/2013; and

7.2 the date of issue of the Reliability Certificate, as evidenced by presentation by Infraco of a copy of the Reliability Certificate certified by **tie** to the Surety,

save in connection with any Demand Notice received by the Surety in writing prior to Bond Expiry. Immediately following Bond Expiry, **tie** shall return this Retention Bond to the Surety for cancellation which should be null and void whether returned to the Surety or not.

8. **tie** shall be entitled to assign this Retention Bond only to the person to which the Infraco Contract has been assigned with prior notification to, but without the consent of (except of (iv) below in which case consent shall not be unreasonably withheld or delayed), the Surety, provided that the assignation shall be permitted pursuant to the Infraco Contract, that is to say an assignation to any of (i) City of Edinburgh Council or the Scottish Ministers (and the legal successors or assignees of either of these parties); (ii) any party guaranteed by the City of Edinburgh Council or Scottish Ministers; (iii) Transport Edinburgh Limited; and (iv) any party approved prior to such assignation in writing by the Infraco. A notice of assignment of this Retention Bond (in case of (iv) accompanied by a copy of the approval letter of the Infraco) shall be provided by **tie** to the Surety promptly following such assignment which shall be conclusive evidence that such assignment has taken place.

[redacted]

9. Any Demand Notice to be served by **tie** pursuant to this Retention Bond shall be sent by **tie** to the Surety, to the Surety's address at ***Deutsche Bank AG, Trade and Risk Services group, Winchester House, 1 Great Winchester House, London EC2N 2DB*** (and if sent by special or recorded delivery shall be taken as having been received by the Surety on the date of receipt by the Surety as evidenced by the relevant certificate of delivery) or shall be delivered personally to the Surety at the address set out in this Clause 9 (and shall be deemed to have been received at the time of delivery). The Surety hereby appoints its London branch at this address as agent to accept service of process.

10. This Retention Bond shall be governed by and construed in accordance with the Laws of Scotland and the Parties hereby agree to submit to the exclusive jurisdiction of the Court of Session over any claim arising out of this Retention Bond. The Surety confirms it will not raise any defence of inconvenient forum in proceedings brought in the Scottish Courts.

11. Save as permitted under Clause 8, a person who is not a party to this Retention Bond shall have no right to enforce any of the terms of this Retention Bond.

12. In this Retention Bond:

    12.1 "**person**" includes any firm and any entity having legal capacity;

    12.2 the definitions given in the recitals apply to the rest of this Retention Bond; and

[redacted]

12.3 **"Reliability Certificate"** means a certificate substantially in the form shown in Appendix 2, issued by **tie** to confirm that the Edinburgh Tram Network, as designed, constructed, tested, commissioned and maintained by the Infraco has satisfied reliability testing and performance criteria for a period of one year after opening for public service.

(1) BILFINGER BERGER AG

- and -

(2) tie LIMITED

PARENT COMPANY GUARANTEE
relating to the obligations under the Infraco
Contract dated 14. May 2008 in respect of
the Edinburgh Tram Network

THIS GUARANTEE is made this 14 day of May 2008.

BETWEEN:

(1) **BILFINGER BERGER AG**, a company established in Mannheim, Germany with registration number Amtsgericht Mannheim HRB 4444, Carl-Reiß-Platz 1-5, 68165 Mannheim (the "**Guarantor**"); and

(2) **tie LIMITED**, a company incorporated with registration number SC230949, with registered office at City Chambers, Edinburgh, Midlothian EH1 1YJ, ("**tie**").

WHEREAS:

(A) An unincorporated joint venture comprising Bilfinger Berger UK Limited ("**Bilfinger Subsidiary**") and Siemens plc ("**Siemens Subsidiary**") (together "**Infraco**" and individually each an "**Infraco Member**") are entering into a contract (with joint and several liability) with **tie** for the design, construction, testing, commissioning and maintenance of the Edinburgh Tram Network (the "**Infraco Contract**").

(B) It is a condition of the Infraco Contract that the Bilfinger Subsidiary procures the execution and delivery to **tie** of this parent company guarantee (the "**Guarantee**") and the Siemens Subsidiary procures the execution and delivery to **tie** of a similar parent company guarantee (the "**Siemens Guarantee**").

(C) The Guarantor has agreed to guarantee the obligations of the Bilfinger Subsidiary pursuant to the Infraco Contract.

THE PARTIES AGREE as follows:

1. INTERPRETATION, REPRESENTATIONS, WARRANTIES AND ACKNOWLEDGEMENTS BY THE GUARANTOR

1.1 In this Guarantee and the recitals hereto, unless the context otherwise requires or unless otherwise defined or provided for in this Guarantee, words and expressions when used herein shall have the same meaning as is attributed to them under the Infraco Contract.

1.2 The Guarantor hereby represents and warrants and undertakes to **tie** that:

1.2.1 it is a public limited company duly registered, incorporated and validly existing under the laws of the Federal Republic of Germany;

CEC02083849_0002

1.2.2 it has the power to enter into this Guarantee and to exercise its rights and perform its obligations under this Guarantee;

1.2.3 all required corporate (including supervisory board approval) and other action to authorise its execution of this Guarantee and the performance of its obligations under this Guarantee has been duly taken;

1.2.4 the obligations expressed to be assumed by it in this Guarantee are legal and valid obligations binding on it and enforceable in accordance with the terms hereof;

1.2.5 the entry into and performance by it of this Guarantee does not and will not conflict with:

1.2.5.1 any law or regulation applicable to it;

1.2.5.2 its "**Satzung**" and applicable "**Geschaeftsordnungen**" of the "**Vorstand**" and the "**Aufsichtsrat**" (if any); or

1.2.5.3 any agreement or instrument binding upon it or any of its assets;

1.2.6 the Guarantor has legal capacity to enter into this Guarantee governed by Scots law.

1.3 The Guarantor acknowledges that **tie** has accepted this Guarantee in full reliance on the representations and warranties set out in this Clause 1 (Representations, Warranties and Acknowledgements by the Guarantor) and on the basis that this Guarantee is effective to guarantee the performance and payment obligations owed on a joint and several basis by the Siemens Subsidiary as an Infraco Member pursuant to the Infraco Contract.

1.4 The Guarantor hereby acknowledges that Bilfinger Subsidiary (i) has entered into an agreement with the Siemens Subsidiary and Construcciones Y Auxiliar de Ferrocarriles S.A. ("**CAF**") whereby CAF has joined the Infraco and (ii) will enter into an agreement (the "**Minute of Variation**") with Siemens plc, **tie** and CAF whereby CAF will become party to the Infraco Contract with joint and several responsibility towards **tie**. The Guarantor and **tie** agree, without reservation, that neither the entry of CAF into the Infraco (and any future variation to the terms of such entry) nor any act or omission by CAF nor the Minute of Variation shall have any effect upon the obligations and liabilities of the Guarantor and the rights and entitlements of **tie** Limited pursuant to this Guarantee.

2. UNDERTAKING

2.1 In consideration of **tie** entering into the Infraco Contract with the Infraco, the Guarantor, subject to Clause 3 of this Guarantee, irrevocably guarantees to **tie** the due and punctual observance and performance of the Bilfinger Subsidiary, its successors and permitted assignees, either itself or by such other entity nominated by the Guarantor (subject to that entity being acceptable to **tie**), of each and all of the obligations, warranties, duties and undertakings of the Bilfinger Subsidiary under, or pursuant to, the Infraco Contract (the "**Guaranteed Obligations**") when and as such obligations, warranties, duties and undertakings shall become due and performable by the Bilfinger Subsidiary according to the terms of the Infraco Contract.

2.2 Subject to Clause 3 of this Guarantee, the Guarantor shall pay any amount demanded by **tie** under a written notice substantially in the form of Schedule 1 hereto, such payment to be made by the Guarantor in pounds sterling (£) with five (5) business days of the date of receipt of the demand to the bank account nominated in the demand notice.

3. LIMITATIONS OF LIABILITY

3.1 The Guarantor may raise hereunder all objections and defences the Bilfinger Subsidiary and/or the Infraco has under the Infraco Contract and may assume all such defence, counterclaim, limitation and/or exclusion of liability as the Bilfinger Subsidiary and/or the Infraco may have against **tie** pursuant to the Infraco Contract. In no circumstances shall the Guarantor ever be liable (i) to a greater extent than the liability of the Bilfinger Subsidiary under the Infraco Contract or (ii) for any loss of business, opportunity, revenue, profit or anticipated profit or for any indirect or consequential loss or damages unless the Infraco is liable therefor.

3.2 Subject to Clause 3.4, the liability of the Guarantor in relation to payment obligations of the Bilfinger Subsidiary arising from or in connection with the Infraco Contract pursuant to this Guarantee shall not exceed (when taken together with any other amount recovered by **tie** under the Infraco Contract and/or under this Guarantee) an amount equal to the aggregate of:

3.2.1 the lower of:

a)

(A) £24,200,000 for the period from the Effective Date until the date four years from the issue of the Reliability Certificate: or

CEC02083849_0004

(B) £19,250,000 for the period from four to six years from the issue of the Reliability Certificate; or

(C) £16,500,000 for the period from six to eight years from the issue of the Reliability Certificate; or

(D) £11,000,000 for the period from eight to ten years from the issue of the Reliability Certificate; or

(E) £5,500,000 for the period from ten to twelve years from the issue of the Reliability Certificate;

For the avoidance of doubt, any payments made to tie by the Guarantor on behalf of the Infraco and/or the Siemens Subsidiary under or pursuant to this Guarantee shall count against the relevant amount as per (A) to (E) without regard to the point of time of payment.

and

b) fifty five percent (55%) of the applicable limits of liability set out in clause 77.8 of the Infraco Contract.

3.2.2 any amounts which the Guarantor is obliged to pay in accordance with the terms of Clause 3.4.

For the avoidance of doubt under no circumstances shall the Guarantor's financial liability pursuant to this Guarantee exceed the lower of:

a)

(A) £44,000,000 for the period from the Effective Date until the date four years from the issue of the Reliability Certificate; or

(B) £35,000,000 for the period from four to six years from the issue of the Reliability Certificate; or

(C) £30,000,000 for the period from six to eight years from the issue of the Reliability Certificate; or

(D) £20,000,000 for the period from eight to ten years from the issue of the Reliability Certificate; or

(E) £10,000,000 for the period from ten to twelve years from the issue of the Reliability Certificate:

For the avoidance of doubt, any payments made to **tie** by the Guarantor on behalf of the Infraco, the Bilfinger Subsidiary and/or the Siemens Subsidiary under or pursuant to this Guarantee shall count against the relevant amount as per (A) to (E) without regard to the point of time of payment.

and

b) the applicable limits of liability set out in clause 77.8 of the Infraco Contract.

3.3 The Guarantor's liability in respect of the Guaranteed Obligations shall be conditional on **tie** first having made demand in writing in respect of the same on the Bilfinger Subsidiary and shall be conditional, in case of any demand for payment, on **tie** making a demand on Siemens Aktiengesellschaft for forty five percent (45%) of the total amount claimed from the Infraco (the "**Siemens Share**"). Accordingly, the Guarantor's liability in respect to the Guaranteed Obligations shall be initially limited to fifty five percent (55%) of the value of each claim from **tie** but without prejudice to the obligation of the Guarantor, in the circumstances set out at Clause 3.4 to pay the Siemens Share.

3.4 In the event that full payment from Siemens Aktiengesellschaft is not received by **tie** with respect to the Siemens Share within 30 days of the day of the receipt of the demand, **tie** shall notify the Guarantor in writing and the Guarantor shall pay **tie** the unpaid portion of the Siemens Share within 30 days of receipt by the Guarantor of such notice.

4. EXPIRY

4.1 Without prejudice to Clause 4.4 the obligations of the Guarantor set out herein shall constitute and be continuing obligations and accordingly shall remain in full force and effect from the date hereof:

(a) until the date of issue of the Reliability Certificate or the earlier termination of the Infraco Contract, save that the Guarantor's obligations shall continue with regard to any claim brought or liability incurred by **tie** or the Indemnified Parties arising from or in connection with the Infraco Works (excluding Infrastructure Maintenance Services) which has been pursued by **tie** or the Indemnified Parties and which is already the subject of formal dispute resolution proceedings which have been commenced no later than six months after either of these dates, as the case may be: and

CEC02083849_0006

(b) until the date which is twelve years from issue of the Reliability Certificate with regard to any claim brought or liability incurred by **tie** or the Indemnified Parties arising from or in connection with (i) latent defects in the Infraco Works (and any third party claim for direct loss or damage made after issue of the Reliability Certificate and arising from or in connection with latent defects) (ii) uncorrected Patent Defects (iii) liquidated damages outstanding from the settlement of the final account pursuant to Clause 66.6 of the Infraco Contract save that the Guarantor's obligations shall continue with regard to any such claims brought or liabilities pursued by **tie** or the Indemnified Parties which are already the subject of formal dispute resolution proceedings prior to such date or commenced within three months thereafter; and

(c) until the Expiry Date (or the Extended Expiry Date) or earlier termination of the Infraco Contract with regard to any claim brought or liability incurred by **tie** or the Indemnified Parties arising from or in connection with Infrastructure Maintenance Services, save that the Guarantor's obligations shall continue with regard to any claim brought or liability pursued by **tie** or the Indemnified Parties which is the subject of formal dispute resolution proceedings commenced no later than six months after either of these dates, as the case may be; or

(d) until 31st May 2027,

whichever in each case is the earlier.

4.2 In any of the events set forth in Clause 4.1 (a) to (d) of this Guarantee the expiry of the Guarantor's obligations under this Guarantee shall be without prejudice to any liability of the Guarantor accrued prior to or arising from expiry of the Infraco Contract, provided that any claim by **tie** in respect of such liability shall be barred and be unenforceable, unless written notice of the same specifying in reasonable detail the nature and amount of the claim has been received by the Guarantor within three (3) months after the date of termination of the Guarantee as set out in Clause 4.1, and any proceedings in respect of such claim are commenced within the time period specified in each of Clauses 4.1(a) to 4.1(c).

4.3 **tie** undertakes to return this Guarantee to the Guarantor immediately after its expiry in accordance with Clause 4.1 and Clause 4.2 respectively, save where written notice has been given under clause 4.2 by **tie**. However, for the avoidance of doubt, this Guarantee expires independently of its return.

4.4 In the event the Bilfinger Subsidiary ceases to be a subsidiary of the Guarantor, the Guarantor may offer a replacement guarantee for this Guarantee, substantially in the form hereof. If such replacement guarantee is from a guarantor acceptable to **tie**, acting reasonably having due regard to the remaining performance risk of the Bilfinger Subsidiary and the credit risk of the replacement guarantor, **tie** shall accept such replacement guarantee as security for the Guaranteed Obligations, and this Guarantee shall thereupon automatically terminate. **tie** undertakes to return the Guarantee to the Guarantor immediately following such termination. For avoidance of doubt the Guarantee shall continue in full force and effect notwithstanding the disposal by the Contractor of any or all of its shares in the Bilfinger Subsidiary.

5. PRESERVATION OF RIGHTS

Subject to Clause 3, the obligations of the Guarantor under this Guarantee shall not be discharged by any of the following:

5.1 Any non-written arrangement between the Infraco and/or the Bilfinger Subsidiary and **tie** which does not directly or indirectly increase or extend the liability of the Guarantor under this Guarantee;

5.2 Any amendment to, or any variation, waiver or release of any obligation of the Infraco and/or the Bilfinger Subsidiary under or pursuant to the Infraco Contract which does not directly or indirectly increase or extend the liability of the Guarantor under this Guarantee, provided that **tie** has promptly notified the Guarantor of any such amendment, variation, waiver or release;

5.3 Any time or indulgence being granted or agreed to be granted to the Infraco and/or the Bilfinger Subsidiary in respect of its obligations under or pursuant to the Infraco Contract;

5.4 The taking, variation or release of, or enforcement or neglect to perfect or enforce any right, guarantee, remedy or security from or against the Infraco and/or the Bilfinger Subsidiary;

5.5 Any legal limitation, disability, incapacity or other circumstances solely relating to the Infraco and/or the Bilfinger Subsidiary;

5.6 The insolvency, winding-up, dissolution, administration or re-organisation of or any change in status, function, control or ownership of the Infraco and/or the Bilfinger Subsidiary or any other person;

5.7 Any obligation of the Infraco and/or the Bilfinger Subsidiary under the Infraco Contract being or becoming illegal, void, invalid, unenforceable or ineffective in any respect;

5.8 Any amendment to the Infraco Contract, or any variation, waiver or release of any obligation of the Infraco and/or the Bilfinger Subsidiary under the Infraco Contract;

5.9 The assignation or novation of the Infraco Contract in accordance with its terms (provided the Bilfinger Subsidiary is party to the Infraco Contract as assigned or novated);

5.10 The suspension or termination of the Infraco Contract or of the employment of the Infraco and/or the Bilfinger Subsidiary under the Infraco Contract; and/or

5.11 Any other matter or thing (whether or not known to the Infraco) which would or might operate to exonerate or discharge the Guarantor from its obligations under this Guarantee.

6. ASSIGNATION

6.1 The Guarantor is not entitled to assign this Guarantee.

6.2 **tie** shall be entitled to assign this Guarantee only to the person to which the Infraco Contract has been assigned with prior notification to, but without the consent of, the Guarantor, provided that the assignation shall be permitted pursuant to the Infraco Contract, that is to say an assignation to any of (i) City of Edinburgh Council or the Scottish Ministers (and the legal successors or assignees of either of these parties); (ii) any party guaranteed by the City of Edinburgh Council or Scottish Ministers; (iii) Transport Edinburgh Limited; and (iv) any party approved in writing by the Infraco.

7. SETTLEMENT CONDITIONAL

Any settlement or discharge between the Guarantor and **tie** shall be conditional upon no security given or payment made to **tie** by the Guarantor or any other person on behalf of the Guarantor at any time being avoided or reduced by virtue of any provisions or enactments relating to bankruptcy, insolvency, liquidation or similar laws of general application for the time being in force (whether in Scotland, the Federal Republic of Germany or the European Union) and, if any such security or payment is so avoided or reduced, **tie** shall be entitled to recover the value or amount of such security or payment from the Guarantor subsequently as if such settlement or discharge had not occurred.

8. EXERCISE OF RIGHTS

8.1 Subject to Clause 3.3 **tie** shall not be obliged before exercising any of the rights, powers or remedies conferred upon it in respect of the Guarantor by this Guarantee or by law:

8.1.1 to take any legal proceedings or obtain judgment in any court against the Infraco or either of Bilfinger Subsidiary or Siemens Subsidiary: or

8.1.2 to make or file any claim or proof in a winding-up or dissolution of the Infraco or either of Bilfinger Subsidiary or Siemens Subsidiary.

8.2 Any judgment, award, agreement or determination of any amount due from the Infraco (or either of Bilfinger Subsidiary or Siemens Subsidiary) under the Infraco Contract shall be binding upon the Guarantor.

9. INTEREST

Any amount which is not paid under this Guarantee when due in accordance with a demand served under Clause 3 shall carry interest at the rate of interest applicable to overdue amounts under the Infraco Contract from the due date, which is 2% p.a. above the prevailing published base rate of The Royal Bank of Scotland plc. For avoidance of doubt interest shall not be paid by the Guarantor under this Guarantee for any period during which interest is continuing to accrue under the Infraco Contract.

10. TAXES

All payments in respect of the obligations of the Guarantor under this Guarantee shall be made free and clear of, and without withholding or deduction for, any taxes, duties, assessments or governmental charges of whatsoever nature imposed, levied, collected or assessed by the United Kingdom or the Federal Republic of Germany, or any Land, political or administrative subdivision or any authority thereof having power to tax, save where such withholding or deduction is required by law. In that event, the Guarantor shall pay such additional amounts as will result in the receipt by **tie** of such amount as would have been received by **tie** if no such withholding or deduction had been required.

11. NO SECURITY

The Guarantor shall not hold any security from the Bilfinger Subsidiary in respect of this Guarantee and any such security which is held in breach of this provision shall be held by the Guarantor in trust for and shall be promptly transferred to **tie**.

12. DEFERRAL OF RIGHTS

12.1 The Guarantor agrees that, so long as any amounts are owed by the Infraco (or either of Bilfinger Subsidiary or Siemens Subsidiary) to **tie** under or pursuant to the Infraco Contract,

or any amounts are owed, or have been paid, to **tie** by the Guarantor under this Guarantee, the Guarantor shall not exercise any rights which it may at any time have by reason of performance by it of its obligations under this Guarantee:

12.1.1 to effect or seek to effect any recovery from the Infraco (or either of Bilfinger Subsidiary or Siemens Subsidiary) in respect of any payment made or liability arising pursuant to this Guarantee, whether by receipt of money or set-off or enforcement of security or otherwise;

12.1.2 to claim any contribution from any other guarantor of the obligations of the Infraco (or either of Bilfinger Subsidiary or Siemens Subsidiary) under the Infraco Contract;

12.1.3 to take (in whole or in part and whether by way of subrogation or otherwise) any rights of **tie**;

12.1.4 to claim in the insolvency, administration, winding-up, bankruptcy or liquidation of the Infraco (or either of Bilfinger Subsidiary or Siemens Subsidiary) in competition with **tie**; and/or

12.1.5 subject to Clause 3.3, to require **tie** to make a claim against the Infraco (or either of Bilfinger Subsidiary or Siemens Subsidiary).

Provided that in the case of Clauses 12.1.1 and 12.1.2 if the Guarantor has made any payment to **tie** pursuant to this Guarantee Agreement, the Guarantor shall be entitled to seek recovery or contribution of such payment (after giving notice to **tie**) on the conditions that such action shall not in any way adversely affect the Infraco's ability (or the Bilfinger Subsidiary's) to perform and discharge its obligations pursuant to the Infraco Contract for its duration.

12.2 The Guarantor shall hold in trust for **tie** any payment or other benefit received by the Guarantor contrary to the provision of this Clause 12. Such sums shall be used to settle any amounts owing to **tie** and any surplus shall be released to the Guarantor.

13. NOTICES

13.1 Any notice to or demand on the Guarantor to be served under this Guarantee shall be in writing and may be delivered in person or sent by recorded delivery post to the Guarantor at its address appearing in this Guarantee or at such other address as it may have notified to **tie** in accordance with this Clause 13.

13.2 Any such notice or demand shall be deemed to have been served on the Guarantor:

(i) if delivered in person, at the time of delivery; or

(ii) if posted, upon the date recorded for receipt.

(iii) The Guarantor hereby appoints Pinsent Masons LLP MNP, of 18-22 Melville Street, Edinburgh, EH3 7NS, as their agent for service of legal process in Scotland.

14. WAIVER

14.1 No delay or omission of **tie** in exercising any right, power or privilege under this Guarantee shall impair or be construed as a waiver of such right power or privilege nor shall any single or partial exercise of any such right, power or privilege preclude any further exercise of such right, power or privilege or the exercise of any other right, power or privilege.

14.2 A waiver given or consent granted by **tie** under this Guarantee shall be effective only if given in writing and then only in the instance and for the purpose for which it is given.

15. PARTIAL INVALIDITY

The invalidity, illegality or unenforceability in whole or in part of any of the provisions of this Guarantee shall not affect the validity, legality and enforceability of the remaining part or provisions of this Guarantee.

16. DISPUTE RESOLUTION AND GOVERNING LAW

This Guarantee shall be governed by and construed in accordance with the Laws of Scotland and the Parties hereby agree to submit to the exclusive jurisdiction of the Court of Session over any claim arising out of this Guarantee.

17. EXCLUSION OF THIRD PARTY RIGHTS

Subject to any assignation pursuant to clause 6 a person not party to this Guarantee shall have no rights to enforce or rely upon any term of this Guarantee and no *jus quaesitum tertio* is hereby created in favour of any party.

18. PAYMENTS

18.1 All payments to be made by the Guarantor in respect of this Guarantee must be made:

18.1.1 in immediately available electronically transferable funds (with no handling charge, commission or exchange rate conversion fee deducted) to the credit of such bank

account as **tie** may designate: and in pounds sterling or such other currency as **tie** nominates.

IN WITNESS WHEREOF these presents on this and the preceding 11 pages together with Schedule 1 which is annexed and signed as relative hereto are executed as follows:

SCHEDULE 1
DEMAND LETTER

[Date]

[Guarantor's name]
[Guarantor's address]
Attention: Authorised and responsible representative

EDINBURGH TRAM NETWORK

Dear Sirs,

We refer to the Guarantee Agreement dated [◆] 2008 between us and to the contract (the "**Infraco Contract**") dated [◆] 2008 between us and your subsidiary Bilfinger Berger UK Limited.

1. This letter is our formal demand for the payment of £[◆] pursuant to Clause 2.2. of the Guarantee Agreement, which amount is due and payable by your subsidiary Bilfinger Berger UK Limited and has not been paid. Please make payment to: tie Limited, [bank account number and details] as provided under Clause 18 of the Guarantee Agreement.

AND/OR

2. This letter is our formal demand that you perform and discharge [*describe relevant obligations*] the obligations, warranties, duties and undertakings of your subsidiary Bilfinger Berger UK Limited as required pursuant to Clause 2.1 of the Guarantee Agreement which your subsidiary, in breach of the Infraco Contract, has failed to perform and discharge. Please confirm by return the mobilisation arrangements you are making and the timetable for their deployment in Edinburgh and generally.

We confirm that we have made formal demand in writing on Siemens plc and that we have also made formal demand on Siemens Aktiengesellschaft in relation to this matter.

Yours faithfully,

tie LIMITED

(2) tie LIMITED

PARENT COMPANY GUARANTEE
No. 213025
relating to the obligations under the
Infraco Contract dated May 14, 2008 in
respect of the Edinburgh Tram Network

Siemens Aktiengesellschaft: Vorsitzender des Aufsichtsrats: Gerhard Cromme. Vorstand: Peter Loscher, Vorsitzender, Wolfgang Dehen, Heinrich Hiesinger, Joe Kaeser, Jim Reid-Anderson, Hermann Requardt, Siegfried Russwurm, Peter Y. Solmssen. Sitz der Gesellschaft: Berlin und Munchen. Registergericht: Berlin Charlottenburg, HRB 12300, Munchen, HRB 6684. WEEE-Reg.-Nr. DE 23691322

SIEMENS

THIS GUARANTEE is made this 14th day of May 2008

BETWEEN:

(1) **SIEMENS AKTIENGESELLSCHAFT**, a company established in Berlin and Munich, Germany with registration number HRB 12300 Berlin Charlottenburg and HRB 6684 Munich, (the "**Guarantor**"); and

(2) **tie LIMITED**, a company incorporated with registration number SC230949, with registered office at City Chambers, Edinburgh, Midlothian EH1 1YJ, United Kingdom ("**tie**").

WHEREAS:

(A) An unincorporated joint venture comprising Bilfinger Berger UK Limited ("**Bilfinger Subsidiary**") and Siemens plc ("**Siemens Subsidiary**") (together "**Infraco**" and individually each an "**Infraco Member**") are entering into a contract (with joint and several liability) with **tie** for the design, construction, testing, commissioning and maintenance of the Edinburgh Tram Network (the "**Infraco Contract**").

(B) It is a condition of the Infraco Contract that the Siemens Subsidiary procures the execution and delivery to **tie** of this parent company guarantee (the "**Guarantee**") and the Bilfinger Subsidiary procures the execution and delivery to **tie** of a similar parent company guarantee (the "**Bilfinger Berger AG Guarantee**").

(C) The Guarantor has agreed to guarantee the obligations of the Siemens Subsidiary pursuant to the Infraco Contract.

THE PARTIES AGREE as follows:

1. INTERPRETATION, REPRESENTATIONS, WARRANTIES AND ACKNOWLEDGEMENTS BY THE GUARANTOR

1.1 In this Guarantee and the recitals hereto, unless the context otherwise requires or unless otherwise defined or provided for in this Guarantee, words and expressions when used herein shall have the same meaning as is attributed to them under the Infraco Contract.

Siemens Aktiengesellschaft. Vorsitzender des Aufsichtsrats: Gerhard Cromme. Vorstand: Peter Löscher, Vorsitzender; Wolfgang Dehen, Heinrich Hiesinger, Joe Kaeser, Jim Reid-Anderson, Hermann Requardt, Siegfried Russwurm, Peter Y. Solmssen. Sitz der Gesellschaft: Berlin und München. Registergericht: Berlin Charlottenburg, HRB 12300, München, HRB 6684, WEEE Reg.-Nr. DE 23691322

1.2 The Guarantor hereby represents and warrants and undertakes to **tie** that:

1.2.1 it is a public limited company duly registered, incorporated and validly existing under the laws of the Federal Republic of Germany;

1.2.2 it has the power to enter into this Guarantee and to exercise its rights and perform its obligations under this Guarantee;

1.2.3 all required corporate (including supervisory board approval) and other action to authorise its execution of this Guarantee and the performance of its obligations under this Guarantee has been duly taken;

1.2.4 the obligations expressed to be assumed by it in this Guarantee are legal and valid obligations binding on it and enforceable in accordance with the terms hereof;

1.2.5 the entry into and performance by it of this Guarantee does not and will not conflict with:

1.2.5.1 any law or regulation applicable to it;

1.2.5.2 its "**Satzung**" and applicable "**Geschaeftsordnungen**" of the "**Vorstand**" and the "**Aufsichtsrat**" (if any); or

1.2.5.3 any agreement or instrument binding upon it or any of its assets;

1.2.6 the Guarantor has legal capacity to enter into this Guarantee governed by Scots law.

1.3 The Guarantor acknowledges that **tie** has accepted this Guarantee in full reliance on the representations and warranties set out in this Clause 1 (Representations, Warranties and Acknowledgements by the Guarantor) and on the basis that this Guarantee is effective to guarantee the performance and payment obligations owed on a joint and several basis by the Siemens Subsidiary as an Infraco Member pursuant to the Infraco Contract.

Siemens Aktiengesellschaft: Vorsitzender des Aufsichtsrats: Gerhard Cromme. Vorstand: Peter Löscher, Vorsitzender, Wolfgang Dehen, Heinrich Hiesinger, Joe Kaeser, Jim Reid-Anderson, Hermann Requardt, Siegfried Russwurm, Peter Y. Solmssen. Sitz der Gesellschaft: Berlin und München. Registergericht: Berlin Charlottenburg, HRB 12300, München, HRB 6684. WEEE-Reg.-Nr. DE 23691322

1.4 The Guarantor hereby acknowledges that Siemens Subsidiary (i) has entered into an agreement with the Bilfinger Subsidiary and Construcciones Y Auxiliar de Ferrocarriles S.A. ("**CAF**") whereby CAF has joined the Infraco and (ii) will enter into an agreement (the "**Minute of Variation**") with Bilfinger Berger UK Limited, **tie** and CAF whereby CAF will become party to the Infraco Contract with joint and several responsibility towards **tie**. The Guarantor and **tie** agree, without reservation, that neither the entry of CAF into the Infraco (and any future variation to the terms of such entry) nor any act or omission by CAF nor the Minute of Variation shall have any effect upon the obligations and liabilities of the Guarantor and the rights and entitlements of **tie** Limited pursuant to this Guarantee.

2. UNDERTAKING

2.1 In consideration of **tie** entering into the Infraco Contract with the Infraco, the Guarantor, subject to Clause 3 of this Guarantee, irrevocably guarantees to **tie** the due and punctual observance and performance of the Siemens Subsidiary, its successors and permitted assignees, either itself or by such other entity nominated by the Guarantor (subject to that entity being acceptable to **tie**), of each and all of the obligations, warranties, duties and undertakings of the Siemens Subsidiary under, or pursuant to, the Infraco Contract (the "**Guaranteed Obligations**") when and as such obligations, warranties, duties and undertakings shall become due and performable by the Siemens Subsidiary according to the terms of the Infraco Contract.

2.2 Subject to Clause 3 of this Guarantee, the Guarantor shall pay any amount demanded by **tie** under a written notice substantially in the form of Schedule 1 hereto, such payment to be made by the Guarantor in pounds sterling (£) with five (5) business days of the date of receipt of the demand to the bank account nominated in the demand notice.

Siemens Aktiengesellschaft. Vorsitzender des Aufsichtsrats: Gerhard Cromme. Vorstand: Peter Loscher, Vorsitzender, Wolfgang Dehen, Heinrich Hiesinger, Joe Kaeser, Jim Reid-Anderson, Hermann Requardt, Siegfried Russwurm, Peter Y. Solmssen. Sitz der Gesellschaft: Berlin und München. Registergericht: Berlin Charlottenburg, HRB 12300, München, HRB 6684. WEEE-Reg.-Nr. DE 23691322

3. LIMITATIONS OF LIABILITY

3.1 The Guarantor may raise hereunder all objections and defences the Siemens Subsidiary and/or the Infraco has under the Infraco Contract and may assume all such defence, counterclaim, limitation and/or exclusion of liability as the Siemens Subsidiary and/or the Infraco may have against **tie** pursuant to the Infraco Contract. In no circumstances shall the Guarantor ever be liable (i) to a greater extent than the liability of the Siemens Subsidiary under the Infraco Contract or (ii) for any loss of business, opportunity, revenue, profit or anticipated profit or for any indirect or consequential loss or damages unless the Infraco is liable therefor.

3.2 Subject to Clause 3.4, the liability of the Guarantor in relation to payment obligations of the Siemens' Subsidiary arising from or in connection with the Infraco Contract pursuant to this Guarantee shall not exceed (when taken together with any other amount recovered by **tie** under the Infraco Contract and/or under this Guarantee) an amount equal to the aggregate of

3.2.1 the lower of:

a)

(A) £19,800,000 for the period from the Effective Date until the date four years from the issue of the Reliability Certificate; or

(B) £15,750,000 for the period from four to six years from the issue of the Reliability Certificate; or

(C) £13,500,000 for the period from six to eight years from the issue of the Reliability Certificate; or

(D) £9,000,000 for the period from eight to ten years from the issue of the Reliability Certificate; or

(E) £4,500,000 for the period from ten to twelve years from the issue of the Reliability Certificate;

Siemens Aktiengesellschaft Vorsitzender des Aufsichtsrats Gerhard Cromme; Vorstand Peter Löscher Vorsitzender Wolfgang Dehen Heinrich Hiesinger Joe Kaeser Jim Reid-Anderson, Hermann Requardt Siegfried Russwurm, Peter Y Solmssen Sitz der Gesellschaft Berlin und München Registergericht Berlin Charlottenburg, HRB 12300, München, HRB 6684 WEEE Reg-Nr DE [illegible]

For the avoidance of doubt, any payments made to **tie** by the Guarantor on behalf of the Infraco and/or the Siemens Subsidiary under or pursuant to this Guarantee shall count- against the relevant amount as per (A) to (E) without regard to the point of time of payment.

and

b) forty five (45%) of the applicable limits of liability set out in clause 77.8 of the Infraco Contract ,

3.2.2 any amounts which the Guarantor is obliged to pay in accordance with the terms of clause 3.4.

For the avoidance of doubt under no circumstances shall the Guarantor's financial liability pursuant to this Guarantee exceed the lower of:

a)

(A) £44,000,000 for the period from the Effective Date until the date four years from the issue of the Reliability Certificate; or

(B) £35,000,000 for the period from four to six years from the issue of the Reliability Certificate; or

(C) £30,000,000 for the period from six to eight years from the issue of the Reliability Certificate; or

(D) £20,000,000 for the period from eight to ten years from the issue of the Reliability Certificate; or

(E) £10,000,000 for the period from ten to twelve years from the issue of the Reliability Certificate;

Siemens Aktiengesellschaft: Vorsitzender des Aufsichtsrats: Gerhard Cromme; Vorstand: Peter Löscher, Vorsitzender; Wolfgang Dehen, Heinrich Hiesinger, Joe Kaeser, Jim Reid-Anderson, Hermann Requardt, Siegfried Russwurm, Peter Y. Solmssen; Sitz der Gesellschaft: Berlin und München; Registergericht: Berlin Charlottenburg, HRB 12300, München, HRB 6684; WEEE-Reg.-Nr. DE 23691322

For the avoidance of doubt, any payments made to **tie** by the Guarantor on behalf of the Infraco, the Siemens Subsidiary and/or the Bilfinger Subsidiary under or pursuant to this Guarantee shall count against the relevant amount as per (A) to (E) without regard to the point of time of payment.

and

b) the applicable limits of liability set out in clause 77.8 of the Infraco Contract.

3.3 The Guarantor's liability in respect of the Guaranteed Obligations shall be conditional on **tie** first having made demand in writing in respect of the same on the Siemens Subsidiary and shall be conditional, in case of any demand for payment, on **tie** making a demand on Bilfinger Berger AG for fifty five percent (55%) of the total amount claimed from the Infraco (the "**Bilfinger Share**"). Accordingly, the Guarantor's liability in respect to the Guaranteed Obligations shall be initially limited to forty five (45%) of the value of each claim from **tie** but without prejudice to the obligation of the Guarantor, in the circumstances set out at Clause 3.4 to pay the Bilfinger Share.

3.4 In the event that full payment from Bilfinger Berger AG is not received by **tie** with respect to the Bilfinger Share within 30 days of the day of the receipt of the demand, **tie** shall notify the Guarantor in writing and the Guarantor shall pay **tie** the unpaid portion of the Bilfinger Share within 30 days of receipt by the Guarantor of such notice.

Siemens Aktiengesellschaft: Vorsitzender des Aufsichtsrats: Gerhard Cromme; Vorstand: Peter Löscher, Vorsitzender, Wolfgang Dehen, Heinrich Hiesinger, Joe Kaeser, Jim Reid-Anderson, Hermann Requardt, Siegfried Russwurm, Peter Y. Solmssen. Sitz der Gesellschaft: Berlin und München. Registergericht: Berlin Charlottenburg, HRB 12300, München, HRB 6684. WEEE-Reg.-Nr. DE 23691322

4. EXPIRY

4.1 Without prejudice to Clause 4.4 the obligations of the Guarantor set out herein shall constitute and be continuing obligations and accordingly shall remain in full force and effect from the date hereof:

(a) until the date of issue of the Reliability Certificate or the earlier termination of the Infraco Contract, save that the Guarantor's obligations shall continue with regard to any claim brought or liability incurred by **tie** or the Indemnified Parties arising from or in connection with the Infraco Works (excluding Infrastructure Maintenance Services) which has been pursued by **tie** or the Indemnified Parties and which is already the subject of formal dispute resolution proceedings which have been commenced no later than six months after either of these dates, as the case may be; and

(b) until the date which is twelve years from issue of the Reliability Certificate with regard to any claim brought or liability incurred by **tie** or the Indemnified Parties arising from or in connection with (i) latent defects in the Infraco Works (and any third party claim for direct loss or damage made after issue of the Reliability Certificate and arising from or in connection with latent defects) (ii) uncorrected Patent Defects (iii) liquidated damages outstanding from the settlement of the final account pursuant to Clause 66.6 of the Infraco Contract save that the Guarantor's obligations shall continue with regard to any such claims brought or liabilities pursued by **tie** or the Indemnified Parties which are already the subject of formal dispute resolution proceedings prior to such date or commenced within three months thereafter; and

Siemens Aktiengesellschaft Vorsitzender des Aufsichtsrats: Gerhard Cromme; Vorstand: Peter Löscher, Vorsitzender; Wolfgang Dehen, Heinrich Hiesinger, Joe Kaeser, Jim Reid-Anderson, Hermann Requardt, Siegfried Russwurm, Peter Y. Solmssen; Sitz der Gesellschaft: Berlin und München; Registergericht: Berlin Charlottenburg, HRB 12300, München, HRB 6684; WEEE-Reg.-Nr. DE 23691322

(c) until the Expiry Date (or the Extended Expiry Date) or earlier termination of the Infraco Contract with regard to any claim brought or liability incurred by **tie** or the Indemnified Parties arising from or in connection with Infrastructure Maintenance Services, save that the Guarantor's obligations shall continue with regard to any claim brought or liability pursued by **tie** or the Indemnified Parties which is the subject of formal dispute resolution proceedings commenced no later than six months after either of these dates, as the case may be; or

(d) until 31st May 2027,

whichever in each case is the earlier.

4.2 In any of the events set forth in Clause 4.1 (a) to (d) of this Guarantee the expiry of the Guarantor's obligations under this Guarantee shall be without prejudice to any liability of the Guarantor accrued prior to or arising from expiry of the Infraco Contract, provided that any claim by **tie** in respect of such liability shall be barred and be unenforceable, unless written notice of the same specifying in reasonable detail the nature and amount of the claim has been received by the Guarantor within three (3) months after the date of termination of the Guarantee as set out in Clause 4.1, and any proceedings in respect of such claim are commenced within the time period specified in each of Clauses 4.1(a) to 4.1(c).

4.3 **tie** undertakes to return this Guarantee to the Guarantor immediately after its expiry in accordance with Clause 4.1 and Clause 4.2 respectively, save where written notice has been given under clause 4.2 by **tie**. However, for the avoidance of doubt, this Guarantee expires independently of its return.

Siemens Aktiengesellschaft: Vorsitzender des Aufsichtsrats: Gerhard Cromme; Vorstand: Peter Löscher, Vorsitzender, Wolfgang Dehen, Heinrich Hiesinger, Joe Kaeser, Jim Reid-Anderson, Hermann Requardt, Siegfried Russwurm, Peter Y. Solmssen; Sitz der Gesellschaft: Berlin und München, Registergericht: Berlin Charlottenburg, HRB 12300, München, HRB 6684; WEEE-Reg.-Nr. DE 23691322

4.4 In the event the Siemens Subsidiary ceases to be a subsidiary of the Guarantor, the Guarantor may offer a replacement guarantee for this Guarantee, substantially in the form hereof. If such replacement guarantee is from a guarantor acceptable to **tie**, acting reasonably having due regard to the remaining performance risk of the Siemens Subsidiary and the credit risk of the replacement guarantor, **tie** shall accept such replacement guarantee as security for the Guaranteed Obligations, and this Guarantee shall thereupon automatically terminate. **tie** undertakes to return the Guarantee to the Guarantor immediately following such termination. For avoidance of doubt the Guarantee shall continue in full force and effect notwithstanding the disposal by the Guarantor of any or all of its shares in the Siemens Subsidiary.

5. PRESERVATION OF RIGHTS

Subject to Clause 3, the obligations of the Guarantor under this Guarantee shall not be discharged by any of the following:

5.1 Any non-written arrangement between the Infraco and/or the Siemens Subsidiary and **tie** which does not directly or indirectly increase or extend the liability of the Guarantor under this Guarantee;

5.2 Any amendment to, or any variation, waiver or release of any obligation of the Infraco and/or the Siemens Subsidiary under or pursuant to the Infraco Contract which does not directly or indirectly increase or extend the liability of the Guarantor under this Guarantee, provided that **tie** has promptly notified the Guarantor of any such amendment, variation, waiver or release;

5.3 Any time or indulgence being granted or agreed to be granted to the Infraco and/or the Siemens Subsidiary in respect of its obligations under or pursuant to the Infraco Contract;

5.4 The taking, variation or release of, or enforcement or neglect to perfect or enforce any right, guarantee, remedy or security from or against the Infraco and/or the Siemens Subsidiary;

Siemens Aktiengesellschaft: Vorsitzender des Aufsichtsrats: Gerhard Cromme; Vorstand: Peter Loscher, Vorsitzender, Wolfgang Dehen, Heinrich Hiesinger, Joe Kaeser, Jim Reid-Anderson, Hermann Requardt, Siegfried Russwurm, Peter Y. Solmssen; Sitz der Gesellschaft: Berlin und München, Registergericht: Berlin Charlottenburg, HRB 12300, München, HRB 6684; WEEE-Reg.-Nr. DE 23691322

5.5 Any legal limitation, disability, incapacity or other circumstances solely relating to the Infraco and/or the Siemens Subsidiary;

5.6 The insolvency, winding-up, dissolution, administration or re-organisation of or any change in status, function, control or ownership of the Infraco and/or the Siemens Subsidiary or any other person;

5.7 Any obligation of the Infraco and/or the Siemens Subsidiary under the Infraco Contract being or becoming illegal, void, invalid, unenforceable or ineffective in any respect;

5.8 Any amendment to the Infraco Contract, or any variation, waiver or release of any obligation of the Infraco and/or the Siemens Subsidiary under the Infraco Contract;

5.9 The assignation or novation of the Infraco Contract in accordance with its terms (provided the Siemens Subsidiary is party to the Infraco Contract as assigned or novated);

5.10 The suspension or termination of the Infraco Contract or of the employment of the Infraco and/or the Siemens Subsidiary under the Infraco Contract; and/or

5.11 Any other matter or thing (whether or not known to the Infraco) which would or might operate to exonerate or discharge the Guarantor from its obligations under this Guarantee.

6. ASSIGNATION

6.1 The Guarantor is not entitled to assign this Guarantee.

Siemens Aktiengesellschaft Vorsitzender des Aufsichtsrats: Gerhard Cromme; Vorstand: Peter Loscher, Vorsitzender, Wolfgang Dehen, Heinrich Hiesinger, Joe Kaeser, Jim Reid-Anderson, Hermann Requardt, Siegfried Russwurm, Peter Y. Solmssen; Sitz der Gesellschaft: Berlin und München, Registergericht: Berlin Charlottenburg, HRB 12300, München, HRB 6684; WEEE-Reg.-Nr. DE 23691322

6.2 **tie** shall be entitled to assign this Guarantee only to the person to which the Infraco Contract has been assigned with prior notification to, but without the consent of, the Guarantor, provided that the assignation shall be permitted pursuant to the Infraco Contract, that is to say an assignation to any of (i) City of Edinburgh Council or the Scottish Ministers (and the legal successors or assignees of either of these parties); (ii) any party guaranteed by the City of Edinburgh Council or Scottish Ministers; (iii) Transport Edinburgh Limited; and (iv) any party approved in writing by the Infraco.

7. SETTLEMENT CONDITIONAL

Any settlement or discharge between the Guarantor and **tie** shall be conditional upon no security given or payment made to **tie** by the Guarantor or any other person on behalf of the Guarantor at any time being avoided or reduced by virtue of any provisions or enactments relating to bankruptcy, insolvency, liquidation or similar laws of general application for the time being in force (whether in Scotland, the Federal Republic of Germany or the European Union) and, if any such security or payment is so avoided or reduced, **tie** shall be entitled to recover the value or amount of such security or payment from the Guarantor subsequently as if such settlement or discharge had not occurred.

8. EXERCISE OF RIGHTS

8.1 Subject to Clause 3.3 **tie** shall not be obliged before exercising any of the rights, powers or remedies conferred upon it in respect of the Guarantor by this Guarantee or by law:

8.1.1 to take any legal proceedings or obtain judgment in any court against the Infraco or either of Bilfinger Subsidiary or Siemens Subsidiary; or

8.1.2 to make or file any claim or proof in a winding-up or dissolution of the Infraco or either of Bilfinger Subsidiary or Siemens Subsidiary.

8.2 Any judgment, award, agreement or determination of any amount due from the Infraco (or either of Bilfinger Subsidiary or Siemens Subsidiary) under the Infraco Contract shall be binding upon the Guarantor.

Siemens Aktiengesellschaft Vorsitzender des Aufsichtsrats: Gerhard Cromme, Vorstand: Peter Löscher, Vorsitzender, Wolfgang Dehen, Heinrich Hiesinger, Joe Kaeser, Jim Reid-Anderson, Hermann Requardt, Siegfried Russwurm, Peter Y. Solmssen, Sitz der Gesellschaft: Berlin und München, Registergericht: Berlin Charlottenburg, HRB 12300, München, HRB 6684, WEEE-Reg.-Nr. DE 23691322

9. INTEREST

Any amount which is not paid under this Guarantee when due in accordance with a demand served under Clause 3 shall carry interest at the rate of interest applicable to overdue amounts under the Infraco Contract from the due date, which is 2% p.a. above the prevailing published base rate of The Royal Bank of Scotland plc. For avoidance of doubt interest shall not be paid by the Guarantor under this Guarantee for any period during which interest is continuing to accrue under the Infraco Contract.

10. TAXES

All payments in respect of the obligations of the Guarantor under this Guarantee shall be made free and clear of, and without withholding or deduction for, any taxes, duties, assessments or governmental charges of whatsoever nature imposed, levied, collected or assessed by the United Kingdom or the Federal Republic of Germany, or any Land, political or administrative subdivision or any authority thereof having power to tax, save where such withholding or deduction is required by law. In that event, the Guarantor shall pay such additional amounts as will result in the receipt by **tie** of such amount as would have been received by **tie** if no such withholding or deduction had been required.

11. NO SECURITY

The Guarantor shall not hold any security from the Siemens Subsidiary in respect of this Guarantee and any such security which is held in breach of this provision shall be held by the Guarantor in trust for and shall be promptly transferred to **tie**.

Siemens Aktiengesellschaft: Vorsitzender des Aufsichtsrats: Gerhard Cromme; Vorstand: Peter Loscher, Vorsitzender, Wolfgang Dehen, Heinrich Hiesinger, Joe Kaeser, Jim Reid-Anderson, Hermann Requardt, Siegfried Russwurm, Peter Y. Solmssen; Sitz der Gesellschaft: Berlin und München, Registergericht: Berlin Charlottenburg, HRB 12300, München, HRB 6684, WEEE-Reg.-Nr. DE 23691322

12. DEFERRAL OF RIGHTS

12.1 The Guarantor agrees that, so long as any amounts are owed by the Infraco (or either of Bilfinger Subsidiary or Siemens Subsidiary) to **tie** under or pursuant to the Infraco Contract, or any amounts are owed, or have been paid, to **tie** by the Guarantor under this Guarantee, the Guarantor shall not exercise any rights which it may at any time have by reason of performance by it of its obligations under this Guarantee:

12.1.1 to effect or seek to effect any recovery from the Infraco (or either of Bilfinger Subsidiary or Siemens Subsidiary) in respect of any payment made or liability arising pursuant to this Guarantee, whether by receipt of money or set-off or enforcement of security or otherwise;

12.1.2 to claim any contribution from any other guarantor of the obligations of the Infraco (or either of Bilfinger Subsidiary or Siemens Subsidiary) under the Infraco Contract;

12.1.3 to take (in whole or in part and whether by way of subrogation or otherwise) any rights of **tie**;

12.1.4 to claim in the insolvency, administration, winding-up, bankruptcy or liquidation of the Infraco (or either of Bilfinger Subsidiary or Siemens Subsidiary) in competition with **tie**; and/or

12.1.5 subject to Clause 3.3, to require **tie** to make a claim against the Infraco (or either of Bilfinger Subsidiary or Siemens Subsidiary).

Provided that in the case of Clauses 12.1.1 and 12.1.2 if the Guarantor has made any payment to **tie** pursuant to this Guarantee Agreement, the Guarantor shall be entitled to seek recovery or contribution of such payment (after giving notice to **tie**) on the conditions that such action shall not in any way adversely affect the Infraco's ability (or the Siemens Subsidiary's) to perform and discharge its obligations pursuant to the Infraco Contract for its duration.

Siemens Aktiengesellschaft Vorsitzender des Aufsichtsrats Gerhard Cromme Vorstand Peter Löscher Vorsitzender Wolfgang Dehen Heinrich Hiesinger, Joe Kaeser, Jim Reid Anderson Hermann Requardt Siegfried Russwurm Peter Y Solmssen Sitz der Gesellschaft Berlin und München, Registergericht Berlin Charlottenburg HRB 12300, München, HRB 6684 WEEE-Reg Nr DE 23691322

12.2 The Guarantor shall hold in trust for **tie** any payment or other benefit received by the Guarantor contrary to the provision of this Clause 12. Such sums shall be used to settle any amounts owing to **tie** and any surplus shall be released to the Guarantor.

13. NOTICES

13.1 Any notice to or demand on the Guarantor to be served under this Guarantee shall be in writing and may be delivered in person or sent by recorded delivery post to the Guarantor at its address appearing in this Guarantee or at such other address as it may have notified to **tie** in accordance with this Clause 13.

13.2 Any such notice or demand shall be deemed to have been served on the Guarantor:

(i) if delivered in person, at the time of delivery; or

(ii) if posted, upon the date recorded for receipt.

(iii) The Guarantor hereby appoints Biggart Baillie LLP, of Dalmore house, 310 St. Vincent Street, Glasgow, G2 5QR, as their agent for service of legal process in Scotland.

14. WAIVER

14.1 No delay or omission of **tie** in exercising any right, power or privilege under this Guarantee shall impair or be construed as a waiver of such right power or privilege nor shall any single or partial exercise of any such right, power or privilege preclude any further exercise of such right, power or privilege or the exercise of any other right, power or privilege.

14.2 A waiver given or consent granted by **tie** under this Guarantee shall be effective only if given in writing and then only in the instance and for the purpose for which it is given.

Siemens Aktiengesellschaft Vorsitzender des Aufsichtsrats Gerhard Cromme Vorstand Peter Löscher Vorsitzender Wolfgang Dehen Heinrich Hiesinger Joe Kaeser Jim Reid-Anderson Hermann Requardt Siegfried Russwurm Peter v. Solmssen Sitz der Gesellschaft Berlin und München, Registergericht Berlin Charlottenburg HRB 12300 München HRB 6684, WEEE Reg. No. DE 23691322

15. PARTIAL INVALIDITY

The invalidity, illegality or unenforceability in whole or in part of any of the provisions of this Guarantee shall not affect the validity, legality and enforceability of the remaining part or provisions of this Guarantee.

16. DISPUTE RESOLUTION AND GOVERNING LAW

This Guarantee shall be governed by and construed in accordance with the Laws of Scotland and the Parties hereby agree to submit to the exclusive jurisdiction of the Court of Session over any claim arising out of this Guarantee.

17. EXCLUSION OF THIRD PARTY RIGHTS

Subject to any assignation pursuant to clause 6 a person not party to this Guarantee shall have no rights to enforce or rely upon any term of this Guarantee and no *jus quaesitum tertio* is hereby created in favour of any party.

18. PAYMENTS

18.1 All payments to be made by the Guarantor in respect of this Guarantee must be made:

18.1.1 in immediately available electronically transferable funds (with no handling charge, commission or exchange rate conversion fee deducted) to the credit of such bank account as **tie** may designate; and

Siemens Aktiengesellschaft Vorsitzender des Aufsichtsrats Gerhard Cromme Vorstand Peter Loscher Vorsitzender Wolfgang Dehen Heinrich Hiesinger Joe Kaeser Jim Reid-Anderson Hermann Requardt Siegfried Russwurm Peter Y Solmssen Sitz der Gesellschaft Berlin und Munchen Registergericht Berlin Charlottenburg HRB 30000 München HRB 6684 WEEE-Reg-Nr DE 23691322

18.1.2 in pounds sterling or such other currency as **tie** nominates.

SCHEDULE 1
DEMAND LETTER

[Date]

[Guarantor's name]
[Guarantor's address]
Attention: Authorised and responsible representative

EDINBURGH TRAM NETWORK

Dear Sirs,

We refer to the Guarantee Agreement dated May 14, 2008 between us and to the contract (the "**Infraco Contract**") dated May 14, 2008 between us and your subsidiary Siemens plc.

1. This letter is our formal demand for the payment of £[□] pursuant to Clause 2.2. of the Guarantee Agreement, which amount is due and payable by your subsidiary Siemens plc and has not been paid. Please make payment to: **tie** Limited, [bank account number and details] as provided under Clause 18 of the Guarantee Agreement.

AND/OR

2. This letter is our formal demand that you perform and discharge [*describe relevant obligations*] the obligations, warranties, duties and undertakings of your subsidiary Siemens plc as required pursuant to Clause 2.1 of the Guarantee Agreement which your subsidiary, in breach of the Infraco Contract, has failed to perform and discharge. Please confirm by return the mobilisation arrangements you are making and the timetable for their deployment in Edinburgh and generally.

We confirm that we have made formal demand in writing on Bilfinger Berger UK Limited and that we have also made formal demand on Bilfinger Berger AG in relation to this matter.

Yours faithfully,

tie LIMITED

(2) CITY OF EDINBURGH COUNCIL

COLLATERAL WARRANTY IN FAVOUR OF CITY OF EDINBURGH COUNCIL FROM INFRACO

relating to

THE PROVISION OF THE INFRACO WORKS FOR THE EDINBURGH TRAM NETWORK

AGREEMENT

BETWEEN

(1) **BILFINGER BERGER UK LIMITED**, a company incorporated in England and Wales under number 02418086 and having its registered office at 150 Aldersgate Street, London, EC1A 4EJ, which expression shall include its successors, permitted assignees and transferees and **SIEMENS PLC**, a company incorporated in England and Wales under number 00727817 and having its registered office at Faraday House, Sir William Siemens House, Frimley, Camberley, Surrey, GU16 8QD, which expression shall include its successors, permitted assignees and transferees,

together (the "**Infraco**" and separately an "**Infraco Member**"); and

(2) **CITY OF EDINBURGH COUNCIL**, the Local Authority for the said City constituted in terms of the Local Government etc. (Scotland) Act 1994 and having its principal offices at City Chambers, High Street, Edinburgh EH1 1YJ ("**Beneficiary**") which expression shall include its successors and permitted assignees;

BACKGROUND

A By an agreement in writing dated 14 May 2008 (the "**Infraco Contract**"), **tie** Limited, a company incorporated in Scotland under number SC230949 and having its registered office at City Chambers, High Street, Edinburgh, EH1 1YJ, ("**tie**") appointed the Infraco to provide the Infraco Works (as hereinafter defined) in connection with the Edinburgh Tram Network.

B It is a term of the Infraco Contract that the Infraco Members shall enter into this Agreement with the Beneficiary.

IT IS AGREED as follows:

1. **DEFINITIONS AND INTERPRETATION**

In this Agreement:

1.1 the following words and expressions have the following meanings, unless the context requires otherwise:

"**Agreement**" means this document (as amended from time to time pursuant to clause 11);

"**Deliverables**" means all documents, information, reports, diagrams, records, method statements, risk assessments, manuals, schedules, databases, photographs, formulae,

CEC02083845_0002

plans, designs, specifications, drawings (including as-built drawings), details, calculations, analysis, operation and maintenance manuals, software, data, data configuration designs, tools and details, software protocols, source and object codes, transport and other models and simulations, the outputs and reports based on any models, programmes and all other material created and/or provided by the Infraco (and/or any Infraco Party or any other third party) in relation to the Infraco Works, required to deliver the Infraco Works;

"**Edinburgh Tram Network**" means the tramway which is to be designed, constructed and maintained in Edinburgh pursuant to the Infraco Contract with respect to Phase 1a (forming part of Line One and Line Two as described in the Tram Legislation) and, if the Phase 1b option set out in Clause 85 of the Infraco Contract is exercised, Phase 1b, together with all associated works and facilities required pursuant to the Infraco Contract including all civil engineering and track works, Trams, infrastructure, plant, machinery and equipment installed or used for such tramway;

"**Good Industry Practice**" means using standards, practices, methods and procedures conforming to Law and exercising that degree of skill, care, diligence, prudence and foresight that would reasonably be expected from a large, reputable, professionally qualified, competent and skilled organisation experienced in carrying out activities of a similar nature, scope and complexity to those comprised in the Infraco Works, and seeking in good faith to comply with its contractual obligations and all duties owed by it;

"**Infraco IPR**" means:

(a) all Intellectual Property Rights in the Deliverables (including Intellectual Property Rights in relation to the Infraco Software) which were already existing and owned by, or licensed to, the Infraco and/or the Infraco Parties prior to the Effective Date;

(b) any modifications or developments of any of the Intellectual Property Rights referred to in paragraph (a) above which are generic in nature and not specific to the carry out of the Infraco Works; and

(c) all Intellectual Property Rights in tram signalling systems, communications systems, SCADA systems and system integration programmes, methodologies or software.

CEC02083845_0003

"**Infraco Works**" means the works and services to be undertaken by the Infraco under the Infraco Contract to design, construct, test, commission and maintain Phase 1a and, if instructed, Phase 1b and the Phase 1b Works;

"**Intellectual Property Rights**" means any rights in or to any patent, design right, utility model, trade mark, brand name, service mark, trade name, business name, logo, invention (whether registered or unregistered), domain name, semi-conduetor right, topography right, software designs and/or other materials, source code, copyright, moral right, know-how, or rights in databases and any other rights in respect of any industrial or intellectual property, whether capable of being registered or not, including all rights to apply for any of the foregoing rights or for an extension, revival or renewal of any of the foregoing rights and any similar or analogous rights to any of the above, whether arising or granted under the law of Scotland or of any other jurisdiction;

"**Law**" means:

(a) any Act or instruments of the Scottish Parliament or the United Kingdom Parliament or subordinate legislation within the meaning of section 21(1) of the Interpretation Act 1978, any exercise of the Royal Prerogative, and any enforceable community right within the meaning of section 2 of the European Communities Act 1972, and any bye-laws of any local or other statutory authority;

(b) any applicable guidance, policy, direction or determination issued by any regulatory body with which the Infraco and/or the Infraco Parties are bound to comply; and

(c) any applicable judgment of a relevant court of law which is a binding precedent,

in each case in force in Scotland;

"**Liability Cap**" means the liabilities and respective durations for such liabilities pursuant for such liabilities pursuant to the Infraco Contract and set out in Annex A to this Agreement;

"**Party**" means each and any of the parties to this Agreement and Parties shall be construed accordingly;

CEC02083845_0004

"**Phase 1a**" means Edinburgh Airport to Newhaven (inclusive), together with the Depot at Gogar and the spur at Roseburn Junction;

"**Phase 1b**" means Roseburn to Granton Square (inclusive);

"**Project IPR**" means any Intellectual Property Rights arising out of, used in or created to implement the Infraco Works and to produce Deliverables (including the Specially Written Software, any asset management system and/or Works programming system) and for the extension of the Edinburgh Tram Network in accordance with the Infraco Contract but excluding any Infraco IPR contained in the Deliverables;

"**Trams**" means all or any of the tram vehicles for the Edinburgh Tram Network to be provided under the Tram Supply Agreement and maintained under the Tram Maintenance Agreement; and

"**Tram Legislation**" means the Edinburgh Tram (Line One) Act 2006 and the Edinburgh Tram (Line Two) Act 2006, and such other legislation relative to the Edinburgh Tram Network as may be enacted from time to time; and

1.2 unless the context requires otherwise:

1.2.1 words importing:

1.2.1.1 the singular include the plural and vice versa; and

1.2.1.2 one gender include all other genders.

1.2.2 a reference to:

1.2.2.1 persons includes firms, companies, corporations, partnerships, trusts, authorities and other incorporated and/or unincorporated bodies; and

1.2.2.2 a clause is a reference to a clause in this Agreement.

1.3 The list of contents and clause headings in this Agreement are included for convenience only and do not affect its interpretation.

1.4 Where a party comprises two or more persons:

CEC02083845_0005

1.4.1 any obligations on the part of that party contained or implied in this agreement are deemed to be joint and several obligations on the part of those persons; and

1.4.2 references to that party shall include references to each and any of those persons.

1.5 Any capitalised terms not defined above shall have the meaning accorded to them pursuant to the Infraco Contract.

2. STANDARD OF CARE

2.1 The Infraco warrants and undertakes to the Beneficiary that it has carried out and shall carry out the Infraco Works and its other duties and obligations under the Infraco Contract including in relation to Phase 1b, if so instructed, subject to and in accordance with the terms thereof.

2.2 In addition to and without derogation from clause 2.1, the Infraco warrants to the Beneficiary that:

2.2.1 in the performance of the Infraco Works and its other obligations under the Infraco Contract it shall exercise a reasonable level of professional skill, care and diligence to be expected of a properly qualified and competent contractor experienced in carrying out works and services similar to the Infraco Works in connection with projects of a similar type, nature and complexity;

2.2.2 any design produced by Infraco will ensure compliance with the Employer's Requirements and Infraco Proposals; and

2.2.3 any design produced by the Infraco will fully comply with Law.

2.3 The Infraco shall owe a duty of care to the Beneficiary in carrying out its duties and obligations under the Infraco Contract.

3. MATERIALS

3.1 The Infraco warrants to the Beneficiary that it has not and shall not specify for use or use in relation to the Infraco Works any materials which at the time of use or specification (as the case may be):

CEC02083845_0006

3.1.1 are known to be deleterious in the particular circumstances in which they are specified to be used (either to health and safety or to the durability of the Infraco Works); or

3.1.2 contravene any relevant standard or code of practice issued from time to time by the BSI Group or under a European directive relating to standards; or

3.1.3 do not accord with the guidelines contained in the edition of the publication "Good Practice in Selection of Construction Materials" (Ove Arup & Partners) current at the date of specification of use; or

3.1.4 contravene Good Industry Practice.

4. COPYRIGHT LICENCE

4.1 The Beneficiary and the Infraco acknowledge that under the terms of the Infraco Contract, the Infraco has assigned to **tie**, with full title guarantee the Project IPR which is created by the Infraco and used by it to carry out its obligations under the Infraco Contract.

4.2 The Beneficiary and the Infraco acknowledge that under the terms of the Infraco Contract the Infraco has granted to **tie** a non-exclusive perpetual irrevocable royalty free licence to use such Infraco IPR which is contained in the Deliverables as may be necessary for **tie** to use in relation to the Infraco Works and the Maintenance Services and any extension of the Edinburgh Tram Network and undertakes to procure for **tie** a licence on the same terms as above in respect of any Project IPR created by the Infraco Parties.

4.3 The Beneficiary and the Infraco acknowledge that under the terms of the Infraco Contract the Infraco grants to **tie**, with the prior written consent of the Infraco such consent not to be unreasonably withheld, the right to grant non-exclusive non-assignable sub-licences to third parties for such periods of time as **tie** may reasonably require and otherwise on the same terms as the licence granted to **tie** as described in clause 4.2 above, to use the Infraco IPR referred to in clause 4.2 (other than in relation to Third Party Software and commercially available software which is subject to the provisions of clause 102.9 of the Infraco Contract) in so far as is necessary or desirable for such third party to use such Infraco IPR in relation to the Infraco Works for the Edinburgh Tram Network, the Maintenance Services and any extension of the Edinburgh Tram Network. The Infraco hereby consents to the grant of such non-

CEC02083845_0007

exclusive non-assignable sub-licence by **tie** to the Beneficiary if **tie** so requires for the period of time as **tie** may reasonable require.

4.4 The Infraco shall, if so requested at any time, execute such documents and perform such acts as may be required fully and effectively to assure to the Beneficiary the rights referred to in this clause 4.

4.5 The Infraco shall provide to the Beneficiary (at the Beneficiary's cost) a copy of any of the Deliverables as soon as reasonably practicable after receipt by the Infraco of a written request from the Beneficiary to do so.

5. REQUIRED INSURANCES

5.1 The Infraco undertakes that:

5.1.1 cover under the Required Insurances (and the Additional Insurances, if any) is extended to include the Infraco's liabilities under this Agreement, to the extent that the Infraco is obliged to maintain such insurances under the Infraco Contract;

5.1.2 this Agreement has been disclosed to the Infraco's current insurers or brokers (as the case may be) and shall be disclosed to any future insurers or brokers providing the insurance required by this Agreement; and

5.1.3 the Infraco shall abide by the terms and conditions of the Required Insurances and the OCIP Insurances and shall use all reasonable endeavours not to do or omit to do anything that might prejudice the respective cover or rights to make a claim.

5.2 As and when reasonably required by the Beneficiary, the Infraco shall produce for inspection documentary evidence that such insurance is being properly maintained.

5.3 If the insurer makes or attempts to make any material alteration or purports to withdraw the Infraco's cover under the Required Insurances or the Additional Insurances (if any), or if the Infraco is unable to obtain insurance, the Infraco shall promptly give notice of this to the Beneficiary.

6. ASSIGNATION

6.1 Except as provided in clause 6.2 neither Infraco Member shall assign, novate or otherwise transfer the whole or any part of this Agreement without the prior written

CEC02083845_0008

agreement of the Beneficiary, such agreement not to be unreasonably withheld or delayed in the case that such assignation is to a subsidiary or associated company.

6.2 Subject to notice being served on **tie** and the Beneficiary, the Infraco shall be entitled to assign, novate or otherwise transfer the whole of this Agreement to any person who the Infraco assigns, novates or otherwise transfers (in whole) its duties and obligations under the Infraco Contract without the prior written agreement of the Beneficiary.

6.3 Subject to notice being served on the Infraco and on **tie**, the Beneficiary shall be entitled to assign, novate or otherwise transfer the whole or any part of this Agreement:

6.3.1 without the consent of the Infraco to any person provided that no more than two such assignations will be permitted. Any assignations by the Beneficiary to a subsidiary or associated company of the Beneficiary or a member of the same group of companies will not count as an assignation;

6.3.2 with the prior written consent of the Infraco (such consent not to be unreasonably withheld or delayed).

6.4 The Infraco undertakes to the Beneficiary not to contend in any court proceedings under this Agreement that any person to whom the Beneficiary assigns or has assigned its rights under this Agreement or any of them in accordance with the foregoing provisions of this clause 6 (*Assignation*) is to be precluded from recovering any loss resulting from any breach of this Agreement (whenever happening) by reason that such person is an assignee and not the original contracting party under this Agreement or by reason that the Beneficiary is named under this Agreement or any intermediate assignee of the Beneficiary escaped loss resulting from such breach by reason of the disposal of its interest in the same.

7. LIABILITY OF INFRACO

7.1 No provision of this Agreement is intended to exclude any obligation or liability which would otherwise be implied whether by the law of contract, delict or otherwise.

7.2 The responsibility of the Infraco under this Agreement is not to be reduced or in any way released or limited by any enquiry or inspection by or on behalf of any person notwithstanding that such enquiry or inspection may give rise to a claim by the Beneficiary against a third party.

CEC02083845_0009

7.3 The rights and benefits conferred upon the Beneficiary by this Agreement are in addition to any other rights and remedies that the Beneficiary may have against the Infraco including (without prejudice to the generality of the foregoing) any remedies in delict.

7.4 Subject to the other provisions of this Agreement, the liability of the Infraco to the Beneficiary is to be determined in all respects in accordance with the terms of the Infraco Contract and, in the event of any claim by the Beneficiary under this Agreement, the Infraco shall be entitled to rely upon any defence, right, limitation or exclusion under the Infraco Contract as though the Beneficiary were named as **tie** under it, except that:

7.4.1 the Beneficiary shall not be affected by any subsequent variation of the Infraco Contract which would adversely affect the obligations owed by the Infraco or the waiver, compromise or withdrawal of any claim made by **tie**; and

7.4.2 the Infraco shall not be entitled to exercise any right of set-off, retention or withholding against the Beneficiary to which the Infraco may be entitled against **tie**.

7.5 The Infraco shall not be liable to the Beneficiary for any delay in completing the Infraco Works.

7.6 Without prejudice to clause 7.4:

7.6.1 the Beneficiary acknowledges and agrees that the Infraco shall have no liability to the Beneficiary under this Agreement to the extent that such liability would result in the total aggregate liability of the Infraco in connection with the Edinburgh Tram Network exceeding the relevant Liability Cap; and

7.6.2 the Infraco shall have no liability to the Beneficiary under this Agreement following expiry of the period of 12 years from the earlier to occur of the date of issue of the Reliability Certificate and the date of termination of the Infraco Contract.

CEC02083845_0010

8. **NOTICES**

8.1 Any notice required to be given under this Agreement is to be hand delivered or sent by prepaid registered or recorded delivery post to the party concerned at its address set out in this Agreement or to such other addresses as may be notified by such party for the purposes of this clause.

8.2 Any notice given pursuant to this clause, if sent by special or recorded delivery, is deemed to have been received on proof of delivery.

9. **RIGHTS OF THIRD PARTIES**

9.1 A person who is not a party to this Agreement shall have no right to enforce any term of this Agreement.

10. **INVALID TERMS**

10.1 If any term of this Agreement shall be held to any extent to be invalid, unlawful or unenforceable:

10.1.1 that term shall to that extent be deemed not to form part of this Agreement; and

10.1.2 the validity and enforceability of the remainder of this Agreement shall not be affected.

11. **VARIATIONS AND WAIVERS TO BE IN WRITING**

11.1 No variation, alteration or waiver of any of the provisions of this Agreement shall be effective unless it is in writing and signed by or on behalf of the Party against which the enforcement of such variation, alteration or waiver is sought.

12. **WAIVER**

12.1 Save where expressly stated, no failure or delay by either Party to exercise any right or remedy in connection with this Agreement shall operate as a waiver of it or of any other right or remedy nor shall any single or partial exercise preclude any further exercise of the same, or of some other right or remedy. A waiver of any breach of this Agreement shall not be deemed to be a waiver of any subsequent breach.

12.2 The Parties' rights and remedies under this Agreement are, except where provided otherwise in this Agreement, independent, cumulative and do not operate to exclude one another or any rights or remedies provided by law.

13. JURISDICTION AND LAW

13.1 This Agreement is governed by and is to be construed according to Scots law and the Scottish courts shall have jurisdiction in relation to all matters arising under it.

ANNEX A

"**Liability Cap**" means:

(i) Subject always to subparagraphs (ii) to (iv) below, in relation to:

(a) any claim brought or liability incurred by **tie** or the Indemnified Parties prior to the issue of the Reliability Certificate or within 6 months of the issue of the Reliability Certificate arising from or in connection with Infraco Works (other than Infrastructure Maintenance Services after the Service Commencement Date) carried out prior to the issue of the Reliability Certificate;

(b) latent defects and uncorrected Patent Defects;

(c) any third party claim made against **tie** or the Indemnified Parties for direct loss or damage made after the issue of the Reliability Certificate and arising from or in connection with latent defects;

(d) liabilities owed by the Infraco connected with liquidated damages outstanding from settlement of final account after Service Commencement;

twenty percent (20%) of the Construction Works Price (including, the value of any **tie** Changes arising from Clause 80 (*tie Changes*), Notified Departures, extensions to the Edinburgh Tram Network instructed through Clause 81 (*Infraco Changes*), Clause 85 (*Phase 1b*) or Clause 86 (*Network Expansions*) (the "**Construction Cap**"), subject to (A) in the case of any liability arising solely from the breach of contract or negligent acts or omissions of the SDS Provider, the SDS Liability Cap; and (B) in the case of any liability arising under (c) above, nine million pounds (£9,000,000);

(ii) subject to sub-paragraphs (iii) and (iv), in respect of claims brought against or liabilities incurred by **tie** or the Indemnified Parties to which paragraph (i) above does not apply, an amount of three million, five hundred thousand pounds (£3,5000,000) (in relation to Phase 1a), or the Maintenance Cap, whichever is lower;

(iii) In relation to liability arising solely from any act or omission of the Tram Supplier, an amount when aggregated with all previous claims equal to twenty percent (20%) of the Aggregate Tram Price and (excluding the proceeds of all insurance, bonds and cash securities) as defined in the Tram Supply Agreement, such liability to be treated as outside the Construction Cap;

CEC02083845_0014

(iv) In relation to liability arising from any act or omission of the Tram Maintainer , an aggregate amount of eighteen and one half percent (18.5%) of the aggregate Maximum Performance Payment over the Term of and as defined in the Tram Maintenance Agreement and annually twenty two and one half percent (22.5%) of the aggregate Maximum Performance Payment as defined in the Tram Maintenance Agreement of the Tram Maintenance Services, (in both cases excluding the proceeds of any insurance, bonds and cash securities) such liability to be treated as outside the Maintenance Cap;

AGREEMENT

BETWEEN

(1) **BILFINGER BERGER UK LIMITED**, a company incorporated in England and Wales under number 02418086 and having its registered office at 150 Aldersgate Street, London, EC1A 4EJ, which expression shall include its successors, permitted assignees and transferees and **SIEMENS PLC**, a company incorporated in England and Wales under number 00727817 and having its registered office at Faraday House, Sir William Siemens House, Frimley, Camberley, Surrey, GU16 8QD, which expression shall include its successors, permitted assignees and transferees, ("**Tram Contractor**"); and

(2) **EDINBURGH AIRPORT LIMITED**, (company number SC096623) whose registered office is at St Andrew's Drive, Glasgow Airport, Paisley PA3 2SW ("**Beneficiary**" or "**EAL**" as appropriate) which expression shall include its successors and permitted assignees.

BACKGROUND

A By an agreement in writing dated 14 May 2008 ("**Tram Main Works Agreement**"), **tie** Limited (as hereinafter defined) appointed the Tram Contractor to provide the Works (as hereinafter defined) in connection with the Edinburgh Tram Project.

B It is a term of the Tram Main Works Agreement that the Tram Contractor shall enter into this Agreement with the Beneficiary.

IT IS AGREED as follows:

1. DEFINITIONS AND INTERPRETATION

In this Agreement:

1.1 the following words and expressions have the following meanings, unless the context requires otherwise:

"**Act**" means the Edinburgh Tram (Line Two) Act 2006;

"**Agreement**" means this document (as amended from time to time pursuant to clause 11);

CEC02083851_0003

"**Deliverables**" means all documents, information, reports, diagrams, pricing schedules, records, method statements, risk assessments, manuals, schedules, databases, reinforcement details, photographs, formulae, plans, designs, specifications, drawings (including as-built drawings), details, calculations, analysis, operation and maintenance manuals, software, data, data configuration designs, tools and details, software protocols, source and object codes, transport and other models and simulations, the outputs and reports based on any models, programmes and all other material created and/or provided by the Tram Contractor (and/or any Tram Contractor Party or any other third party) in relation to the Tram Main Works Agreement required to deliver the Works;

"**Edinburgh Tram Project**" means the project to construct and operate the Authorised Tramway (as defined in the Act);

"**Good Industry Practice**" means using standards, practices, methods and procedures conforming to law and exercising that degree of skill, care, diligence, prudence and foresight that would reasonably be expected from a large, reputable, professionally qualified, competent and skilled organisation experienced in carrying out activities of a similar nature, scope and complexity to those comprised in the Works, and seeking in good faith to comply with its contractual obligations and all duties owed by it;

"**Intellectual Property Rights**" means any rights in or to any patent, design right, utility model, trade mark, brand name, service mark, trade name, business name, logo, invention (whether registered or unregistered), domain name, semi-conductor right, topography right, software designs and/or other materials, source code, copyright, moral right, know-how, or rights in databases and any other rights in respect of any industrial or intellectual property, whether capable of being registered or not, including all rights to apply for any of the foregoing rights or for an extension, revival or renewal of any of the foregoing rights and any similar or analogous rights to any of the above, whether arising or granted under the law of Scotland or of any other jurisdiction;

"**Liability Cap**" means as defined under the Tram Main Works Agreement;

"**Party**" means each and any of the parties to this Agreement and "**Parties**" shall be construed accordingly;

"**Project IPR**" means any Intellectual Property Rights arising out of, used in or created to implement the Works and to produce Deliverables (including the Specially Written Software, any asset management system and/or Works programming system) and for the extension of the Edinburgh Tram Network in accordance with the Tram Main Works Agreement but excluding any Tram Contractor IPR contained in the Deliverables;

CEC02083851_0004

"**Site**" means those areas of ground at Edinburgh Airport used (with the consent of EAL) in connection with the Works;

"**Required Insurances**" means the Required Insurances required under the Tram Main Works Agreement, which shall include professional indemnity insurance of not less than £10,000,000.00 on an each and every claim basis and in the aggregate during each twelve month period of insurance (subject to one reinstatement of the limit of indemnity for each twelve month period of insurance in the case of Bilfinger Berger UK Limited) so long as such professional indemnity insurance may be obtained in the European Union insurance market at commercially reasonable rates and on commercially reasonable terms to contractors of the same status as at the effective date of the Tram Contractor;

"**Statutory Requirements**" means all general or local Acts of Parliament and the regulations and Bye-laws of any local or other statutory authority which may be applicable to the Works, together with any accompanying code of practice or guidance, and the rules and regulations of all public bodies and companies whose property or rights are or may be affected in any way by the Works;

"**tie Limited**" means **tie** Limited, incorporated under the Companies Acts (Company Number SC230949) in Scotland and having its registered office at City Chambers, High Street, Edinburgh, EH1 1YJ;

"**Tram Contractor IPR**" means:

(a) all Intellectual Property Rights in the Deliverables (including Intellectual Property Rights in relation to the Infraco Software) which were already existing and owned by, or licensed to, the Tram Contractor and/or the Tram Contractor Parties prior to the Effective Date;

(b) any modifications or developments of any of the Intellectual Property Rights referred to in paragraph (a) above which are generic in nature and not specific to the carrying out of the Works; and

(c) all Intellectual Property Rights in tram signalling systems, communications systems, SCADA systems and system integration programmes, methodologies or software

in all cases excluding:

(A) all Intellectual Property Rights (including Intellectual Property Rights in relation to programs owned by the Tram Supplier and/or the Tram Maintainer) which the Tram Supplier and/or the Tram Maintainer can demonstrate by documentary evidence were

CEC02083851_0005

already existing and owned by, or licensed to, the Tram Supplier and/or the Tram Maintainer prior to the 13 May 2008 including, without limitation, any asset management system and/or works programming system operated by the Tram Supplier and/or the Tram Maintainer;

(B) all Intellectual Property Rights:

(i) created in the performance of the Tram Supply Obligations relating to the aesthetic and ergonomic detailed design and which are specific in nature to the performance of the Tram Supply Obligations; and/or

(ii) created in the performance of the Tram Maintenance Services which are specific in nature to the performance of the Tram Maintenance Services including any asset management system and/or works planning or programming system created by the Tram Maintainer in connection with the performance of the Tram Maintenance Services; and

(C) any modifications or developments of any of the Intellectual Property Rights referred to in paragraph (A) above which are generic in nature;

"**Tram Contractor Party**" means an Infraco Party as defined under the Tram Main Works Agreement; and

"**Works**" means any works authorised by the Act on or affecting the Site and to be undertaken by the Tram Contractor under the Tram Main Works Agreement; and

1.2 unless the context requires otherwise:

1.2.1 words importing:

1.2.1.1 the singular include the plural and vice versa; and

1.2.1.2 one gender include all other genders.

1.2.2 a reference to:

1.2.2.1 persons includes firms, companies, corporations, partnerships, trusts, authorities and other incorporated and/or unincorporated bodies; and

1.2.2.2 a clause is a reference to a clause in this Agreement.

1.3 The list of contents and clause headings in this Agreement are included for convenience only and do not affect its interpretation.

CEC02083851_0006

1.4 Where a party comprises two or more persons:

1.4.1 any obligations on the part of that party contained or implied in this agreement are deemed to be joint and several obligations on the part of those persons; and

1.4.2 references to that party shall include references to each and any of those persons.

1.5 Any capitalised terms not defined above shall have the meaning accorded to them pursuant to the Tram Main Works Agreement.

2. STANDARD OF CARE

2.1 The Tram Contractor warrants and undertakes to the Beneficiary that it has carried out and shall carry out the Works and its other duties and obligations under the Tram Main Works Agreement subject to and in accordance with the terms thereof.

2.2 In addition to and without derogation from clause 2.1, the Tram Contractor warrants to the Beneficiary that:

2.2.1 in the performance of the Works and its other obligations under the Tram Main Works Agreement it shall exercise a reasonable level of professional skill, care and diligence to be expected of a properly qualified and competent contractor experienced in carrying out works and services similar to the Works in connection with projects of a similar size, scope and complexity;

2.2.2 any design produced by the Tram Contractor will satisfy in every respect any relevant performance specification or any requirement included or referred to in the Tram Main Works Agreement and will be suitable in every respect for the purposes included in the Tram Main Works Agreement; and

2.2.3 any design produced by the Tram Contractor will fully comply with Statutory Requirements.

2.3 The Tram Contractor shall owe a duty of care to the Beneficiary in carrying out its duties and obligations under the Tram Main Works Agreement.

3. MATERIALS

3.1 The Tram Contractor warrants to the Beneficiary that it has not and shall not use in relation to the Works any materials which at the time of use:

3.1.1 are known to be deleterious in the particular circumstances in which they are used (either to health and safety or to the durability of the Works); or

CEC02083851_0007

3.1.2 contravene any relevant standard or code of practice issued from time to time by the BSI Group or under a European directive relating to standards; or

3.1.3 do not accord with the guidelines contained in the edition of the publication "Good Practice in Selection of Construction Materials" (Ove Arup & Partners) current at the date of specification of use; or

3.1.4 contravene Good Industry Practice.

4. COPYRIGIIT LICENCE

4.1 The Beneficiary and the Tram Contractor acknowledge that under the terms of the Tram Main Works Agreement, the Tram Contractor has assigned to **tie** Limited, with full title guarantee the Project IPR which is created by the Tram Contractor and used by it to carry out its obligations under the Tram Main Works Agreement.

4.2 The Beneficiary and the Tram Contractor acknowledge that under the terms of the Tram Main Works Agreement the Tram Contractor has granted to **tie** Limited a non-exclusive perpetual irrevocable royalty free licence to use such Tram Contractor IPR which is contained in the Deliverables as may be necessary for **tie** Limited to use in relation to the Works and the Maintenance Services and any extension of the Edinburgh Tram Network and undertakes to procure for **tie** Limited a licence on the same terms as above in respect of any Project IPR created by the Tram Contractor Parties.

4.3 The Beneficiary and the Tram Contractor acknowledge that under the terms of the Tram Main Works Agreement the Tram Contractor grants to **tie** Limited, with the prior written consent of the Tram Contractor such consent not to be unreasonably withheld, the right to grant non-exclusive non-assignable sub-licences to third parties for such periods of time as **tie** Limited may reasonably require and otherwise on the same terms as the licence granted to **tie** Limited as described in Clause 4.2 above, to use the Tram Contractor IPR referred to in Clause 4.2 (other than in relation to Third Party Software and commercially available software which is subject to the provisions of Clause 102.9 of the Tram Main Works Agreement) in so far as is necessary or desirable for such third party to use such Tram Contractor IPR in relation to the Works for the Edinburgh Tram Network, the Maintenance Services and any extension of the Edinburgh Tram Network. The Tram Contractor hereby consents to the grant of such non-exclusive non-assignable sub-licence by **tie** Limited to the Beneficiary if **tie** Limited so requires for the period of time as **tie** Limited may reasonably require.

CEC02083851_0008

4.4 The Tram Contractor shall, if so requested at any time, execute such documents and perform such acts as may be required fully and effectively to assure to the Beneficiary the rights referred to in this Clause 4.

4.5 The Tram Contractor shall provide to the Beneficiary (at the Beneficiary's cost) a copy of any of the Deliverables as soon as reasonably practicable after receipt by the Tram Contractor of a written request from the Beneficiary to do so.

5. REQUIRED INSURANCES

5.1 The Tram Contractor undertakes that:

5.1.1 cover under the Required Insurances (and the Additional Insurances, if any) is extended to include the Tram Contractor's liabilities under this Agreement, to the extent that the Tram Contractor is obliged to maintain such insurances under the Tram Main Works Agreement;

5.1.2 this Agreement has been disclosed to the Tram Contractor's current insurers or brokers (as the case may be) and shall be disclosed to any future insurers or brokers providing the insurance required by this Agreement; and

5.1.3 the Tram Contractor shall abide by the terms and conditions of the Required Insurances and the OCIP Insurances and shall use all reasonable endeavours not to do or omit to do anything that might prejudice the respective cover or rights to make a claim.

5.2 As and when reasonably required by the Beneficiary, the Tram Contractor shall produce for inspection documentary evidence that such insurance is being properly maintained.

5.3 If the insurer makes or attempts to make any material alteration or purports to withdraw the Tram Contractor's cover under the Required Insurances or the Additional Insurances (if any), or if the Tram Contractor is unable to obtain insurance for any other reason whatsoever, the Tram Contractor shall promptly give notice of this to the Beneficiary.

6. ASSIGNATION

6.1 The Tram Contractor shall not assign, novate or otherwise transfer the whole or any part of this Agreement without the prior written agreement of the Beneficiary which will not be unreasonably withheld or delayed in respect of:

CEC02083851_0009

6.1.1 an assignation, novation or transfer of the whole of this Agreement to any person to which the whole of the Tram Main Works Agreement has been assigned, novated or otherwise transferred; or

6.1.2 an assignation, novation or transfer of any part of this Agreement to any person to which the relevant and equivalent part of the Tram Main Works Agreement has been assigned, novated or otherwise transferred.

6.2 Subject to notice being served on the Tram Contractor and on **tie** Limited, the Beneficiary shall be entitled to assign, novate or otherwise transfer the whole or any part of this Agreement:

6.2.1 without the consent of the Tram Contractor to any person provided that no more than two such assignations will be permitted. Any assignations by the Beneficiary to a subsidiary or associated company of the Beneficiary or a member of the same group of companies will not count as an assignation;

6.2.2 with the prior written consent of the Tram Contractor (such consent not to be unreasonably withheld or delayed).

6.3 The Tram Contractor undertakes to the Beneficiary not to contend in any court proceedings under this Agreement that any person to whom the Beneficiary assigns or has assigned its rights under this Agreement or any of them in accordance with the foregoing provisions of this Clause 6 is to be precluded from recovering any loss resulting from any breach of this Agreement (whenever happening) by reason that such person is an assignee and not the original contracting party under this Agreement or by reason that the Beneficiary is named under this Agreement or any intermediate assignee of the Beneficiary escaped loss resulting from such breach by reason of the disposal of its interest in the same.

7. LIABILITY OF THE TRAM CONTRACTOR

7.1 No provision of this Agreement is intended to exclude any obligation or liability which would otherwise be implied whether by the law of contract, delict or otherwise.

7.2 The responsibility of the Tram Contractor under this Agreement is not to be reduced or in any way released or limited by any enquiry or inspection by or on behalf of any person notwithstanding that such enquiry or inspection may give rise to a claim by the Beneficiary against a third party.

CEC02083851_0010

7.3 The rights and benefits conferred upon the Beneficiary by this Agreement are in addition to any other rights and remedies that the Beneficiary may have against the Tram Contractor including (without prejudice to the generality of the foregoing) any remedies in delict.

7.4 Subject to the other provisions of this Agreement, the liability of the Tram Contractor to the Beneficiary is to be determined in all respects in accordance with the terms of the Tram Main Works Agreement and, in the event of any claim by the Beneficiary under this Agreement, the Tram Contractor shall be entitled to rely upon any defence, right, limitation or exclusion under the Tram Main Works Agreement as though the Beneficiary were named as **tie** Limited under it, except that:

7.4.1 the Beneficiary shall not be affected by any subsequent variation of the Tram Main Works Agreement which would adversely affect the obligations owed by the Tram Contractor or the waiver, compromise or withdrawal of any claim made by **tie** Limited; and

7.4.2 the Tram Contractor shall not be entitled to exercise any right of set-off, retention or withholding against the Beneficiary to which the Tram Contractor may be entitled against **tie** Limited.

7.5 The Tram Contractor shall not be liable to the Beneficiary for any delay in achieving the issue of any Certificate of Sectional Completion, Milestone Completion Certificate, the Network Certificate, Certificate of Tram Commissioning, the Certificate of Service Commencement and/or the Reliability Certificate.

7.6 Without prejudice to Clause 7.4:

7.6.1 the Beneficiary acknowledges and agrees that the Tram Contractor shall have no liability to the Beneficiary under this Agreement to the extent that such liability would result in the total aggregate liability of the Tram Contractor in connection with the Edinburgh Tram Network exceeding the relevant Liability Cap; and

7.6.2 the Tram Contractor shall have no liability to the Beneficiary under this Agreement in respect of any latent defects in the Works following expiry of the period of 12 years from the earlier to occur of the date of issue of the Reliability Certificate and the date of termination of the Tram Main Works Agreement.

CEC02083851_0011

8. NOTICES

8.1 Any notice required to be given under this Agreement is to be hand delivered or sent by prepaid registered or recorded delivery post to the party concerned at its address set out in this Agreement or to such other addresses as may be notified by such party for the purposes of this clause.

8.2 Any notice given pursuant to this Clause, if sent by recorded delivery, shall be deemed to have been received upon proof of delivery.

9. RIGHTS OF THIRD PARTIES

9.1 A person who is not a party to this Agreement shall have no right to enforce any term of this Agreement.

10. INVALID TERMS

10.1 If any term of this Agreement shall be held to any extent to be invalid, unlawful or unenforceable:

10.1.1 that term shall to that extent be deemed not to form part of this Agreement; and

10.1.2 the validity and enforceability of the remainder of this Agreement shall not be affected.

11. VARIATIONS AND WAIVERS TO BE IN WRITING

11.1 No variation, alteration or waiver of any of the provisions of this Agreement shall be effective unless it is in writing and signed by or on behalf of the Party against which the enforcement of such variation, alteration or waiver is sought.

12. WAIVER

12.1 Save where expressly stated, no failure or delay by either Party to exercise any right or remedy in connection with this Agreement shall operate as a waiver of it or of any other right or remedy nor shall any single or partial exercise preclude any further exercise of the same, or of some other right or remedy. A waiver of any breach of this Agreement shall not be deemed to be a waiver of any subsequent breach.

12.2 The Parties' rights and remedies under this Agreement are, except where provided otherwise in this Agreement, independent, cumulative and do not operate to exclude one another or any rights or remedies provided by law.

CEC02083851_0012

13. JURISDICTION AND LAW

13.1 This Agreement is governed by and is to be construed according to Scots law and the Scottish courts shall have jurisdiction in relation to all matters arising under it.

(1) BILFINGER BERGER UK LIMITED
AND SIEMENS PLC
(TOGETHER THE "INFRACO")

- and -

(2) NETWORK RAIL INFRASTRUCTURE LIMITED

COLLATERAL WARRANTY IN FAVOUR OF NETWORK RAIL INFRASTRUCTURE LIMITED FROM INFRACO

relating to

THE PROVISION OF THE INFRACO WORKS FOR THE EDINBURGH TRAM NETWORK

THIS AGREEMENT

BETWEEN:

(1) **INFRACO** comprising of **BILFINGER BERGER UK LIMITED**, a company incorporated in England and Wales under number 02418086 and having its registered office at 150 Aldersgate Street, London, EC1A 4EJ, and **SIEMENS PLC**, a company incorporated in England and Wales under number 00727817 and having its registered office at Faraday House, Sir Williams Siemens House, Frimley, Camberley, Surrey, GU16 8QD (the "**Infraco**"); and

(2) **NETWORK RAIL INFRASTRUCTURE LIMITED** registered in England and Wales under company number 2904587 and having its registered office at 40 Melton Street, London NW1 2EE ("**Beneficiary**").

WHEREAS:

A By an agreement in writing dated 14 May 2008 (the "**Infraco Contract**"), **tie** Limited ("**tie**") appointed the Infraco to provide the Infraco Works (as hereinafter defined) in connection with the Edinburgh Tram Network.

B By an agreement in writing dated 13 and 14 March 2008 (the "**APA**"), **tie** agreed with Network Rail to ensure that certain additional terms would apply in respect of the Infraco APA Works (as hereinafter defined) in connection with the Edinburgh Tram Network.

C It is a term of the APA and the Infraco Contract that the Infraco shall enter into this Agreement with Network Rail.

NOW IT IS AGREED AS FOLLOWS:

1. DEFINITIONS AND INTERPRETATION

1.1 In this Agreement (including the recitals), except where the context otherwise requires, the following words and expressions shall have the following meanings:

"**Edinburgh Tram Network**" means the tramway which is to be designed, constructed and maintained in Edinburgh pursuant to the Infraco Contract in Phase 1a (forming part of Line One and Line Two as described in the Tram Legislation) and, if the Phase 1b option set out in the Infraco Contract is exercised, Phase 1b, or either of them (as may be amended from time to time together with any modification, line extension, spur, interconnection and any additional line which may be instructed), to

CEC02083852_0002

be constructed in accordance with the Tram Legislation together with all associated works and facilities including all civil engineering and track works, Trams, infrastructure, plant, machinery and equipment installed or used for such tramway;

"**Infraco APA Works**" means that part of the works and services to be undertaken by the Infraco under the Infraco Contract which constitute the 'Works' as defined in the APA;

"**Infraco Works**" means the works and services to be undertaken by the Infraco under the Infraco Contract for the purpose of the Edinburgh Tram Network;

"**Party**" means each and any of the parties to this Agreement and Parties shall be construed accordingly;

"**Phase 1a**" means Edinburgh Airport to Newhaven (inclusive), together with the Depot at Gogar and the spur at Roseburn Junction;

"**Phase 1b**" means Roseburn Junction to Granton Square (inclusive);

"**Trams**" means the tram vehicles to be provided for operation on the Edinburgh Tram Network;and

"**Tram Legislation**" means the Edinburgh Tram (Line One) Act 2006 and the Edinburgh Tram (Line Two) Act 2006, and such other legislation relative to the Edinburgh Tram Network as may be enacted from time to time.

1.2 In this Agreement unless the context otherwise requires:

1.2.1 words importing any gender include every gender;

1.2.2 words importing the singular number only include the plural number and *vice versa*;

1.2.3 words importing persons include firms, companies and corporations and *vice versa*;

1.2.4 any reference to any statute (whether or not specifically named) shall include any statutory modification or re-enactment of it for the time being in force and any order, instrument, plan, regulation, permission and direction made or issued under it or under any statute replaced by it or deriving validity from it;

CEC02083852_0003

1.2.5 references to Clauses are references to the relevant Clause in this Agreement;

1.2.6 the words "include" and "including" are to be construed without limitation;

1.2.7 where any obligation is undertaken by two or more persons jointly those persons shall be jointly and severally liable in respect of that obligation (and each of Bilfinger Berger UK Limited and Siemens PLC acknowledge and agree that in enforcing performance of the Infraco's obligations under this Agreement or in taking action for breach of such obligations, the Beneficiary shall be entitled to raise proceedings or raise an action against Bilfinger Berger UK Limited and Siemens PLC or either of them jointly and/or severally); and

1.2.8 the headings to the Clauses are for convenience only and shall not affect the interpretation of this Agreement.

2. THE INFRACO'S OBLIGATIONS

2.1 The Infraco warrants and undertakes to the Beneficiary:

2.1.1 that in performing the Infraco APA Works it has exercised and will continue to exercise all the skill, care and diligence to be reasonably expected of an appropriately qualified and competent contractor which is experienced in carrying out projects of a similar, scope, nature, complexity and size to the Works;

2.1.2 that it has complied with and will comply with each and all of the obligations, duties and undertakings of the Infraco in relation to the Infraco APA Works under and pursuant to the Infraco Contract;

2.1.3 that it has exercised and will exercise the level of skill, care and diligence specified in clause 2.1.1 to see that on completion the Infraco APA Works will satisfy all performance specifications and requirements contained or referred to in the APA and the Infraco Contract; and

2.1.4 that the Beneficiary shall be deemed to have relied upon the Infraco's skill and judgment in respect of those matters relating to the Infraco APA Works as lie within the scope of the Infraco Contract and that the Infraco owes a duty of care in respect thereof to the Beneficiary (but not more onerous than that owed to **tie** under the Infraco Contract).

CEC02083852_0004

3. LIABILITY

3.1 No approvals, comments, instructions, consents, attendance at meetings relating to the Infraco APA Works or advices from the Beneficiary shall in any way relieve the Infraco from its obligations under this Agreement.

3.2 Notwithstanding anything that may be contained elsewhere in this Agreement, the Infraco shall have no greater liability (whether in quantum or in scope) to the Beneficiary than it would have had if the Beneficiary had been named as joint employer under the Infraco Contract (for the purposes of the Infraco APA Works only) provided that, in relying on this clause, the Infraco shall not be entitled to rely on any provision of the Infraco Contract which has not been disclosed to the Beneficiary prior to the Works Commencement Date (as defined in the APA).

3.3 The Infraco shall be entitled in any action or proceedings by the Beneficiary to rely on any limitation in the Infraco Contract and to raise the equivalent rights in defence of liability (except set-off and counterclaim) as it would have against **tie** under the Infraco Contract (but only to the extent that the provisions in the Infraco Contract which are relied on for such purposes have been disclosed to the Beneficiary prior to the Works Commencement Date (as defined in the APA)); Provided that the liability of the Infraco to the Beneficiary for any breach of the terms of this Agreement shall not be affected or diminished where **tie** have suffered no loss, or a loss different from the Beneficiary, by reason of such breach. The Infraco undertakes to the Beneficiary not to contend that its liability to the Beneficiary is so affected or diminished, whether in defence of proceedings under this Agreement or otherwise.

3.4 No action or proceedings for any breach of this Agreement shall be commenced against the Infraco after the expiry of 12 years from the date of practical completion of the Infraco APA Works.

3.5 The Infraco shall not be liable to the Beneficiary (save as may be expressly provided under the Infraco Contract) for any delay in completing the Infraco APA Works.

4. INSURANCE

4.1 Except to the extent that **tie** have effected and maintained owner-controlled insurance in respect of the Infraco APA Works, the Infraco has either:

4.1.1 effected and will maintain professional indemnity insurance of not less than £5million to cover any one claim and in the aggregate during one period of

CEC02083852_0005

insurance (which period shall not be more than one year) against the Infraco for any negligent act, error or omission in the carrying out of the Infraco APA Works for a period of 12 years from the date of the issue of the certificate of practical completion of the Works, provided that such insurance continues to be generally available in the insurance market on commercially reasonable terms; or

4.1.2 has a credit rating of no less than BBB by Standard and Poor's or the equivalent.

4.2 As and when reasonably requested to do so by the Beneficiary, the Infraco shall provide evidence to the reasonable satisfaction of the Beneficiary that the insurances referred to in this Clause are being maintained in accordance with the provisions of this Clause or that the credit rating of the Infraco remains equal to or greater than BBB rating by Standard and Poor's or the equivalent.

5. NOTICES

Any notices to be given under this Agreement shall be either delivered personally or sent by first class recorded delivery post. The address for service of the Beneficiary and of the Infraco shall be as stated in this Agreement or such other address for service as the party to be served may have previously notified in writing to the other party. A notice shall be deemed to have been served as follows:

5.1 if personally delivered, at the time of delivery; or

5.2 if posted, at the expiration of 48 hours after the envelope containing the same was delivered into the custody of the postal authorities.

In proving such service, it shall be sufficient to prove that personal delivery was made or that the envelope containing such notice was properly addressed and delivered into the custody of the postal authorities as a pre-paid first class recorded delivery letter.

6. GENERAL

6.1 The Infraco shall have no claim whatsoever against the Beneficiary in respect of any damage, loss or expense howsoever arising out of or in connection with the Infraco Contract or any amounts due to the Infraco thereunder.

6.2 Subject to written notice being served on the Infraco, the Beneficiary may assign the whole or any part of this Agreement on a maximum of two occasions without the consent of the Infraco and no further assignations shall be permitted. The whole or

CEC02083852_0006

any part of this Agreement may also be assigned by way of security or charged without the consent of the Infraco to any mortgagee of the Beneficiary or its assignees on any number of occasions.

6.3 Nothing in this Agreement confers or purports to confer on a third party who is not a Party to this Agreement any benefits or rights to enforce a term of this Agreement.

6.4 If for any reason any Clause in this Agreement shall be found to be ineffective inoperable or unenforceable, it shall be severed and deemed to be deleted from this Agreement and in such event the remaining provisions of this Agreement shall continue to have full force and effect.

6.5 This Agreement shall be governed by and construed in accordance with the Scots law and any dispute or difference concerned with its terms shall be referred to the non-exclusive jurisdiction of the Scottish Courts.

THIS IS SCHEDULE PART 9 REFERRED TO IN THE FOREGOING AGREEMENT BETWEEN TIE AND THE INFRACO

SCHEDULE PART 9

DISPUTE RESOLUTION PROCEDURE

1. The Parties agree that this Schedule Part 9 (*Dispute Resolution Procedure*) shall have effect for the resolution of any Dispute.

2. Subject to paragraph 15 hereof, any Dispute shall, in the first instance, be referred to the Internal Resolution Procedure in accordance with paragraph 9.

3. Neither Party shall commence any court proceedings until the procedures in paragraphs 9 to 54 have been completed, under exception that the provisions of this Schedule Part 9 (*Dispute Resolution Procedure*) shall not apply so as to prevent either Party seeking an interim order, or interim relief, in the Scottish courts.

4. In the event that any court proceedings whatsoever are initiated by either Party against the other, the Parties agree that the Court of Session, Scotland, shall have exclusive jurisdiction.

5. Neither Party shall be entitled to suspend the performance of its undisputed obligations under this Agreement merely by reason of the reference of any Dispute to the Dispute Resolution Procedure contained in this Schedule Part 9 (*Dispute Resolution Procedure*).

6. Subject to **tie's** and the Infraco's discretionary rights set out in paragraphs 55 to paragraph 71 to require that a Dispute and a Related Dispute (as defined in paragraph 55) be dealt with together at an appropriate stage of the Dispute Resolution Procedure, the provisions of this Schedule Part 9 (*Dispute Resolution Procedure*) are mandatory and binding upon the Parties. For the avoidance of doubt nothing in this Schedule Part 9 shall be intended to disapply section 80(2) and 79(2) of the Edinburgh Tram (Line One) Act 2006 and the Edinburgh Tram (Line Two) Act 2006 (together the "**Tram Acts**") respectively.

7. Except in relation to the matters provided for in paragraphs 14 to 54 and subject to the provisions of paragraph 8, in the event that either Party following the referral of any Dispute pursues such Dispute under the Dispute Resolution Procedure, and in the event that such Party fails to observe any time limit or timescale provided for in this Schedule Part 9 (*Dispute Resolution Procedure*) in relation to the pursuit or progression of such Dispute, such Party shall, upon such failure occurring and upon the expiry of 90 days following written notification from the other Party requiring the first Party to pursue the Dispute Resolution Procedure, be deemed to have irrevocably waived any right to pursue or progress such Dispute any further. In that event, such Party shall be deemed to have elected not to have referred such Dispute or to have withdrawn such Dispute from the Dispute Resolution Procedure and

shall be deemed to have irrevocably waived any right to refer any Dispute arising from the same or substantially the same Dispute or similar circumstances to the Dispute Resolution Procedure and shall be liable for payment of the whole fees incurred by any mediator or adjudicator who has acted in respect of such Dispute. This paragraph 7 is without prejudice to the rights of either Party to raise in defence to any Dispute any defence (including, without prejudice to the foregoing generality, any defence of retention, compensation or set-off) which would otherwise be available to it.

8. Notwithstanding the provisions of paragraph 7, in the event that a Party who pursues any Dispute under the Dispute Resolution Procedure fails to observe any time limit or timescale provided for in this Schedule Part 9 (*Dispute Resolution Procedure*) in relation to the pursuit or progression of the Dispute or fails to take action following a notification from the other Party pursuant to paragraph 7 above, the other Party may elect to waive such failure, in which event the time limit or timescale to which such failure relates shall be extended at the discretion of such other Party and the Dispute shall progress in accordance with the Dispute Resolution Procedure, subject that all other time limits and timescales provided for in this Schedule Part 9 (*Dispute Resolution Procedure*) which are affected by such extension shall be deemed to have been extended to give effect to such extension of the time limit or timescale to which such failure relates.

Internal Resolution Procedure

9. The following procedure is the Internal Resolution Procedure referred to in paragraph 2:

9.1 In the event of any Dispute arising, the Infraco's Representative and **tie's** Representative shall seek to resolve the Dispute at a meeting to be convened within three Business Days of written notification by either Party to the other that it wishes to initiate the Internal Resolution Procedure in respect of that Dispute ("**Notification**"). Such Notification shall be given in accordance with the provisions of Clause 111 (*Notices*) of this Agreement.

9.2 If following the meeting referred to in paragraph 9.1, the Dispute is not resolved or in the event that a meeting has not been convened within 3 Business Days pursuant to paragraph 9.1, each Party shall, before the expiry of the period of seven Business Days from Notification, serve, in accordance with the provisions of Clause 111 (*Notices*) of this Agreement, a written position paper ("**Position Paper**") upon the other Party. Each Party's Position Paper shall state in reasonable detail that Party's position and required objectives in relation to the Dispute; any required redress, and, where possible, any comments on the other Party's position.

9.3 Upon such service of a Position Paper by the Party initiating or pursuing the Dispute, the Chief Executive (or equivalent) of the Infraco and the Chief Executive (or equivalent) of **tie** (or their respective deputies in the event of their unavailability) shall seek to resolve the Dispute by meeting in good faith to discuss and negotiate upon the Dispute without recourse to legal or other proceedings.

9.4 In the event that resolution of the Dispute is achieved by the Chief Executive (or equivalent) of the Infraco and the Chief Executive (or equivalent) of **tie**, the resolution shall be reduced to writing and, once it is signed by the duly authorised representatives of both Parties, shall be binding on the Parties.

9.5 Unless concluded by a written legally binding agreement, all discussions and negotiations connected with the Dispute shall be conducted in confidence and without prejudice to the rights of the Parties in any future legal or other proceedings. Nor may such matters be produced or relied upon in evidence in any such proceedings.

10. In the event that any Dispute is not resolved by the Internal Resolution Procedure within a period of twenty Business Days from Notification (or longer if so agreed by the Parties) then the following provisions of this paragraph 10 shall apply;

10.1 The Chief Executive (or equivalent) of the Infraco and the Chief Executive (or equivalent) of **tie** (or their respective deputies in the event of their unavailability) shall, within a further period of five Business Days, seek to agree that the Dispute shall be resolved by any one of the following procedures:

10.1.1 mediation in accordance with paragraphs 11 to 13; or

10.1.2 adjudication in accordance with paragraphs 14 to 54; or

10.1.3 litigation before the Court of Session, Scotland, in which event the Summons in any such litigation shall be signeted and served within ten Business Days of the date of expiry of the period of 60 Business Days following the conclusion of the internal resolution procedure under paragraphs 9 and 10.

In the event that the Chief Executive (or equivalent) of the Infraco and the Chief Executive (or equivalent) of **tie** (or their respective deputies in the event of their unavailability) are unable to agree that the Dispute be resolved by one of the procedures described in paragraphs 10.1.1, 10.1.2 or 10.1.3, the Party initiating or pursuing the Dispute may refer the Dispute to mediation (and thereafter adjudication, if necessary) in accordance with paragraphs 11 to 13 or in the case of a Related

Dispute conjoined by either Party pursuant to paragraph 55 or where a Related Dispute has already been referred to the decision of an adjudicator to adjudication in accordance with paragraphs 14 to 54 (without the need first to refer the Dispute to mediation).

Mediation

11. The Parties shall attempt in good faith to resolve the Dispute by a procedure of mediation in accordance with the Centre for Effective Dispute Resolution mediation rules or Model Mediation Procedure in force at the commencement of the mediation, (or in the event that the Centre for Effective Dispute Resolution has ceased to exist as at the time of the commencement of the mediation, mediation rules or a model mediation procedure offered by any other body offering commercial mediation services which shall be selected by agreement between the Parties failing such agreement by the Party referring the Dispute to mediation. In the event that any provision of such mediation rules or model mediation procedure conflicts with any provision of this Schedule Part 9 (*Dispute Resolution Procedure*), the provisions of this Schedule Part 9 (*Dispute Resolution Procedure*) shall take precedence. In the event that any timescales contained in such mediation rules or model mediation procedure conflicts with the timescales referred to in this Schedule Part 9 (*Dispute Resolution Procedure*), the timescales contained in such mediation rules or model mediation procedure shall be amended accordingly, such that the timescales referred to in this Schedule Part 9 (*Dispute Resolution Procedure*) shall be adhered to.

12. In the event that resolution of the Dispute is achieved in consequence of such mediation procedure, such agreed resolution shall be recorded in writing and, once it is signed by the duly authorised representatives of both Parties, shall be binding on the Parties. Unless concluded by a written legally binding agreement, all discussions and negotiations (including written submissions made and documents produced in relation thereto) connected with the mediation procedure referred to in paragraph 11 shall be conducted in confidence and without prejudice to the rights of the Parties in any future legal or other proceedings. Nor may such matters be produced or relied upon in evidence in any such proceedings.

13. If any Dispute to which this Schedule Part 9 (*Dispute Resolution Procedure*) relates is not resolved by the mediation procedure referred to in paragraphs 11 and 12 within a period of 30 Business Days from the referral of the Dispute to mediation (or longer if so agreed by the Parties), the mediation procedure shall be terminated and unless the Party initiating or pursuing the Dispute withdraws the Dispute the Dispute shall, within 60 days of the

termination of the mediation procedure be referred to adjudication in accordance with paragraphs 14 to 54.

Adjudication

14. In the event that either Party refers a Dispute to adjudication in terms of paragraph 10.1.2 or 13, or exercises a statutory right available to it under the Housing Grants, Construction and Regeneration Act 1996 to raise adjudication proceedings in relation to "construction operations" (within the meaning ascribed to that term by the Housing Grants, Construction and Regeneration Act 1996) which are not Authorised Works as defined in the Tram Acts, such adjudication shall be conducted in accordance with paragraphs 14 to 54, wherein any reference to "days" is a reference to calendar days.

15. Where a Related Dispute (as defined in paragraph 55) relates or is claimed by the other party to a Related Contract to relate to "construction operations" within the meaning ascribed to that term by the Housing Grants, Construction and Regeneration Act 1996 and where such other party to a Related Contract claims to exercise a statutory right available to it under the Housing Grants, Construction and Regeneration Act 1996, then reference of the Dispute arising under this Agreement to the Internal Resolution Procedure (save as provided regarding the meeting to take place under paragraph 9.1) or to mediation shall not be a precondition to the commencement of adjudication proceedings. In the foregoing circumstances, **tie** or the Infraco shall be entitled to refer a Dispute at any time to adjudication in terms of paragraphs 14 to 54 hereof.

Notice of intention to seek adjudication

16. Either Party may give written notice (the **"Notice of Adjudication"**) of its intention to refer the Dispute to adjudication and the Party giving such notice shall be the "**Referring Party**".

17. The Notice of Adjudication shall be given to the other Party and the Party receiving the Notice of Adjudication shall be the "**Responding Party**".

18. The Notice of Adjudication shall set out briefly:

    18.1 the nature and a brief description of the Dispute and of the parties involved;

    18.2 details of where and when the Dispute has arisen;

    18.3 the nature of the redress which is sought; and

18.4 the names and addresses of the Parties (including the addresses which the Parties have specified for the giving of notices).

19. The adjudicator selected to consider the Dispute shall be selected from one of the panels (**"Panels"**) appointed by the Parties in accordance with the following:

19.1 there shall be three Panels, one in respect of legal matters, ("**Legal Panel**") one in respect of construction and operational matters ("**Construction/Operational Panel**"), and one in respect of financial matters ("**Financial Panel**").

19.2 each Panel shall be comprised of at least four members, who are listed in Schedule Part 10 (*Panels for the Dispute Resolution Procedure*) to the Agreement.

19.3 if any member of a Panel resigns or dies or becomes incapax or ill to the extent of being unable to reasonably discharge his duties as a member of the Panel, a replacement shall be appointed by the Parties as soon as practicable. Any such replacement shall be wholly independent of **tie**, any **tie** Party, TEL, Transport Scotland, the Infraco, any Infraco Party, CEC or any Relevant Authority, any Approval Body, the Tram Supplier, the Tram Maintainer, the MUDFA Contractor or any equipment supplier or any party associated with the Edinburgh Tram Network, and any successor to or subsidiary or parent of any of the aforementioned parties. If the Parties are unable to agree on the identity of such replacement(s), the President or Vice President for the time being of The Chartered Institute of Arbitrators (Scottish Branch) or the Institution of Civil Engineers or the Law Society of Scotland shall appoint such replacement(s) within thirty days of any application for such appointment by either Party.

20. The Referring Party shall at the same time as giving the Notice of Adjudication to the Responding Party, send to each of the members of the relevant Panel a copy of the Notice of Adjudication and a request that each member of the relevant Panel advises both Parties within three days of the date of the Notice of Adjudication as to whether or not he is able and willing to act. The Referring Party shall (acting reasonably) be entitled to select which of the Panels is the relevant Panel in light of the subject matter of the Dispute. The Parties shall attempt to agree within two further days as to which one of the members of the relevant Panel who responded indicating that they are able and willing to act shall be requested to act as adjudicator. In the event that such agreement is reached, the Referring Party shall, within a further period of one day, request the member of the relevant Panel upon whom agreement has been reached to act as adjudicator. In the event that such agreement is not reached, the Responding Party shall, within a further period of two days, select one of the members of the

relevant Panel who responded indicating that they are able and willing to act and the Referring Party shall request that member to act as adjudicator.

21. If no member of the relevant Panel indicates that he is able and willing to act within three days of receiving a request to act as adjudicator, the Referring Party shall request the President or the Vice President for the time being of the Chartered Institute of Arbitrators (Scottish Branch) or the Institution of Civil Engineers or the Law Society of Scotland to select a person to act as adjudicator.

22. Any person appointed, requested or selected to act as adjudicator in accordance with paragraphs 19, 20, 21, 24 and 25 shall be a natural person acting in his personal capacity. A person appointed, requested or selected to act as an adjudicator shall be wholly independent of **tie**, any **tie** Party, TEL, Transport Scotland, the Infraco, any Infraco Party, CEC or any Relevant Authority, any Approvals Body, the SDS Provider, the Tram Supplier, the Tram Maintainer, the MUDFA Contractor, or any equipment supplier or any party associated with the Edinburgh Tram Network, and Infraco Parties and any successor to or subsidiary or parent of any of the aforementioned parties.

23. The requests referred to in paragraphs 20 and 21 shall be accompanied by a copy of the Notice of Adjudication.

24. The Chartered Institute of Arbitrators (Scottish Branch) or the Institution of Civil Engineers or the Law Society of Scotland must communicate the selection of an adjudicator to the Referring Party within three days of receiving a request to do so.

25. If the Chartered Institute of Arbitrators (Scottish Branch) or the Institution of Civil Engineers or the Law Society of Scotland fails to comply with paragraph 24, the Referring Party may:

    25.1 agree with the other Party to the Dispute to request a specified person to act as adjudicator; or

    25.2 request any other adjudicator nominating body to select a person to act as adjudicator. An "adjudicator nominating body" shall mean a body (not being a natural person and not being a Party to the Dispute) which holds itself out publicly as a body which will select an adjudicator when requested to do so by a Referring Party.

26. The person requested to act as adjudicator in accordance with the provisions of paragraph 20 or 21 shall indicate whether or not he is willing to act within two days of receiving the request.

27. Where an adjudicator has been selected and appointed in accordance with paragraphs 19, 20 or 21 within seven days of the date of the Notice of Adjudication, then the Referring Party shall refer the Dispute in writing (the **"Referral"**) to the adjudicator within that seven day period. Where an adjudicator has not been selected within and appointed within seven days of the Notice of Adjudication, then the Referral shall be made immediately upon such selection and appointment. Any failure on the part of the Referring Party to make the Referral within seven days of the date of the Notice of Adjudication shall not invalidate the decision of the adjudicator.

28. The Referral shall be accompanied by copies of, or relevant extracts from the Agreement and such other documents as the Referring Party intends to rely upon.

29. The Referring Party shall, at the same time as he sends to the adjudicator the documents referred to in paragraphs 27 and 28, send copies of those documents to the Responding Party.

30. The adjudicator may, with the consent of the parties to those Disputes, adjudicate at the same time on more than one Dispute under the Agreement.

31. The Parties may agree to extend the period within which the adjudicator may reach a decision in relation to all or any of these Disputes.

32. An adjudicator may resign at any time on giving notice in writing to the Parties.

33. An adjudicator must resign where the Dispute is the same or substantially the same as one which has previously been referred to adjudication, and a decision has been taken in that adjudication.

34. Where an adjudicator ceases to act under paragraph 32 or 33, or dies or becomes incapax or ill to the extent of being unable to reasonably discharge his duties:

    34.1 the Referring Party may serve a fresh notice in accordance with paragraphs 16 to 18 and shall in accordance with paragraphs 19 to 29 request an adjudicator to act; and

    34.2 if requested by the new adjudicator, the Parties shall supply him with copies of all documents which they had made available to the previous adjudicator.

35. The Parties to a Dispute may at any time agree to revoke the appointment of the adjudicator and in such circumstances the fees and expenses of that adjudicator shall, subject to paragraph 36, be determined and payable in accordance with paragraphs 52 and 53.

36. Where the revocation of the appointment of the adjudicator is due to the default or misconduct of the adjudicator, the Parties shall not be liable to pay the adjudicator's fees and expenses.

Powers of the Adjudicator

37. The adjudicator shall:

37.1 act impartially in carrying out his duties and shall do so in accordance with any relevant terms of the Agreement and shall reach his decision in accordance with Scots law; and

37.2 avoid incurring unnecessary expense.

38. The adjudicator may take the initiative in ascertaining the facts and the law necessary to determine the Dispute, and shall decide on the procedure to be followed in the adjudication. In particular, he may:

38.1 request either Party to supply him with such documents as he may reasonably require including, if he so directs, any written statement from either Party supporting or supplementing the Referral and any other documents given under paragraphs 28 and 29;

38.2 conduct the adjudication in the English language and decide whether a translation of any document is to be provided and, if so, by whom, by when, and at whose cost;

38.3 meet and question either Party and their representatives;

38.4 subject to obtaining any necessary consent from a third party or the Parties, make such site visits and inspections as he considers appropriate, whether accompanied by the Parties or not;

38.5 subject to obtaining any necessary consent from a third party or the Parties, procure the carrying out of any tests or experiments, and make directions as to the conditions for and responsibility for the cost of the same;

38.6 obtain and consider such representations and submissions as he requires, and, provided he has notified the Parties of his intention, appoint experts, assessors or legal advisers;

38.7 give directions as to the timetable for the adjudication, any deadlines, or limits as to the length of written documents or oral representations to be complied with; and

38.8 issue other directions relating to the conduct of the adjudication.

39. The Parties shall comply with any request or direction of the adjudicator in relation to the adjudication.

40. If, without showing sufficient cause, a Party fails to comply with any request, direction or timetable of the adjudicator made in accordance with his powers, fails to produce any document or written statement requested by the adjudicator, or in any other way fails to comply with a requirement under these provisions relating to the adjudication, the adjudicator may:

40.1 continue the adjudication in the absence of that Party or of the document or written statement requested;

40.2 draw such inferences from that failure to comply as may, in the adjudicator's opinion, be justified in the circumstances;

40.3 make a decision on the basis of the information before him, attaching such weight as he thinks fit to any evidence submitted to him outside any period he may have requested or directed;

40.4 disqualify any part or parts of that Party's submissions affected by the failure to comply; and

40.5 grant the other Party proper opportunity to consider and respond to any evidence or representation made late.

41. Subject to any agreement between the Parties to the contrary, either Party may be assisted by, or represented by, such advisers or representatives (whether legally qualified or not) as he considers appropriate.

42. The adjudicator shall consider any relevant information submitted to him by either Party and shall make available to them any information to be taken into account in reaching his decision.

43. The adjudicator and the Parties shall not disclose to any other person any information or document provided in connection with the adjudication which the Party supplying it has indicated is to be treated as confidential, except to the extent that disclosure is required by law or is necessary for the purposes of, or in connection with, the adjudication, or the information is already in the public domain.

Adjudicator's Decision

44. Unless otherwise agreed in accordance with paragraph 56.1 or 65.1 the adjudicator shall reach his decision not later than:

44.1 twenty eight days after the date of the Referral as defined in paragraph 27;

44.2 forty two days after the date of the Referral if the Referring Party so consents; or

44.3 such period exceeding twenty eight days after the Referral as the Parties may, after the giving of that notice, agree.

45. Where the adjudicator fails, for any reason, to reach his decision in accordance with paragraph 44:

45.1 either of the Parties to the Dispute may serve a fresh notice in accordance with paragraphs 16 to 18 and shall request an adjudicator to act in accordance with paragraphs 19 to 29; and

45.2 if requested by the new adjudicator the Parties shall supply him with copies of all documents which they had made available to the previous adjudicator.

46. As soon as possible after he has reached a decision, the adjudicator shall deliver a copy of that decision to each of the Parties.

47. The adjudicator shall decide the matters in Dispute and may make a decision on different aspects of the Dispute at different times.

48. The adjudicator may take into account any other matters which the Parties agree should be within the scope of the adjudication or which are matters under the Agreement which he considers are necessarily connected with the Dispute and, in particular, he may:

48.1 open up, review and revise any decision taken or any notice certifying payment given by any person referred to in the Agreement, unless the Agreement states that the decision or notice certifying payment is final and conclusive;

48.2 decide that any of the Parties to the Dispute is liable to make a payment under the Agreement (whether in sterling or some other currency) and, subject to the terms of the Agreement, when that payment is due and the final date for payment.

49. The adjudicator shall provide written reasons for his decision.

Effect of the Decision

50. In his decision, the adjudicator may, if he thinks fit, order either or both of the Parties to comply forthwith with his decision or any part of it. In the absence of any directions by the adjudicator relating to the time for performance of his decision, the Parties shall be required to comply with any decision of the adjudicator immediately on delivery of the decision to the Parties in accordance with paragraph 46.

51. The decision of the adjudicator shall be binding on the Parties, and they shall comply with it, until the Dispute is finally determined by legal proceedings or by agreement between the Parties.

52. The adjudicator shall be entitled to the payment of such reasonable amount as he may determine by way of fees and expenses incurred by him and the Parties shall be jointly and severally liable to pay that amount to the adjudicator.

53. Without prejudice to the right of the adjudicator to effect recovery from either Party in accordance with paragraph 52, the adjudicator may by direction determine the apportionment between the parties of liability for his fees and expenses.

54. The adjudicator shall not be liable for anything done or omitted in the discharge or purported discharge of his functions as adjudicator unless the act or omission is in bad faith, and any employee or agent of the adjudicator shall be similarly protected from liability.

Related Disputes

55. In the event that a Dispute arising under, out of or in connection with this Agreement which in the opinion of **tie** or the Infraco relates to a dispute or difference arising out of or in connection with any agreement associated with the Edinburgh Tram Network between **tie** and a third party or the Infraco and a third party (a "Related Contract") all such disputes or differences being referred to as a "**Related Dispute**", then providing that the Related Contract contains dispute resolution provisions in terms substantially the same as set out in this Schedule Part 9 (*Dispute Resolution Procedure*) (save for necessary changes), **tie** or the Infraco (as the case may be) may by written notice to the other request that the Dispute and the Related Dispute be dealt with together at an appropriate stage of the Dispute Resolution Procedure.

Referral of a Dispute under this Agreement to a Related Adjudicator

56. In the event that a Related Dispute has already been referred to the decision of an adjudicator (**"Related Adjudicator"**) in accordance with the provisions of the Related Contract, and **tie** or the Infraco (as the case may be) is of the opinion, acting reasonably, that a Dispute is to be (but has not yet been) referred to adjudication under this Schedule Part 9 (*Dispute Resolution Procedure*), **tie** or the Infraco (as the case may be) may refer the Dispute to the Related Adjudicator. **tie** and the Infraco agree that, without fettering or restricting the adjudicator's power and authority in any way, it is their intention that such adjudicator shall, insofar as is relevant, practicable and appropriate, come to the same conclusion as to the facts and apply the same reasoning and analysis in reaching a decision on the Dispute as the adjudicator's conclusions, reasoning and analysis applied by him as the Related Adjudicator in the Related Dispute. The adjudicator shall:

56.1 if practicable, hear the Dispute at the same time as the Related Dispute and shall request such extension of time for producing his decision or award as he may require in order to reach a decision in respect of each of the Dispute and the Related Dispute at the same time. The Parties shall agree to such request for an extension of time, except in the event that the Dispute or the Related Dispute relates to "construction operations", which are not Authorised Works, within the meaning ascribed to that term by the Housing Grants, Construction and Regeneration Act 1996 (if applicable) (unless otherwise agreed by the Parties, all parties to the Related Dispute and the adjudicator);

56.2 except in the event that the Dispute or the Related Dispute relates to "construction operations", which are not Authorised Works, within the meaning ascribed to that term by the Housing Grants, Construction and Regeneration Act 1996 (if applicable) (unless otherwise agreed by the Parties, all parties to the Related Dispute and the adjudicator), have power (if so requested by **tie** and the Infraco) to make his decisions or awards in the Dispute and the Related Dispute in such a manner as if the rules applicable in the Court of Session, Scotland as to the joining of one or more defenders or third parties or conjoining actions were applicable to the Parties to the Dispute and the Related Dispute, and to the adjudicator; and

56.3 **tie** or the Infraco (as the case may be) shall procure that, as soon as practicable, the other party or parties to the Related Dispute shall give the Infraco or **tie** (as the case may be) copies of the Related Contract, the Referral Notice in the Related Dispute and

any other documentation provided to the adjudicator by any party to the Related Dispute.

tie's or Infraco's request to consolidate a Related Dispute with a Dispute

57. Where a Related Dispute has been referred to adjudication, **tie** or the Infraco (as the case may be) may by written notice request the adjudicator (copied to the Infraco or **tie** as the case may be and to the other party to the Related Dispute) to consolidate the Related Dispute with the Dispute with a view to allowing all questions arising out of the Dispute and the Related Dispute to be disposed of in the adjudication. Where **tie** or the Infraco (as the case may be) request the adjudicator to consolidate the Dispute and Related Dispute then **tie** or the Infraco (as the case may be) shall (or may procure that the other party to the Related Dispute shall) as soon as practicable, and in any case within fourteen (14) days of the referral of the Dispute to the adjudicator, give to the adjudicator conducting the adjudication under this Agreement and also to the other parties to the Dispute and the Related Dispute the following particulars:

57.1 a copy of the relevant Related Contract;

57.2 a preliminary statement from **tie**, the Infraco and/or, as the case may be, the other party to the Related Dispute setting out:

57.2.1 the basis and the grounds for consolidation of the Related Dispute and the Dispute;

57.2.2 the cases of the parties to the Related Dispute;

57.2.3 any relief sought by the parties to the Related Dispute; and

57.2.4 a list of any documents served in relation to the Related Dispute.

Any such particulars sent by **tie**, the Infraco or the other party to the Related Dispute (as the case may be) to the adjudicator shall be sent at the same time to **tie,** the Infraco and the other party to the Related Dispute (as the case may be.)

58. On receiving the particulars set out in paragraph 57 above, provided that such particulars have been received within fourteen (14) days of the referral of the Dispute to the adjudicator, the adjudicator shall if he considers that the Dispute and the Related Dispute are substantially the same or connected one to the other, immediately request that the parties to the Dispute and the other party to the Related Dispute attend a meeting with the adjudicator with a view to determining whether or not the Dispute and the Related Dispute should be consolidated. If the

Adjudicator and all the relevant parties agree, they may hold a telephone conference call instead of a meeting, and in such event references in paragraphs 58 to 62 to a meeting or to attending a meeting, shall mean a telephone conference call and taking part in such a telephone conference call.

59. **tie** or the Infraco (as the case may be) shall use its reasonable endeavours to procure that an authorised representative or nominee of the other party to the Related Dispute shall attend the meeting with the adjudicator referred to in paragraph 58 above. **tie** and the Infraco each agree to send an authorised representative or nominee to any meeting of this kind under this Agreement or under a Related Contract, which they may be requested to attend.

60. At the meeting referred to in paragraph 58 above, the Party which has not requested the adjudicator to consolidate the Dispute with the Related Dispute shall, as a preliminary matter, either:

60.1 confirm to the adjudicator that it accepts the proposed consolidation of the Related Dispute with the Dispute; or

60.2 inform the adjudicator that it does not accept the proposed consolidation of the Related Dispute with the Dispute.

Decision to Consolidate

61. Where paragraph 60.1 applies, or if **tie's** authorised representative or nominee or if the Infraco's authorised representative or nominee (as the case may be) does not attend the meeting referred to in paragraph 58 above (having received due notice thereof) the adjudicator shall if he considers that the Dispute and the Related Dispute are substantially the same or connected one to the other immediately issue a decision consolidating the Dispute and the Related Dispute and shall have the authority and the power referred to in paragraph 63 below.

62. Where paragraph 60.2 above applies, or if **tie's** authorised representative or nominee or if the Infraco's authorised representative or nominee (as the case may be) attends the meeting referred to in paragraph 58 above but does not confirm to the adjudicator whether or not **tie** or the Infraco (as the case may be) accepts or does not accept the proposed consolidation of the Related Dispute with the Dispute, the adjudicator shall issue within one (1) Business Day of the meeting referred to in paragraph 58 above his written decision, as to whether or not the Dispute and the Related Dispute are substantially the same or connected. If the adjudicator considers that the Dispute and the Related Dispute are not substantially the same or not connected one to the other, or has failed or is unable to reach a decision within one (1)

Business Day of the meeting referred to in paragraph 58, the Dispute and the Related Dispute shall not be consolidated. If the adjudicator considers that the Dispute and the Related Dispute are substantially the same or connected one to the other the adjudicator shall immediately issue a decision consolidating the Dispute and the Related Dispute and the adjudicator shall have the authority and the power referred to in paragraph 63 below.

63. The adjudicator shall have the authority and power to consolidate the Dispute and the Related Dispute and to direct that all procedural and/or evidential matters arising in both the Dispute and the Related Dispute are dealt with in whatever manner the adjudicator considers shall lead to the fair and expeditious resolution of both the Dispute and the Related Dispute and the parties (including the other party to the Related Dispute) shall thereafter abide by and implement such consolidation and any such direction and any decision of the adjudicator. For the foregoing purposes:

63.1 unless the context otherwise requires, the provisions of the adjudication rules in this Schedule Part 9 shall apply as between **tie** and the Infraco (as the case may be) and the other party to the Related Dispute, as they apply between the Infraco and **tie** in relation to the Dispute; and

63.2 the adjudicator shall have the same authority and powers as if the Related Dispute constituted a dispute or difference between **tie** and the Infraco.

64. In the event that the Related Dispute is consolidated with the Dispute, the adjudicator shall reach a decision on the Dispute and the Related Dispute at the same time and in any event within twenty eight (28) days of the earlier of the referral of the Dispute or the referral of the Related Dispute, or such longer period as is agreed by the parties to the Dispute and the Related Dispute after the date that the Related Dispute has been consolidated with the Dispute. The adjudicator shall be entitled to extend the said period of twenty eight (28) days by up to fourteen (14) days with the consent of the party by whom the Dispute and (where applicable) the Related Dispute were referred.

Referral of a Related Dispute to the Adjudicator

65. In the event that a Dispute has already been referred to the decision of an adjudicator, and **tie** or the Infraco (as the case may be) is of the opinion (acting reasonably) that a Related Dispute is to be (but has not yet been) referred to adjudication, **tie** or the Infraco (as the case may be) may refer the Related Dispute to the adjudicator appointed in relation to the Dispute under this Schedule Part 9 (*Dispute Resolution Procedure*). **tie** and the Infraco agree that, without fettering or restricting the adjudicator's power and authority in any way, it is their intention

that the adjudicator shall, insofar as is relevant, practicable and appropriate, come to the same conclusion as to the facts and apply the same reasoning and analysis in reaching a decision on the Related Dispute as the adjudicator's conclusions, reasoning and analysis applied by him as adjudicator in relation to the Dispute under this Agreement. The adjudicator shall:

65.1 if practicable, hear the Related Dispute at the same time as the Dispute and shall request such extension of time for producing his decision or award as he may require in order to reach a decision in respect of each of the Dispute and the Related Dispute at the same time. The Parties shall agree to such request for an extension of time, except in the event that the Dispute or the Related Dispute relates to "construction operations" which are not Authorised Works within the meaning ascribed to that term by the Housing Grants, Construction and Regeneration Act 1996 (if applicable) (unless otherwise agreed by the Parties, all parties to the Related Dispute and the Adjudicator);

65.2 except in the event that the Dispute or the Related Dispute relates to "construction operations" which are not Authorised Works within the meaning ascribed to that term by the Housing Grants, Construction and Regeneration Act 1996 (if applicable) (unless otherwise agreed by the Parties, all parties to the Related Dispute and the Adjudicator), have power (if so requested by **tie** and the Infraco) to make his decisions or awards in the Dispute and the Related Dispute in such a manner as if the rules applicable in the Court of Session, Scotland as to the joining of one or more defenders or third parties or conjoining actions were applicable to the Parties to the Dispute and the Related Dispute, and to the adjudicator; and

65.3 as soon as practicable, **tie** or the Infraco (as the case may be) shall give to the Infraco or **tie** (as the case may be) copies of the Related Contract, the Referral Notice in the Related Dispute and any other documentation provided to the adjudicator by any party to the Related Dispute.

Consolidation of a Dispute under this Agreement with a Related Dispute

66. In the event that, subject to paragraph 67, an adjudicator under a Related Contract (**"Related Adjudicator"**), who is permitted pursuant to the Related Contract to do so, decides that a Dispute under this Agreement be consolidated with a Related Dispute with which the Related Adjudicator is dealing under the Related Contract, then:

66.1 notwithstanding anything in the adjudication rules in this Schedule Part 9, with effect from the time of such decision, the adjudicator shall cease to have authority or

jurisdiction to determine the Dispute which shall instead be determined by the Related Adjudicator and the appointment of the adjudicator under this Agreement shall cease;

66.2 such decision shall be binding on **tie** and the Infraco and both of them shall acknowledge the appointment of the Related Adjudicator as the adjudicator of the Dispute;

66.3 **tie** and the Infraco shall be jointly liable with the other party to the relevant Related Contract for the Related Adjudicator's reasonable fees and expenses including those reasonable fees and expenses of any specialist consultant or adviser (excluding legal) appointed by the Related Adjudicator in accordance with the adjudication procedure in the Related Agreement, in respect of the period after the date on which the Dispute is consolidated with the Related Dispute pursuant to a decision of the Related Adjudicator;

66.4 without prejudice to the right of the Related Adjudicator to effect recovery from either party in accordance with paragraph 66.3, **tie** and the Infraco agree that the Related Adjudicator may by direction determine the apportionment between the parties of liability for his fees and expenses referred to in paragraph 66.3; and

66.5 notwithstanding anything to the contrary a Dispute under this Agreement shall only be consolidated with a Related Dispute, if the Related Adjudicator receives particulars of the Dispute within fourteen (14) days of the referral of the Related Dispute to the Related Adjudicator under the Related Contract.

67. Where the Related Adjudicator receives a request under the Related Contract, that a Dispute under this Agreement be consolidated with a Related Dispute with which he is dealing under the Related Contract, **tie** and the Infraco acknowledge that the Related Adjudicator may immediately request that they, together with the other party to the Related Dispute, attend a meeting with the Related Adjudicator with a view to determining whether or not the Dispute and the Related Dispute should be consolidated. If the Related Adjudicator and all the relevant parties agree, they may hold a telephone conference call instead of a meeting, and in such an event references in paragraphs 67 to 71 to a meeting or to attending a meeting shall mean a telephone conference call and taking part in such a telephone conference call.

68. **tie** and the Infraco each agree to send an authorised representative or nominee to any meeting of this kind under this Agreement or under a Related Agreement, which they may be requested to attend.

69. At the meeting referred to in paragraph 67 above, the Party which has not requested the Related Adjudicator to consolidate the Related Dispute with the Dispute shall, as a preliminary matter, either:

69.1 confirm to the Related Adjudicator that it accepts the proposed consolidation of the Dispute with the Related Dispute; or

69.2 inform the Related Adjudicator that it does not accept the proposed consolidation of the Dispute with the Related Dispute.

70. Where paragraph 69.1 applies, or if **tie's** authorised representative or nominee or if the Infraco's authorised representative or nominee (as the case may be) fails to attend the meeting referred to in paragraph 67 above (having received due notice thereof), the Related Adjudicator shall if he considers that the Dispute and the Related Dispute are substantially the same or connected one to the other, immediately issue a decision consolidating the Dispute and the Related Dispute and shall have the authority and the power to consolidate the Dispute and the Related Dispute and to direct that all procedural and/or evidential matters arising in both the Dispute and the Related Dispute are consolidated in whatever manner the Related Adjudicator considers shall lead to the fair and expeditious resolution of both the Dispute and the Related Dispute and the parties (including the party to the Related Dispute) shall thereafter abide by and implement such consolidation and any such direction.

71. Where paragraph 69.2 applies or if **tie's** authorised representative or nominee or if the Infraco's authorised representative or nominee (as the case may be) attends the meeting referred to in paragraph 67 but does not confirm to the Related Adjudicator whether or not that **tie** or the Infraco (as the case may be) accepts or does not accept the proposed consolidation of the Dispute with the Related Dispute, the Related Adjudicator shall within one (1) Business Day of the meeting referred to in paragraph 67 issue his written decision, as to whether or not the Dispute and the Related Dispute are substantially the same or connected. If the Related Adjudicator considers that the Dispute and the Related Dispute are not substantially the same or not connected one to the other, or has failed or is unable to reach a decision within 1 Business Day of the meeting referred in paragraph 67, the Dispute and the Related Dispute shall not be consolidated. If the Related Adjudicator considers that the Related Dispute and the Dispute are substantially the same or connected one to the other, the Related Adjudicator shall immediately issue a decision consolidating the Dispute and the Related Dispute and shall have the authority and the power to consolidate the Dispute and the Related Dispute and to direct that all procedural and/or evidential matters arising in both the Dispute and the Related Dispute are consolidated in whatever manner the Related Adjudicator considers shall lead to

the fair and expeditious resolution of both the Dispute and the Related Dispute and the parties (including the party to the Related Dispute) shall thereafter abide by and implement such consolidation and any such direction.

THIS IS SCHEDULE PART 11 REFERRED TO IN THE FOREGOING AGREEMENT BETWEEN TIE AND THE INFRACO

SCHEDULE PART 11

REQUIRED INSURANCES

PART 1

Infraco will no later than 7 days of receipt of a written request from **tie** (in respect of certificates) and as soon as reasonably practicable in respect of policies and other documents, to supply **tie** with copies of all placing slips, certificates, cover notes, renewal receipts and confirmations of renewal and payment of premiums and all policy documents (or confirmation of the terms of such policy documents where such policy documents cannot be made available) in respect of the Required Insurances, or upon request, to make available to you the originals of any or all such documents held by us;

1. PROFESSIONAL INDEMNITY INSURANCE

Insured Parties:	**Bilfinger Berger UK Limited** and any sub consultants retained by a written contract and engaged in the delivery of the Infraco Works.
Coverage:	To indemnify the Insured Parties against legal liability for damages or compensation made against them during the Period of Insurance arising out of or in consequence of or as a result of any act, error, or omission by the Infraco or the designer, their subcontractors and consultants in the performance of their professional activities and duties in connection with the activities forming the subject of this Agreement.
Limit of Indemnity:	GBP 10,000,000 on an each and every occurrence basis and in the aggregate during each twelve month Period of Insurance subject to one reinstatement of the limit of indemnity for each twelve month Period of Insurance.
Period of Insurance:	From the Effective Date for twelve months and thereafter each further twelve month period until the earlier of twelve years from the completion of the activities forming the subject of this Agreement or twelve years from the date of termination of this Agreement.
Extensions:	The insurance must include the following minimum extensions: • Libel or slander • Dishonesty of employees • Innocent non-disclosure • Liability for acts of specialist designers, consultants, sub-consultants and sub-contractors of any tier employed by the Insured and retained by a written contract • Breach of intellectual property rights • Loss of documents • Waiver of subrogation between Insured Parties • Indemnity to principals • Inclusion of directors, officers, partners and employees as Insured Parties
Maximum Permitted Deductible:	GBP 25,000

2. EMPLOYERS' LIABILITY INSURANCE

Insured Party: **Bilfinger Berger UK Limited**

Coverage: To indemnify the Insured Party against legal liability for damages or compensation arising out of bodily injury including death, illness, disease and psychiatric damage sustained by any employee arising out of and in the course of the employee's employment caused during the Period of Insurance.

Limit of Liability: Minimum limit of indemnity of GBP10,000,000 any one occurrence or series of occurrences arising from one original cause or event, unlimited during the Period of Insurance.

Period of Insurance: From the Effective Date for twelve months and thereafter each further twelve month period until the expiry or earlier date of termination of this Agreement.

Minimum Extensions: The insurance must include the following minimum extensions:

- Contractual liability
- Claimant's and defence costs and expenses
- Indemnity to principals
- Inclusion of directors, officers, partners and employees as Insured Parties
- Health and Safety legislation prosecution costs including costs of an appeal
- Unsatisfied court judgements
- Compensation for court attendance
- Definition of employee to include as a minimum persons under a contract of service or apprenticeship, labour only subcontractors, self-employed persons, labour masters or persons supplied by them, operators and drivers of hired in plant.

Maximum Permitted Deductible: NIL

3. INFRACO CONTRACTOR'S PLANT

Insured Party: **Bilfinger Berger UK Limited**

Coverage: "All risks" of loss or destruction of or damage to the Property Insured by any cause not excluded.

Property Insured

Constructional plant, tools and equipment of any kind including site huts, temporary buildings and their contents the property of any Insured Party or for which they are responsible to insure.

Limit of Liability: The value of the plant, tools and equipment.

Period of Insurance:	From the Effective Date until expiry or earlier date of termination of this Agreement.
Minimum Extensions:	The insurance must include the following minimum extensions: • Property in transit other than mechanically-propelled plant in transit under its own power • Recovery of immobilised plant • Negligent breakdown of hired-in plant • Continuing hire charges
Exclusions:	BB's legal liability to loss or damage of third party property shall be covered by BB Annual Public Liability Policy.
Maximum Permitted Deductible:	EURO 100,000; 10% co-insurance for flood damage subject to minimum EURO 1,000,000, maximum EURO 5,000,000

4. COMPREHENSIVE MOTOR INSURANCE

Insured Party:	**Bilfinger Berger UK Limited**
Coverage:	Comprehensive in respect of loss or damage to Own Vehicles. Legal liability for death, injury or loss of or damage to Third Party Property.
Limit of Liability:	Own Damage - Self Funded Third Party: Bodily Injury - Unlimited. Property Damage by Cars £20,000,000 any one occurrence Property Damage by Commercial Vehicles £5,000,000 any one occurrence unlimited during the Period of Insurance
Period of Insurance:	From the 1st January each year for twelve months and thereafter each further twelve month period until expiry or earlier date of termination of this Agreement.
Minimum Extensions	The insurance must include the following minimum extensions: • Contingent motor liability • Passenger indemnity and negligence of passengers • Occasional business use by employees • Unauthorised movement • Indemnity to principals • Unauthorised use by employees
Maximum Permitted Deductible:	GBP 250 in respect of own damage GBP NIL in respect of third party liability

1. PROFESSIONAL INDEMNITY INSURANCE

Insured Parties:	**Siemens Transportation Systems**
Coverage:	To indemnify the Insured against legal liability for property damage or bodily injury made against them during the Period of Insurance arising out of or in consequence of or as a result of any act, error, or omission by the Insured in the performance of their professional activities and duties in connection with the activities forming the subject of this Agreement. Subcontractors are not covered under Siemens insurance and Key Subcontractors will be required to obtain their own coverage. Note:- Siemens will ensure that Key Sub Contractors will provide Professional Indemnity Insurance under their sub contracts.
Limit of Indemnity:	Minimum GBP 10,000,000 (or such other sum as may be agreed in writing by **tie**) on an each and every occurrence basis and in the aggregate during each twelve month Period. The aggregate limit would be in respect of Siemens Transportation Systems work on this project.
Period of Insurance:	From the Effective Date for twelve months annually renewable thereafter until completion of the activities forming the subject of this Agreement. The insurance is on a claims occurring basis and would be renewed annually for the duration of Siemens activities on the project including maintenance phase.
Extensions:	The insurance must include the following minimum extensions: ~~Libel or slander~~ ~~Dishonesty of employees~~ ~~Innocent non-disclosure~~ ~~Liability for acts of specialist designers, consultants, sub-consultants and sub-contractors of any tier employed by the Insured~~ ~~Breach of intellectual property rights~~ ~~Loss of documents~~ ~~Waiver of subrogation between Insured Parties~~ • Indemnity to principals • Inclusion of directors, officers, partners and employees as Insured Parties. Siemens' Professional Indemnity coverage (bodily injury/property damage) is an extension of the Global Liability Program which doesn't include the deleted extensions. Siemens will self insure these extensions.
Maximum Permitted Deductible:	deductible €20,000

2. EMPLOYERS' LIABILITY INSURANCE

Insured Party:	**Siemens Transportation Systems**
Coverage:	To indemnify the Insured Party against legal liability for damages or compensation arising out of bodily injury including death, illness, disease and psychiatric damage sustained by any employee arising out of and in the course of the employee's employment caused during the Period of Insurance.
Limit of Liability	Minimum limit of indemnity of GBP10,000,000 any one occurrence or series of occurrences arising from one original cause or event, unlimited during the Period of Insurance.
Period of Insurance:	From the Effective Date for twelve months and thereafter each further twelve month period until the expiry or earlier date of termination of this Agreement.
Minimum Extensions	The insurance must include the following minimum extensions: • Claimant's and defence costs and expenses • Indemnity to principals • Inclusion of directors, officers, partners and employees as Insured Parties • Health and Safety legislation prosecution costs including costs of an appeal • Unsatisfied court judgements • Compensation for court attendance • Definition of employee to include as a minimum persons under a contract of service or apprenticeship, labour only subcontractors, self-employed persons, labour masters or persons supplied by them, operators and drivers of hired in plant •
Maximum Permitted Deductible:	NIL

3. INFRACO CONTRACTOR'S PLANT

Insured Party:	**Siemens Transportation Systems**
Coverage:	"All risks" of loss or destruction of or damage to the Property Insured by any cause not excluded. <u>Property Insured</u> Constructional plant, tools and equipment of any kind including site huts, temporary buildings and their contents the property of any Insured Party or for which they are responsible.
Limit of Liability	The value of the plant, tools and equipment (maximum €30,000,000 any one site).

Period of Insurance:	From the Effective Date until expiry or earlier date of termination of this Agreement.
Minimum Extensions	The insurance must include the following minimum extensions: • Property in transit other than mechanically propelled plant in transit is covered under Siemens Global Marine Program. • Coverage applicable to UK does cover additional expenditure reasonably incurred to avoid/reduce business interruption following a property damage claim but there is a sizeable excess as quoted.
Exclusions	The subject of this insurance is Siemens own plant – damage to other property would not be covered under this insurance. Legal liability for damage to other property insurable under Public Liability policy.
Maximum Permitted Deductible:	EURO 100,000; 10% co-insurance for flood damage subject to minimum EURO 1,000,000, maximum EURO 5,000,000

4. COMPREHENSIVE MOTOR INSURANCE

Insured Party:	**Siemens Transportation Systems**
Coverage:	Legal Liability for death, injury, illness or disease or loss of or damage to Third Party Property.
Limit of Liability	Own Damage - Self funded Third Party: Bodily Injury - Unlimited. Property Damage by Cars £20,000,000 any one occurrence Property Damage by Commercial Vehicles £5,000,000 any one occurrence unlimited during the Period of Insurance
Period of Insurance:	From the Effective Date for twelve months and thereafter each further twelve month period until expiry or earlier date of termination of this Agreement.
Minimum Extensions	The insurance must include the following minimum extensions: Contingent motor liability Passenger indemnity and negligence of passengers Occasional business use by employees Unauthorised movement Indemnity to principals Unauthorised use by employees
Maximum Permitted Deductible:	Self funded in respect of third party liability (Siemens deductible £50,000).

PART 2

FORM OF BROKERS LETTER OF UNDERTAKING

To: **[**THE EMPLOYER**]**

Dear Sirs

We confirm in our capacity as insurance brokers that the Required Insurances specified in Clause 76 (*Required Insurances*) and Schedule 11 *(Required Insurances)* of the Agreement dated ◆ between Bilfinger Berger UK Limited and Siemens Plc (together the "**Infraco**") and **tie** as defined therein are, as at the date hereof, in effect in respect of the risks set out in the attached cover notes.

We have arranged the Required Insurances on the basis of the information and instructions given by [Bilfinger Berger UK Limited] [Siemens Plc]. We have not made any particular or special enquiries regarding the Required Insurances beyond those that we would normally make in the ordinary course of arranging the insurances on behalf of our insurance broking clients.

The confirmations set out in this letter are given by reference to our state of knowledge at the date hereof.

Pursuant to instructions received from [Bilfinger Berger UK Limited] [Siemens Plc], we hereby undertake in respect of the interests of [Bilfinger Berger UK Limited] [Siemens Plc] and **tie** in the Required Insurances referred to in the attached cover notes:

1. to use reasonable endeavours to have endorsed on each and every policy evidencing the Required Insurances when the same is issued, endorsements substantially in the form set out in Schedule 11 (*Required Insurances*) of the Agreement;

2. to advise **tie**:

   2.1 promptly after receiving notice of any insurer's cancellation or suspension of any of the Required Insurances or receiving notice of the intended cancellation or suspension of any of the Required Insurances;

   2.2 promptly upon our receipt from [Bilfinger Berger UK Limited] [Siemens Plc] of any notice of any changes proposed to be made to the Required Insurances which, if effected, would result in a material reduction in limits or coverage (including in respect of extensions of cover) or in an increase in deductibles, exclusions or exceptions;

   2.3 of any default in the payment of any premium for any of the Required Insurances;

   2.4 at least twenty days prior to the expiry of any of the Required Insurances if we have not received written renewal instructions from [Bilfinger Berger UK Limited] [Siemens Plc] or if we receive written instructions to renew, to advise **tie** of the details thereof; and

   2.5 on receipt of notice of any act or omission of [Bilfinger Berger UK Limited] [Siemens Plc] or any Sub-Contractor which will invalidate or render unenforceable in whole or in part, any of the Required Insurances;

3. no later than 7 days (in respect of certificates) and as soon as reasonably practicable in respect of policies and other documents, to supply you and/or your insurance advisors (or your or their

authorised representative) copies of all placing slips, certificates, cover notes, renewal receipts and confirmations of renewal and payment of premiums and all policy documents (or confirmation of the terms of such policy documents where such policy documents cannot be made available) in respect of the Required Insurances, or upon request, to make available to you the originals of any or all such documents held by us;

4. to disclose to the insurers any fact, change of circumstance or occurrence is material to the risks insured against under the Required Insurances;

5. to treat as confidential all information in relation to the Required Insurances supplied to us by [Bilfinger Berger UK Limited] [Siemens Plc] or any Sub-Contractor or **tie** and not to disclose, without the written consent of **tie**, such information to any third party other than the insurers under the Required Insurances, unless required to do so by law or any regulatory authority; and

6. to notify **tie** as soon as reasonably practicable prior to our ceasing to act as brokers to [Bilfinger Berger UK Limited] [Siemens Plc], unless impracticable because of circumstances beyond our control, in which case we shall notify **tie** as soon as reasonably practicable upon becoming aware that we shall cease, or have ceased, so to act.

Where insurers wish any of the Required Insurances to be cancelled for reasons of non-payment of premium, we will request those insurers to give you a reasonable opportunity of paying such amounts outstanding before issuing notice of cancellation on behalf of such insurers.

The above undertakings are given subject to our continuing appointment for the time being as insurance brokers to the [Bilfinger Berger UK Limited] [Siemens Plc] in relation to the Required Insurances concerned and the monitoring and handling of claims in relation to the [Bilfinger Berger UK Limited] [Siemens Plc], and our obligations set out in this letter shall automatically cease upon termination of our appointment.

For the avoidance of doubt all undertakings and other confirmations given in this letter relate solely to the Required Insurances. They do not apply to any other insurances and nothing in this letter should be taken as providing any undertakings or confirmations in relation to any other such insurance that ought to have been placed or may at some future date be placed by other brokers.

This letter is given by us on the instructions of the [Bilfinger Berger UK Limited] [Siemens Plc] and with [Bilfinger Berger UK Limited's] [Siemens Plc's] full knowledge and consent as to its terms as evidenced by [Bilfinger Berger UK Limited's] [Siemens Plc's] signature below.

This letter shall be governed by and shall be construed in accordance with Scots Law and any dispute as to its terms shall be submitted to the exclusive jurisdiction of the courts of Scotland.

Yours faithfully

……..
For and on behalf of (Insurance Broker)

……
For and on behalf of ([Bilfinger Berger UK Limited] [Siemens Plc])

PART 3

INSURANCE QUESTIONNAIRE

ALL CLASSES OF REQUIRED INSURANCES	
Do your current insurance policies comply with the full scope of cover required for each class of Required Insurance as detailed in the Schedules? If NO, please identify the class of Required Insurance and provide full details	YES/NO
Where your current insurance policies do not comply with the full scope of the Required Insurances	
(a) can your policies be amended or extended and if so please provide cost implications, or

PART 4

Edinburgh Tram Network Project

Construction Owner Controlled Insurance

Summary of Cover

This document is a summary of the cover arranged. For full details of cover reference must be made to the policy.

Phase 1a Only – version 4 prepared 9th April 2008

INSURED: **Sections 1 – Construction All Risks and Section 2 – Third Party Liability**

(i) **tie** Limited as principal

(ii) The main contractors as declared under the MUDFA, Infraco and Tramco contracts (Tram Supply and Tram Maintenance)

(iii) Trade contractors, co-contractors and/or sub-contractors of any tier and any other contractors including Advance Works Contractors and the maintenance contractors

(iv) Architects and/or engineers and/or suppliers and/or consultants not forming part of (ii) or (iii) above as regards their on-site activities only

(v) Local authorities and utility providers including private utility owners as required

(vi) Transdev Edinburgh Tram Limited

(vii) Transport Edinburgh Limited (TEL)

(viii) Any other party having an insurable interest (and not mentioned above) to the extent that the Insured (i) is required by contract or agreement to provide insurance to such parties

(ix) The Scottish Ministers/Scottish Executive, Transport Scotland and City of Edinburgh Council

(x) Network Rail Infrastructure Ltd in respect of the Asset Protection Agreement only

Section 3 – Delay in Start Up

Insured (i) (vi) and (vii) above and CEC

PERIOD: From: 23rd July 2007 To: 25th January 2011

plus the balance of the maintenance/defects liability period thereafter

INTEREST: All work including design, engineering, procurement, demolition, fabrication, construction, erection, installation, testing, commissioning (including trial running of trams) and defects maintenance including all ancillary and associated works and activities.

Section 1 – Construction All Risks

- Contract works whether permanent or temporary

- Property or goods the property of the Insured or for which they may be responsible for in connection with the works

- Plant, equipment, temporary buildings, camps and contents owned, leased or hired by the Insured (insured sub (ii), (iii) and (iv) are excluded) *(note - no items currently insured under this head of cover)*

Section 2 – Third Party Liability

To indemnify the Insured against all sums (including claimants' costs and expenses) arising out of:

- death or bodily injury to or illness or disease or psychiatric damage suffered by any person, invasion of privacy, wrongful arrest, libel and slander;

- loss or damage to physical property;

- obstruction, loss of amenities, nuisance, trespass, stoppage of traffic, infringement of any easement or right of air, light, water or way or any like cause

happening or consequent upon a cause occurring during the Period of Insurance and arising out of or in connection with the Edinburgh Tram Network Construction Phase

Section 3 – Delayed Start Up

To indemnify the Insured (i), (vi) and (vii) against loss of

- anticipated gross revenue
- standing charges
- increased costs or working

following an indemnifiable loss under Section 1.

SUMS INSURED /LIMITS OF INDEMNITY:

Section 1 – Construction All Risks

Estimated contract value £341.9m for 1a.

Cover for MUDFA applies in respect 1a and 1b areas.

Existing structures –limit £6,000,000 any one occurrence.

Section 2 – Third Party Liability

£155m any one occurrence.

£155m any one occurrence and in the aggregate during the Period of Insurance in respect of products liability.

£155m any one occurrence and in the aggregate during the Period of Insurance in respect of pollution or contamination.

Unlimited liability for bodily injury as required under Road Traffic Acts.

Section 3 – Delayed Start Up

£24m - To cover loss of revenue resulting from delay in commencement of passenger operations caused by insured damage to the Property Insured under Section 1.

Maximum indemnity period 24 months.

Additional increase in cost of working – Limit £250,000.

EXCESS:

Section 1 Construction All Risks

£20,000 each and every occurrence and/or series of occurrences increasing to

£40,000 each and every occurrence in respect of storm, tempest, flood, water damage, subsidence, collapse, landslip, frost and claims arising out of maintenance or testing and commissioning activities.

£250,000 each and every occurrence in respect of LEG 3 (design) claims.

Section 2 Third Party Liability

£10,000 each and every occurrence and/or series of occurrences in respect of property damage and bodily injury.

Section 3 Delayed Start Up

60 days aggregate time excess.

TERRITORIAL LIMITS:

Anywhere in the European Union (including inland transits and transits by ro/ro ferries and off-site storage) but worldwide excluding the USA/Canada in respect of Section 2.

CONDITIONS:

Section 1 Construction All Risks

- Full (guarantee) maintenance for first 12 months, followed by 12 months extended maintenance
- Defective design, materials and/or workmanship LEG 3
- Professional fees clause – Limit £1,000,000 any one occurrence
- Debris removal clause – Limit 15% of loss and a maximum of £1,000,000 any one occurrence
- 72 hour clause – storm, tempest, flood, , riot, civil commotion
- Principal supplied materials clause
- Automatic increase clause (25%)
- Expediting expenses – Limit 15% of loss and a maximum of £500,000 any one occurrence
- Public, Local Authorities and European Union reinstatement clause – Limit

£1,000,000 any one occurrence

- Preventive measures clause/minimisation of loss – Limit £250,000 any one occurrence and £500,000 in the aggregate during the Period of Insurance
- Waiver of subrogation
- Munitions clause
- Terrorism to full value within Great Britain – via Pool Re. Terrorism outside Great Britain excluded
- Plans and documents including computer records - £250,000 any one occurrence
- Marine 50/50 clause
- Payments on account
- Temporary repairs
- Automatic reinstatement of sum insured at additional premium to be agreed but not exceeding pro-rata and nil for losses not exceeding £1,000,000
- Non-vitiation and severability of interest clauses
- Off-site storage and specified suppliers - Limit £2,500,000 any one occurrence (limit does not apply to trams if stored in CAF depots or in Edinburgh worksite
- Transit by road, rail, inland waterway or sea (roll on/roll off ferries only) including during loading/unloading, transhipments and storage en route – Limit £2,000,000 any one occurrence
- Undamaged foundations clause
- Testing and Commissioning of the Works
- Testing, commissioning and trial running of trams for passenger service – 4 months limit per tram. Excludes testing, commissioning and trial running outside the United Kingdom
- Recovery of immobilised plant
- Plant and Hired in Plant / Continuing hire charges / Negligent breakdown of hired-in plant – Excludes first 48 hours of hire charges – Limit £1,000,000 any one occurrence
- Existing property and principal's property as required – Limit £6,000,000 any one occurrence
- Buildings due for demolition
- Fire Brigade Charges

- Emergency Braking
- Operator Error

Section 2 Third Party Liability

- Contractual liability
- Claimants' and defence costs and expenses in addition to the Limit of Indemnity
- Personal representatives
- Cross liabilities clause
- Indemnity to Principals
- Unauthorised movement of vehicles
- Inclusion of directors, officers and employees as insured parties
- Waiver of subrogation
- Non-vitiation clauses
- Testing and commissioning of the works
- Testing and trial running for passenger service
- Motor Contingent Liability – limited to Great Britain, Northern Ireland, the Channel Islands, the Isle of Man
- Defective Premises Act Clause.
- Data Protection Act Defence Costs.
- Compensation for court attendance
- Sudden and Accidental Pollution Clause.
- Health and Safety at Work
- Munitions of War Clause.
- Consumer Protection Act
- Food Safety Act
- Project Supervisory Design and Construction Stage
- Wrongful Arrest
- Contracts (Rights of Third Parties) Act 1999

- JCT 21.2.1 – Limit £50m any one occurrence

- Pure financial loss – Limit £2,000,000 in the aggregate during the Period of Insurance, deductible £10,000, claims made basis of cover

Section 3 Delayed Start Up

- off-site storage and premises of specified suppliers where materials/plant/equipment for incorporation into the works is in the process of manufacture or being stored - damage by fire, lightning, explosion or aircraft only covered – Limit £2,500,000 any one occurrence

- prevention of access - Limit £2,500.000 any one occurrence, limited to damage to property within a radius of 1km of the site of the contract or within 1km of either side of the proposed tram route

- damage to the supply of water, gas, electricity or telecommunications systems to any site – Limit £1,000,000 any one occurrence

- delay caused by damage to the Insured Property during transit by road, rail or sea (roll on/roll off ferries only) including during loading/unloading, transhipments and storage en route – Limit £6,000,000 any one occurrence

- terrorism to full value – via Pool Re within Great Britain. Terrorism outside Great Britain is excluded

- non-vitiation and severability of interest clauses

- including consequential losses arising from loss or damage to Constructional Plant and Equipment

- professional fees – Limit 15% of finally-agreed settlement or £500,000 any one occurrence whichever is the lower.

PRINCIPAL EXCLUSIONS:

Section 1 Construction All Risks

- Consequential loss

- Wear and tear and corrosion but not consequent damage

- Inventory losses

- Claims deductibles

- Acts of fraud or theft committed by employees

- Building contractors and sub contractors plants, tools and equipment

- Liquidated damages

- War, invasion, acts of foreign enemies, hostilities, civil war, rebellion, revolution, insurrection or military or usurped power

- Nuclear risks

- Sonic bangs
- Design Exclusion LEG 3
- Aircraft or marine vessels
- Vehicles licensed for road use other than tool of trade risk (exclusion does not apply to trams during testing, commissioning and trial running
- Money
- Tyres by the application of brakes, punctures, cuts or bursts
- Suspension of work in excess of three months
- Normal upkeep or normal making good
- Electronic data exclusion – cover limited to physical damage caused by fire, explosion, collision, derailment
- Piling exclusions and restrictions
- Pre-existing defects in respect of existing structures

Section 2 – Third Party Liability

- Employers' Liability
- Liability arising out of the use of, ownership or possession of any motor vehicle in circumstances where the Road Traffic Acts require compulsory insurance or security. The exclusion does not apply to trams whilst undergoing testing, commissioning and trial running
- Liability arising out of the use of, ownership or possession of any aircraft or waterborne craft
- Asbestos exclusion (cover applies to bodily injury or damage to material property following accidental discovery of asbestos on a claims made basis – limit £1,000,000 in the aggregate during the Period of Insurance, deductible £10,000)
- Liquidated damages
- Fines, penalties, punitive or exemplary damages
- War, invasion, acts of foreign enemies, hostilities (whether declared or not), civil war, rebellion, revolution, insurrection or military or usurped power.
- Nuclear risks
- Seepage, pollution or contamination unless caused by sudden, unintended and unexpected happening.
- Professional indemnity, but not excluding personal or bodily injury or

damage to tangible property.

- Liability arising out of performance warranties
- Property belonging to the Insured or in their care, custody or control
- Repairing or making good faulty, defective or incorrect workmanship, design or specification, materials, goods or other property supplied or installed or erected
- Excluding use of explosives or extent of cover to be agreed
- Product recall, product guarantee
- Terrorism
- Deductibles

Section 3 Delay in Start Up

- Public authority delay
- Rectification of defects
- Non-availability of funds
- Modifications
- Costs incurred to reduce delay during Claims Deductible period
- Suspension, lapse or cancellation of licence after commencement of operations

SECTION 1 - FORTH PORTS PLC

1.1 In this Section 1 of Section A of Schedule Part 13, the following expressions shall, unless the context otherwise requires, have the following meanings:

"**Bridges**" means Bridge One and Bridge Two together;

"**Bridge One**" means the most easterly bridge forming part of Ocean Drive as the location of such is shown marked D on Arup Drawing 0661 which forms part of the Site Specific Plans;

"**Bridge Two**" means the most westerly bridge forming part of Ocean Drive as the location of such is shown marked adjacent to Letter F on Arup Drawing 0662 which forms part of the Site Specific Plans;

"**Drawings**" means parliamentary drawings allocated sheet numbers 6 to 12 inclusive as annexed to the Edinburgh Tram (Line One) Act 2006;

"**Forth Ports**" shall mean Forth Ports plc, a company incorporated under the Companies Act (company number SC134741) and having its registered office at 1 Prince of Wales Dock, Leith, Edinburgh EH6 7DX and its successors and assignees as proprietors of property on the Site;

"**Forth Ports Agreement**" means the agreement entered into between Forth Ports and CEC in respect of the withdrawal of Forth Ports objection to the Edinburgh Tram (Line One) Bill and dated 10 and 15 February 2006;

"**Licence**" means a licence to be entered into between CEC and Forth Ports pursuant to the Forth Ports Agreement relating to access onto the Site for the purposes of carrying out the Infraco Works;

"**Licence Site**" means the plot of ground which is the subject of each respective Licence;

"**LLAU**" means, subject to paragraph 1.5, insofar as they relate to the Site, the limits of land to be acquired and used for the purposes of the carrying out of the Infraco Works as more particularly shown on the Drawings;

"**LOD**" means, subject to paragraph 1.4, insofar as they relate to the Site, the limits of deviation within which the Edinburgh Tram Network will be constructed and operated as more particularly shown on the Drawings;

"**Ocean Terminal Building**" means the retail and leisure centre belonging to Ocean Terminal Limited and known as and forming Ocean Terminal, Ocean Drive, Leith, Edinburgh;

"**Site**" means those areas of ground in the City of Edinburgh identified on the Drawings as either LLAU or LOD and which are as at the last date of execution of the Forth Ports Agreement within the ownership of Forth Ports;

"**Site Specific Plans**" means the drawings prepared on behalf of Forth Ports by Ove Arup and Partners Ltd and each identified as being the "Site Specific Plans referred to in paragraph 1.1 of section 1 of Schedule 13" which form Part 1 of Appendix 1 to this Schedule Part 13; each individual drawing is referred to herein by its particular number all of which plans are further interpreted or explained by the Table which shall for all purposes be deemed to form part of the Site Specific Plans;

"**Table**" means the table headed "Leith Docks Tram Integration" which is comprised in Part 2 of Appendix 1 to this Schedule Part 13 and which is to be read along with the Site Specific Plans; and

"**Utilities**" means services of gas, electricity, water, drainage, telecommunications and the cables, conduits, pipes and others provided or in place for the delivery of the same.

1.2 The Infraco shall not design or construct any part of the Edinburgh Tram Network on the Site outside of the LOD as shown on the Drawings. The Infraco shall also ensure that the route for Edinburgh Tram Network will generally adopt the line shown on the Site Specific Plans. In the event that this becomes, or is found not to be, reasonably practicable, then such other most proximate and appropriate route shall be adopted by the Infraco in line with the consultation carried out between CEC and Forth Ports pursuant to clause 2.2 of the Forth Ports Agreement. **tie** will procure that the Infraco's views are sought in respect of any such consultation.

1.3 In respect of the Arup Drawing number 0663 within the Site Specific Plans and the demonstration at letter K, the Infraco shall ensure that during the carrying out of the Infraco Works, it shall not encroach upon on any land beyond the junction of the North East leg of the roundabout unless the Infraco is instructed otherwise by **tie** in accordance with this Agreement.

1.4 Along the frontage and extent of the Ocean Terminal Building, the LOD will be as shown on the Site Specific Plans relative to the face of the Ocean Terminal Building. The LOD on the South East edge in this location will be in accordance with the Drawings. At the location in the vicinity of the letter U marked on Arup drawing 0666 forming part of the Site Specific

Plans, the LOD will be as shown on the Arup drawing referred to. Unless instructed otherwise by **tie** in accordance with this Agreement, the Infraco shall not design or construct any part of the Edinburgh Tram Network on the Site on any land outwith the LOD as referred to in this paragraph 1.4.

1.5 The LLAU will be deemed to be as shown on the Drawings, save that the plots identified as 88a and 89a are excluded therefrom. Unless instructed otherwise by **tie** in accordance with this Agreement, the Infraco shall not encroach on such plots for the purposes of carrying out the Infraco Works, provided that, if such plots have not been utilised for development purposes at the time of carrying out the Infraco Works, the Infraco shall, subject to **tie**'s consent (not to be unreasonably withheld or delayed), be entitled to occupy and use such plots on a temporary basis as the site of a construction compound, provided that **tie's** consent shall not be deemed to be unreasonably withheld or delayed where the consent of Forth Ports is withheld or delayed by Forth Ports in accordance with the Forth Ports Agreement.

1.6 The Infraco shall carry out and/or procure the carrying out of the Infraco Works strictly in accordance with any site specific code of construction practice which may be in place from time to time in respect of the Site as notified to the Infraco by **tie**. The Infraco will provide **tie** with all reasonable assistance requested by **tie** in relation to the negotiation and agreement of any such code.

1.7 The Infraco acknowledges that Forth Ports require specific finishes to be adopted in areas of particular public realm importance to Forth Ports and its redevelopment of the Site. In this regard, the Infraco shall comply with all reasonable requirements of Forth Ports as notified by **tie** to the Infraco so as to ensure that on completion of the Infraco Works there is due and proper cohesion and uniformity between the finish of the Infraco Works and the surrounding areas of public realm works being undertaken by Forth Ports.

1.8 The Infraco acknowledges that Forth Ports have a material preference that no fixing of any component part of the Edinburgh Tram Network should be made to any buildings on the Site. In the event that any such fixing is nonetheless considered by the Infraco to be the most appropriate solution, they will first seek the approval of **tie** on such matter and take due and proper cognisance of the reasonable representations of Forth Ports as notified by **tie** to the Infraco in this respect.

1.9 The Infraco shall have due and proper regard to the representations by Forth Ports, as notified by **tie** to the Infraco, in relation to the period proposed for carrying out the Infraco Works at the Site, any proposals regarding the area proposed to be affected by such Infraco Works, procedures proposed for carrying out the Infraco Works and any amendments to the draft

Programme and will use reasonable endeavours to ensure that its proposed period of the relevant Infraco Works will be made to accord with Forth Ports' reasonable requirements as notified by **tie** to the Infraco.

1.10 Prior to completion of the Infraco Works on each Licence Site, the Infraco shall provide **tie** with notice, in respect of each Licence Site specifying:

1.10.1 the estimated date upon which the Infraco Works at the relevant Licence Site are due to be completed; and

1.10.2 the estimated date upon which possession of the relevant Licence Site will be returned to **tie**;

Provided that such notice shall be provided to **tie** having regard to the need to facilitate an inspection of the relevant Licence Site pursuant to paragraph 1.11.

1.11 The Infraco shall facilitate the carrying out of an inspection of the relevant Licence Site by Forth Ports and a representative of CEC and/or **tie**, such inspection to be carried out on a date to be specified by **tie**, declaring that the relevant date will be at least 5 days before the estimated date of return of possession of the relevant Licence Site to **tie**.

1.12 The Infraco shall take due and proper cognisance of all reasonable and proper representations of Forth Ports, as notified by **tie** to the Infraco, in terms of the sufficiency of the Infraco Works at the relevant Licence Site in order to ensure that on return of possession of such to Forth Ports, the Licence Site should be in a condition fully commensurate with the full and proper compliance by the Infraco with its obligations under this Agreement.

1.13 The Infraco acknowledges that Forth Ports intend to carry out such works as may be necessary to bring Ocean Drive as it passes over the Bridges up to an adoptable standard. The Infraco shall ensure that any programme of Infraco Works to be undertaken to the Bridges or the surrounding road areas will be carried out with reasonable co-ordination so as to give rise to the least practicable requirement for either **tie** or Forth Ports to undo or replace works undertaken by or on behalf of the other.

1.14 In carrying out the Infraco Works the Infraco will act always in accordance with the Programme relevant to any element of the Infraco Works at the Licence Site and will have due and proper regard to the requirement of Forth Ports to be able to access their property and all parts of it at all times in order to carry on their business activities and the like requirement of Forth Ports' tenants and occupiers to go about their respective business activities.

1.15 The Infraco shall ensure that any disturbance of any access route at the Site will be in place for the minimum period reasonably practicable. In intimating any proposed programme for Infraco Works in respect of any Licence Site to **tie** the Infraco shall provide in each instance its best estimate of any period of disruption of such access rights and routes. Without prejudice to the foregoing generality the Infraco shall give **tie** reasonable prior notice of any proposed disconnection of any Utilities at the Site as may be required to carry out the Infraco Works.

1.16 Where there is disruption to normal routes and rights of access, the Infraco shall ensure that such disruption is kept to the minimum. In particular, the Infraco shall ensure that where an existing access route is disturbed at the Site, alternative and suitable access and egress arrangements are made and the original access/egress route is restored to an equivalent standard as existed prior to the commencement of the Infraco Works at the Site by a date not later than that set out in the Programme.

1.17 The Infraco shall facilitate access for Forth Ports to the East breakwater adjacent to and forming part of Granton Harbour (as highlighted by the letter "W" on the Site Specific Plans) for pedestrian and vehicular purposes to facilitate inspection and repair works by Forth Ports at such times as may be specified by **tie**.

1.18 The Infraco shall ensure so far as reasonably practicable that Utilities remain in service and are only disturbed to the minimum.

1.19 The Infraco acknowledges that Forth Ports may in the future wish to run Utilities under the route of the Edinburgh Tram Network. In this regard, the Infraco will take due and proper cognisance of the requirements or requests of Forth Ports as intimated to the Infraco by **tie**. The Infraco further acknowledges that wherever reasonably practicable, such crossing of Utilities shall be to the junctions and crossings demonstrated in the Site Specific Plans and that wherever reasonably practicable Forth Ports shall ensure that Utilities do not run parallel beneath the Edinburgh Tram Network.

SECTION 2 - ALEXANDER LATTO (1986) LIMITED

2.1 In this Section 2 of Section A of Schedule Part 13, the following expressions shall, unless the context otherwise requires, have the following meanings:

"**Secure Parking Area**" means a vehicle parking area in the vicinity of the Property, the exact location and the extent of which will be subject to the approval of **tie** (not to be unreasonably withheld or delayed); and

"**Property**" means the motor recovery and service premises at 111-115 Constitution Street, Edinburgh EH6 7AE.

2.2 Subject to Paragraph 2.3 below, in carrying out the Infraco Works in the vicinity of the Property, the Infraco shall at all times ensure 24 hour access to the Property.

2.3 The Infraco shall use all reasonable endeavours to ensure that vehicle access to the Property will not be disrupted for more than one weekend whilst Infraco Works are being carried out directly outside the Property.

2.4 To the extent that access to the Property is disrupted due to the Infraco Works, the Infraco shall provide a Secure Parking Area, which will have 24 hour access for a reasonable number of vehicles, including recovered vehicles.

2.5 To the extent that the Infraco is required to provide the Secure Parking Area in accordance with paragraph 2.4 above, the Infraco shall, at its own cost, provide and maintain security measures for the Secure Parking Area including all lights, guards, fencing and watching.

2.6 With regard to overhead electrification, the Infraco shall ensure that any poles supporting overhead cabling within the vicinity of the Property will be sited at the side of the road and not in the middle with a view to ensuring that the turning of long vehicles into the Property is not impeded.

2.7 The Infraco shall provide **tie** with reasonable and adequate notice prior to the commencement of any Infraco Works in the vicinity of the Property and shall consult with Alexander Latto (1986) Limited (company no. SC099503) or its representatives in relation to the carrying out of the Infraco Works in the vicinity of the Property if requested to do so by **tie**.

SECTION 3 - TRILLIUM (PRIME) PROPERTY GP LIMITED AND LAND SECURITIES TRILLIUM LIMITED

3.1 In this Section 3 of Section A of Schedule Part 13, the following expressions shall, unless the context otherwise requires, have the following meanings:

"**Drawing**" means parliamentary drawing sheet number 22 as annexed to the Edinburgh Tram (Line One) Act 2006;

"**Noise and Vibration Policy**" means the noise and vibration policy referred to in section 66 of each of the Edinburgh Tram (Line One) Act 2006 and the Edinburgh Tram (Line Two) Act 2006 as the same may be amended and/or updated from time to time;

"**Plan**" means the plan forming part 1 of Appendix 2 of Schedule Part 13;

"**Property**" means the area shown hatched on the Plan comprising 0.202 hectares or thereby (0.5 acres or thereby) from Haymarket Terrace towards Rosebery Crescent, known as and forming Haymarket House together with a car park to the rear;

"**Route Plan**" means the plan forming part 2 of Appendix 2 of Schedule Part 13;

"**Site**" means that area of ground extending to 8 square metres or thereby at Haymarket House, Haymarket, as identified as Plot 300 on the Drawing; and

"**Trillium**" means Trillium (Prime) Property GP Limited, a company incorporated under the Companies Act with registered number 03424587 and having its registered office at Bastion House, 140 London Wall, London EC2Y 1BN and its successors and assignees.

3.2 During the carrying out of the Infraco Works, the Infraco shall not encroach upon the Site, unless instructed otherwise by **tie** in accordance with this Agreement.

3.3 The Infraco shall ensure that the route of the Edinburgh Tram Network will generally adopt the line shown on the Route Plan. In the event that this becomes or is found not to be reasonably practicable then, subject always to paragraph 3.2 above, such other most proximate and appropriate route will be adopted by the Infraco, the Infraco having due regard to the reasonable representations of Trillium as notified to the Infraco by **tie** in this regard but not in any event so as to include or impinge on any part of the Property.

3.4 In advance of the Infraco Works commencing in the vicinity of the Property, the Infraco shall provide **tie** with such assistance as it may require in relation to any discussion between **tie** and Trillium regarding the specific measures to be adopted to protect the Property and its users.

3.5 The Infraco shall adopt the targets in the Noise and Vibration Policy in the design of the Edinburgh Tram Network and shall comply with the Noise and Vibration Policy in respect of the carrying out of the Infraco Works at or in the vicinity of the Property.

3.6 If required by **tie**, the Infraco shall carry out or facilitate the carrying out by **tie** of:

3.6.1 an assessment of both the baseline noise and vibration levels at the Property; and

3.6.2 an assessment of the noise and vibration levels at the Property during the operation of the Edinburgh Tram Network;

within such reasonable timescales as may be detailed by **tie**. Where the Infraco is required to carry out such an assessment, the Infraco shall ensure that the person appointed is an appropriately skilled and experienced technical expert.

3.7 The Infraco shall, if required by **tie**, ensure that the results of the assessments referred to in paragraph 3.6 above are delivered to **tie** and copied to Trillium forthwith.

3.8 The Infraco shall, at **tie**'s request, either carry out or facilitate the carrying out by **tie** of appropriate structural condition surveys of the Property;

3.8.1 prior to the commencement of the Infraco Works in the vicinity of the Property; and

3.8.2 following the completion of the Infraco Works in the vicinity of the Property.

3.9 The Infraco shall, if required by **tie**, ensure that the results of the surveys referred to in paragraph 3.8 above are delivered to **tie** forthwith.

3.10 In the event that any assessments or surveys carried out by or on behalf of **tie** or CEC prior to and after completion of the Infraco Works disclose that damage has been caused to the Property by the Infraco Works, the Infraco will take all steps necessary to repair the Property and make good any defects and damage as soon as reasonably practicably possible causing the least possible disruption reasonably practicable to Trillium and any other occupiers of the Property at that time.

SECTION 4 - TRUSTEES OF THE CITY POINT UNIT TRUST

4.1 In this Section 4 of Section A of Schedule Part 13, the following expressions shall, unless the context otherwise requires, have the following meanings:

"**Citypoint**" means ALL and WHOLE the subjects known as and forming Citypoint 65-67 Haymarket Terrace, Edinburgh at the corner of Haymarket Terrace and Haymarket Yards shown outlined in red on Plan 1;

"**CPUT**" means City Point Unit Trust;

"**Drawing**" means parliamentary drawing number 22 as annexed to the Edinburgh Tram (Line One) Act 2006;

"**Licence**" means a licence to be entered into between CEC and the Trustees relating to access onto the Site for the purpose of carrying out the Infraco Works;

"**Licence Period**" means the period of a Licence from the Entry Date (as defined in the Licence) to the date of expiry of the Licence;

"**Limits of Deviation**" means insofar as they relate to the Site, the limits of deviation within which the Edinburgh Tram Network will be constructed and operated as more particularly set out in the Edinburgh Tram (Line One) Act 2006 and the Drawing;

"**Plan 1**" means the plan forming part 1 of Appendix 3 to this Schedule Part 13;

"**Plan 2**" means the plan forming part 2 of Appendix 3 to this Schedule Part 13;

"**Site**" means that area of ground at Citypoint identified as Plot 424 on the Drawing insofar as falling within the Limits of Deviation;

"**Small Vehicles**" means motor cars, motor bikes, mopeds, bicycles, small vans and other similar vehicles but specifically excluding vehicles of a size and nature that would result in that vehicle occupying greater than a single parking space;

"**Tenants**" means all tenants or their authorised occupiers, present and future, of Citypoint and the Site or any part or parts thereof; and

"**Trustees**" means the trustees of CPUT being Walbrook Trustees (Jersey) Limited, a company incorporated under the laws of Jersey (registered number 12781) and Walbrook Properties Limited, a company incorporated under the laws of Jersey (registered number

45279), both companies having their registered office at PO Box 238, Lord Coutanche House, 66/68 Esplanade, St Helier, Jersey JE4 5PS.

4.2 The Infraco acknowledges that in respect of the Site and Plot 423, only Plot 423 as identified on the Drawing will be compulsorily acquired for the purposes of the Edinburgh Tram Network and the Infraco shall not therefore design or construct any part of the Edinburgh Tram Network on the Site. Without prejudice to the foregoing terms of this paragraph 4.2, the Infraco shall be entitled to take temporary possession of such parts of the Site as fall within the Limits of Deviation for the purposes of required regulation of entrance levels and kerb realignment, all in terms of the relevant licence as notified to the Infraco by **tie** in accordance with this Agreement.

4.3 Upon completion of the Infraco Works, the Site shall be reinstated to a condition no worse than that in which the Site was found prior to the commencement of the Infraco Works.

4.4 The Infraco shall, in carrying out the Infraco Works at Citypoint, comply with any directions reasonably given by **tie** so that the impact on the normal operation of the Tenants' business at Citypoint and any building thereon is minimised as far as reasonably practicable having regard to the scope and nature of the Infraco Works.

4.5 Without prejudice to any other terms of this Agreement, the Infraco shall make good all damage caused to Citypoint as a result of the Infraco Works to the reasonable satisfaction of **tie**.

4.6 The Infraco acknowledges that CPUT has a material preference that no fixing of any component part of the Edinburgh Tram Network should be made to Citypoint and any building thereon. In the event that any such fixings are nonetheless considered by the Infraco to be the most appropriate solution, the Infraco shall first consult with CPUT on such matter and take due and proper cognisance of the reasonable representations of CPUT as notified to the Infraco by **tie** in this respect.

4.7 The Infraco shall ensure that throughout the construction of the Infraco Works, continuous vehicular access to, and egress from, the car park and each car parking space at Citypoint will be capable of being taken to and from the nearest public road.

4.8 The Infraco shall ensure that pedestrian access to and egress from Citypoint will be available at all times in the period during which the Infraco Works are being carried out in the vicinity of Citypoint.

4.9 In the event that use of some of the car parking spaces within the car park at Citypoint is interrupted or frustrated by the carrying out of the Infraco Works the Infraco shall use all reasonable endeavours to provide an alternative site or sites for the exclusive unrestricted use by CPUT and the Tenants for the purposes of the exclusive temporary car parking of 35 Small Vehicles during the Licence Period and (if necessary) at all other times until the Infraco Works in the vicinity of Citypoint have been completed (which alternative site is hereinafter referred to as the "**Temporary Site**") and that within that area of Haymarket Yards bounded by Balbirnie Place, Haymarket Station, Haymarket Terrace and the Haymarket railway lines, all as shown outlined in red on Plan 1 (hereinafter referred to as "**Haymarket Yards**"). The location of the car parking spaces will be subject to the prior written consent of **tie**.

4.10 In the event that the Infraco (acting reasonably) cannot reasonably provide a Temporary Site within Haymarket Yards as aforesaid, then the Infraco shall be bound to provide an alternative exclusive temporary site or sites outwith Haymarket Yards but within an area north of the existing railway and within a 250 metre radius of Citypoint as shown outlined in blue on Plan 2 (hereinafter referred to as "**the Extended Area**") declaring for the avoidance of doubt that for the purposes of this paragraph 4.10 only, the Extended Area shall specifically exclude that car park known as 'Morrison Street Car Park' and any other car park located to the south of the Edinburgh to Glasgow railway line as shown on Plan 2.

4.11 The Infraco (acting reasonably) shall be entitled to relocate the Temporary Site to another temporary site or sites within Haymarket Yards or the Extended Area, at any time or times, within the Licence Period as shall be reasonably required for the purposes of the proper carrying out of the Infraco Works, provided that each such proposed relocation shall be subject to **tie** receiving not less than 35 days' prior written notice.

4.12 The Infraco (acting reasonably) shall be entitled to divide the Temporary Site between two or more sites as shall be reasonably required for the purposes of the proper carrying out of the Infraco Works and to accommodate the said 35 Small Vehicles, provided that each such proposed division shall be subject to **tie** receiving not less than 35 days' prior written notice.

4.13 The Infraco shall ensure that the said 35 Small Vehicles parking spaces to be provided within Haymarket Yards or the Extended Area (as the case may be) shall be for the exclusive use of CPUT and the Tenants and shall be available for use at all times.

4.14 Upon imminent completion of the Infraco Works at the Site, the Infraco shall serve written notice on **tie** specifying the date upon which the Infraco Works are due to be completed and the date upon which possession of the Site will be returned to **tie**.

4.15 From the Entry Date (as defined in the relevant Licence) relevant to a Licence and during the relevant Licence Period, subject to the other terms of this Agreement the Infraco's occupation of that part of the Site it occupies will be at the Infraco's risk.

SECTION 5 - OCEAN TERMINAL LIMITED

5.1 In this Section 5 of Section A of Schedule Part 13, the following expressions shall, unless the context otherwise requires, have the following meanings:

"**Drawing**" means parliamentary drawing allocated sheet number 7 as annexed to the Edinburgh Tram (Line One) Act 2006;

"**Licence**" means a licence to be entered into between CEC and Ocean Terminal relating to access onto the Site for the purposes of carrying out the Infraco Works;

"**Licence Site**" means the plot of ground which is the subject of each respective Licence;

"**LLAU**" means, subject to paragraph 5.6, insofar as they relate to the Site, the limits of land to be acquired and used for the purposes of the carrying out of the Infraco Works as more particularly set out in the Edinburgh Tram (Line One) Act 2006;

"**LOD**" means, subject to paragraph 5.4, insofar as they relate to the Site, the limits of deviation within which the Edinburgh Tram Network will be constructed as more particularly shown on the Drawing;

"**Ocean Terminal**" means Ocean Terminal Limited, a company incorporated under the Companies Act with registered number SC178696 and having its registered office at 1 Prince of Wales Dock, Leith, Edinburgh, EH6 7DX and its successors and assignees as proprietors of the Site;

"**Ocean Terminal Agreement**" means the agreement entered into between Ocean Terminal and CEC in respect of the withdrawal of Ocean Terminal's objection to the Edinburgh Tram (Line One) Act 2006;

"**Ocean Terminal Building**" means the retail and leisure centre belonging to Ocean Terminal and known as and forming Ocean Terminal, Ocean Drive, Leith, Edinburgh;

"**Site**" means those areas of ground in the City of Edinburgh registered in the Land Register of Scotland under Title Number MID 11162 and comprising various plots on the Drawing;

"**Site Specific Plans**" means the drawings prepared on behalf of Ocean Terminal by Ove Arup and Partners Ltd and each identified as being the "Site Specific Plans referred to in paragraph 5.1 of section 5 of Schedule 13" which are set out in part 1 of Appendix 4 to Schedule Part 13; each individual drawing is referred to herein by its particular number all of which plans are

further interpreted or explained by the Table which shall for all purposes be deemed to form part of the Site Specific Plans;

"**Table**" means the table headed "The Table" which is set out in part 2 of Appendix 4 to Schedule Part 13 and should be read together with the Site Specific Plans; and

"**Utilities**" means services of gas, electricity, water, drainage, telecommunications and the cables, conduits, pipes and others provided or in place for the delivery of the same.

5.2 The Infraco shall ensure that the route for the Edinburgh Tram Network will generally adopt the line shown on the Site Specific Plans. In the event that this becomes, or is found not to be, reasonably practicable, then such other most proximate and appropriate route shall be adopted by the Infraco, in line with the consultation carried out between CEC and Ocean Terminal pursuant to clause 2.2 of the Ocean Terminal Agreement. **tie** will procure that the Infraco's views are sought in respect of any such consultation.

5.3 In respect of Arup Drawing number 0663 within the Site Specific Plans and the demonstration at letter K, the Infraco shall ensure that during the carrying out of the Infraco Works, it shall not encroach upon on any land beyond the junction of the North East leg of the roundabout unless the Infraco is instructed otherwise by **tie** in accordance with this Agreement.

5.4 Along the frontage and extent of the Ocean Terminal Building, the LOD will be as shown on the Site Specific Plans relative to the face of the Ocean Terminal Building. The LOD on the South East edge in this location will be in accordance with the Drawing. Unless instructed otherwise by **tie** in accordance with this Agreement, the Infraco shall not design any part of the Edinburgh Tram Network upon, and shall not encroach upon any land outwith the LOD as specified in the preceding provisions of this paragraph 5.4.

5.5 Whilst carrying out Infraco Works at the Site, the Infraco shall not impede the availability of coach parking facilities, which shall be of no lesser scale than that currently enjoyed by Ocean Terminal at the Site.

5.6 The LLAU will be deemed to be as shown on the Drawing. Unless instructed otherwise by **tie** in accordance with this Agreement the Infraco shall not encroach upon any land in respect of Infraco Works at the Site outwith the LLAU shown on the Drawing.

5.7 The Infraco shall carry out and/or procure the carrying out of the Infraco Works strictly in accordance with any site specific code which may be in place from time to time in respect of the Site as notified to the Infraco by **tie**. The Infraco will provide **tie** with all reasonable

assistance requested by **tie** in relation to the negotiation and agreement of any such code with Ocean Terminal.

5.8 The Infraco acknowledges that Ocean Terminal require specific finishes to be adopted in areas of particular public realm importance to Ocean Terminal and its redevelopment of the Site. In this regard, the Infraco shall comply with all reasonable requirements of Ocean Terminal as notified by **tie** to the Infraco so as to ensure that on completion of the Infraco Works there is due and proper cohesion and uniformity between the finish of the Infraco Works and the surrounding areas of public realm works being undertaken by Ocean Terminal.

5.9 The Infraco acknowledges that Ocean Terminal have a material preference that no fixing of any component part of the Edinburgh Tram Network should be made to any buildings on the Site. In the event that any such fixing is nonetheless considered by the Infraco to be the most appropriate solution, they will first seek the approval of **tie** on such matter and take due and proper cognisance of the reasonable representations of Ocean Terminal as notified by **tie** to the Infraco in this respect.

5.10 Prior to completion of the Infraco Works at each Licence Site, the Infraco shall provide **tie** with notice in respect of each Licence Site specifying:

5.10.1 the estimated date upon which the Infraco Works at the relevant Licence Site are due to be completed; and

5.10.2 the estimated date upon which possession of the relevant Licence Site will be returned to **tie**;

provided that such notice shall be provided to **tie**, having regard to the need to facilitate an inspection of the relevant Licence Site pursuant to paragraph 5.12.

5.11 The Infraco shall have due and proper regard to the representations made by Ocean Terminal, as notified by **tie** to the Infraco, in relation to the period proposed for carrying out the Infraco Works at the Site, any proposals regarding the area proposed to be affected by such Infraco Works, procedures proposed for carrying out the Infraco Works and any amendments to the draft Programme and will use reasonable endeavours to ensure that its proposed period of the relevant Infraco Works will be made to accord with Ocean Terminal's reasonable requirements as notified by **tie** to the Infraco.

5.12 The Infraco shall facilitate the carrying out of an inspection of the relevant Licence Site by Ocean Terminal and a representative of CEC and/or **tie**, such inspection to be carried out on a

date to be specified by **tie** declaring that the relevant date will be at least 5 days before the estimated date of return of possession of the relevant Licence Site to **tie**.

5.13 The Infraco shall take due and proper cognisance of all reasonable and proper representations of Ocean Terminal, as notified by **tie** to the Infraco, in terms of the sufficiency of the Infraco Works at the relevant Licence Site in order to ensure that on return of possession of such to Ocean Terminal, the Licence Site should be in a condition fully commensurate with the full and proper compliance by the Infraco with its obligations under this Agreement.

5.14 In carrying out the Infraco Works at the Site, the Infraco will act always in accordance with the programme relevant to any element of the Infraco Works at the Licence Site and will have due and proper regard to the requirement of Ocean Terminal to be able to access their property and all parts of it at all times in order to carry on their business activities and the like requirement of Ocean Terminal's tenants and occupiers to go about their respective business activities. The Infraco shall ensure that any disturbance of any access route at the Site will be in place for the minimum period reasonably practicable. In intimating any proposed programme for Infraco Works in respect of any Licence Site to **tie**, the Infraco will provide in each instance its best estimate of any period of disruption of access rights and routes. Without prejudice to the foregoing generality, the Infraco shall give **tie** reasonable prior notice of any proposed disconnection of any Utilities at the Site as may be required to carry out the Infraco Works.

5.15 Whilst carrying out the Infraco Works at the Site, the Infraco shall take all reasonable and proper steps to ensure that any disruption to normal routes and rights of access is kept to the minimum and in particular that at all times where an existing access route is disturbed that an alternative and reasonably suitable access route will be provided and the original access way returned to operation at a date not later than that disclosed in the Programme for the relevant element of the Infraco Works.

5.16 The Infraco shall ensure that at all times during the carrying out of the Infraco Works at the Site, access is available by Ocean Terminal and members of the public to Ocean Terminal's premises by way of the main central access doorway by at least half the total width of the doorway referred to.

5.17 The Infraco shall ensure that the fire safety requirements of Ocean Terminal and its operation of its shopping centre will have priority so that at all times wholly sufficient routes of access and egress will be provided for fire escape purposes along with either no disruption to the existing fire muster safety areas or the substitution of wholly suitable alternate fire muster

safety areas so that Ocean Terminal can at all times operate safely and in accordance with fire regulations and requirements.

5.18 Whilst carrying out the Infraco Works at the Site, the Infraco shall ensure so far as reasonably practicable that Utilities remain in service and only be disturbed to the minimum.

5.19 The Infraco acknowledges that Ocean Terminal may in the future wish to run Utilities under the route of the Edinburgh Tram Network. In this regard, the Infraco will take due and proper cognisance of the requirements or requests of Ocean Terminal as intimated to the Infraco by **tie**. The Infraco further acknowledges that wherever reasonably practicable, such crossing of Utilities shall be to the junctions and crossings demonstrated in the Site Specific Plans and that wherever reasonably practicable Ocean Terminal shall ensure that Utilities do not run parallel beneath the Edinburgh Tram Network.

SECTION 6 - NORMAN, DOWNIE & KERR

6.1 In this Section 6 of Section A of Schedule Part 13, the following expressions shall, unless the context otherwise requires, have the following meanings:

"**Property**" means the offices of Norman, Downie & Kerr at 130 Constitution Street Edinburgh EH6 6AJ.

6.2 Vehicular access to the Property may only be disrupted for up to one weekend approximately whilst Infraco Works are being carried out directly outside the Property.

6.3 Subject to paragraph 6.2 above, the Infraco shall ensure that access is available to the Property throughout the construction of the Infraco Works.

6.4 The Infraco shall provide **tie** with reasonable and adequate notice prior to the commencement of any Infraco Works in the vicinity of the Property.

6.5 The Infraco shall ensure that disruptions to services provided by utility service providers to the Property are limited.

6.6 During the course of the Infraco Works, if any services provided by utility service providers to the Property are disrupted, the Infraco shall ensure that alternative supplies are provided for the Property.

SECTION 7 - THE ROYAL YACHT BRITANNIA TRUST

7.1 In this Section 7 of Section A of Schedule Part 13, the following expressions shall, unless the context otherwise requires, have the following meanings:

"**Drawing**" means parliamentary drawing allocated sheet number 7 as annexed to the Edinburgh Tram (Line One) Act 2006;

"**LLAU**" means, subject to paragraph 7.6, insofar as they relate to the Site, the limits of land to be acquired and used for the purposes of the carrying out of the Infraco Works as more particularly shown on the Drawing;

"**LOD**" means, subject to paragraph 7.3, insofar as they relate to the Site, the limits of deviation within which the Edinburgh Tram Network will be constructed as more particularly shown on the Drawing;

"**Ocean Terminal Limited**" means Ocean Terminal Limited, a company incorporated under the Companies Act with registered number SC 178696 and having its registered office at 1 Prince of Wales Dock, Leith, Edinburgh, EH6 7DX and its successors and assignees as proprietors of the Site;

"**Ocean Terminal Building**" means the retail and leisure centre belonging to Ocean Terminal Limited and known as and forming Ocean Terminal, Ocean Drive, Leith, Edinburgh;

"**RYB**" means The Royal Yacht Britannia Trust, a company incorporated under the Companies Acts with registered number SC 185443 and having its registered office at Princes Exchange, 1 Earl Grey Street, Edinburgh, EH3 9EE;

"**RYB Agreement**" means the agreement entered into between RYB and CEC in respect of the removal of RYB's objections to the Edinburgh Tram (Line One) Bill and dated 14 and 23 February 2006;

"**Site**" means those areas of ground in the City of Edinburgh identified on the Drawing as either LLAU or LOD and which are within the ownership of Ocean Terminal Limited as at the last date of signing of the RYB Agreement;

"**Site Specific Plans**" means the drawings prepared by Ove Arup and Partners Ltd and identified as being "plan number x relative to agreement between the City of Edinburgh Council and Ocean Terminal Limited" which are set out in part 1 of Appendix 5 to Schedule Part 13; each individual drawing is referred to herein by its particular number all of which

plans are further interpreted or explained by the Table which shall for all purposes be deemed to form part of the Site Specific Plans; and

"**Table**" means the table which is set out in part 2 of Appendix 5 to Schedule Part 13 and should be read together with the Site Specific Plans.

7.2 The Infraco shall ensure that the route for the Edinburgh Tram Network will generally adopt the line shown on the Site Specific Plans. In the event that this becomes, or is found not to be, reasonably practicable, then such other most proximate and appropriate route shall be adopted by the Infraco in line with the consultation carried out between CEC and RYB pursuant to clause 2.2 of the RYB Agreement. **tie** will procure that the Infraco's views are sought in respect of any such consultation.

7.3 Unless otherwise instructed by **tie** in accordance with this Agreement, in carrying out the Infraco Works at the Site, the Infraco shall not design or construct any part of the Edinburgh Tram Network at the Site on any land outwith the LOD. For the purposes of the preceding provisions of this paragraph 7.3, along the frontage and extent of the Ocean Terminal Building, the LOD will be deemed to be as shown on the Site Specific Plans relative to the face of the Ocean Terminal Building and the LOD on the south east edge in this location will be in accordance with the Drawing.

7.4 In respect of the Site Specific Plans and the demonstration at letter K, the Infraco shall ensure that during the carrying out of the Infraco Works, it shall not encroach upon on any land beyond the junction of the North East leg of the roundabout unless the Infraco is instructed otherwise by **tie** in accordance with this Agreement.

7.5 Whilst carrying out the Infraco Works at the Site, the Infraco shall not impede the availability of coach parking facilities, which shall be of no lesser scale than that currently enjoyed by RYB at the Site.

7.6 Unless instructed otherwise by **tie** in accordance with this Agreement the Infraco shall not encroach upon any land in respect of Infraco Works at the Site outwith the LLAU shown on the Drawing.

7.7 The Infraco shall carry out and/or procure the carrying out of the Infraco Works strictly in accordance with any site specific code which may be in place from time to time in respect of the Site as notified to the Infraco by **tie**. The Infraco will provide **tie** with all reasonable assistance requested by **tie** in relation to the negotiation and agreement of any such code with RYB.

7.8 The Infraco shall have due and proper regard to the representations made by RYB, as notified by **tie** to the Infraco, in relation to the period proposed for carrying out the Infraco Works at the Site, any proposals regarding the area proposed to be affected by such Infraco Works, procedures proposed for carrying out the Infraco Works and any amendments to the draft Programme and will use reasonable endeavours to ensure that its proposed period of the relevant Infraco Works will be made to accord with RYB's reasonable requirements as notified by **tie** to the Infraco.

7.9 The Infraco shall take due and proper cognisance of all reasonable and proper representations of RYB, as notified by **tie** to the Infraco, in terms of the sufficiency of the Infraco Works at the Site in order to ensure that on return of possession of such to RYB, the Site should be in a condition fully commensurate with the full and proper compliance by the Infraco with its obligations under this Agreement.

7.10 In carrying out the Infraco Works at the Site, the Infraco will act always in accordance with the Programme relevant to any element of the Infraco Works at the Site and will have due and proper regard to the requirement of RYB to be able to access their property and all parts of it at all times in order to carry on their business activities including the requirement for suitable and sufficient coach parking and drop off facilities. The Infraco shall ensure that any disturbance of any access route at the Site will be in place for the minimum period reasonably practicable. The Infraco shall notify **tie** its best estimate of any period of disruption of access rights and routes.

7.11 Whilst carrying out the Infraco Works at the Site, the Infraco shall take all reasonable and proper steps to ensure that any disruption to normal routes and rights of access is kept to the minimum and in particular that at all times where an existing access route is disturbed that an alternative and reasonably suitable access route will be provided and the original access way returned to operation at a date not later than that disclosed in the Programme for the relevant element of the Infraco Works.

7.12 The Infraco shall ensure that at all times during the carrying out of the Infraco Works at the Site, access is available by RYB and members of the public to RYB's premises and that coaches are allowed to park in the immediate vicinity of the entrance doorway to RYB's facility.

SECTION 8 - HAYMARKET YARDS LIMITED

8.1 The Infraco shall ensure that occupation of sites 405, 406 and 407 as identified in the plans attached to the Edinburgh Tram (Line One) Act 2006 and sites 519, 520 and 521 on the plans attached to the Edinburgh Tram (Line Two) Act 2006 will be for the shortest reasonable time possible during the carrying out of the Infraco Works.

8.2 Appropriate access arrangements will be retained at all reasonable times to the sites referred to in paragraph 8.1 above and land in the ownership of Haymarket Yards Limited to the north. Where alternative access arrangements require to be provided, the Infraco shall give **tie** at least 35 days' notice of its proposals. The Infraco shall assist **tie** in respect of any consultation and negotiation relating to access restrictions to the sites referred to in this paragraph 8.2.

8.3 The Infraco shall comply with any instructions provided to it by **tie** in respect of the maintenance of appropriate access arrangements in respect of the sites referred to in paragraphs 8.1 and 8.2 above.

8.4 In relation to the design of the traffic management system in the vicinity of Haymarket Yards, the Infraco shall, at least 35 days before the implementation of any roads traffic regulation order in relation thereto, make available to **tie**, details of the proposed traffic management system and its operation together with all such supporting technical material as **tie** may instruct the Infraco to provide.

8.5 The Infraco shall ensure that the design of the traffic management system to be implemented by the Infraco in the vicinity of Haymarket Yards shall comply with relevant traffic regulation orders and be approved by the relevant roads authority at that time.

SECTION 9 - WEST CRAIGS LIMITED
(FORMERLY MEADOWFIELD DEVELOPMENTS LIMITED)

9.1 In this Section 9 of Section A of Schedule Part 13, the following expressions shall, unless the context otherwise requires, have the following meanings:

"**Depot**" means the buildings and ancillary facilities for the storing, parking and maintenance of the trams permitted by the Tram Legislation within Plots 256, 259 and 260 shown on the Drawings;

"**Drawings**" means sheets numbered 15 and 16 as annexed to the Edinburgh Tram (Line Two) Act 2006;

"**Limits of Deviation**" means, insofar as they relate to the Site, the limits within which the Edinburgh Tram Network will be constructed;

"**MDL Land**" means ALL and WHOLE the subjects at Wester Barnton and Meadowfield Farm, Edinburgh, being the subjects registered in the Land Register for Scotland under Title Number MID34648;

"**New Limits**" means the Limits of Deviation as amended from those shown on the Drawings to the new Limits of Deviation as shown by the broken red line on the Plan;

"**Plan**" means the plan set out in Appendix 6 to this Schedule Part 13; and

"**Site**" means those parts of the MDL Land which for the purposes of the Edinburgh Tram (Line Two) Act 2006 comprise Plot numbers 249, 250, 260, 261, 263, 265, 273 to 275, 286, 291 to 295, part of 296, part of 297, 298 and part of 299 as shown on the Drawings.

9.2 Subject to paragraphs 9.3 and 9.4 of this Section 9 of Section A of Schedule Part 13, the Infraco shall design and construct the Edinburgh Tram Network over the parts of the Site within the Limits of Deviation to the west of Castle Gogar Road with a view to ensuring that the width of the area required for the Edinburgh Tram Network at the Site shall not generally exceed 10 metres together with such additional land immediately adjacent thereto as is reasonably required in order to carry out the Infraco Works.

9.3 Whilst carrying out the Infraco Works at the Site, unless otherwise instructed by **tie** in accordance with this Agreement, the Infraco shall not design or construct any part of the Edinburgh Tram Network upon any land beyond the New Limits.

9.4 The Infraco shall not be entitled to design or construct any part of the Edinburgh Tram Network on or through Plot 274 as shown on the Drawings.

9.5 In the event that **tie** requires the Infraco to landscape Plot 274 as shown on the Drawings, the Infraco shall ensure that such landscaping will not detrimentally impact on the existing visibility splay at the junction of Gogar Farm Road with the A8 road.

9.6 The Infraco shall make good to the reasonable satisfaction of **tie** any damage caused in the carrying out of the Infraco Works so as to ensure that the Site is left in no worse condition that it was prior to the carrying out of the Infraco Works.

9.7 The Infraco shall carry out and/or procure the carrying out of the Infraco Works in such a way as to ensure that the Infraco Works will have no detrimental impact on the field drainage of the MDL Land.

9.8 Upon imminent completion of the Infraco Works at the Site, the Infraco shall serve written notice on **tie** specifying the estimated date upon which the Infraco Works are due to complete and the estimated date upon which possession of the Site will be returned to **tie**.

9.9 The Infraco shall ensure that the Depot is located generally as shown on the Plan so as to accommodate an access from the Gogar Roundabout.

9.10 The Infraco shall construct as part of the Infraco Works, a single carriageway access road and associated footpaths, built to adoptable standard (the "**Depot Access Road**") serving the Depot, which Depot Access Road will be located from points X-Y within the area hatched in green on the Plan and which will then continue westwards from point Y with sufficient room to accommodate in the future a dual carriageway road from the Gogar Roundabout, in the area hatched in green on the Plan, the Depot Access Road to lie outside the boundaries of the Depot save for the spur road leading therefrom to serve exclusively the Depot.

9.11 The Infraco acknowledges that the Site is affected by a high pressure gas pipeline and agrees that occupation of any part of the Site is subject to the rights of Scotland Gas Networks Limited as grantee of a servitude in respect of a pipeline and ancillary rights.

SECTION 10 - FSH NOMINEES LIMITED

10.1 In this Section 10 of Section A of Schedule Part 13, the following expressions shall, unless the context otherwise requires, have the following meanings:

"**Drawing**" means sheet number 20 as annexed to the Edinburgh Tram (Line Two) Act 2006;

"**FSH Nominees**" means FSH Nominees Limited, a company incorporated under the Companies Act with registered number 04046945 and having its registered office at 11-15 Wigmore Street, London, W1A 2JZ and its successors and assignees;

"**Licence Site**" means the area delineated and hatched red on the Plan, declaring for the avoidance of doubt that the boundaries of the said area are taken to be the outermost edges of the said red lines;

"**New Limits**" means the new deemed limits of deviation as shown delineated by the green lines on the Plan, declaring for the avoidance of doubt that the boundaries of the New Limits are taken to be the outermost edges of the said green lines;

"**Plan**" means the Faber Maunsell drawing Number 30894/C319 Rev D and set out in Appendix 7 to Schedule Part 13; and

"**Site**" means ALL and WHOLE that plot or area of ground extending to 4.092 hectares (40,920 square metres) or thereby lying to the east of Eastfield Road, Edinburgh in the County of Midlothian, which subjects are shown delineated in red and hatched red and cross hatched red and blue and cross hatched red and green on Plan 1 (which subjects are also shown as aforesaid for identification purposes on Plan 2) both plans annexed and signed as relative to Disposition by New Ingliston Limited in favour of IBIS (598) Limited dated fifth and recorded in the General Register of Sasines for the County of Midlothian on tenth both days of October two thousand and which for the purposes of the Edinburgh Tram (Line Two) Act 2006 comprises Plot 327 on the Drawing.

10.2 The Infraco acknowledges that land within the New Limits shall not be permanently acquired for the purposes of the construction of the Edinburgh Tram Network and the Infraco shall therefore not design or construct any part of the Edinburgh Tram Network at the Site outwith the New Limits.

10.3 In carrying out or procuring the carrying out of the Infraco Works at the Site, the Infraco shall not encroach upon any land outwith the New Limits or the Licence Site, unless instructed otherwise by **tie** in accordance with this Agreement.

10.4 The Infraco shall ensure that no part of the Site, the New Limits or Plots 317 and 320 of sheet number 19 as annexed to the Edinburgh Tram (Line Two) Act 2006 shall be used to provide compensatory floodwater storage in connection with the Infraco Works or the Edinburgh Tram Network.

10.5 The Infraco shall ensure that no detrimental impact is caused to the Site field drainage as a result of the Edinburgh Tram Network and/or the Infraco Works.

10.6 Upon imminent completion of the Infraco Works at the Site, the Infraco shall serve written notice on **tie** specifying the estimated date upon which the Infraco Works are due to complete and the estimated date upon which possession of the Site will be returned to **tie**.

SECTION 11 - FIRST SCOTRAIL LIMITED

11.1 In this Section 11 of Section A of Schedule Part 13, the following expressions shall, unless the context otherwise requires, have the following meanings:

"**First**" means First Scotrail Limited, a company incorporated under the Companies Act with registered number SC 185018 and having its registered office at 395 King Street, Aberdeen AB24 5RP;

"First Agreement" means the agreement entered into by **tie**, CEC and First dated 27th October and 1st November 2005 in respect of the removal of First's objection to the Edinburgh Tram (Line Two) Bill;

"**Haymarket Depot**" means the Haymarket Passenger Light Maintenance Depot, Edinburgh currently owned by Network Rail Infrastructure Limited and leased to and operated by First and being currently configured as shown on the plan set out in Appendix 8 to Schedule Part 13; and

"**HMRI**" means Her Majesty Railway Inspectorate.

11.2 **tie** shall provide the Infraco with the profile of First's typical current and anticipated future seven day access and egress requirements as provided to **tie** by First in accordance with clause 2.1 of the First Agreement. At all times during the carrying out of the Infraco Works, the Infraco shall safeguard and ensure access and egress for First to and from Haymarket Depot. Without prejudice to the foregoing generality, the Infraco shall not carry out any Infraco Works at or in the vicinity of any operational entrance or exit of Haymarket Depot at such times and dates as may be notified in advance to the Infraco by **tie**. The Infraco shall comply with any extraordinary access requirements for heavy load vehicles notified to it by **tie**.

11.3 The Infraco shall comply with such amendments to its construction methodology as may be required by First and notified to the Infraco by **tie** in relation to the continuity of access to and egress from Haymarket Depot.

11.4 As required by **tie**, the Infraco shall consult with First and **tie** in relation to access arrangements at Haymarket Depot, and (without prejudice to the foregoing), shall assist **tie** in developing a regime to facilitate access to and egress from Haymarket Depot by First which is not opposed by HMRI.

11.5 Subject to any conclusions reached or determinations made following consultation with HMRI, **tie** shall ensure that traffic light signals or such other similar signals are installed to

facilitate access to Haymarket Depot by First, such traffic light or other system to be capable of manual override by First in the event of signal system failure.

11.6 At all times during the carrying out of the Infraco Works, the Infraco shall ensure that the continuous operation of train fuelling equipment fed by the fuel tanks located within Haymarket Depot is not adversely affected.

11.7 At all times during the carrying out of the Infraco Works, the Infraco shall ensure safe and unrestricted access to the fuel tanks at Haymarket Depot by First for all necessary purposes (including without limitation the supply of fuel to the tanks and maintenance operations).

11.8 In the event that fuel tanks located within Haymarket Depot require to be relocated, the Infraco shall ensure that there is uninterrupted access to alternative fuel tanks whilst the relevant fuel tanks are being relocated.

11.9 During the Infraco Works, the Infraco shall ensure that First is provided with replacement temporary car parking spaces for the exclusive use of First in relation to its business at Haymarket Depot, the number of such replacement temporary car parking spaces to be equivalent to the number of car parking spaces lost during the Infraco Works. Such replacement car parking spaces shall be:

11.9.1 at a single location in or immediately adjacent to the area outlined in red on the plan set out in Appendix 8 to this Schedule Part 13;

11.9.2 within 150 metres of the Russell Road entrance to Haymarket Depot;

11.9.3 capable of allowing ready access and egress by users without undue congestion or delay;

11.9.4 secure;

11.9.5 of well constructed drained and maintained hard standing; and

11.9.6 capable of clear and unambiguous signage to and from Haymarket Depot.

11.10 Upon conclusion of construction of the Infraco Works in the vicinity of Haymarket Depot, the Infraco shall, following consultation with **tie** and CEC, ensure that First is provided with permanent car parking spaces which:

11.10.1 are of a standard no less than that of the car parking system existing at Haymarket Depot prior to the commencement of the Infraco Works;

11.10.2 are located on a site or sites at Haymarket Depot; and

11.10.3 are equivalent in number to the number of car parking spaces lost as a result of the Infraco Works.

11.11 Before the commencement of any Infraco Works at Haymarket Depot, the Infraco shall provide a notice to **tie** specifying the projected commencement date of the Infraco Works at Haymarket Depot and the period of notice it shall endeavour to provide to **tie** of its intention to commence the Infraco Works in the vicinity of Haymarket Depot.

11.12 The Infraco shall, in the design, construction and maintenance of the Infraco Works, take reasonable measures necessary to prevent electromagnetic interference with the railway infrastructure and signalling equipment at Haymarket Depot.

11.13 In carrying out the Infraco Works, the Infraco shall take due cognisance of First's need to ensure the safe and full continued operation of the facilities at Haymarket Depot.

SECTION 12 - STAKIS LIMITED

12.1 In this Section 12 of Section A of Schedule Part 13, the following expressions shall, unless the context otherwise requires, have the following meanings:

"**Car Park Works**" means the construction/reconfiguration of the New Car Park on the Property and all ancillary works required in accordance with the terms of the Planning Permission and any Requisite Consents required;

"**Drawing**" means the parliamentary drawing allocated sheet number 20 as annexed to the Edinburgh Tram (Line Two) Act 2006;

"**Letting Documentation**" means (1) lease between Edinburgh Airport Limited and Stakis plc dated 10 March and 5 April and recorded in the Division of the General Register of Sasines applicable to the County of Midlothian as in the Books of Council and Session on 21 April, both months in the year 1995, and (2) Minute of Variation of Lease between Edinburgh Site No. 1 (CI) Limited and Stakis Limited dated 27 November and 19 December both months in the year 2003, and recorded in the Division of the General Register of Sasines applicable to the County of Midlothian as in the Books of Council and Session on 14 April 2004;

"**New Car Park**" means the car parking spaces coloured green on Plan 2;

"**Plan 1**" means Faber Maunsell Drawing Number 30894/C283 Rev G as set out in part 1 of Appendix 9 to Schedule Part 13;

"**Plan 2**" means Faber Maunsell Drawing Number 30894/C298 Rev C as set out in part 2 of Appendix 9 to Schedule Part 13;

"**Planning Application**" means the application for planning permission to be applied for by the Infraco in respect of the Car Park Works, which application shall only require the consent of Stakis in the event that the configuration of the New Car Park is to differ from that shown on Plan 2;

"**Planning Authority**" means CEC acting as local planning authority;

"**Planning Permission**" means the planning permission to be granted pursuant to the Planning Application in respect of the Car Park Works;

"**Property**" means ALL and WHOLE the subjects let by virtue of the Letting Documentation, and which subjects are shown outlined in green for indicative purposes on Plan 1;

"**Requisite Consents**" means the building regulation consents, local authority approvals, and any other consents, licences and authorisations required from any competent authority, statutory undertaker or person either for the carrying out of the Car Park Works or for the intended use of the Property as contemplated *inter alia* by the terms of the Planning Permission;

"**Site**" means those subjects forming part of the Property and which, for the purposes of the Edinburgh Tram (Line Two) Act 2006 comprise Plot numbers 329, 330, 333 and 334 on the Drawing but only to the extent that the same are let to Stakis by virtue of the Letting Documentation; and

"**Stakis**" means Stakis Limited, a company incorporated under the Companies Act with registered number SC022163 and having its registered office at 4 Cadogan Square, Cadogan Street, Glasgow G2 7PH and its successors and assignees.

12.2 During the carrying out of the Infraco Works at the Site, the Infraco shall not at any time encroach upon that part of the Site forming Plot 334 on the Drawing unless the Infraco is instructed otherwise by **tie** in accordance with this Agreement.

12.3 During the carrying out of the Infraco Works at the Site, the Infraco shall only enter upon those parts of the Site that are shown as hatched blue and/or cross hatched in red on Plan 1, unless the Infraco is instructed otherwise by **tie** in accordance with this Agreement. The Infraco shall not design or construct any part of the Edinburgh Tram Network on the Site outwith the area hatched in blue on Plan 1.

12.4 The Infraco shall carry out the Infraco Works at the Site in accordance with such instructions as may be provided by **tie** with a view to ensuring that the impact on the normal operation of Stakis' business at the Site is minimised so far as reasonably practicable having regard to the scope and nature of the Infraco Works.

12.5 Without prejudice to the preceding provisions of this Section 12, the Infraco shall at all times throughout the carrying out of the Infraco Works at the Site, consult with local hotel management on the issue of fire alarm congregation points.

12.6 The Infraco shall ensure that the carrying out of the Infraco Works at the Site shall not prevent continual access to and from the Property such that the ability of Stakis to operate the hotel at the usual business level will not be adversely affected.

12.7 Without prejudice to the generality of the terms of paragraph 12.6 above, the Infraco shall ensure that:

12.7.1 access for the purposes of carrying out the Infraco Works will not be taken via that stretch of Eastfield Road in so far as the same lies adjacent to the Property, but rather by a haul road which will be located in a position lying generally to the south of the Property; and

12.7.2 no construction compound in relation to the Infraco Works shall be located adjacent to the Property.

12.8 The Infraco shall procure appropriate structural and building fabric condition surveys (in a form and to an extent to be agreed by **tie** and Stakis and notified to the Infraco by **tie**) of the buildings constructed on the Property (1) prior to the commencement of the Infraco Works in the vicinity of the buildings constructed on the Property and (2) following completion of the Infraco Works.

12.9 The Infraco shall make the Planning Application, and shall use all reasonable endeavours (keeping **tie** fully informed as to progress) to obtain the Planning Permission to allow the Infraco to carry out the Car Park Works to provide the New Car Park.

12.10 It is acknowledged by Infraco and **tie** that construction of the New Car Park in the location detailed in Plan 2 is subject to any over-riding consent and requirements of the Planning Authority.

12.11 The Infraco shall procure that the Car Park Works are completed as quickly as reasonably possible and in any event prior to the commencement of the Infraco Works in the vicinity of the Site.

12.12 The Infraco shall return the spaces coloured yellow on Plan 2 to **tie** just as soon as reasonably possible following completion of the Infraco Works at the Site.

12.13 Upon imminent completion of the Infraco Works at the Site, the Infraco shall serve written notice on **tie** specifying the estimated date upon which the Infraco Works are due to complete and the estimated date upon which possession of the Site will be returned to **tie**.

SECTION 13 - UNIVERSITIES SUPERANNUATION SCHEME LIMITED

13.1 In this Section 13 of Section A of Schedule Part 13, the following expressions shall, unless the context otherwise requires, have the following meanings:

"**Accommodation Works**" means (a) any Infraco Works to or in the Gyle Car Park so far as outwith the New Limits; (b) without prejudice to but not limited by (a) aforesaid, works to ensure no reduction in available car parking spaces and circulation path standards consequent upon the Works generally or the works specified at (a) aforesaid; and (c) similarly without prejudice or limitation as aforesaid, all necessary associated restoration works, all of which works referred to at (a), (b) and (c) aforesaid will be described in the Accommodation Works Method Statement;

"**Accommodation Works Method Statement**" means the method statement to be developed by the Infraco pursuant to paragraph 13.7 as the same may be amended pursuant to this Section 13 of Section A of Schedule Part 13;

"**Depot**" means the buildings and ancillary facilities for the storing, parking and maintenance of the trams to be generally located within Plots 259, 494, 496, 497 and 499 on the Drawing;

"**Drawing**" means plans numbered 14 and 15 as attached to the Edinburgh Tram (Line Two) Act 2006;

"**Licence**" means a licence to be entered into by CEC in respect of access to the Site to allow the carrying out of *inter alia* the Infraco Works;

"**Licence Site**" means the subject of a Licence;

"**Method Statements**" means the Accommodation Works Method Statement and the Works Method Statement as the context may require;

"**New Limits**" means the new limits of deviation as shown hatched red on the Plan;

"**Plan**" means the plan set out in Appendix 10 to Schedule Part 13;

"**Site**" means that area of ground known as and forming the Gyle Shopping Centre together with the car park, access roads and all ancillary services being the subjects described in the Feu Contract between The City of Edinburgh Council and Marks & Spencer plc and Safeway Stores plc recorded in the Division of the General Register of Sasines for the County of Midlothian on 10 January 1997 and comprising Plot Numbers 478, 479, 480, 481, 482, 483, 484 and 486 as shown on the Drawing;

"**Tram**" means Edinburgh Tram Line Two, tram vehicles, tram roads, tramways, tram stops and all associated infrastructure, plant and equipment as envisaged by the Tram Legislation;

"**USS**" means Universities Superannuation Scheme Limited, a company incorporated under the Companies Act with registered number 01167127 and having its registered office at Royal Liver Building, Liverpool L3 1PY and its successors and assignees;

"**Works**" means Work No 8 and Work No 9 insofar as in the vicinity of the Site as described in Schedule 1 of the Edinburgh Tram (Line Two) Act 2006, being works required in respect of the construction of the Edinburgh Tram Network but specifically excluding any works required in the future to maintain the Edinburgh Tram Network; and

"**Works Method Statement**" means the method statement to be developed by the Infraco pursuant to paragraph 13.5 as the same may be amended pursuant to this Section 13 of Section A of Schedule Part 13.

13.2 In carrying out or procuring the carrying out of the Infraco Works at the Site, the Infraco shall not design or construct any part of the Edinburgh Tram Network on any land outwith the New Limits.

13.3 In carrying out or procuring the carrying out of the Infraco Works at the Site, the Infraco shall not encroach upon any land outwith the area shown hatched blue on the Plan unless instructed otherwise by **tie** in accordance with this Agreement.

13.4 The Infraco shall design and construct the Edinburgh Tram Network at the Site within the New Limits with a view to ensuring that the width of the area required for the Edinburgh Tram Network shall not generally exceed 10 metres, together with such additional land as is reasonably required in order to carry out the Infraco Works.

13.5 The Infraco shall provide all required assistance to **tie** in respect of the drafting of a Works Method Statement in respect of the Infraco Works to be carried out in the vicinity of the Site. The Works Method Statement will deal specifically with *inter alia* specified working hours, specified time of year and peak retailing periods when working will be avoided, mitigation measures to minimise adverse impact on service and customer access including measures to reconfigure the car park if necessary, mitigation measures to avoid dust/vibration/noise having an adverse effect on trading, restoration of any Licence Site (including landscaping and signage) insofar as applicable to the Infraco Works in the vicinity of the Site and where applicable will mirror the terms of Schedule Part 3 (*Code of Construction Practice*).

13.6 The Infraco Works which constitute Works shall not be commenced until the Works Method Statement has been finalised by **tie**.

13.7 The Infraco shall provide all required assistance to **tie** in relation to the drafting of an Accommodation Works Method Statement in respect of the Accommodation Works. The Accommodation Works Method Statement shall deal specifically with *inter alia* specified working hours, specified times of the year and peak retailing periods when working will either cease or be avoided, mitigation measures to minimise adverse impact on service and customer access including measures to reconfigure the car park if necessary, mitigation to avoid dust/vibration/noise having an adverse effect on trading, restoration of any Licence Site (including layout of the car park, landscaping and signage) insofar as applicable to the Accommodation Works to the extent that they constitute Infraco Works and where applicable will mirror the terms of Schedule Part 3 (*Code of Construction Practice*).

13.8 The Infraco Works at the Site which constitute Accommodation Works shall not be commenced until the Accommodation Works Method Statement has been finalised by **tie** and USS. The Infraco shall provide **tie** with all reasonable assistance requested by **tie** in relation to the negotiation and agreement of the Accommodation Works Method Statement between **tie** and USS.

13.9 The Infraco shall carry out or procure the carrying out of the Infraco Works at the Site strictly in accordance with the terms of the finalised Method Statements.

13.10 Those elements of the Works which constitute the Infraco Works will be carried out in a good and workmanlike manner so that impact on the normal operation of USS business is minimised so far as is reasonably practical in accordance with the finalised Method Statements.

13.11 The Infraco acknowledges that USS has a material preference that no fixing of any component part of the Edinburgh Tram Network should be made to any buildings situated on the Site. In the event that the Infraco considers that such fixings are nonetheless the most appropriate solution, the Infraco shall first consult with **tie** and take due and proper cognisance of the reasonable representations of USS in this respect as notified to the Infraco by **tie**.

13.12 Prior to completion of the Accommodation Works on each Licence Site, the Infraco shall serve notice on **tie** specifying the estimated date upon which the Accommodation Works on that particular Licence Site are due to be completed and the estimated date upon which possession of the Licence Site will be returned to **tie**, provided that such notice shall be

provided to **tie** having regard to the need to facilitate an inspection of the relevant Licence Site pursuant to paragraph 13.13.

13.13 The Infraco shall facilitate the carrying out of an inspection of the relevant Licence Site by USS and a representative of CEC and/or **tie**, such inspection to be carried out on a date to be specified by **tie** declaring that the relevant date will be at least 5 days before the estimated date of return of possession of the relevant Licence Site to **tie**.

13.14 The Infraco shall take due and proper cognisance of all reasonable and proper representations of **tie** in terms of the sufficiency and completeness of the Infraco Works at the Site in order to ensure that on return of possession of such to **tie** the Site should be in a condition fully commensurate with the full and proper compliance by the Infraco with its obligations under this Agreement.

13.15 Any interference with access to any part of the Site proposed by the Infraco in pursuance of the Infraco Works shall only be given effect, whether as to route or other locational factors, or as to timing and duration, after due consultation with and approval thereto from **tie**.

13.16 The Infraco shall ensure that there is two-way traffic flow along Glasgow Road within half a mile in each direction from Gogar Roundabout at all times during the carrying out of the Infraco Works.

13.17 The Infraco shall ensure that the Depot is generally located to the north of Glasgow Road within Plots 259, 494, 496, 497 and 499 as shown on the Drawing and will comply with the requirements of the Town and Country Planning (Safeguard Aerodromes, Technical Sites and Military Explosives Storage Areas) (Scotland) Direction 2003 (SEDD Circular 2/2003).

13.18 The Infraco shall not construct any interlacing track on the Site.

13.19 In carrying out the Infraco Works, the Infraco shall ensure that it does not at any time connect to any of the adopted or unadopted drains located within the Site.

13.20 Further to any obligations under this Agreement to investigate and survey land at the Site, the Infraco shall consult with **tie** in relation to the location and timing of such surveys and use reasonable endeavours to minimise any disruption and shall make good any damage and leave the Site in no worse condition as existed prior to the carrying out of such surveys and investigations.

13.21 With regard to the location of any signage, the Infraco shall consult with **tie** in relation to the location of such signs so as to ensure any such signage does not interfere in any material or misleading way with the normal operation of the Gyle Shopping Centre.

SECTION 14 - SAFEWAY STORES LIMITED AND WM MORRISONS SUPERMARKET PLC

14.1 In this Section 14 of Section A of Schedule Part 13, the following expressions shall, unless the context otherwise requires, have the following meanings:

"**Accommodation Works**" means (a) any Infraco Works to or in the Gyle Car Park so far as outwith the New Limits; (b) without prejudice to but not limited by (a) aforesaid, works to ensure no reduction in available car parking spaces and circulation path standards consequent upon the Works generally or the works specified at (a) aforesaid; and (c) similarly without prejudice or limitation as aforesaid, all necessary associated restoration works, all of which works referred to at (a), (b) and (c) aforesaid will be described in the Accommodation Works Method Statement;

"**Accommodation Works Method Statement**" means the method statement to be developed by the Infraco pursuant to paragraph 14.7 as the same may be amended pursuant to this Section 14 of Section A of Schedule Part 13;

"**Depot**" means the buildings and ancillary facilities for the storing, parking and maintenance of the trams to be generally located within Plots 259, 494, 496, 497 and 499 on the Drawing;

"**Drawing**" means plans numbered 14 and 15 as attached to the Edinburgh Tram (Line Two) Act 2006;

"**Licence**" means a licence to be entered into by CEC in respect of access to the Site to allow the carrying out of *inter alia* the Infraco Works;

"**Licence Site**" means the subject of a Licence;

"**Method Statements**" means Accommodation Works Method Statement and/or the Works Method Statement as the context may require;

"**Morrisons**" means Wm Morrisons Supermarket PLC, a company incorporated under the Companies Act with registered number 00358949 and having its registered office at Hilmore House, Thornton Road, Bradford, West Yorkshire BD8 9AX and its successors and assignees;

"**New Limits**" means the new limits of deviation as shown hatched red on the Plan;

"**Plan**" means the plan set out in Appendix 11 to Schedule Part 13;

"**Proprietors**" means Safeway and Morrisons;

"**Safeway**" means Safeway Stores Limited, a company incorporated under the Companies Act with registered number 00746956 and having its registered office at Hilmore House, Thornton Road, Bradford, Yorkshire, BD8 9AX;

"**Site**" means that area of ground known as and forming the Gyle Shopping Centre together with the car park, access roads and all ancillary services being the subjects described in the Feu Contract between The City of Edinburgh Council and Marks & Spencer plc and Safeway Stores plc recorded in the Division of the General Register of Sasines for the County of Midlothian on 10 January 1997 and for the purposes of the Bill Amendment comprising Plot Numbers 478, 479, 480, 481, 482, 483, 484 and 486 as shown on the Drawing;

"**Works**" means Work No 8 and Work No 9 insofar as in the vicinity of the Site as described in Schedule 1 of the Edinburgh Tram (Line Two) Act 2006, being works required in respect of the construction of the Edinburgh Tram Network but specifically excluding any works required in the future to maintain the Edinburgh Tram Network; and

"**Works Method Statement**" means the method statement to be developed by the Infraco pursuant to paragraph 14.5 as the same may be amended pursuant to this Section 13 of Section A of Schedule Part 13.

14.2 In carrying out or procuring the carrying out of the Infraco Works at the Site, the Infraco shall not design or construct any part of the Edinburgh Tram Network on any land outwith the New Limits.

14.3 In carrying out or procuring the carrying out of the Infraco Works at the Site, the Infraco shall not encroach upon any land outwith the area shown hatched blue on the Plan unless instructed otherwise by **tie** in accordance with this Agreement.

14.4 The Infraco shall design and construct the Edinburgh Tram Network at the Site within the New Limits with a view to ensuring that the width of the area required for the Edinburgh Tram Network shall not generally exceed 10 metres, together with such additional land as is reasonably required in order to carry out the Infraco Works.

14.5 The Infraco shall provide all required assistance to **tie** in respect of the drafting of a Works Method Statement in respect of the Infraco Works to be carried out at the Site. The Works Method Statement will deal specifically with *inter alia* specified working hours, specified time of year and peak retailing periods when working will be avoided, mitigation measures to minimize adverse impact on service and customer access including measures to reconfigure the car park if necessary, mitigation measures to avoid dust/vibration/noise having an adverse

effect on trading, restoration of any Licence Site (including landscaping and signage) insofar as applicable to the Infraco Works at the Site and where applicable will mirror the terms of Schedule Part 3 (*Code of Construction Practice*).

14.6 The Infraco Works at the Site which constitute Works shall not be commenced until the Works Method Statement has been finalised by **tie**.

14.7 The Infraco shall provide all required assistance to **tie** in respect of the drafting of an Accommodation Works Method Statement in respect of the Accommodation Works. The Accommodation Works Method Statement shall deal specifically with *inter alia* specified working hours, specified times of the year and peak retailing periods when working will either cease or be avoided, mitigation measures to minimise adverse impact on service and customer access including measures to reconfigure the car park if necessary, mitigation to avoid dust/vibration/noise having an adverse effect on trading, restoration of any Licence Site (including layout of the car park, landscaping and signage) insofar as applicable to the Accommodation Works to the extent that they constitute Infraco Works and where applicable will mirror the terms of Schedule Part 3 (*Code of Construction Practice and Code of Maintenance Practice*).

14.8 The Infraco Works which constitute Accommodation Works shall not be commenced until the Accommodation Works Method Statement has been finalised by **tie** and Morrisons. The Infraco shall provide **tie** with all reasonable assistance requested by **tie** in relation to the negotiation and agreement of the Accommodation Works Method Statement between **tie** and Morrisons.

14.9 The Infraco shall carry out or procure the carrying out of the Infraco Works at the Site strictly in accordance with the terms of the finalised Method Statement.

14.10 Those elements of the Works which constitute the Infraco Works will be carried out in a good and workmanlike manner so that impact on the normal operation of the Proprietors business is minimised so far as is reasonably practical in accordance with the finalised Method Statements.

14.11 The Infraco acknowledges that Morrisons has a material preference that no fixing of any component part of the Edinburgh Tram Network should be made to any buildings situated on the Site. In the event that the Infraco considers that such fixings are nonetheless the most appropriate solution, the Infraco shall first consult with **tie** and take due and proper cognisance of the reasonable representations of Morrisons in this respect as notified to the Infraco by **tie**.

14.12 Prior to completion of the Accommodation Works on each Licence Site, the Infraco shall serve notice on **tie** specifying the estimated date upon which the Accommodation Works on that particular Licence Site are due to be completed and the estimated date upon which possession of the Licence Site will be returned to **tie**, provided that such notice shall be provided to **tie** having regard to the need to facilitate an inspection of the relevant Licence Site pursuant to paragraph 14.13.

14.13 The Infraco shall facilitate the carrying out of an inspection of the relevant Licence Site by Morrisons and a representative of CEC and/or **tie**, such inspection to be carried out on a date to be specified by **tie** declaring that the relevant date will be at least 5 days before the estimated date of return of possession of the relevant Licence Site to **tie**.

14.14 The Infraco shall take due and proper cognisance of all reasonable and proper representations of **tie** in terms of the sufficiency and completeness of the Infraco Works at the Site in order to ensure that on return of possession of such to **tie** the Site should be in a condition fully commensurate with the full and proper compliance by the Infraco with its obligations under this Agreement.

14.15 Any interference with access to any part of the Site proposed by the Infraco in pursuance of the Infraco Works (including the Accommodation Works) shall only be given effect, whether as to route or other locational factors, or as to timing and duration, after due consultation with and approval thereto from **tie**.

14.16 The Infraco shall ensure that there is two-way traffic flow along Glasgow Road within half a mile in each direction from Gogar Roundabout at all times during the carrying out of the Infraco Works

14.17 The Infraco shall ensure that the Depot is generally located to the north of Glasgow Road within Plots 259, 494, 496, 497 and 499 as shown on the Drawing and will comply with the requirements of the Town and Country Planning (Safeguard Aerodromes, Technical Sites and Military Explosives Storage Areas) (Scotland) Direction 2003 (SEDD Circular 2/2003).

14.18 The Infraco shall not construct any interlacing track on the Site.

14.19 In carrying out the Infraco Works, the Infraco shall ensure that it does not at any time connect to any of the adopted or unadopted drains located within the Site.

14.20 Further to any obligations under this Agreement to investigate and survey land at the Site, the Infraco shall consult with **tie** in relation to the location and timing of such surveys and use reasonable endeavours to minimise any disruption and shall make good any damage and leave

the Site in no worse condition as existed prior to the carrying out of such surveys and investigations.

14.21 With regard to the location of any signage, the Infraco shall consult with **tie** in relation to the location of such signs so as to ensure any such signage does not interfere in any material or misleading way with the normal operation of the Gyle Shopping Centre.

SECTION 15 - NEW INGLISTON LIMITED AND HIGHLAND PROPERTIES (SCOTLAND) LIMITED

15.1 In this Section 15 of Section A of Schedule Part 13, the following expressions shall, unless the context otherwise requires, have the following meanings:

"**Above Ground Level Grade Separated Crossing**" means a road crossing at above ground level finished to an adoptable standard, extending in length over the whole of the CPO Site at the point of crossing sufficient to accommodate a dual carriageway of 16.6 metres in width or such other width as accords with the then current standard for a dual carriageway at the time of construction or such smaller road crossing as determined by NIL together with associated bus lanes and cycle and pedestrian ways and verges on either side;

"**At Grade Crossings**" means the First Crossing and the Second Crossing, being road crossings at rail level finished to an adoptable standard, extending in length over the whole of the CPO Site at the point of crossing sufficient to accommodate a dual carriageway of 16.6 metres in width or of such other width as accords with the then current standard for a dual carriageway at the time of construction together with associated bus lanes and cycle and pedestrian ways and verges on either side;

"**Below Ground Level Grade Separated Crossing**" means a road crossing at below ground level finished to an adoptable standard, extending in length over the whole of the CPO Site at the point of crossing sufficient to accommodate a dual carriageway of 16.6 metres in width or such other width as accords with the then current standard for a dual carriageway at the time of construction or such smaller road crossing as determined by NIL together with associated bus lanes and cycle and pedestrian ways and verges on either side;

"**CPO Site**" means each and every part of the Site which is compulsorily acquired by CEC for the purposes of the Edinburgh Tram Network;

"**Depot**" means the buildings and ancillary facilities for the storing, parking and maintenance of the trams to be located within Plots 256, 259 and 260 on the Drawings;

"**Drawings**" means parliamentary sheets numbered 16, 17, 18 and 19 as annexed to the Edinburgh Tram (Line Two) Act 2006;

"**First Crossing**" means the crossing envisaged within the area hatched orange in Plan 1;

"**Grade Separated Crossings**" means each Above Ground Level Grade Separated Crossing and/or each Below Ground Level Grade Separated Crossing, as the context so permits;

"**Highland**" means Highland Properties (Scotland) Limited, a company incorporated under the Companies Act with registered number SC 165975 and having its registered office at Gogar Mains Estate Office, Gogar Mains Farm Road, Edinburgh EH12 9BP;

"**Limits of Deviation**" means insofar as they relate to the Site, the limits within which the Edinburgh Tram Network will be constructed and which limits are shown on the Drawings;

"**New Limits**" means, subject to the provisions of paragraph 15.2, the restricted Limits of Deviations from those shown on the Drawings to the new Limits of Deviation as shown outlined in blue on Plan 1;

"**New LLAUs**" means, subject to the provisions of paragraph 15.2, the new limits of land to be acquired or used shown outlined in green on Plan 1;

"**NIL**" means New Ingliston Limited, a company incorporated under the Companies Act with registered number SC 157185 and having its registered office at Gogar Mains Estate Office, Gogar Mains Farm Road, Edinburgh EH12 9BP and its successors and assignees;

"**NIL Agreement**" means the agreement entered into by CEC, NIL and Highland dated 8th November 2005 and 9th November 2005 in respect of the removal of the objections to the Edinburgh Tram (Line Two) Bill lodged on behalf of NIL and Highland;

"**Plan 1**" means the plan set out in part 1 of Appendix 12 to Schedule Part 13;

"**Plan 2**" means the plan set out in part 2 of Appendix 12 to Schedule Part 13;

"**Plan 3**" means the plan set out in part 3 of Appendix 12 to Schedule Part 13;

"**Plans**" means Plan 1, Plan 2 and Plan 3;

"**Plot 320**" means plot 320 as attached shown on the Drawings;

"**Second Crossing**" means the crossing envisaged within the area hatched red on Plan 1;

"**Sewer**" means the private sewer which serves the steading belonging to Highland and the office accommodation developed by Highland at the steading and which sewer is shown by way of a red line on Plan 1;

"**Site**" means ALL and WHOLE that area of ground partly edged red and partly shaded purple on Plan 3;

"**SNH**" means Scottish Natural Heritage, or such other body who may be designated or substituted from time to time to carry out their functions;

"**Tram Line**" means that part of the Edinburgh Tram Network consisting of the land within and including the actual rails and the land immediately outwith the actual rails but only to the extent required for the safe passage of tram vehicles along the rails including the full extent of any swept path;

"**Tram Stop**" means an additional tram stop which tram stop will be constructed to the same specification as other tram stops in a similar setting forming part of the Edinburgh Tram Network; and

"**Utilities**" means services of gas, electricity, water, drainage, telecommunications and others and the cables, conduits, pipes and others provided or to be provided or in place for the delivery of the same.

15.2 The Infraco shall ensure that the route of the Tram Line follows the route on the Plans save that in the event that the route of the Tram Line requires to be realigned to accommodate the relocation of badger setts as notified to the Infraco by **tie** or as determined by SNH, then the route of the Tram Line and the New Limits and the New LLAUs shall be adjusted to the most limited degree as is necessary to accommodate the relocation of the badger setts all following consultation with NIL and having due regard to the reasonable representations of NIL as notified to the Infraco by **tie**.

15.3 In relation to the carrying out of any Infraco Works at the Site, the Infraco shall, unless otherwise instructed by **tie** in accordance with this Agreement, only occupy, use or possess such parts of the Site within the New LLAUs and only in so far as may be reasonably required in relation to the Infraco Works.

15.4 The Infraco shall not design or construct any part of the Edinburgh Tram Network at the Site outwith the New Limits. The Infraco shall not encroach upon any land outwith the New Limits whilst carrying out Infraco Works at the Site unless otherwise instructed by **tie** in accordance with this Agreement.

15.5 The Infraco shall ensure that the width of the area required for the Edinburgh Tram Network at the Site shall not exceed 10 metres, together with such additional land immediately adjacent thereto as is reasonably required for the Infraco Works.

15.6 The Infraco shall not encroach upon Plot 320 or any part thereof for the purposes of carrying out the Infraco Works unless instructed otherwise by **tie** in accordance with this Agreement.

15.7 The Infraco shall as soon as reasonably practicable after the completion of the Infraco Works at the Site make good any damage caused so as to ensure that the Site is left in no worse condition than it was prior to the carrying out of the Infraco Works.

15.8 The Infraco shall ensure that the Depot is located so as to allow the future provision of an access sufficient to accommodate a dual carriageway road from the Gogar Roundabout to *inter alia* Edinburgh Airport within the area hatched green on Plan 2 (with a grade separation between the Edinburgh Tram Network and the access by way of a route which does not require to go over, under or across any part of the Depot itself).

15.9 In the event that NIL construct At Grade Crossings prior to the carrying out of the Infraco Works by the Infraco, the Infraco shall comply with any servitude or other right in favour of NIL in respect of such crossing (as the same shall be notified to the Infraco by **tie**) and shall minimise so far as reasonably practicable the extent of any period of interruption or impediment of access over any such At Grade Crossings and shall at all times during the construction of the Infraco Works provide at its own cost alternative vehicular and pedestrian access of a suitable standard and of at least half the pre-existing capacity of the At Grade Crossings across the CPO Site to and from the surrounding road network and the Infraco undertakes to minimise as far as reasonably practicable the extent of and the period of such interruption or impediment.

15.10 If requested to do so by **tie**, the Infraco shall construct the At Grade Crossings as part of the Infraco Works.

15.11 The Infraco shall, if requested to do so by **tie**, facilitate the construction by NIL of:

15.11.1 as many Above Ground Level Grade Separated Crossings as NIL may require; and

15.11.2 as many Below Ground Level Grade Separated Crossings as NIL may require.

15.12 The Infraco shall comply with any servitude or other rights over Grade Separated Crossings as may be notified by **tie** from time to time.

15.13 In the event that NIL construct Grade Separated Crossings prior to the carrying out of the Infraco Works by the Infraco, the Infraco shall minimise so far as reasonably practicable the extent of any period of interruption or impediment of access over any such Grade Separated Crossings and shall at all times during the construction of the Infraco Works provide at its own cost alternative vehicular and pedestrian access of a suitable standard and of at least half the pre-existing capacity of the Grade Separated Crossings across the CPO Site to and from

the surrounding road network and the Infraco undertakes to minimise as far as reasonably practicable the extent of and the period of such interruption or impediment.

15.14 During the carrying out of the Infraco Works at the Site, the Infraco shall ensure that Utilities as far as practicable remain in service and are only disturbed to the minimum.

15.15 In carrying out or procuring the carrying out of the Infraco Works at the Site, the Infraco shall ensure that at all times there is access to Gogar Mains House by Gogar Mains Farm Road.

15.16 The Infraco shall not encroach upon, use or possess temporarily or compulsorily Gogar Mains Farm Road or any part thereof for the purposes of carrying out the Infraco Works unless instructed otherwise by **tie** in accordance with this Agreement.

15.17 The Infraco shall not prevent NIL from upgrading Gogar Mains Farm Road.

15.18 In carrying out or procuring the carrying out of the Infraco Works at the Site, the Infraco shall not damage or make use of the Sewer as part of the Infraco Works.

15.19 In the event that the Infraco is required to construct that section of the Edinburgh Tram Network lying to the west of Eastfield Road as part of the Infraco Works, the Infraco shall include as part of the Infraco Works an at grade road crossing at the point where the Edinburgh Tram Network crosses the roadway which currently connects the various car parks situated immediately to the west of Eastfield Road.

15.20 If Plots 304, 305 and 306 as shown on the Drawings are compulsorily acquired by CEC, the Infraco shall landscape such areas in an environmentally and ecologically sensitive manner in consultation with NIL, subject always to the terms of the Town and Country Planning (Safeguard Aerodromes, Technical Sites and Military Explosives Storage Areas (Scotland) Direction 2003 (SEDD Circular 2/2003).

15.21 The Infraco acknowledges that, pursuant to clause 9.2 of the NIL Agreement, NIL is entitled to carry out the landscaping of that part of the CPO Site outwith the line of the fence erected to secure the Tram Line. In such circumstances, the Infraco shall permit NIL to carry out such landscaping works and shall comply with any servitude or other rights granted by CEC in order for such works to be carried out.

15.22 If requested by **tie**, the Infraco shall construct as part of the Infraco Works (at a location where the nearest edge of the Tram Stop is within 10 metres (or within such other distance as shall be agreed with NIL and notified to the Infraco by **tie**) of either side of the Second Crossing) the foundations of the Tram Stop.

15.23 The Infraco shall provide **tie** with all required assistance with regard to agreeing the system of badger mitigation required in respect of the Edinburgh Tram Network at the Site. In the event that badger mitigation is required for the badger setts currently located within the New Limits or the New LLAUs, then the Infraco shall implement the scheme of mitigation agreed or determined between CEC and NIL pursuant to the NIL Agreement.

SECTION 16 - EDINBURGH AIRPORT LIMITED

16.1 In this Section 16 of Section A of Schedule Part 13, the following expressions shall, unless the context otherwise requires, have the following meanings:

"**Depot Plan**" means the plan entitled Depot Layout Option B General Arrangement (Drawing Number 30894/C305 Rev D) as set out in Part 2 of Appendix 13 to Schedule Part 13;

"**Drawings**" means drawings sheet numbers 15, 20, 21 and 22 as annexed to the Edinburgh Tram (Line Two) Act 2006;

"**EAL**" means Edinburgh Airport Limited, a company incorporated under the Companies Act with registered number SC 096623 and having its registered office at St Andrews Drive, Glasgow Airport, Paisley PA3 2SW;

"**Plan**" means the plan set out in part 1 of Appendix 13 to this Schedule Part 13; and

"**Site**" means those areas of ground at Edinburgh Airport being land identified for the purposes of the Edinburgh Tram (Line Two) Act 2006 as Plots 256, 257, 258, 328, 330 - 353 inclusive, and 360, on the Drawings in so far as owned by EAL.

16.2 The Infraco shall ensure that the Tramstop at the Site will be located where shown as point C on the Plan.

16.3 The Infraco shall ensure that the Depot is located so as to allow the future provision of an access sufficient to accommodate a dual carriageway road from Gogar Roundabout to inter alia Edinburgh Airport generally in the area hatched on the Depot Plan (with grade separation as between the Edinburgh Tram Network and the access).

16.4 For the avoidance of doubt the Infraco shall fully comply with the obligations in Schedule Part 44 (*EAL Works*).

SECTION 17 - VERITY TRUSTEES LIMITED

17.1 In this Section 17 of Section A of Schedule Part 13, the following expressions shall, unless the context otherwise requires, have the following meanings:

"**Drawings**" means drawing number 22 as annexed to the Edinburgh Tram (Line One) Act 2006 and drawing number 4 as annexed to the Edinburgh Tram (Line Two) Act 2006;

"**Plan 1**" means the plan which forms part of Verity's Land Certificate Title Number MID4503 which is marked as Plan 1 and is set out in part 1 of Appendix 14 to Schedule Part 13;

"**Plan 3**" means Mott MacDonald Drawing Number 203011/EDIN/0973 Rev P3, which is marked as Plan 3 and is set out in part 2 of Appendix 14 to Schedule Part 13;

"**Property**" means ALL and WHOLE the subjects at 19 Haymarket Yards, Edinburgh, being the subjects registered in the Land Register for Scotland under Title Number MID4503, which subjects are shown delineated in red on Plan 1, part of which subjects comprise the Site;

"**Site**" means those subjects forming part of the Property and which, for the purposes of the Tram Legislation comprise the following Plot Numbers:

Edinburgh Tram (Line One) Act : Plots 413 to 418, and 292a; and

Edinburgh Tram (Line Two) Act : Plots 508 to 513 and 41a

all as identified on the Drawings; and

"**Verity**" means Verity Trustees Limited, a company incorporated under the Companies Act with registered number 00744017 and having its registered office at Verity House, 6 Canal Wharf, Leeds, West Yorkshire LS11 5BQ.

17.2 The Infraco shall not design or construct any part of the Edinburgh Tram Network on Plot 292a/41a as shown on the Drawings other than any required regulation of entrance levels and kerb realignment. Upon completion of the Infraco Works at the Site, Plot 292a/41a of the Site shall be reinstated and returned to **tie** in no worse condition than that in which Plot 292a/41a was found prior to the commencement of the Infraco Works.

17.3 The Infraco shall not design or construct any part of the Edinburgh Tram Network on Plots 416, 417 and 418/510, 509 and 508 as shown on the Drawings other than any required regulation of entrance levels and kerb realignment. Upon completion of the Infraco Works at the Site, Plots 416, 417 and 418/510, 509 and 508 of the Site shall be reinstated and returned

to **tie** in no worse condition than that in which Plots 416, 417 and 418/510, 509 and 508 were found prior to the commencement of the Infraco Works.

17.4 If requested to do so by **tie**, the Infraco shall consult with **tie** and Verity with regard to the carrying out of the Infraco Works on Verity's business.

17.5 During the carrying out of the Infraco Works at the Site, the Infraco shall comply with any particular conditions on working agreed between CEC and Verity and notified to the Infraco by **tie**, and Infraco shall ensure that any impact on the normal operation of Verity's business is minimised so far as this is reasonably practicable having regard to the scope and nature of the Infraco Works.

17.6 The Infraco shall only design and construct part of the Edinburgh Tram Network over Plots 413 and 414/512 and 513 as shown on the Drawings to the extent that the Infraco has received express advance approval thereto from **tie**.

17.7 Subject to paragraph 17.6 of this Section 17 of Section A of Schedule Part 13, the Infraco shall construct or procure that there is constructed on Plots 413, 414 and 415/511, 512 and 513 a roadway, including the provision of a signalised junction (hereinafter referred to as the "**Access Road**") and that in the position generally indicated on Plan 3, which Access Road will give access to and egress from Haymarket Yards and the existing Network Rail car park. The Access Road and all services relating thereto shall be constructed so as to retain an unobstructed maintenance strip of 2 metres minimum width between all parts of the Access Road (and relative services) and Verity House, the said maintenance strip being the area shown coloured yellow on Plan 3.

17.8 The Infraco shall provide or procure that there is provided on a portion of Plot 413/511, an area of hard landscaping the situation and extent of which will be notified to the Infraco by **tie** and which it is understood will be utilised by Verity for the purposes of servicing, loading and unloading of goods.

17.9 During the carrying out of the Infraco Works in and around the Site, the Infraco shall ensure that connections from the Site

17.9.1 to the electricity sub-station located in the area shown coloured green on Plan 3; and

17.9.2 over a two metre strip for foul sewer in connection with the Property, which strip is located on Plots 409, 410 and 411/517, 516 and 515;

shall be maintained. In the event that the connections referred to above necessarily require to be severed, the Infraco shall secure alternative arrangements.

17.10 With regard to the carrying out of the Infraco Works in and around the Site, the Infraco shall:

17.10.1 use reasonable endeavours to ensure that the Infraco Works are carried out either during the weekend or outwith normal business hours;

17.10.2 ensure that continuous vehicular access to and egress from the Property is capable of being taken to and from the public road, Monday through Friday during normal business hours; and

17.10.3 ensure that pedestrian access to and egress from the Property will be available at all times.

17.11 Whilst the Infraco shall use all reasonable endeavours to ensure or procure that the Infraco Works are carried out either during the weekend or outwith normal business hours, in the event that access and egress is so frustrated, the Infraco shall provide temporary car parking spaces, the location of which shall be subject to the approval of **tie**.

17.12 Upon imminent completion of the Infraco Works at the Site, the Infraco shall serve written notice on **tie** specifying the date on which the Infraco Works are due to be completed and the date upon which possession of the Site will be returned to **tie**.

17.13 The Infraco shall as soon as reasonably practicable after the completion of the Infraco Works at the Site reinstate the Site to the condition in which it was found prior to the commencement of the Infraco Works.

17.14 The Infraco shall ensure that, on completion of the Infraco Works in the vicinity of the Site, vehicular and pedestrian access to and egress from the Property shall available to and from the public road.

SECTION 18 - ADM MILLING LIMITED

18.1 In this Section 18 of Section A of Schedule Part 13, the following expressions shall, unless the context otherwise requires, have the following meanings:

"**ADM**" means ADM Milling Limited, a company incorporated under the Companies Act with registered number 02445197 and having its registered office at ADM International Limited, Church Manorway, Erith, Kent DA8 1DL;

"**Plan**" means the plan set out in Appendix 15 to Schedule Part 13; and

"**Site**" means the flour milling facility at Chancelot Mill, Western Harbour, Leith Docks, Edinburgh outlined in red on the Plan.

18.2 In carrying out or procuring the carrying out of the Infraco Works at the Site, the Infraco shall ensure that at all times ADM and their customers have continued vehicular and pedestrian access to, and egress from, the Site for all reasonable purposes in connection with ADM's flour milling business at all times.

18.3 The Infraco shall carry out and/or procure the carrying out of the Infraco Works strictly in accordance with any site specific code of construction practice which may be in place from time to time in respect of the Site as notified to the Infraco by **tie**. The Infraco shall provide **tie** with all assistance required in relation to the negotiation and agreement of any such site specific code.

SECTION 19 - SELEX SENSORS AND AIRBORNE SYSTEMS LIMITED

19.1 In this Section 19 of Section A of Schedule Part 13, the following expressions shall, unless the context otherwise requires, have the following meanings:

"**Drawing**" means drawing number 16 as annexed to the Edinburgh Tram (Line One) Act 2006;

"**Plan**" means the plan set out in Appendix 16 to this Schedule Part 13; and

"**Site**" means that area of ground at Crewe Toll, Drylaw, Edinburgh identified as Plots 173 and 174 on the Drawing.

19.2 During the carrying out of the Infraco Works at the Site, the Infraco shall not design or construct any part of the Edinburgh Tram Network upon, and shall ensure that it does not at any time otherwise encroach upon, that part of the Site which is identified as Plot 173 as shown on the Drawing, unless instructed otherwise by **tie** in accordance with this Agreement.

19.3 As part of the Infraco Works, the Infraco shall erect a post and mesh and/or hoop top plastic coated fence or fencing of approximately 1.25 metres in height to be located between the current Selex car park (comprising Plot 173 on the Drawing and the southern aerial site) and the tram corridor (comprising Plots 174 and 175 on the Drawing) the location of which is shown coloured red for indicative purposes on the Plan.

SECTION 20 - NORWICH UNION LIFE AND PENSIONS LIMITED

20.1 In this Section 20 of Section A of Schedule Part 13, the following expressions shall, unless the context otherwise requires, have the following meanings:

"**Access Road**" means the roadway to be constructed by the Infraco including the provision of a signalised junction on Plots 288 and 289 as shown on the drawings annexed to the Edinburgh Tram (Line One) Act 2006 and Plots 49 and 50 as shown on the drawings annexed to the Edinburgh Tram (Line Two) Act 2006, which will give access to and egress from Haymarket Yards and the existing Network Rail car park;

"**Noise and Vibration Policy**" means the noise and vibration policy referred to in section 66 of each of the Edinburgh Tram (Line One) Act 2006 and the Edinburgh Tram (Line Two) Act 2006 as the same may be amended and/or updated from time to time;

"**NULAP**" means Norwich Union Life and Pensions Limited, a company incorporated under the Companies Act with registered number 03253947 and having its registered office at 2 Rougier Street, York YO90 1UU and having an interest in Rosebery House;

"**Plan**" means the plan set out in Appendix 17 to this Schedule Part 13; and

"**Rosebery House**" means the subjects known as Rosebery House and situated at Haymarket Terrace, Edinburgh, together with the car parking to the rear of the subjects within the Network Rail car park, all shown delineated in red on the Plan.

20.2 The Infraco shall construct the Access Road.

20.3 The Infraco shall use all reasonable endeavours to reinstate the car parking spaces within the Network Rail car park in the ownership of NULAP, which car parking spaces are shown hatched on the Plan. In the event that the Infraco cannot reasonably reinstate the car parking spaces as aforesaid, the Infraco shall provide, at **tie's** cost, permanent parking spaces in a location to be approved by **tie**.

20.4 If requested to do so by **tie**, the Infraco shall participate in consultation with **tie** and NULAP in relation to the impact of the Infraco Works on the operation of NULAP's business. The Infraco acknowledges that the intention behind such consultation is to minimise the impact of the Infraco Works on NULAP's business so far as reasonably practicable, having regard to the nature and scope of the Infraco Works.

20.5 At least 2 months prior to the start of the Infraco Works in the vicinity of Rosebery House, the Infraco shall, if requested to do so by **tie**, consult with **tie** and NULAP with regard to the proposed approach to the Infraco Works and the proposed Programme. The Infraco shall have due and proper regard to any representations made by NULAP during such consultation. If requested to do so by **tie**, the Infraco shall participate in similar consultations with **tie** and NULAP during the carrying out of the Infraco Works in the vicinity of Rosebery House.

20.6 If requested to do so by **tie**, the Infraco shall consult with **tie** and NULAP prior to the finalisation of the design, in relation to the design and in particular in relation to the impacts on the immediate surroundings and the alternatives considered. The Infraco shall have due and proper regard to any reasonable and appropriate design alternatives suggested by NULAP where the adoption of such alterations to the design will not result in overly onerous obligations on either party or be viewed as unreasonable in the context of the desired quality of environment to be achieved at and around Rosebery House.

20.7 The Infraco shall comply with the Noise and Vibration Policy. The Infraco shall, if requested by **tie**, carry out an appropriate detailed noise and vibration assessment, the terms of which will be subject to **tie**'s approval. In carrying out such an assessment, the Infraco shall be entitled to use such technical experts as it considers appropriate, but shall ensure that such assessment shall be carried out in accordance with relevant guidelines and good industry practice. The Infraco shall provide the results of the detailed noise and vibration assessment to **tie** within 10 days of receipt by the Infraco of such results. The results of this assessment will form the basis of the identification of any necessary mitigation measures to be put in place by the Infraco.

20.8 Wherever reasonably practicable the Infraco Works at or around Rosebery House shall be carried out in a single pass without any significant periods of inactivity.

SECTION 21 - NATIONAL GRID PROPERTY HOLDINGS LIMITED, PORT GREENWICH LIMITED AND WM MORRISON SUPERMARKETS PLC

21.1 In this Section 21 of Section A of Schedule Part 13, the following expressions shall, unless the context otherwise requires, have the following meanings:

"**Greenwich**" means Port Greenwich Limited, incorporated under the Companies Act (company number 02392867) and having its registered office at 1-3 Strand, London, WC2N 5EH and its successors and assignees;

"**Land to be Acquired**" means the subjects shown shaded purple on the Plan;

"**Larger Subjects**" means subjects at West Granton Road, Edinburgh being the whole subjects registered in the Land Register of Scotland under Title Number MID15716;

"**Limits of Deviation**" means, in so far as they relate to the Site, the limits within which the Edinburgh Tram Network will be constructed;

"**Morrisons**" means Wm Morrison Supermarkets Plc, a company incorporated under the Companies Acts (company number 00358949) and having its Registered Office at Hilmore House, Thornton Road, Bradford, West Yorkshire, BD8 9AX and its successors and assignees;

"**National Grid**" means National Grid Property Holdings Limited (formerly known as Secondsite Property Holdings Limited having changed its name conform to certificate of incorporation on change of name dated 10 October 2005), incorporated under the Companies Act (Company Number 03797578) and having its registered office at 1-3 Strand, London, WC2N 5EH and its successors and assignees;

"**New Limits**" means the Limits of Deviation as amended and restricted to the new limits of deviation as shown shaded green on the Plan;

"**Plan**" means the White Young Green Drawing No. 173 Revision E set out in part 1 of Appendix 18 to Schedule Part 13;

"**Site**" means that area of ground shown coloured green on the Plan which area forms part and portion of the Larger Subjects;

"**Supermarket Plan**" means the White Young Green Drawing Number A007183/115/Revision I set out in part 2 of Appendix 18 to Schedule Part 13;

"**Supermarket Site**" means that area of ground lying generally to the north of West Granton Road, Edinburgh extending to 7.01 acres or 2.84 hectares or thereby shown delineated in red and marked "Retail Site" on the Supermarket Plan; and

"**Utilities**" means services of gas, electricity, water, drainage, telecommunications and the cables, conduits, pipes and others provided or in place for the delivery of the same.

21.2 Unless otherwise instructed by **tie** in accordance with this Agreement, the Infraco shall not design or construct any part of the Edinburgh Tram Network upon any land at the Site beyond the New Limits.

21.3 The Infraco shall carry out and/or procure the carrying out of the Infraco Works strictly in accordance with any site specific code of construction practice which may be in place from time to time in respect of the Site as notified to the Infraco by **tie**. The Infraco shall provide **tie** with all assistance required in relation to the negotiation and agreement of any such site specific code.

21.4 The Infraco acknowledges that Greenwich, Morrisons and National Grid have a material preference that no fixing of any component part of the Edinburgh Tram Network should be made to any buildings situated on the Site or the Supermarket Site. In the event that such fixing is nonetheless considered by the Infraco to be the most appropriate solution, the Infraco shall first seek the approval of **tie** on such matter and take due cognisance of the reasonable representations of Greenwich, Morrisons and National Grid as notified to the Infraco by **tie**, in this respect.

21.5 Prior to the completion of the Infraco Works on the Site, the Infraco shall serve a notice on **tie** specifying the estimated date upon which the Infraco Works at the Site are due to complete and the estimated date upon which possession of the Site will be returned to **tie**, provided that such notice shall be provided to **tie** having regard to the need to facilitate an inspection of the Site pursuant to paragraph 21.6.

21.6 The Infraco shall facilitate access to the Site to allow Greenwich and **tie** to inspect the Infraco Works. Such inspection shall take place at least 5 days prior to the completion of the Infraco Works at the Site.

21.7 The Infraco shall take due and proper cognisance of all reasonable and proper representations of **tie** in terms of the sufficiency and completeness of the Infraco Works at the Site in order to ensure that on return of possession of such to **tie** the Site should be in a condition fully

commensurate with the full and proper compliance by the Infraco with its obligations under this Agreement.

21.8 At all times during the carrying out of the Infraco Works the Infraco shall have due and proper regard to the requirements of National Grid, Greenwich and Morrisons to be able to access their property and all parts of it (including the Supermarket Site) at all times in order to carry out business activities and the like requirements of Greenwich and National Grid's successors, assignees tenants and occupiers to go about their respective business activities.

21.9 At all times during the carrying out of the Infraco Works the Infraco shall ensure that any disturbance of any access route will be in place for the minimum period reasonably practicable. The Infraco shall provide to **tie** its best estimate for any period of disruption of access rights and routes.

21.10 At all times during the carrying out of the Infraco Works, the Infraco shall take all reasonable and proper steps to ensure that that disruption to normal routes and rights of access will be kept to the minimum and in particular that at all times where an existing access route is disturbed that an alternative and reasonably suitable access route will be provided and the original access way returned to operation at a date not later than that disclosed in the Programme for the relevant element of the Infraco Works.

21.11 Notwithstanding the preceding provisions of this Section 21, at all times during the carrying out of the Infraco Works the Infraco shall ensure that access is maintained for customers and their vehicles to and from the local centre development to be erected on the Supermarket Site and for the drop off and collection of deliveries to and from the proposed local centre development.

21.12 At all times during the carrying out of the Infraco Works at the Site and the Supermarket Site, Utilities should as far as reasonably practicable remain in service and only be disturbed to the minimum.

21.13 The Infraco acknowledges that Greenwich and/or Morrisons may in future wish to run Utilities under the route of the Edinburgh Tram Network and the Infraco shall accordingly ensure that the design and implementation of the Infraco Works will take due and proper cognisance of the requirements or requests of Greenwich and/or Morrisons as notified to the Infraco by **tie** in this respect. The Infraco further acknowledges that wherever reasonably practicable, such crossing of Utilities shall be directed to existing junctions and crossings and that Greenwich and/or Morrisons shall ensure that the Utilities do not run parallel beneath the Edinburgh Tram Network.

SECTION 22 - INSTITUTE OF CHARTERED ACCOUNTANTS

22.1 In this Section 22 of Section A of Schedule Part 13, the following expressions shall, unless the context otherwise requires, have the following meanings:

"**ICAS**" means the Institute of Chartered Accountants in Scotland, having a place of business at CA House, 21 Haymarket Yards, Edinburgh, Midlothian EH12 5BH;

"**Plan**" means the plan set out in Appendix 19 to this Schedule Part 13; and

"**Site**" means the land shown numbered 46, 48, 52, 53, 54, 55 and 56 on the Plan and includes CA House.

22.2 The Infraco shall not design or construct any part of the Edinburgh Tram Network on the Site outside the black dotted line on the Plan marked "northern extent of land at ICAS required permanently for tramway operations and maintenance". For the avoidance of doubt, this does not restrict the rights of the Infraco to occupy land temporarily in accordance with the Tram Legislation.

22.3 The Infraco shall, if requested to do so by **tie**, consult with **tie** and/or ICAS in relation to the design of the Edinburgh Tram Network in the vicinity of the Site.

22.4 If requested to do so by **tie**, the Infraco shall provide **tie** and/or ICAS with all relevant design data relating to the vibration impact of the Edinburgh Tram Network on CA House and take required remedial measures to minimise the vibration impact on CA House.

22.5 The Infraco shall not attach overhead line equipment to CA House unless it is not reasonably practicable to install such equipment in the area in any other way and the Infraco is required to do so in accordance with the conditions of a planning permission. If required to do so by **tie**, the Infraco shall consult with **tie** and/or ICAS and take into account ICAS' comments prior to the submission of the relevant application for approval from the planning authority.

22.6 The Infraco shall, if requested to do so by **tie**, consult with **tie** and/or ICAS generally in relation to the Programme for the Infraco Works in the vicinity of the Site. **tie** may require that such consultation takes place on a regular basis. In particular, the Infraco may be required to discuss the specific timing of major civil engineering works to be undertaken in the vicinity of the Site.

22.7 The Infraco shall use all reasonable endeavours to ensure that the Infraco Works in the vicinity of the Site are carried out over the shortest time period practicable.

SECTION 23 - HOLYROOD SERVICES LIMITED

23.1 In this Section 23 of Section A of Schedule Part 13, the following expressions shall, unless the context otherwise requires, have the following meanings:

"**Plan**" means the Mott MacDonald Drawing Number 203011/EDIN/0584 Rev. P3 as set out in Appendix 20 of Schedule Part 13; and

"**Site**" means ALL and WHOLE that area of ground at Granton Harbour, Edinburgh as shown outlined in black and shaded in red and partly crossed by a broken black line on the Plan being part and portion on that area of ground at Granton Harbour, Edinburgh, registered in the Land Register of Scotland under Title Number MID54065 and for the purposes of the Edinburgh Tram (Line One) Act 2006, comprising the eastern part of Plot Number 116.

23.2 Unless instructed otherwise by **tie** in accordance with this Agreement, the Infraco should not design or construct any part of the Edinburgh Tram Network upon the Site and shall not encroach upon the Site for the purposes of carrying out the Infraco Works.

SECTION 24 - SERVISAIR (UK) LIMITED

24.1 In this Section 24 of Section A of Schedule Part 13, the following expressions shall, unless the context otherwise requires, have the following meanings:

"**Site**" means SUK's operating base and associated land in the vicinity of Edinburgh Airport; and

"**SUK**" means Servisair (UK) Ltd, a subsidiary of Penauille Servisair UK Limited, such holding company being incorporated under the Companies Acts with registered number 00509585 and having its registered office at Atlantic House, Atlas Business Park, Simonsway, Manchester M22 5PR.

24.2 Whilst carrying out Infraco Works at the Site on Eastfield Road, Edinburgh over Plots 337 and 338 as shown on drawing 20 attached to the Edinburgh Tram (Line Two) Act 2006, the Infraco shall ensure that it does not preclude other road users taking access across these Plots.

24.3 Whilst carrying out Infraco Works at the Site, the Infraco shall ensure that the Infraco Works shall have no direct impact upon Turnhouse Road.

24.4 Whilst carrying out Infraco Works at the Site, the Infraco shall ensure that the Infraco Works will not require the closure of the A8 trunk road.

24.5 Whilst carrying out Infraco Works at the Site insofar as traffic restrictions may be imposed affecting the A8 trunk road, the Infraco shall ensure that these will be confined to the vicinity of the Gogar roundabout, and all reasonable endeavours will be taken to maintain two lanes of traffic to pass in both easterly and westerly directions, either via the main carriageways of the A8 or via the sliproads to and from the junction with the City of Edinburgh Bypass.

24.6 The Infraco shall assist and participate if and when requested by **tie** in any consultation carried out by **tie** with SUK in relation to the proposed traffic management arrangements in the vicinity of the Gogar roundabout and shall give **tie** not less than 35 days' prior notice of each new or altered restriction affecting traffic on the A8 trunk road.

24.7 The Infraco shall ensure that the remaining Plots on Eastfield Avenue and Gogar Bridge Road (as shown on drawing 20 attached to the Edinburgh Tram (Line Two) Act 2006) shall only be used on a temporary basis in order to ensure that access to carry out the Infraco Works is achieved.

SECTION 25 - HISTORIC SCOTLAND

25.1 In this Section 25 of Section A of Schedule Part 13, the following expressions shall, unless the context otherwise requires, have the following meanings:

"**Design Working Group**" means a group to be set up by **tie** and/or CEC, the remit of which will be to:

(a) discuss and review the emerging design of the tram system against the requirements of the Design Manual;

(b) review the environmental impact of the emerging design to confirm that the impact of the design is not materially worse than that identified in the Environmental Statement and to mitigate this so far as is reasonably practicable; and

(c) advise on the supporting, environmental and other information that will be appropriate to submit with the prior applications;

"**Edinburgh World Heritage Site**" means the various conservation areas shown in the plan as set out in Appendix 21 of this Schedule Part 13, as the same shall be updated from time to time and notified to the Infraco by **tie**; and

"**Historic Scotland**" means Historic Scotland based at Longmore House, Salisbury Place, Edinburgh EH9 1SH.

25.2 The Infraco shall assist **tie** in any consultation with Historic Scotland regarding the design of the Edinburgh Tram Network in relation to that part of the route which runs through the Edinburgh World Heritage Site.

25.3 The Infraco shall, if required by **tie**, facilitate and/or participate in the Design Working Group which shall meet fortnightly or at such other intervals as **tie** may advise the Infraco.

25.4 The Infraco shall comply with the provisions of this Section 25 in order to:

25.4.1 ensure that Historic Scotland is fully involved in the relevant parts of the design process; and

25.4.2 resolve any issues prior to the submission of an application for prior approval and thus avoiding objection to the application at a late stage in the process.

25.5 The Infraco will co-operate with **tie**, if required, in respect of any review of the operation of the Design Working Group.

USB00000077_0067

SECTION 26 - MURRAYFIELD INDOOR SPORTS CLUB

26.1 In this Section 26 of Section A of Schedule Part 13, the following expressions shall, unless the context otherwise requires, have the following meanings:

"**Access Route**" means the access to the entrance of the premises on the Site via the route marked in blue on the Plan;

"**Club**" means Murrayfield Indoor Sports Club, having a place of business at 25 Roseburn Street, Edinburgh, EH12 5PE and its successors and assignees the present trustees of which are George Russell, residing at 6 Drylaw Place, Edinburgh, George Manson residing at 13 Sighthill Grove, Edinburgh and John Small residing at 47 Hillview Terrace;

"**Drawing**" means drawing number 5 as annexed to the Edinburgh Tram (Line Two) Act 2006;

"**Plan**" means the plan set out in Appendix 22 to this Schedule Part 13; and

"**Site**" means those second floor premises at Roseburn Street outlined in green on the Plan and including the areas identified as Plot 90 on the Drawing.

26.2 The Infraco shall construct, for the benefit of the Club, a fire escape at the location marked "A" on the Plan from the Club's premises, such construction to take place at a time to be agreed between **tie** and the Club and notified to the Infraco by **tie**. The Infraco shall ensure that the construction referred to in the preceding provisions of this paragraph 26.2 shall cause the minimum disturbance reasonably practicable to the normal operation of the premises on the Site.

26.3 During the carrying out of the Infraco Works at the Site, the Infraco shall ensure that the Access Route shall be maintained.

26.4 During the carrying out of the Infraco Works at the Site, the Infraco shall have due regard to the requirement of the Club to be able to access their property via the Access Route at all reasonable times in order to carry out the Club's activities.

26.5 Unless otherwise instructed by **tie** in accordance with this Agreement, regarding the Infraco's access onto the Site, the Infraco shall ensure:

26.5.1 that its exercise of access on the Site causes the minimum disturbance reasonably practicable to the normal operation of the Club; and

26.5.2 that access on the Site shall, wherever possible be taken outwith the period between 1700hrs and 0100hrs.

SECTION 27 - ROYAL MAIL GROUP PLC AND POST OFFICE LIMITED

27.1 In this Section 27 of Section A of Schedule Part 13, the following expressions shall, unless the context otherwise requires, have the following meanings:

"**Post Office Limited**" means a company registered under the companies acts with registered number 02154540 and having its registered office at 80-86 Old Street, London EC1V 9NN;

"**Postal Services**" means in relation to Royal Mail Group PLC the delivery and collection by Royal Mail Group PLC of letter and parcel post including handling letters, postal packets and high value (registered) packets and in respect of Post Office Limited the operation of the national network of Post Office Counter offices and the delivery and collection of cash, stock, and other valuable items from the national network of Post Office Counter offices;

"**Post Box**" includes a pouch box, and for this purpose pouch box means a receptacle belonging to RMPO used for the storage of postal packets and materials required for the collection of postal packets from post boxes;

"**Protected Premises**" means those delivery offices, post offices and sub post offices located within 100 metres of any works to be undertaken by or on behalf of CEC under the Tram Legislation and specified as follows:

(a) Royal Mail PLC Sorting and Delivery Office, Russell Road, Edinburgh;

(b) St James' Centre DMB, St James' Centre, Edinburgh;

(c) Frederick Street DMB, Frederick Street, Edinburgh;

(d) Tallents House, 21 South Gyle Crescent, Edinburgh;

(e) The Edinburgh Mail Centre, Cultins Road, Edinburgh; and

(f) Parcel Force Depot, 100 Bankhead Crossway North, Edinburgh;

"**RMPO**" means in any case whichever of Royal Mail Group PLC or Post Office Limited is affected in that case, or if both are affected, each of them;

"**Royal Mail Group PLC**" means a company registered under the companies acts with registered number 04138203 and having its registered office at 148 Old Street, London EC1V 9HQ; and

"**Specified Work**" means any part of the Infraco Works that is within 10 metres (measured in any direction) of a Post Box or of premises occupied or operated by RMPO.

27.2 The Infraco shall, not less than 100 days before commencing any Specified Work, notify **tie** thereof and assist **tie** in relation to any required consultation with RMPO with a view to carrying out the Specified Work in such a way as to:

27.2.1 avoid where reasonably practicable the removal or relocation of Post Boxes; and

27.2.2 minimise disruption to Postal Services and interference with access to Post Boxes.

27.3 In compliance with paragraph 27.2 above, the Infraco shall, at **tie**'s request, assist **tie** in specifying the Post Boxes that will require to be moved to enable construction of the Infraco Works to be carried out and shall assist **tie** in supplying to RMPO such plans, drawings and other details relating to the Infraco Works as RMPO may reasonably require in order to assess how its Postal Services, including Post Boxes, may be affected by the Infraco Works.

27.4 The Infraco shall not commence construction of any Specified Work that involves the removal of any Post Box or prevents reasonable and necessary access to any Post Box until such plans, drawings and other details referred to in paragraph 27.3 have been approved by RMPO and such approval has been notified accordingly by **tie** to the Infraco.

27.5 In carrying out the Specified Work and due to an emergency, or for some other unforeseen and immediate reason, if the Infraco requires to relocate or close a Post Box, it shall give **tie** at least 72 hours' notice of its intention to do so.

27.6 The Infraco shall not prevent or substantially inhibit vehicular or pedestrian access to or egress from any of the Protected Premises, either temporarily or permanently.

27.7 In the event that a Post Box is specified for removal (other than in the event of an emergency or other unforeseen and immediate reason), and the approval for such removal has been intimated to the Infraco by **tie**, the Infraco acknowledges that such removal shall be carried out by Royal Mail Group PLC. If the removal has not been carried out within 28 days of RMPO's approval being intimated to the Infraco by **tie**, the Infraco may, subject to **tie**'s approval, itself remove the Post Box.

27.8 The Infraco shall not alter or remove any Post Box belonging to the Royal Mail Group PLC except in accordance with the provisions of this Section 27 of Section A of Schedule Part 13.

27.9 Without prejudice to any other requirement set out in this Agreement, the Infraco shall give **tie** at least 48 days' notice in writing of the commencement of any Specified Work.

27.10 Not later than 100 days before the commencement of Infraco Works which may interfere with the use by Royal Mail Group plc of roads in connection with the provision of Postal Services, the Infraco shall require that **tie** requests from RMPO a breakdown of van movements and related matters pertinent to any permanent or temporary stopping up of a road.

27.11 The Infraco shall give **tie** not less than 35 days' notice of the commencement of any Infraco Works (other than Specified Works) situated in a road, where the Infraco reasonably considers that such Infraco Works or stopping up may interfere with the use by RMPO of the road in connection with the provision of Postal Services.

27.12 During the construction of the Infraco Works, the Infraco shall use all reasonable endeavours to minimise disruption to Postal Services.

27.13 The Infraco shall only obtain access to RMPO's Russell Road site in order to construct a retaining wall on the south side of the building, and to maintain fire escape routes from the building. Such access will be governed by the terms of this Section 27 of Section A of Schedule Part 13.

SECTION 28 - UGC PROPERTIES LIMITED AND UNIPART AUTOMOTIVE LIMITED

28.1 In this Section 28 of Section A of Schedule Part 13, the following expressions shall, unless the context otherwise requires, have the following meanings:

"**Drawing**" means drawing number 5 as annexed to the Edinburgh Tram (Line Two) Act 2006;

"**Plan**" means plan 30894/C280 Rev A and as set out in Appendix 23 to this Schedule Part 13;

"**Premises**" means the property at 13 Roseburn Street, Edinburgh, registered in the Land Register of Scotland under title number MID51438;

"**Site**" means that area of ground mainly to the south-west of the Premises, which is identified as Plot 80 on the Drawing;

"**UGC**" means UGC Properties Limited, a company incorporated under the companies acts with registered number 4842174 and having its registered office at Unipart House, Garsington Road, Cowley, Oxford OX4 2PG and its successors and assignees;

"**Unipart**" means Unipart Automotive Limited (formerly known as Partco Limited), a company incorporated under the companies acts with registered number 658368 and having its registered office at Unipart House, Garsington Road, Cowley, Oxford OX4 2PG and its successors and assignees;

"**UGC/UNI**" means UGC and Unipart. For the avoidance of doubt reference to "UGC/UNI" shall mean whichever of UGC or Unipart as are affected, or if both are affected, each of them; and

"**UGC/UNI Agreement**" means the agreement entered into between UGC, Unipart and CEC on 25 October 2005 and 21 November 2005 in respect of the removal of UGC/UNI's objection to the Edinburgh Tram (Line Two) Bill.

28.2 The Infraco acknowledges that, pursuant to clause Three (2) of the UGC/UNI Agreement, CEC has been granted unrestricted and unencumbered pedestrian and vehicular access, with or without construction traffic, over, across and through the Site for the purposes of the Infraco Works.

28.3 The Infraco shall notify **tie** at least 35 days prior to the date upon which the Infraco wishes to exercise its rights of access over the Site specified in paragraph 28.2 above, specifying the

proposed date on which the proposed rights of access will require to commence. In the event that the Infraco removes all plant and equipment from the Site and desist all Infraco Works thereon for a period exceeding 28 days then the Infraco shall be obliged to re-notify **tie** at least 7 working days prior to the date upon which the Infraco intends to re-enter the Site to re-commence exercise of its rights, otherwise all in accordance with this paragraph 28.3.

28.4 Whilst carrying out the Infraco Works in the vicinity of the Site, the Infraco shall ensure that access and egress through the Site is maintained for UGC/UNI to:

28.4.1 a car parking area to be situated on the South East of the Premises at the location more particularly shown outlined and cross-hatched in red on the Plan;

28.4.2 the loading bay situated on the South West face of the Premises at the point marked 'A' on the Plan for the purposes only of loading and off-loading goods to and from the said building, declaring that such rights are required pursuant to the UGC/UNI Agreement to be exercised as quickly as reasonably possible with vehicles being removed from the loading bay immediately upon completion of loading or off-loading, always having regard to nature of the Infraco Works and to any requirements of the Infraco's Representative; and

28.4.3 the fire exit door situated on the South-West face of the Premises at the point marked 'B' on the Plan.

28.5 The Infraco shall only access the Site between the hours of 7am and 7pm unless otherwise instructed by **tie** under this Agreement.

28.6 Upon imminent completion of the Infraco Works at the Site, the Infraco shall serve written notice on **tie** specifying the estimated date upon which the Infraco Works are due to be completed at the Site and the date upon which possession of the Site will be returned to **tie**.

SECTION 29 - JPSE LIMITED

29.1 In this Section 29 of the Section A of Schedule Part 13, the following expressions shall, unless the context otherwise requires, have the following meanings:

"**Drawings**" means drawing numbers 6 and 7 as annexed to the Edinburgh Tram (Line Two) Act 2006;

"**Jenners**" means JPSE Limited (formerly Jenners Princes Street Edinburgh Limited), a company incorporated under the Companies Acts with registered number SC013150 and having its registered office at 16 Charlotte Square, Edinburgh EH2 4DF and its successors and assignees;

"**Jenners Agreement**" means the agreement entered into between Jenners and CEC on 18th January and 27th January 2006 in respect of the removal of Jenners' objection to the Edinburgh Tram (Line Two) Bill;

"**Plan**" means drawing number 30894/C286 Rev B dated 4 July 2005 produced by Faber Maunsell and set out in Appendix 24 to this Schedule Part 13; and

"**Site**" means that area of ground at 140 Balgreen Road, Edinburgh identified as Plots 139,140 and 141 on the Drawings and also shown for indicative purposes on the Plan.

29.2 The Infraco shall design and construct the relevant section of the Edinburgh Tram Network in accordance with the "**high option**" as defined in Clause 2.2.1(a) of the Jenners Agreement.

29.3 The Infraco acknowledges that the Site will not be permanently acquired for the purposes of the Edinburgh Tram Network and the Infraco shall not therefore design or construct any part of the Edinburgh Tram Network on the Site. Subject to the terms of the relevant licence, the foregoing terms of this paragraph 29.3 of Section A of Schedule Part 13 are without prejudice to the rights of the Infraco to take temporary possession of part of the Site in accordance with the Tram Legislation.

29.4 Upon imminent completion of the Infraco Works at the Site, the Infraco shall serve written notice on **tie** specifying the estimated date upon which the Infraco Works are due to complete and the estimated date upon which possession of the Site will be returned to **tie**.

SECTION 30 - NEW EDINBURGH LIMITED AND EDINBURGH PARK (MANAGEMENT) LIMITED

30.1 In this Section 30 of Section A of Schedule Part 13, the following expressions shall, unless the context otherwise requires, have the following meanings:

"**Access Road**" means that length of road from Hermiston Gait roundabout to the New Limits as shown hatched black on Plan 2;

"**Drawings**" means drawing numbers 12, 13 and 14 as annexed to the Edinburgh Tram (Line Two) Act 2006;

"**Edinburgh Park**" means that area of ground indicatively outlined in red on Plan 1;

"**EPML**" means Edinburgh Park (Management) Limited, a company incorporated under the Companies Acts with registered number 137394 and having its registered office at Miller House, 2 Lochside View, Edinburgh Park, Edinburgh EH12 9DH and its successors and assignees;

"**Ground Works**" means the Infraco Works which are the main heavy works of excavation, utilities, backfilling and making safe accordingly;

"**Hermiston Gait**" means that area of ground indicatively outlined in blue and green on Plan 1;

"**Hotel Site**" means that part of Hermiston Gait indicatively outlined in green on Plan 1;

"**LLAU**" means insofar as they relate to Edinburgh Park or Hermiston Gait, the limits of land that may be acquired and used for the purposes of the Infraco Works;

"**LOD**" means insofar as they relate to Edinburgh Park or Hermiston Gait, the limits of deviation within which the Edinburgh Tram Network will be constructed and operated;

"**Maintenance Schedule**" means the schedule set out in part 6 of Appendix 25 of this Schedule Part 13;

"**NEL**" means New Edinburgh Limited, a company incorporated under the Companies Acts with registered number 126384 and having its registered office at Miller House, 2 Lochside View, Edinburgh Park, Edinburgh EH12 9DH and its successors and assignees;

"**New Limits**" shall have the meaning assigned to that term by paragraph 30.2 of this Section 30;

"**Plan 1**" means Halcrow Drawing Number 04-4582-PODEPL-102-9011 and forming part 1 of Appendix 25 to this Schedule Part 13;

"**Plan 2**" means Faber Maunsell Drawing Number 30894/C210, Rev.L and forming part 2 of Appendix 25 of this Schedule Part 13;

"**Plan 3**" means Faber Maunsell Drawing Number 30894/C209, Rev.E and forming part 3 of Appendix 25 of this Schedule Part 13;

"**Plan 4**" means Faber Maunsell Drawing Number 04-4582-PODEPL-102-9010, Rev.C and forming part 4 of Appendix 25 of this Schedule Part 13; and

"**Plan PT**" means drawing number PT/1/01/001/2/293F and forming part 5 of Appendix 25 to this Schedule Part 13;

30.2 The LLAU shall be deemed to be amended from those shown on the Drawings and shall be restricted, insofar as they relate to Edinburgh Park and/or Hermiston Gait, to the extent shown by the broken purple line on Plan 2 and, shall for the purposes of this Section 30 of Section A of Schedule Part 13, be called the "**New Limits**" and for the avoidance of any doubt, save as aforementioned, the New Limits shall otherwise be as shown by the broken red lines on Plans 2 and 3.

30.3 The Infraco acknowledges that:

30.3.1 only those parts of Edinburgh Park and/or Hermiston Gait as are required for the Edinburgh Tram Network which are within either the LOD or the New Limits will be permanently acquired; and

30.3.2 the Hotel Site will not be permanently acquired.

30.4 The Infraco shall assist **tie**, as required, in supplying to the directors or relevant employees of NEL or EPML such information regarding the Edinburgh Tram Network as NEL or EPML may from time to time reasonably request.

30.5 Upon request from **tie**, the Infraco shall make available for examination to NEL or EPML copies of all insurance policies taken out by the Infraco in accordance with this Agreement and evidence that the premiums payable thereunder have been paid to date and that the insurances are in full force and effect.

30.6 The Infraco shall use all reasonable endeavours to ensure that such of the Ground Works which are to be constructed:

30.6.1 to the north of the point marked "B" on Plan 2 are completed within 12 months of their commencement; and

30.6.2 to the south of the point "B" on Plan 2 are completed within 24 months of their commencement.

30.7 The Infraco shall ensure that the centre line of the Edinburgh Tram Network between the points S and T shown on Plan 2 and Plan 3 shall not extend further to the east from the centre line of the tramways shown on Plan 2 and Plan 3, subject always to the ground conditions, comparative cost of alternative proposals and other engineering factors and any requirement made by the planning authority under clause 29 of Part 11 of Schedule 1 of the Town and Country Planning (General Permitted Development) (Scotland) Order 1992 (whether as a consequence of the refusal of an approval by it under that Part, or by reason of any conditions attaching to an approval under that Part).

30.8 The Infraco shall not encroach upon any land in Edinburgh Park or Hermiston Gait which lies outwith the LOD and/or the New Limits unless otherwise instructed by **tie** in accordance with this Agreement.

30.9 With regard to the formation by the Infraco of an at-grade crossing of the way designated as Lochside Avenue in Edinburgh Park which also permits access to and egress from the Edinburgh Tram Network at that point, the Infraco shall ensure:

30.9.1 the tram junctions are surfaced using appropriate natural stone materials; and

30.9.2 traffic sensors are installed linking to traffic signals to enable signal staging and phasing to be modified, so as to reduce as far as possible traffic queuing distances.

30.10 Before commencing the execution of the Infraco Works at Hermiston Gait or Edinburgh Park, the Infraco shall give notice in writing to **tie** of the works intended, accompanied by plans of those works showing the manner in which and the materials with which they are to be constructed, together with details of the proposed timescale and any further information NEL and EPML reasonably require as notified to the Infraco by **tie**.

30.11 In preparing the plans referred to in paragraph 30.10 above, where fencing is required around the tram lines the Infraco shall have regard to Plan PT (but under declaration that any references therein to a guided busway shall be deemed to be references to the Edinburgh Tram

Network and the said drawing shall be interpreted accordingly) and to the design criteria set out in paragraph 30.12 below, and in the event that the works depicted on the plans referred to in paragraph 30.10 above differ in any material respect from those anticipated by Plan PT or from the design criteria set out in paragraph 30.12 below the Infraco shall, when submitting the plans referred to in paragraph 30.10 above to **tie**, give full written reasons for any such differences.

30.12 The design criteria referred to in paragraph 30.11 above are as follows:

30.12.1 where safety railings are required, their design will be in accordance with accepted British Standards and will incorporate such architectural or artistic enhancements as NEL or EPML may reasonably require provided these do not contravene accepted British Standards;

30.12.2 all retaining wall features will be faced in split-faced natural stone with dressed stone copes to established Edinburgh Park standards;

30.12.3 all materials used in connection with the Infraco Works will be of a high standard and shall be so far as is reasonably practicable similar to or consistent with the existing materials used within the common parts of Edinburgh Park; and

30.12.4 all Tramstops in Edinburgh Park or Hermiston Gait shall be lit and monitored by CCTV and will be fully accessible and provide bicycle racks for cyclists.

30.13 The Infraco acknowledges that, if NEL or EPML reasonably considers that by reason of their design or appearance, the Infraco Works as proposed to be constructed would injure the amenity of the urban landscape of Edinburgh Park and the said design or appearance of the Infraco Works is reasonably capable of modification to avoid such injury, they may, within 14 days of the receipt of the notice referred to in paragraph 30.10 above by notice to CEC in writing specify the alterations that they seek. **tie** shall forward any such notice on to the Infraco as soon as reasonably practicable. The Infraco shall alter the said design or appearance of those works in such a proper and reasonable way as may be required by NEL or EPML and notified to the Infraco by **tie**, having regard always to the standard of design commensurate with that of Edinburgh Park existing as at the date of this Agreement, so as to avoid such injury.

30.14 The Infraco acknowledges that NEL and EPML are not entitled to request any alteration to the design of the Edinburgh Tram Network or the Infraco Works pursuant to paragraph 30.13 above:

30.14.1 on the basis that the Infraco should be required to construct any structure as part of or adjacent to the Infraco Works to facilitate the construction by NEL or EPML of any lochan, lake, pond, marsh, wetland or other body of water adjacent to those works; or

30.14.2 where to do so would conflict with:

(a) any requirement made by the planning authority pursuant to Clause 29 of Part 11 of Schedule 1 of the Town and Country Planning (General Permitted Development) (Scotland) Order 1992 (whether as a consequence of the refusal of an approval by it under that Part, or by reason of any conditions attaching to an approval under that Part); or

(b) a requirement of the planning authority where the Infraco has sought to include a requirement of NEL or EPML pursuant to paragraph 30.13 above in any planning application for the Infraco Works, but can demonstrate that the said alteration is unacceptable to the planning authority and will materially delay the procurement of a planning permission for the Infraco Works.

30.15 In this paragraph 30.15 "**construction site**" means any parcel of land in Edinburgh Park or Hermiston Gait which CEC may acquire or has acquired or in which it may acquire or has acquired any interest (whether temporarily or permanently) under the powers of the Tram Legislation or by agreement with NEL or EPML, for the purpose of constructing the relevant Infraco Works:

30.15.1 Subject to the provisions of this Section 30 of Section A of Schedule Part 13, the Infraco shall not use any road or way within Edinburgh Park in connection with the construction of the Edinburgh Tram Network without the prior written consent of **tie**.

30.15.2 The Infraco may use the ways within Edinburgh Park designated as Roads 1 and 8 in connection with the construction of the junction between the Edinburgh Tram Network and the road or way designated as Road 8, including in connection with the construction and placing of all facilities ancillary to that junction.

30.15.3 Nothing in this paragraph affects the Infraco's ability to:

(a) use any land in respect of which CEC/**tie** has secured access by virtue of the Tram Legislation or any other right or agreement; or

(b) to gain access to and egress from any such land from and to any public highway; or

(c) to use the roads and other ways within Edinburgh Park in connection with the operation of the Edinburgh Tram Network.

30.15.4 In the construction of the relevant Infraco Works, no motor vehicles shall be parked outwith any construction site.

30.15.5 Any motor vehicle of the Infraco that breaks down whilst in Edinburgh Park and going to or from a construction site shall be dealt with by or on behalf of the Infraco in an efficient and timely manner.

30.15.6 No offloading or loading of construction materials shall be made by the Infraco outwith the construction sites. All noxious refuse on a construction site shall be stored so as to avoid so far as is reasonably practicable unsightly visual impact, airborne debris and noxious smells, and shall be removed from Edinburgh Park at regular intervals.

On completion of the construction of the relevant Infraco Works, all debris, rubble, waste and refuse not required for landscaping of the relevant Infraco Works shall be removed by the Infraco from Edinburgh Park.

30.15.7 During the construction of the relevant Infraco Works, a 20 mph speed limit shall apply to all construction vehicles within Edinburgh Park.

30.15.8 The Infraco shall report any damage caused by it to property in Edinburgh Park outwith the construction sites in writing to **tie** as soon as reasonably practicable after it has become aware of that damage. Any such damage caused by the Infraco shall be repaired by the Infraco to the reasonable satisfaction of EPML and NEL (as confirmed to the Infraco by **tie**) at the Infraco's expense. In the event of failure by the Infraco to comply with this requirement within a period of 30 working days, or such longer period as NEL shall reasonably allow (as notified to the Infraco by **tie**), the Infraco acknowledges that NEL or EPML may effect such repairs to its reasonable satisfaction and the Infraco shall pay the proper and reasonable costs of doing so to **tie** or (if requested by **tie**) directly to NEL or EPML.

30.15.9 All litter and accidental spillages outwith the construction sites shall be removed by the Infraco as soon as possible from the areas affected. In the event of failure to comply with this requirement, the Infraco acknowledges that EPML may undertake that removal to its reasonable satisfaction and the Infraco shall pay the reasonable costs of doing so to **tie** or (if requested by **tie**) directly to NEL or EPML.

30.15.10 During dry weather conditions, the Infraco shall dampen roads in the construction sites in order to minimise airborne dust.

30.15.11 The Infraco shall use reasonable endeavours to minimise noise created by the construction of the relevant Infraco Works.

30.15.12 The Infraco shall not discharge any surface water into any of the lochans in Edinburgh Park.

30.15.13 The Infraco shall ensure that the wheels of all motor vehicles leaving the construction sites are properly cleaned at or near their point of egress.

30.15.14 The Infraco shall ensure that all roads in Edinburgh Park to and from the construction sites are kept free of mud and dust as far as reasonably practicable. In the event of failure by the Infraco to keep all such roads clean to the reasonable satisfaction of NEL or EPML, the Infraco acknowledges that NEL or EPML may effect such cleaning to its reasonable satisfaction and the Infraco shall pay the reasonable costs of doing so to **tie** or (if requested by **tie**) directly to NEL or EPML.

30.15.15 The Infraco shall provide to **tie** the following contacts in respect of the Infraco Works being carried out at Edinburgh Park and Hermiston Gait, including their respective telephone numbers:

(a) project manager;

(b) site foreman;

(c) site security officer;

(d) site health and safety officer; and

(e) three out-of-hours emergency contact numbers and contact details.

The Infraco shall notify **tie** as soon as reasonably practicable, of any changes in the information previously provided.

30.15.16 Prior to commencing the relevant Infraco Works at any construction site, the Infraco shall erect a hoarding to the specifications, and at locations, shown on Plan 4 around that site and the Infraco shall maintain the hoarding to a reasonable standard throughout the period of construction. On completion of the Infraco Works, the

Infraco shall remove the hoarding to the reasonable satisfaction of NEL and EPML as confirmed to the Infraco by **tie**.

In the event of failure by the Infraco to hoard the site in accordance with this provision to the reasonable satisfaction of NEL or EPML after having been called upon to do so, and having failed to do so within a reasonable period, NEL or EPML may effect such hoarding to its reasonable satisfaction and recover the proper and reasonable costs of doing so from the Infraco.

30.16 The Infraco shall ensure that all workmanship is at least to the standard of workmanship which has been applied in Edinburgh Park.

30.17 The Infraco shall ensure that the effects of construction of the Edinburgh Tram Network on noise and vibration and other environmental impacts on buildings within Edinburgh Park constructed and occupied as at the date of this Agreement shall not at any time be significantly worse than the levels envisaged by the Environmental Statement.

30.18 The Infraco will advise **tie** fully in relation to the construction programme for the Infraco Works at Edinburgh Park and Hermiston Gait and shall provide **tie** with a monthly update of such programme with a written explanation of all material alterations to the programme.

30.19 All Maintenance Services carried out on the Edinburgh Tram Network at the Site shall be carried out in accordance with the Maintenance Schedule.

30.20 It is acknowledged by the Infraco that the Edinburgh Tram Network will cross the Edinburgh to Glasgow railway line by means of a viaduct bridge to be located between the points marked "**A**" and "**B**" on Plan 2 (the "**Bridge**"). The Infraco shall ensure that the Bridge will be an open structure (as opposed to solid embankment) on concrete pillars and will be of a design complementary with the landscaping already in existence in Edinburgh Park and the Infraco shall assist **tie** in relation to any consultation with NEL and EPML on the proposed design of the Bridge.

30.21 The Infraco acknowledges that NEL or EPML shall be entitled to impose such barriers/control systems or other regulation on the Access Road as they may deem necessary (acting reasonably) from time to time in order to regulate and control the flow, access and egress of vehicular traffic to and from Edinburgh Park provided always that the said barriers/control systems or other regulations shall not at any time prevent pedestrian and vehicular access with or without construction traffic of the Infraco to and from Edinburgh Park and Hermiston Gait

for the purposes of the construction of the Edinburgh Tram Network in accordance with the Tram Legislation and this Agreement.

30.22 Upon imminent completion of the relevant part of the Infraco Works the Infraco shall serve written notice on **tie** specifying the estimated date upon which the relevant part of the Infraco Works are due to complete and the estimated date upon which possession of the relevant site will be returned to **tie**.

30.23 Notwithstanding the provisions of the Edinburgh Tram (Line Two) Act 2006, unless otherwise instructed by **tie** in accordance with this Agreement, the Infraco shall not design or construct any part of the Edinburgh Tram Network on or otherwise encroach upon:

30.23.1 Plot 196;

30.23.2 Plot 208A;

30.23.3 Plot 218;

30.23.4 Plot 220; or

30.23.5 Plot 221;

all as shown on the Drawings, unless otherwise instructed by **tie** in accordance with this Agreement.

30.24 The Infraco shall install drainage in accordance with Plan 2 and Plan 3 and shall ensure that it will take the following form:

35.24.1 **Preliminary Catchment No. 9**

(a) Subject to the approval of **tie**, connect to and discharge from the Edinburgh Tram Network to the 450mm diameter storm water drain to be constructed by NEL for the further development of Edinburgh Park and for the purposes of the Tram Legislation as appropriate, at the point marked "**C**" on Plan 2, and for the purposes of which drain NEL has set aside land to attenuate flows prior to discharge thereto.

(b) In the event that the construction of the Edinburgh Tram Network at Edinburgh Park or Hermiston Gait precedes the said drains' construction, temporarily connect and discharge instead to the Gogar Burn, as culverted, between the points marked "**C**" and "**D**" on Plan 2 until such time as NEL

construct the said drain, but that subject to the Infraco procuring all necessary statutory consents for such connection and discharge.

30.24.2 **Preliminary Catchment No.10**

(a) Subject to the approval of **tie**, connect to and discharge from the Edinburgh Tram Network to the 750mm diameter sewer constructed by NEL in Lochside Avenue, at the point marked "**E**" on Plan 3;

(b) In the event that soakaway tests, undertaken at the detailed design of the Edinburgh Tram Network, prove that the ground conditions are satisfactory, then the Infraco shall install a SUDS system to allow a reduction in the peak discharge from the Edinburgh Tram Network.

30.25 The Infraco shall not design or construct any part of the Edinburgh Tram Network on, and shall not encroach upon Plots 192 and 194 as shown on the Drawings unless otherwise instructed by **tie** in accordance with this Agreement. For the avoidance of doubt, no use shall be made of these plots which shall at any time prevent the use of the roundabout in question by NEL, EPML and any relevant third parties.

30.26 The Infraco shall not encroach upon Plot 197 as shown on the Drawings unless otherwise instructed by **tie** in accordance with this Agreement.

30.27 With regard to Plots 212, 213, 214 and 216 as shown on the Drawings, the Infraco Works shall be carried out so as to cause as little practicable interference as possible with the existing services, conducting media, traffic management equipment, CCTV, traffic light controls and counters, EPML switchgear or the like.

30.28 With regard to Plot 219 as shown on the Drawings, the Infraco Works shall be carried out in a manner so as to ensure no damage to the lochan liners and shall in the event of any damage arising, make good all direct and indirect damage as soon as reasonably practicable.

SECTION 31 - CHRIS HOLMES CABINETMAKERS

31.1 In this Section 31 of Section A of Schedule Part 13, the following expressions shall, unless the context otherwise requires, have the following meanings:

"**CHC**" means Chris Holmes Cabinetmakers, a cabinet making workshop having a place of business at Gogar Church, 194 Glasgow Road, Edinburgh EH12 9BR; and

"**Planting Plan**" means Faber Maunsell Drawing Number 30894iee/MO1 as set out in Appendix 26 to this Schedule Part 13.

31.2 The Infraco shall ensure that it complies with the Planting Plan which sets out the requirements necessary to shield, to the extent possible, the proposed tram stop in the vicinity of CHC's workplace at 194 Glasgow Road, Edinburgh. The planting shall take the form of broadleaf woodland at the location indicated on the Planting Plan to provide visual screening with, in addition, hedge planting in a continuous line along the back of the said stop to restrict, to the extent possible, lateral pedestrian movement. All planting will be carried out in accordance with CAA bird hazard guidelines and the Environmental Statement.

31.3 The Infraco shall provide to **tie**, quarterly progress reports of the design process until such time as the proposed vertical alignment of the Edinburgh Tram Network as it will travel north along Gogar Burn is completed, at which time the Infraco will prepare a design report which sets out the constraints and the manner in which the vertical alignment design fits within these in light of the concerns expressed by CHC (as the same are notified to the Infraco by **tie**). Such report shall be sent by the Infraco to **tie**.

31.4 The Infraco shall advise **tie** of the results of the archaeological survey and provide a copy to **tie**.

SECTION 32 - NETWORK RAIL INFRASTRUCTURE LIMITED

32.1 In this Section 32 of Section A of Schedule Part 13, the following expressions shall, unless the context otherwise requires, have the following meanings:

"**Access Agreement**" has the meaning given by section 83 of the Railways Act 1993;

"**Legal Requirement**" means:

(i) any enactment to the extent that it applies to that party;

(ii) any regulation made by the Council or the Commission of the European Union to the extent that it applies to that party or a decision taken by the Commission which is binding on that party to the extent that it is so binding; and

(iii) any interpretation of law, or finding, contained in any judgement given by a court or tribunal of competent jurisdiction in respect of which the period for making an appeal has expired which requires any legal requirement falling within paragraphs (i) or (ii) above to have effect in a way which is different to that in which it previously had effect;

"**Network**" means that part of the railway network of which Network Rail is the facility owner (as defined in section 17(6) of the Railways Act 1993 (as amended by the Transport Act 2000) which is situated in England, Wales and Scotland;

"**Network Licence**" means the licence relating to the rail network granted to Network Rail pursuant to section 8 of the Railways Act 1993;

"**Network Operation Issue**" means;

(i) any relevant Safety Critical Event;

(ii) any relevant Operational Emergency;

(iii) any relevant Legal Requirement;

(iv) any relevant requirement of the Network Licence;

(v) a contractual commitment of Network Rail existing on or prior to agreement to undertake any Protective Work;

"**Network Rail**" means:

(i) Network Rail Infrastructure Limited, a company incorporated under the Companies Acts with registered number 2904587 and having its registered office at 40 Melton Street, London NW1 2EE;

(ii) any associated company of Network Rail Infrastructure Limited which holds property for railway purposes;

(iii) the servants, agents and contractors of any of those companies; and

(iv) the successors and assignees of any legal person within paragraph (i), (ii) or (iii) above;

"**Network Rail Agreement**" means the protective provisions agreement entered into by **tie**, CEC and Network Rail on 17 June and 21 June, both dates in 2005 in relation to the Edinburgh Tram Network;

"**Network Rail Company Standards**" means a standards document issued by Network Rail for its own use in relation to the Network as a whole which applies to the performance of the Infraco Works (or the equivalent of such document together with such amendments as may from time to time be made by Network Rail to reflect changes in Legal Requirements and/or for safety related reasons);

"**Operational Emergency**" means disruption to scheduled railway services on any relevant part of the Network in Scotland, arising (whether directly or indirectly) as a result of any unforeseen circumstance or event affecting the Network in Scotland or any part thereof;

"**Operator Costs**" means costs, direct losses and expenses (including loss of revenue) payable by Network Rail to a Train Operator pursuant to an Access Agreement;

"**Protective Work**" means any work, which Network Rail specifies should be carried out before the commencement of construction of any Infraco Works to ensure the safety or stability of Railway Property or the continuation of safe and efficient operation of the Network or the services of Train Operators;

"**Railway Group Standards**" means (i) technical standards to which railway assets or equipment used on or as part of the Network must conform and (ii) operating procedures with which the operators of railway assets must comply, in each case as issued by the Rail Safety and Standards Body Limited and authorised pursuant to the Railway Group Standards Code;

"**Railway Operational Procedures**" means procedures, requirements, and obligations on Network Rail, specified under (i) any Access Agreement or (ii) any station/depot lease, or (iii) Network Rail's asset stewardship criteria, or (iv) Network Rail's Network Licence;

"**Railway Property**" means any property belonging to Network Rail and forming part of the Network including any railway infrastructure, station, depot, buildings, lands, works, apparatus and equipment belonging to Network Rail or a relevant associated company connected therewith and includes any land held or used by Network Rail, including any servitude or other property interest held or used by Network Rail for the purposes of such railway, Network, or station, depot, buildings, lands, works, apparatus or equipment;

"**Relevant Work**" means:

(a) so much of any of the Infraco Works as is situated upon, across, under, over (i) Railway Property, or (ii) within 15 metres of Railway Property, or (iii) which may in any way adversely affect, Railway Property; and

(b) any Protective Work constructed or to be constructed by the Infraco;

"**Safety Critical Event**" means a relevant risk to the health and safety of any person(s) or risk of material damage or destruction to any Railway Property, or any incident, which may reduce the safety integrity levels of any item of infrastructure on the Network; and

"**Train Operator**" means any person who operates trains in accordance with a licence under section 8 of the Railways Act 1993 or an exemption under section 7 of the Railways Act 1993.

32.2 Unless otherwise instructed by **tie** in accordance with this Agreement, the Infraco shall not encroach upon any Railway Property whilst carrying out the Infraco Works. The Infraco shall not carry out any Relevant Work unless it has received confirmation from **tie** that the plans in respect of the Relevant Work have been agreed by Network Rail.

32.3 When the Infraco is instructed to carry out Infraco Works on Railway Property, it shall carry out the Infraco Works subject to such reasonable conditions as may be specified by Network Rail and notified to the Infraco by **tie**. The Infraco acknowledges that the reasonable conditions will be for the protection of Railway Property and rail operations and the reasonable conditions will be:-

32.3.1 required to ensure the safety, integrity, and stability of Railway Property, and

32.3.2 required to ensure the continuing, safe and efficient operation of the Network and the services of the Train Operators operating on the Network; and

32.3.3 required as a consequence of any Network Operation Issue, Network Rail Company Standards, Railway Group Standards, any relevant Railway Operational Procedures or regulatory requirement.

32.4 The Infraco shall ensure that any Infraco Works to all new or existing overbridges and underbridges, including footbridges, will comply with Railway Group Standards, and Network Rail Company Standards, together with the requirements of HMRI.

32.5 The Infraco shall not construct any public and/or private level crossings which straddle the Network.

32.6 The Infraco shall ensure that an appropriate traffic light system, or other control system is installed with a view to ensuring that, so far as the operation of the Edinburgh Tram Network over the access road to Network Rail's Haymarket Depot is concerned, the existing access to such depot is not materially adversely affected. The Infraco shall assist **tie** in developing and agreeing the details of such traffic light or other control system with Network Rail prior to the implementation of such system.

32.7 The Infraco acknowledges that:

32.7.1 Network Rail signalling and telecommunications equipment may require to be immunised, and/or require other related works, prior to the installation and energisation of any overhead line equipment relevant to the Edinburgh Tram Network to protect Network Rail's signalling equipment; and

32.7.2 the provision of cross-bonding and stray-voltage collection mats may, amongst other related works, be required to protect Network Rail's overhead line electrification equipment.

32.8 In recognition of and acknowledging the provisions of paragraph 32.7 above, the Infraco shall in the design and construction of the Infraco Works, take all necessary measures to prevent electromagnetic interference with Network Rail infrastructure and shall establish with **tie** appropriate arrangements to verify such measures.

32.9 If any:

32.9.1 damage to Railway Property; or

32.9.2 interference with the conduct of rail traffic on the Network or obstruction of the Network;

is caused by or is a consequence of the carrying out by the Infraco of any obligations related to powers conferred by the Tram Legislation, including construction activities associated with any Relevant Work to be carried out by the Infraco hereunder, the Infraco shall:

32.9.3 make good such damage; and

32.9.4 pay to **tie** an amount equal to **tie's** liability to pay Operator Costs to Network Rail pursuant to Clause 9(3)(ii) of the Network Rail Agreement.

32.10 The Infraco's liability under this Section 32 shall be limited in that:

32.10.1 to the extent that paragraph 32.9.4 includes Operator Costs which arise prior to the Service Commencement Date and for which recovery under Clause 16 is available (or would be available but for the application of the caps or the exceptions expressly specified in Clause 16), the provisions of Clause 16 shall supersede paragraph 32.9.4 and paragraph 32.9.4 shall not apply to those Operator Costs;

32.10.2 the Infraco shall have no liability under paragraph 32.9.4 in respect of any Additional Expense as defined in the Asset Protection Agreement; and

32.10.3 the limitations of liability set out in Clause 16.72 and 16.73 shall apply where relevant.

SECTION 33 - RODERICK JAMES MCLEAN

33.1 In this Section 33 of Section A of Schedule Part 13, the following expressions shall, unless the context otherwise requires, have the following meanings:

"**McLeans**" means Roderick James McLean and Julie Bremner McLean, residing at 97 Ravelston Dykes Road, Edinburgh;

"**Plan**" means the plan set out in Appendix 27 to this Schedule Part 13;

"**Retained Subjects**" means Plots 82, 83, 86, 88, 89, 90, 91, 92 and 95 as shown on the drawings attached to the Edinburgh Tram (Line Two) Act 2006; and

"**Subjects**" means the rear lean-to at 27 Roseburn Street, Edinburgh shown hatched on the Plan.

33.2 The Infraco shall not design or construct any part of the Edinburgh Tram Network upon, or otherwise encroach upon the Retained Subjects unless otherwise instructed by **tie** in accordance with this Agreement.

33.3 The Infraco shall ensure that any temporary road closure of Roseburn Street as required for the purposes of the Infraco Works shall be effected so as to cause the least practical disturbance to the McLeans' business, as located at the Subjects, the Retained Subjects and any other location used by such business as a result of the implementation of the Infraco Works, and such road closure shall be for as short a period as practicable and all reasonable endeavours shall be taken by the Infraco to keep such period of road closure to a minimum.

33.4 As part of the Infraco Works, the Infraco shall sub-divide the Subjects and the Retained Subjects within such timescale as may be specified by **tie** and to the reasonable satisfaction of the McLeans (as notified to the Infraco by **tie**).

33.5 Regarding the Infraco Works specified in paragraph 33.4 above, the Infraco shall deliver to **tie** copies of all requisite building warrants, docqueted plans, completion certificates, planning permission and all other requisite documentation in accordance with all relevant regulations and legal requirements.

SECTION 34 - CLERICAL MEDICAL INVESTMENT GROUP LIMITED

34.1 In this Section 34 of Section A of Schedule Part 13, the following expressions shall, unless the context otherwise requires, have the following meanings:

"**Clerical Medical**" means Clerical Medical Investment Group Limited, a company incorporated under the Companies Acts with registered number 03196171 and having its registered office at 33 Old Broad Street, London, EC2N 1HZ and its successors and assignees;

"**Drawing**" means drawing sheet number 12 as attached to the Edinburgh Tram (Line Two) Act 2006;

"**Limits of Deviation**" means, insofar as they relate to the Site, the limits within which the Edinburgh Tram Network will be constructed;

"**Plots**" means Plots 188, 189, 190 and 191, all as shown on the Drawing;

"**Property**" means **ALL** and **WHOLE** that area of ground extending to Seventeen Acres and Two Hundred and Five One Thousandth parts of an Acre or thereby (17.205 Acres or thereby) being the subjects registered in the Land Register of Scotland under title number MID65614;

"**Site**" means that area of ground at the Property identified as the Plots in so far as falling within the Limits of Deviation; and

"**Tenants**" means all tenants or other authorised occupiers, present and future, of the Property and the Site or any part or parts thereof;

34.2 During the carrying out of the Infraco Works, the Infraco shall not design or construct any part of the Edinburgh Tram Network on and shall not encroach upon Plot 190 unless otherwise instructed by **tie** in accordance with this Agreement.

34.3 The Infraco acknowledges that the Site will not be permanently acquired for the purposes of the Edinburgh Tram Network and accordingly the Infraco shall not design or construct any part of the Edinburgh Tram Network upon any part of the Site. For the avoidance of doubt, the Infraco may take temporary possession of part of the Site for the purposes of carrying out the Infraco Works (which may include works to regulate entrance levels, kerb realignment and insertion of local retaining structure).

34.4 Upon completion of the Infraco Works at the Site, the Site shall be reinstated and returned to **tie** in no worse condition than that in which the Site was found prior to the commencement of the Infraco Works.

34.5 The Infraco shall, if required, assist **tie** in any consultation with Clerical Medical as regards the impact of the carrying out of the Infraco Works on the operation of the tenant's business at the Property and any building thereon. Prior to commencing the Infraco Works the Infraco shall, if required, assist **tie** in reaching a mutually acceptable solution with Clerical Medical in relation to the timing of the carrying out of the Infraco Works so that the impact on the normal operation of the tenant's business at the Property and any building thereon is minimised so far as reasonably practicable having regard to the scope and nature of the Infraco Works.

34.6 The Infraco acknowledges that Clerical Medical has a material preference that no fixing of any component part of the Edinburgh Tram Network should be made to any buildings on the Property and any building thereon. In the event that any such fixings are nonetheless considered by the Infraco to be the most appropriate solution the Infraco shall first consult with **tie** and (if requested by **tie**), Clerical Medical on such matter and shall take due and proper cognisance of the reasonable representations of Clerical Medical, as notified to the Infraco by **tie**, in this respect.

34.7 Upon imminent completion of the Infraco Works at the Site the Infraco shall serve written notice on **tie** specifying the date upon which the Infraco Works at the Site are due to be completed and the date upon which possession of the Site will be returned to **tie**.

34.8 The Infraco shall ensure that vehicular and pedestrian access to and egress from the Property is capable of being taken at all times by way of the Hermiston Gait Roundabout forming Plots 192 and 194 as shown on the Drawing ("**the Roundabout**"). The Infraco shall not materially impede such access to the Roundabout.

SECTION 35 - SCOTTISH RUGBY UNION PLC

35.1 In this Section 35 of Section A of Schedule Part 13, the following expressions shall, unless the context otherwise requires, have the following meanings:

"**Adopted Highway LLAU**" means the area hatched light blue on the Plan;

"**Drawings**" means sheets numbered 5 and 6 as annexed to the Edinburgh Tram (Line Two) Act 2006;

"**Event**" means a Major Event and/or a Minor Event as the case may be;

"**Licence**" means the licence to be entered into between CEC and the SRU in respect of the Oversailing LLAU, the Normal LLAU, the Temporary LLAU, the Optional LLAU, and the Reconfiguration LLAU;

"**Licence Site**" means the relevant part of the Site to be come the subject of each respective Licence;

"**Local Construction Plan**" means the local construction plan (revision 6) set out in part 2 of Appendix 28 to this Schedule Part 13; and which will be developed in accordance with paragraph 35.14 of this Section 35;

"**Major Event**" means a full stadium event at which the anticipated number of spectators exceeds twenty thousand or such other event as may be agreed between SRU, CEC and the Safety Officer (and notified to the Infraco by **tie**) as being a Major Event;

"**Minor Event**" means any event, exhibition, conference or function which is not a Major Event;

"**Normal LLAU**" means the area hatched purple on the Plan;

"**Optional LLAU**" means the area hatched pink on the Plan;

"**Oversailing LLAU**" means the area hatched brown on the Plan;

"**Pitches**" means the pitches located in the area delineated in blue on the Plan;

"**Pitches Specification**" means the specification set out in part 3 of Appendix 28 to this Schedule Part 13;

"Plan" means Drawing 30894/SK05 Rev G as set out in part 1 of Appendix 28 to this Schedule Part 13;

"Reconfiguration LLAU" means the area hatched dark green on the Plan;

"Reconfiguration Works" means the reconfiguration works required as set out in the Local Construction Plan including works required to cover the open space, relocate the turnstiles, reconfigure paving and parking at the Site and the works required to the Wanderers Club;

"**Safety Certificate**" means the certificate issued by the Safety Officer which permits the Event to take place;

"**Safety Officer**" means the relevant safety officer appointed by CEC;

"Shared Access LLAU" means the area hatched yellow on the Plan;

"Shared Access LOD" means the area hatched dark blue on the Plan;

"Site" means ALL and WHOLE that area of ground known as and forming the Murrayfield Stadium and ancillary ground and facilities being the land shown outlined in red on the Plan;

"**SRU**" means Scottish Rugby Union Plc, a company incorporated under the Companies Acts with registered number 132061 and having its registered office at Murrayfield, Edinburgh, EH12 5JP and its successors and assignees;

"**SRU Agreement**" means the agreement to be entered into between SRU and CEC in respect of the withdrawal of SRU's objection to the Edinburgh Tram (Line One) Bill;

"Temporary Use LLAU" means, subject to the provisions of paragraph 35.4, the area hatched red on the Plan; and

"Wanderers Club" means the clubhouse to the south of the stadium.

35.2 The Infraco shall not design or construct any part of the Edinburgh Tram Network at the Site on Plot 108 as shown on the Drawings, declaring that the SRU shall be entitled to access the Shared Access LOD.

35.3 The Infraco shall not design or construct any part of the Edinburgh Tram Network upon, or otherwise encroach upon the area hatched green on the Plan for the purposes of the Infraco Works unless otherwise instructed by **tie** in accordance with this Agreement.

35.4 The Infraco shall not encroach upon the Optional LLAU for the purposes of the Infraco Works, provided that if the Infraco requires the Optional LLAU as a lay down area then provided always that at the relevant time the Optional LLAU has not be utilised for development purposes, **tie** will use its reasonable endeavours to arrange for the Infraco to temporarily occupy and use the Optional LLAU subject to such terms and conditions as the SRU may specify (as notified to the Infraco by **tie**). If the Optional LLAU is occupied by the Infraco in accordance with this Agreement, then the Optional LLAU shall be deemed to be part of the Temporary Use LLAU for the purposes of this Section 35.

35.5 The Infraco acknowledges that the Adopted Highway LLAU is outwith the Site but provides necessary day to day access to the Site. Accordingly if the Infraco's use of the Adopted Highway LLAU results in any changes to the traffic circulation or to the access to the Site, the Infraco will forthwith provide notice to **tie** of such changes.

35.6 The Infraco acknowledges that the SRU will be entitled to use the Shared Access LLAU for access to the offices and shops with the Site, the Wanderers Club, the Temporary Use LLAU and the Normal LLAU. The Infraco acknowledges that its access through the Shared Access LLAU may be restricted by the SRU and the Safety Officer (as will be notified to the Infraco by **tie**). The Infraco agrees to consult if required by **tie** with the SRU and the Safety Officer in respect of the restrictions to such access. For the avoidance of doubt that the Shared Access LLAU shall only be used by the Infraco as the main construction access to the Temporary Use LLAU and the Normal LLAU when the east-west spectator link is blocked due to the Infraco Works.

35.7 The Infraco's use of the Oversailing LLAU to operate a crane will be subject to the following conditions:-

35.7.1 the Infraco shall give **tie** at least 9 days written notice of its intention to install and operate the crane and at least 9 days written notice of its intention to remove the crane;

35.7.2 the Infraco shall ensure that the crane is operated in a proper, good and workmanlike manner; and

35.7.3 the crane and all other equipment must oversail the highest part of the Oversailing LLAU by at least 5 metres.

35.8 Prior to the completion of the Infraco Works on each Licence Site, the Infraco shall serve notice on **tie** specifying the estimated date upon which the Infraco Works on that particular

Licence Site are due to be completed and estimated date upon which possession of the Licence Site will be returned to **tie**.

35.9 Not less that five days prior to the estimated date of return of possession of the Licence Site to **tie**, the Infraco shall facilitate the inspection of the relevant site by the SRU, **tie** and CEC. The SRU will be entitled to make representations to CEC or **tie** in relation to any matters of concern to it in relation to the condition of the Licence Site and of any extent to which it appears to the SRU that there may not have been full or satisfactory compliance with the terms of the SRU Agreement and the Local Construction Plan. **tie** shall inform the Infraco of any such representations as soon as possible and the Infraco shall remedy any fault or inadequacy in the Infraco Works in accordance with this Agreement.

35.10 Without prejudice to paragraph 35.9 above, the Infraco shall take due and proper cognisance of all reasonable and proper representations of the SRU, as notified to the Infraco by **tie**, in terms of the sufficiency of the Infraco Works at the relevant Licence Site in order to ensure that on return of possession of such to the SRU, the Licence Site should be in a condition fully commensurate with the full and proper compliance by the Infraco of its obligations under this Agreement and the Local Construction Plan.

35.11 The Infraco acknowledges that the Normal LLAU can be temporarily occupied and used by the Infraco continually and without interruption for the duration of the Infraco Works as a construction compound and that on the terms and conditions set out in paragraphs 35.8, 35.9 and 35.10 above.

35.12 The Infraco's possession and use of the Temporary Use LLAU will be subject to the following conditions:-

35.12.1 for the period commencing at least 5 days before an Event until at least 5 days after said Event, the Infraco shall vacate the Temporary Use LLAU and shall procure that all workers and equipment are removed from the Temporary Use LLAU;

35.12.2 where two Events take place in close succession, the Infraco shall not be obliged to re-enter the Site during the period in between Events;

35.12.3 the terms of paragraphs 35.8, 35.9 and 35.10 shall apply.

35.13 The Infraco acknowledges that it shall temporarily occupy the Reconfiguration LLAU in order to facilitate the Reconfiguration Works. The Infraco's possession and use of the Reconfiguration LLAU will be subject to:

35.13.1 the terms of paragraphs 35.8, 35.9 and 35.10; and

35.13.2 the condition that on completion of the Reconfiguration Works the Reconfiguration LLAU will then be excluded from the LLAU and the Infraco shall not thereafter encroach upon the Reconfiguration LLAU.

35.14 The Infraco shall, if required, assist **tie** in evolving the Local Construction Plan in conjunction with the SRU so as to ensure that:

35.14.1 the Infraco Works at the Site are carried out in a manner which is to the mutual satisfaction of **tie** and the SRU; and

35.14.2 the normal operation of the SRU's business is minimised so far as reasonably practicable having regard to the scope and nature of the Infraco Works declaring that in the event of any inconsistency between Schedule Part 3 (*Code of Construction Practice*) and the Local Construction Plan, the terms of the Local Construction Plan shall prevail.

35.15 During the carrying out of the Infraco works, the Infraco acknowledges that the SRU shall be obliged to liaise with the safety office to ensure that the Safety Certificate remains valid in respect of any Event at the Site for which a Safety Certificate is required in sufficient time to allow the Event to take place bearing in mind the nature and stage of the Infraco Works and the likely impact those works may have on the issuing of a Safety Certificate. In the event that the Safety Officer confirms that the Safety Certificate is valid but subject to conditions or restrictions which have been imposed as a result of the construction works (the "**Conditions**"), **tie** shall advise the Infraco of the Conditions and the Infraco shall use all reasonable endeavours to ensure that the Conditions are met.

35.16 Where the Infraco requires assistance from the SRU in order to meet the Conditions, **tie** shall procure that the SRU uses all reasonable endeavours to assist the Infraco.

35.17 Following the first Event after the completion of the Infraco Works at the Site, CEC, the SRU and the Safety Officer shall carry out a post event briefing and in the event that any further works are required to ensure that the Safety Certificate is granted, the Infraco shall, if required by **tie**, ensure that such works are carried out as soon as reasonably practicable.

35.18 The Infraco shall make good any damage caused in the course of the Infraco Works or the Maintenance Services so as to ensure that the Site is left in no worse condition than it was prior to the exercise of said right.

35.19 The Infraco shall, if required, assist **tie** in consulting with the SRU regarding the design of the bridge to be erected over Roseburn Street and the retaining wall as follows:-

35.19.1 not less than 3 months prior to the anticipated submission of any application to the Planning Authority for prior approval in respect of the bridge, the Infraco will provide **tie** with a copy of the draft application including all drawings;

35.19.2 the Infraco will have due and proper regard to any representations made by the SRU (either directly or as notified to the Infraco by **tie**); and

35.19.3 in the event that the SRU fail to make representations, the Infraco may, subject to the other terms of this Agreement, submit the application for prior approval.

35.20 The Infraco shall ensure that any design of the bridge referred to in paragraph 35.19 provides for a minimum clearance of 5.3m.

35.21 Any security features and/or fencing requiring to be carried out to the Site as part of the Infraco Works shall be implemented by the Infraco on the terms and conditions and to the standards more particularly set out in Schedule Part 3 (*Code of Construction Practice*) and the Local Construction Plan. Following completion of the Infraco Works any fencing and/or security features of the Site removed and/or damaged as part of the Infraco Works shall be reinstated to the standard and condition in which they existed prior to the commencement of the Infraco Works.

35.22 Any advertising boards which are removed due to the construction of the Edinburgh Tram Network will be relocated on the Site. The Infraco acknowledges that the exact location of the relocated boards is subject to the consent of the SRU (as notified to the Infraco by **tie**).

35.23 The Infraco shall be responsible for obtaining the necessary planning consent in the relocation of the advertising boards and **tie** shall procure that the SRU shall use all reasonable endeavours to assist the Infraco in obtaining such consent.

35.24 The Infraco shall, as requested, assist **tie** in consulting with the SRU and the police to ensure that the "Tram Stop", as more particularly shown on the Drawings, safely meets with the pedestrian access requirements of the SRU, and in particular but without prejudice to the foregoing generality, on those days that matches take place at Murrayfield Stadium.

35.25 The Infraco acknowledges that the Wanderers Club will be required to be reconfigured to relocate the stairs and storage area which require to be moved to accommodate the Infraco Works all as detailed in the Local Construction Plan. Accordingly the Infraco shall assist **tie** as required to consult and agree with the tenants of the Wanderers Club and the SRU the nature of the reconfiguration and the programme of such Reconfiguration Works bearing in mind the progress of the detailed design.

35.26 For the avoidance of doubt, all Reconfiguration Works will be carried out so that they comply with all buildings regulations and other statutory requirements and in particular with the Disability Discrimination Act 1995.

35.27 For the avoidance of doubt, the Infraco will be responsible for obtaining the necessary planning consents and permissions in respect of any Reconfiguration Works. The SRU will use all reasonable endeavours to assist the Infraco in obtaining such consents.

35.28 In the event that any planning consent obtained in respect of the Reconfiguration Works has conditions attached to it which, in the opinion of the SRU acting reasonably, are detrimental to the SRU and/or the tenants of the Wanderers Club, the Infraco shall use all reasonable endeavours to:

35.28.1 comply with or to procure compliance with the conditions; and

35.28.2 minimise the impact of such conditions on the SRU or the tenants.

35.29 The Infraco shall ensure that the Edinburgh Tram Network will have no detrimental impact on the future flood prevention schemes being considered by either CEC or proposed by SRU (the "**Scheme**"). Further, the Infraco will use reasonable endeavours to minimise inconvenience to the Scheme insofar as it is able having regard to the nature of the Infraco Works, in the event that funding for both the Edinburgh Tram Network and the Scheme is released at the same time and to minimise the impact on the SRU should both schemes proceed at the same time.

35.30 The Infraco shall relocate and reinstate the Pitches in accordance with the Pitches Specification.

35.31 The Infraco shall carry out any such enhancements to the Pitches Specification as may be notified to it by **tie**, provided that **tie** may not require any such enhancement where this would cause delay to the Infraco Works.

35.32 **tie** shall advise the Infraco if and when the relocation by the Infraco of the Pitch marked '6' on the Plan is to take place.

35.33 The relocation of all Pitches is strictly conditional upon the receipt, if required, of planning permission for the said relocation in terms acceptable to both **tie** and the SRU. The Infraco shall be responsible for submission of the relocation planning application and the pursuance of the same until a decision is granted on the application.

35.34 In the event that the Infraco is unable to obtain on terms satisfactory to **tie**, any planning permissions or consents in respect of the relocation of the Pitches or the reconfiguration works at the Wanderers Club, the Infraco shall assist **tie** in any consultation with the SRU regarding the reconfiguration of the Pitches.

SECTION 36 - ROSEBURN GARAGE

36.1 In this Section 36 of Section A of Schedule Part 13, the following expressions shall, unless the context otherwise requires, have the following meanings:

"**Mr Khalil**" means the proprietor of the business known as Roseburn Garage, and having a place of business at 35 Roseburn Street, Edinburgh EH12 5PE; and

"**Property**" means Roseburn Garage at 35 Roseburn Street, Edinburgh EH12 5PE.

36.2 Whilst carrying out the Infraco Works within the vicinity of the Property, the Infraco shall make every reasonable effort to ensure that the construction impacts of the Infraco Works on the Property are minimised.

36.3 At least 6 months prior to the commencement of the Infraco Works within the vicinity of the Property, the Infraco shall assist **tie** in consulting with Mr Khalil in relation to the design of the Infraco Works at and around the Property.

SECTION 37 - SCOTTISH NATURAL HERITAGE

37.1 In this Section 37 of Section A of Schedule Part 13, the following expressions shall, unless the context otherwise requires, have the following meanings:

"**SNH**" means Scottish Natural Heritage; and

"**SSSI**" means the Firth of Forth Site of Special Scientific Interest at Wardie Shore, Edinburgh, as more particularly shown hatched on the plan at Appendix 29 of Schedule Part 13.

37.2 In the event that the Infraco requires to gain access to the SSSI pursuant to the Infraco Works, the Infraco shall:

37.2.1 comply fully with the Nature Conservation (Scotland) Act 2004; and

37.2.2 fully consult with **tie** and (if required by **tie**) SNH and/or the appropriate regulatory authority (as defined in the Nature Conservation (Scotland) Act 2004);

in order to avoid damage being caused to the interests of the SSSI, including the geological interest at Wardie Shore, Edinburgh.

SECTION 38 - STANLEY CASINOS LIMITED

38.1 In this Section 38 of Section A of Schedule Part 13, the following expressions shall, unless the context otherwise requires, have the following meanings:

"**Ancillary Requirements**" means the following:

(a) the provision of a direction sign indicating the entrance to the new/reconfigured car park to be provided in accordance with this Section 38 of Section A of Schedule Part 13, the type and location of such sign is subject to the approval of **tie**, not to be unreasonably withheld or delayed;

(b) the current external lighting to the southern façade of the building which is to be removed by virtue of the Infraco Works will be replaced with equivalent standard lighting, and lighting (the form and standard of which is subject to **tie**'s approval, not to be unreasonably withheld or delayed) to the new/reconfigured car park entrance will be provided, all in compliance with modern safety standards; and

(c) the provision of CCTV coverage at the entrance to the new/reconfigured car park as aforesaid, and also the taxi drop off area, the specifics of which are subject to **tie**'s approval, not to be unreasonably withheld or delayed;

"**Car Park**" means the 77 standard car parking spaces and 4 disabled car parking spaces at the Site as detailed in the Existing Planning Consent;

"**Car Park Works**" means the construction/reconfiguration of the Reconfigured Car Parking Spaces and the New Loading Area, and the provision of the Ancillary Requirements, all as the same are more particularly described in paragraph 38.4 below;

"**Drawing**" means drawing number 6 as annexed to the Edinburgh Tram (Line One) Act 2006;

"**Existing Planning Consent**" means application reference 99/02128/FUL in respect of which a Decision Notice was granted on 21 October 1999;

"**Footway Works**" means the works described in paragraph 38.11 of this Section A of Schedule Part 13;

"**Limits of Deviation**" means, insofar as they relate to the Site, the limits within which the Edinburgh Tram Network will be constructed and operated as more particularly set out in the Edinburgh Tram (Line One) Act 2006;

"**New Loading Area**" means the loading bay/taxi drop off area to be constructed, the proposed location of which is shown coloured yellow and annotated "See detail A" on Plan 1 and the detail of which (including, for the avoidance of doubt, the provision of (i) the replacement section of the boundary wall and (ii) removable bollards, the design of which is to be agreed between the parties, both acting reasonably) is shown coloured orange and brown and designated "Detail A - Drop Off/Loading Bay Plan" on Plan 2;

"**Plan 1**" means Scott Wilson Scotland Limited drawing number B137101/STAN/1/01 as set out in part 1 of Appendix 30 to this Schedule Part 13;

"**Plan 2**" means Scott Wilson Scotland Limited drawing number B137101/STAN/1/02 as set out in part 2 of Appendix 30 to this Schedule Part 13;

"**Property**" means the property described in the Minute of Lease between Forth Ports plc and Stanley dated 26 January and 11 February and registered in the Books of Council and Session for preservation and execution on 14 March, all in the year 2000;

"**Reconfigured Car Parking Spaces**" means the car parking spaces shown coloured yellow on Plan 1 to the extent that these fall outwith the Limits of Deviation;

"**Site**" means that area of ground on Ocean Drive, Leith, identified as Plots 40, 45 and 46 on the Drawing; and

"**Stanley**" means Stanley Casinos Limited, a company incorporated under the Companies Acts with registered number 1519689 and having its registered office at Stanley House, 151 Dale Street, Liverpool, L2 2JW and its successors and assignees;

38.2 During the carrying out of the Infraco Works, the Infraco shall not design or construct any part of the Edinburgh Tram Network on and shall not encroach upon Plot 46 as shown on the Drawing unless otherwise instructed by **tie** in accordance with this Agreement.

38.3 If requested to do so by **tie**, the Infraco shall consult with **tie** and Stanley as regards the impact of carrying out the Infraco Works on the operation of Stanley's business. The Infraco acknowledges that the intention behind such consultation is to reach a mutually acceptable solution with Stanley in relation to the timing of carrying out the Infraco Works so that the impact on the normal operation of Stanley's business is minimised so far as reasonably practicable having regard to the scope and nature of the Infraco Works.

38.4 The Infraco shall carry out the Car Park Works, which, for the avoidance of doubt shall include the following:

38.4.1 the reconfiguration of the Car Park to provide the Reconfigured Car Parking Spaces;

38.4.2 the construction of the New Loading Area; and

38.4.3 the provision of the Ancillary Requirements.

38.5 The Infraco shall submit any planning application required in respect of the Car Park Works to CEC (as planning authority) in a form acceptable to **tie** and Stanley (as the same is notified to the Infraco by **tie**) and shall use all reasonable endeavours to obtain planning permission in relation thereto.

38.6 Without prejudice to paragraph 38.5 of this Section A of Schedule Part 13, the Infraco shall consult with **tie** and (if requested to do so by **tie**) Stanley with regard to the terms of such planning application.

38.7 The Infraco shall not commence the Car Park Works until the planning permission referred to in paragraph 38.5 of this Section A of Schedule Part 13 is issued.

38.8 Subject to paragraph 38.7 of this Section A of Schedule Part 13, the Infraco shall complete the Car Park Works in accordance with this Agreement as quickly as is reasonably possible, using all reasonable endeavours to complete the Car Park Works prior to the commencement of the construction of the Edinburgh Tram Network in the vicinity of the Site.

38.9 The Infraco will use all reasonable endeavours to minimise disruption to Stanley's property and business, and shall ensure that access to and from the building located on the Property is maintained during normal business hours.

38.10 Throughout the duration of the Car Park Works and the Infraco Works, the Infraco shall ensure that there is available for use at all times at least 50% of the number of car parking spaces currently available in terms of the Existing Planning Consent.

38.11 The Infraco shall relocate the existing footway lying generally to the south of the Property to a position approximately 2 metres south of its current position, all as the same is coloured grey on Plan 1 and Plan 2. The relocation of the footway shall, for the avoidance of doubt, include the insertion of a pedestrian crossing point, the approximate location of which is shown and designated "pedestrian crossing point" on Plan 1.

38.12 Without prejudice to the other requirements of this Agreement, the Footway Works shall be carried out in a good and workmanlike manner, using good quality suitable materials, and in compliance with a standard road specification, and brought to adoptable standard.

SECTION 39 - MARKS & SPENCER PLC

39.1 In this Section 39 of Section A of Schedule Part 13, the following expressions shall, unless the context otherwise requires, have the following meanings:

"**Accommodation Works**" means (a) any Infraco Works to or in the Gyle Car Park so far as outwith the New Limits (b) without prejudice to but not limited by (a) aforesaid, works to ensure no reduction in available car parking spaces and circulation path standards consequent upon the Works generally or the works specified at (a) aforesaid and (c) similarly without prejudice or limitation as aforesaid, all necessary associated restoration works, all of which works referred to at (a), (b) and (c) aforesaid will be described in the Accommodation Works Method Statement;

"**Accommodation Works Method Statement**" means the method statement to be developed by the Infraco pursuant to paragraph 39.7 as the same may be amended pursuant to this Section 39 of Section A of Schedule Part 13;

"**Depot**" means the buildings and ancillary facilities for the storing, parking and maintenance of the trams to be generally located within Plots 259, 494, 496, 497 and 499 on the Drawing;

"**Drawing**" means plans numbered 14 and 15 as attached to the Edinburgh Tram (Line Two) Act 2006;

"**Licence**" means a licence to be entered into by CEC in respect of access to the Site to allow the carrying out of *inter alia* the Infraco Works;

"**Licence Site**" means the subject of a Licence;

"**M & S**" means Marks and Spencer Plc, a company incorporated under the Companies Act with registered number 00214436 and having its registered office at Waterside House, 35 North Wharf Road, London, W2 1NW and its successors and assignees

"**Method Statements**" means the Accommodation Works Method Statement and the Works Method Statement as the context may require;

"**New Limits**" means the new limits of deviation as shown hatched red on the Plan;

"**Plan**" means the plan set out in Appendix 31 to Schedule Part 13;

"**Site**" means that area of ground known as and forming the Gyle Shopping Centre together with the car park, access roads and all ancillary services being the subjects described in the

Feu Contract between The City of Edinburgh Council and Marks & Spencer plc and Safeway Stores plc recorded in the Division of the General Register of Sasines for the County of Midlothian on 10 January 1997 and comprising Plot Numbers 478, 479, 480, 481, 482, 483, 484 and 486 as shown on the Drawing;

"**Tram**" means Edinburgh Tram Line Two, tram vehicles, tram roads, tramways, tram stops and all associated infrastructure, plant and equipment as envisaged by the Tram Legislation;

"**Works**" means Work No 8 and Work No 9 insofar as in the vicinity of the Site as described in Schedule 1 of the Edinburgh Tram (Line Two) Act 2006, being works required in respect of the construction of the Edinburgh Tram Network but specifically excluding any works required in the future to maintain the Edinburgh Tram Network; and

"**Works Method Statement**" means the method statement to be developed by the Infraco pursuant to paragraph 39.5 as the same may be amended pursuant to this Section 39 of Section A of Schedule Part 13.

39.2 In carrying out or procuring the carrying out of the Infraco Works at the Site, the Infraco shall not design or construct any part of the Edinburgh Tram Network on any land outwith the New Limits.

39.3 In carrying out or procuring the carrying out of the Infraco Works at the Site, the Infraco shall not encroach upon any land outwith the area shown hatched blue on the Plan unless instructed otherwise by **tie** in accordance with this Agreement.

39.4 The Infraco shall design and construct the Edinburgh Tram Network at the Site within the New Limits with a view to ensuring that the width of the area required for the Edinburgh Tram Network shall not generally exceed 10 metres, together with such additional land as is reasonably required in order to carry out the Infraco Works.

39.5 The Infraco shall provide all required assistance to **tie** in respect of the drafting of a Works Method Statement in respect of the Infraco Works to be carried out in the vicinity of the Site. The Works Method Statement will deal specifically with *inter alia* specified working hours, specified time of year and peak retailing periods when working will be avoided, mitigation measures to minimise adverse impact on service and customer access including measures to reconfigure the car park if necessary, mitigation measures to avoid dust/vibration/noise having an adverse effect on trading, restoration of any Licence Site (including landscaping and signage) insofar as applicable to the Infraco Works in the vicinity of the Site and where applicable will mirror the terms of Schedule Part 3 (*Code of Construction Practice*).

39.6 The Infraco Works which constitute Works shall not be commenced until the Works Method Statement has been finalised by **tie**.

39.7 The Infraco shall provide all required assistance to **tie** in relation to the drafting of an Accommodation Works Method Statement in respect of the Accommodation Works. The Accommodation Works Method Statement shall deal specifically with *inter alia* specified working hours, specified times of the year and peak retailing periods when working will either cease or be avoided, mitigation measures to minimise adverse impact on service and customer access including measures to reconfigure the car park if necessary, mitigation to avoid dust/vibration/noise having an adverse effect on trading, restoration of any Licence Site (including layout of the car park, landscaping and signage) insofar as applicable to the Accommodation Works to the extent that they constitute Infraco Works and where applicable will mirror the terms of Schedule Part 3 (*Code of Construction Practice*).

39.8 The Infraco Works at the Site which constitute Accommodation Works shall not be commenced until the Accommodation Works Method Statement has been finalised by **tie** and M & S. The Infraco shall provide **tie** with all reasonable assistance requested by **tie** in relation to the negotiation and agreement of the Accommodation Works Method Statement between **tie** and M & S.

39.9 The Infraco shall carry out or procure the carrying out of the Infraco Works at the Site strictly in accordance with the terms of the finalised Method Statements.

39.10 Those elements of the Works which constitute the Infraco Works will be carried out in a good and workmanlike manner so that impact on the normal operation of M & S business is minimised so far as is reasonably practical in accordance with the finalised Method Statements.

39.11 The Infraco acknowledges that M & S has a material preference that no fixing of any component part of the Edinburgh Tram Network should be made to any buildings situated on the Site. In the event that the Infraco considers that such fixings are nonetheless the most appropriate solution, the Infraco shall first consult with **tie** and take due and proper cognisance of the reasonable representations of M & S in this respect as notified to the Infraco by **tie**.

39.12 Prior to completion of the Accommodation Works on each Licence Site, the Infraco shall serve notice on **tie** specifying the estimated date upon which the Accommodation Works on that particular Licence Site are due to be completed and the estimated date upon which possession of the Licence Site will be returned to **tie**, provided that such notice shall be

provided to **tie** having regard to the need to facilitate an inspection of the relevant Licence Site pursuant to paragraph 39.13.

39.13 The Infraco shall facilitate the carrying out of an inspection of the relevant Licence Site by M & S and a representative of CEC and/or **tie**, such inspection to be carried out on a date to be specified by **tie** declaring that the relevant date will be at least 5 days before the estimated date of return of possession of the relevant Licence Site to **tie**.

39.14 The Infraco shall take due and proper cognisance of all reasonable and proper representations of **tie** in terms of the sufficiency and completeness of the Infraco Works at the Site in order to ensure that on return of possession of such to **tie** the Site should be in a condition fully commensurate with the full and proper compliance by the Infraco with its obligations under this Agreement.

39.15 Any interference with access to any part of the Site proposed by the Infraco in pursuance of the Infraco Works shall only be given effect, whether as to route or other locational factors, or as to timing and duration, after due consultation with and approval thereto from **tie**.

39.16 The Infraco shall ensure that there is two-way traffic flow along Glasgow Road within half a mile in each direction from Gogar Roundabout at all times during the carrying out of the Infraco Works.

39.17 The Infraco shall ensure that the Depot is generally located to the north of Glasgow Road within Plots 259, 494, 496, 497 and 499 as shown on the Drawing and will comply with the requirements of the Town and Country Planning (Safeguard Aerodromes, Technical Sites and Military Explosives Storage Areas) (Scotland) Direction 2003 (SEDD Circular 2/2003).

39.18 The Infraco shall not construct any interlacing track on the Site.

39.19 In carrying out the Infraco Works, the Infraco shall ensure that it does not at any time connect to any of the adopted or unadopted drains located within the Site.

39.20 Further to any obligations under this Agreement to investigate and survey land at the Site, the Infraco shall consult with **tie** in relation to the location and timing of such surveys and use reasonable endeavours to minimise any disruption and shall make good any damage and leave the Site in no worse condition as existed prior to the carrying out of such surveys and investigations.

39.21 With regard to the location of any signage, the Infraco shall consult with **tie** in relation to the location of such signs so as to ensure any such signage does not interfere in any material or misleading way with the normal operation of the Gyle Shopping Centre.

SECTION 40 - ADSHEL LIMITED

40.1 In this Section 40 of Section A of Schedule Part 13, the following expressions shall, unless the context otherwise requires, have the following meanings:

"**Adshel**" means Adshel Limited (company number 03153077) having its registered office at 33 Golden Square, London, W1R 3PA;

"**Advertisement**" shall mean any word, letter, model, sign, placard, board notice, device or representation whether illuminated or not in the nature of and employed wholly or partly for the purposes of advertisement, announcement or direction; and

"**the Shelter(s)**" shall mean any bus passenger shelter(s) provided by Adshel under the Minute of Agreement between the City of Edinburgh Council and Adshel Limited dated 27 September and 15 October 1996.

40.2 **Alterations to Shelters and Advertisements**

The Infraco while carrying out the Infraco Works shall ensure that neither it nor any of its servants, agents, or sub-contractors shall at any time affix any notices or signs to a Shelter nor, without the prior written consent of **tie**, make any alterations to or otherwise interfere with any Shelter or Advertisement posted or affixed to any such Shelter.

40.3 **Removal of Adshel Property**

If the Infraco requires to dismantle any Shelter or remove any bus stop poles or any other property owned by Adshel because of the Infraco Works, then the Infraco shall inform **tie** giving not less than 40 days' notice that such Shelters, bus stop poles, or any other property requires to be removed.

SECTION 41 MISCELLANEOUS

41.1 In this Section 41 of Section A of Schedule Part 13, the following expressions shall, unless the context otherwise requires, have the following meanings:

"**Authorised Car Park**" means the car park shown outlined in red on the plan set out in Appendix 32 to this Schedule Part 13;

"**Drawing**" means parliamentary sheet number 5 as annexed to Edinburgh Tram (Line Two) Act 2006;

"**Plot 73**" means Plot 73 as shown on the Drawing;

"**Police Box Coffee Bar**" means the police box coffee bar situated on the pedestrian area to the east of St Mary's RC Cathedral, close to the junction with Little King Street at Picardy Place, Edinburgh;

"**Premises**" means the properties known as Inchkeith House, 139 Leith Walk, Edinburgh, and Allander House, 141 Leith Walk, Edinburgh;

"**Property**" means the flats at Rennies Isle, Leith and the car park forming part thereof;

"**Royal Mail**" means Royal Mail Group Limited a company registered under the companies acts with registered number 04138203 and having its registered office at 148 Old Street, London EC1V 9HQ, the tenant of the property at the Royal Mail Russell Road Sorting and Delivery Office, Russell Road, Edinburgh; and

"**Trust**" means Lothian Primary Care NHS Trust, together with its successors and assignees.

41.2 During the carrying out of the Infraco Works, the Infraco shall ensure that the utility services which feed into the Police Box Coffee Bar are not unduly disrupted.

41.3 The Infraco shall not encroach upon Police Box Coffee Bar land and shall ensure that pedestrian access and egress to and from the Police Box Coffee Bar is maintained at all times during the carrying out of the Infraco Works.

41.4 Throughout the period of the Infraco Works, the Infraco shall use all reasonable endeavours to ensure that access to and egress from the Property and, in particular, access to and egress from the car park forming part of the Property, via Ocean Drive, to and from the road network, shall be maintained at all times throughout the period of the Infraco Works.

41.5 Notwithstanding the provisions of paragraph 41.4 above, where usual access to and egress from the car park referred to in paragraph 41.4 cannot be maintained, the Infraco shall ensure that alternative temporary access is provided to allow access to and egress from the car park.

41.6 Prior to the commencement of any Infraco Works in the vicinity of the Property, the Infraco shall assist **tie,** as required, in any consultation with third parties regarding the likely duration of the Infraco Works in the vicinity of the Property and the impact of such Infraco Works.

41.7 The Infraco shall carry out surveys of the properties along Wester Coates Terrace which back on to the Roseburn Railway Corridor being numbers 1 to 19 and that prior to the commencement of the Infraco Works which are described as "Works No. 12" in the Edinburgh Tram (Line One) Act 2006.

41.8 The Infraco shall not use Wester Coates Terrace as a construction access route for the purposes of carrying out the Infraco Works.

41.9 The Infraco shall carry out a survey of the property situated at 11A Craigleith Drive prior to the commencement of the Infraco Works which are described as "Works No. 12" in the Edinburgh Tram (Line One) Act 2006 and provide a copy of the report at the Infraco's cost to each of **tie** and Mr Mark M Clarke at 11A Craigleith Drive, Edinburgh EH4 3HR.

41.10 The Infraco shall not encroach on the Authorised Car Park for the purposes of carrying out the Infraco Works.

41.11 Access to and egress from the Authorised Car Park shall be maintained at all times during construction of the Infraco Works in the vicinity of the Premises. In the event that the construction of the Infraco Works prevents access being taken to the Authorised Car Park by the means current as at the date that the Infraco Works commence in the vicinity of the Premises, the Infraco shall provide an alternative access route of a nature and in a location acceptable to the Trust (as notified to the Infraco by **tie**).

41.12 The Infraco shall, if requested to do so by **tie**, co-operate and consult with **tie** and the Edinburgh and Lothians Badger Group in respect of any issues caused by the existence, presence or change in activities of badgers in the vicinity of the area to be affected by the Infraco Works. The Infraco shall comply with **tie**'s requirements in relation to badger mitigation as the same is notified to the Infraco by **tie** from time to time.

41.13 The Infraco shall not, in designing or carrying out the Infraco Works, amend the height or span of the bridge structure crossing Groathill Road South, Edinburgh.

41.14 The Infraco shall procure that an area with a width of 2 metres along the boundary of the properties known as 32 and 34 Groathill Road South and the land adjacent to such properties to be used for the construction of the Infraco Works shall be fenced off to protect the hedges and other foliage growing along said boundary.

41.15 Upon completion of any Infraco Works at Plot 73, the Infraco shall ensure that the final condition of Plot 73 is no worse than it is was prior to the commencement of the Infraco Works at Plot 73.

41.16 If requested to do so by **tie**, the Infraco shall participate in consultation with **tie** and the Royal Mail in relation to agreeing detailed arrangements to ensure that the Royal Mail is able to meet its fire safety obligations during the Infraco Works at Plot 73 and upon completion of the Infraco Works at Plot 73.

SECTION B

THIRD PARTY DOCUMENTATION

1 Forth Ports Plc

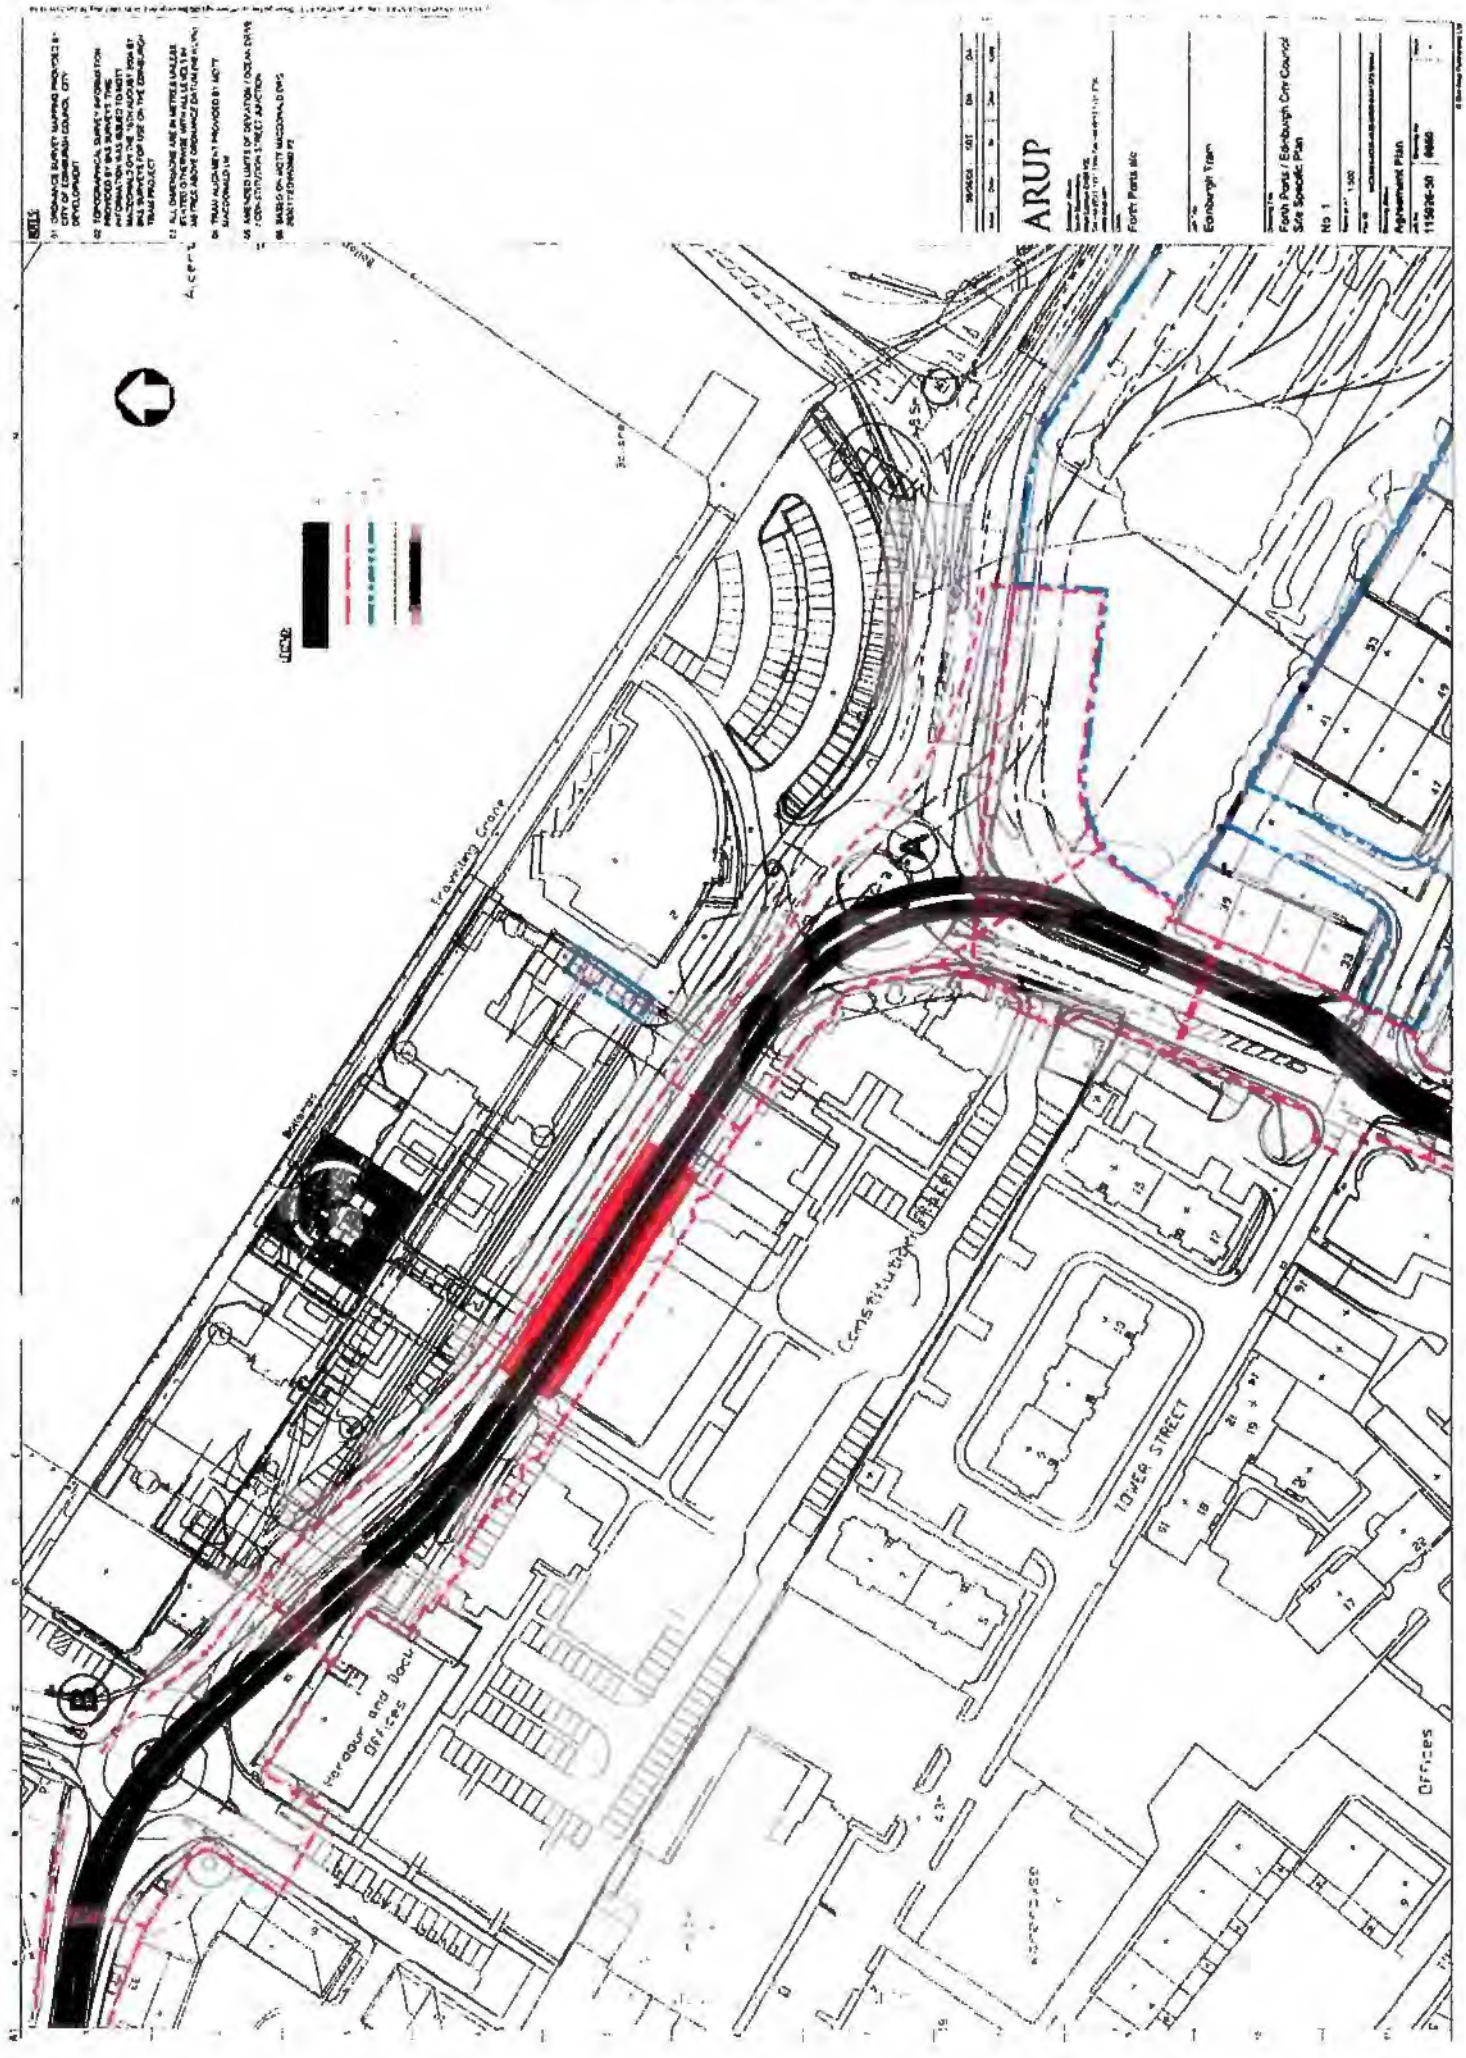
Forth Ports plc

Part 1 (Site Specific Plans)

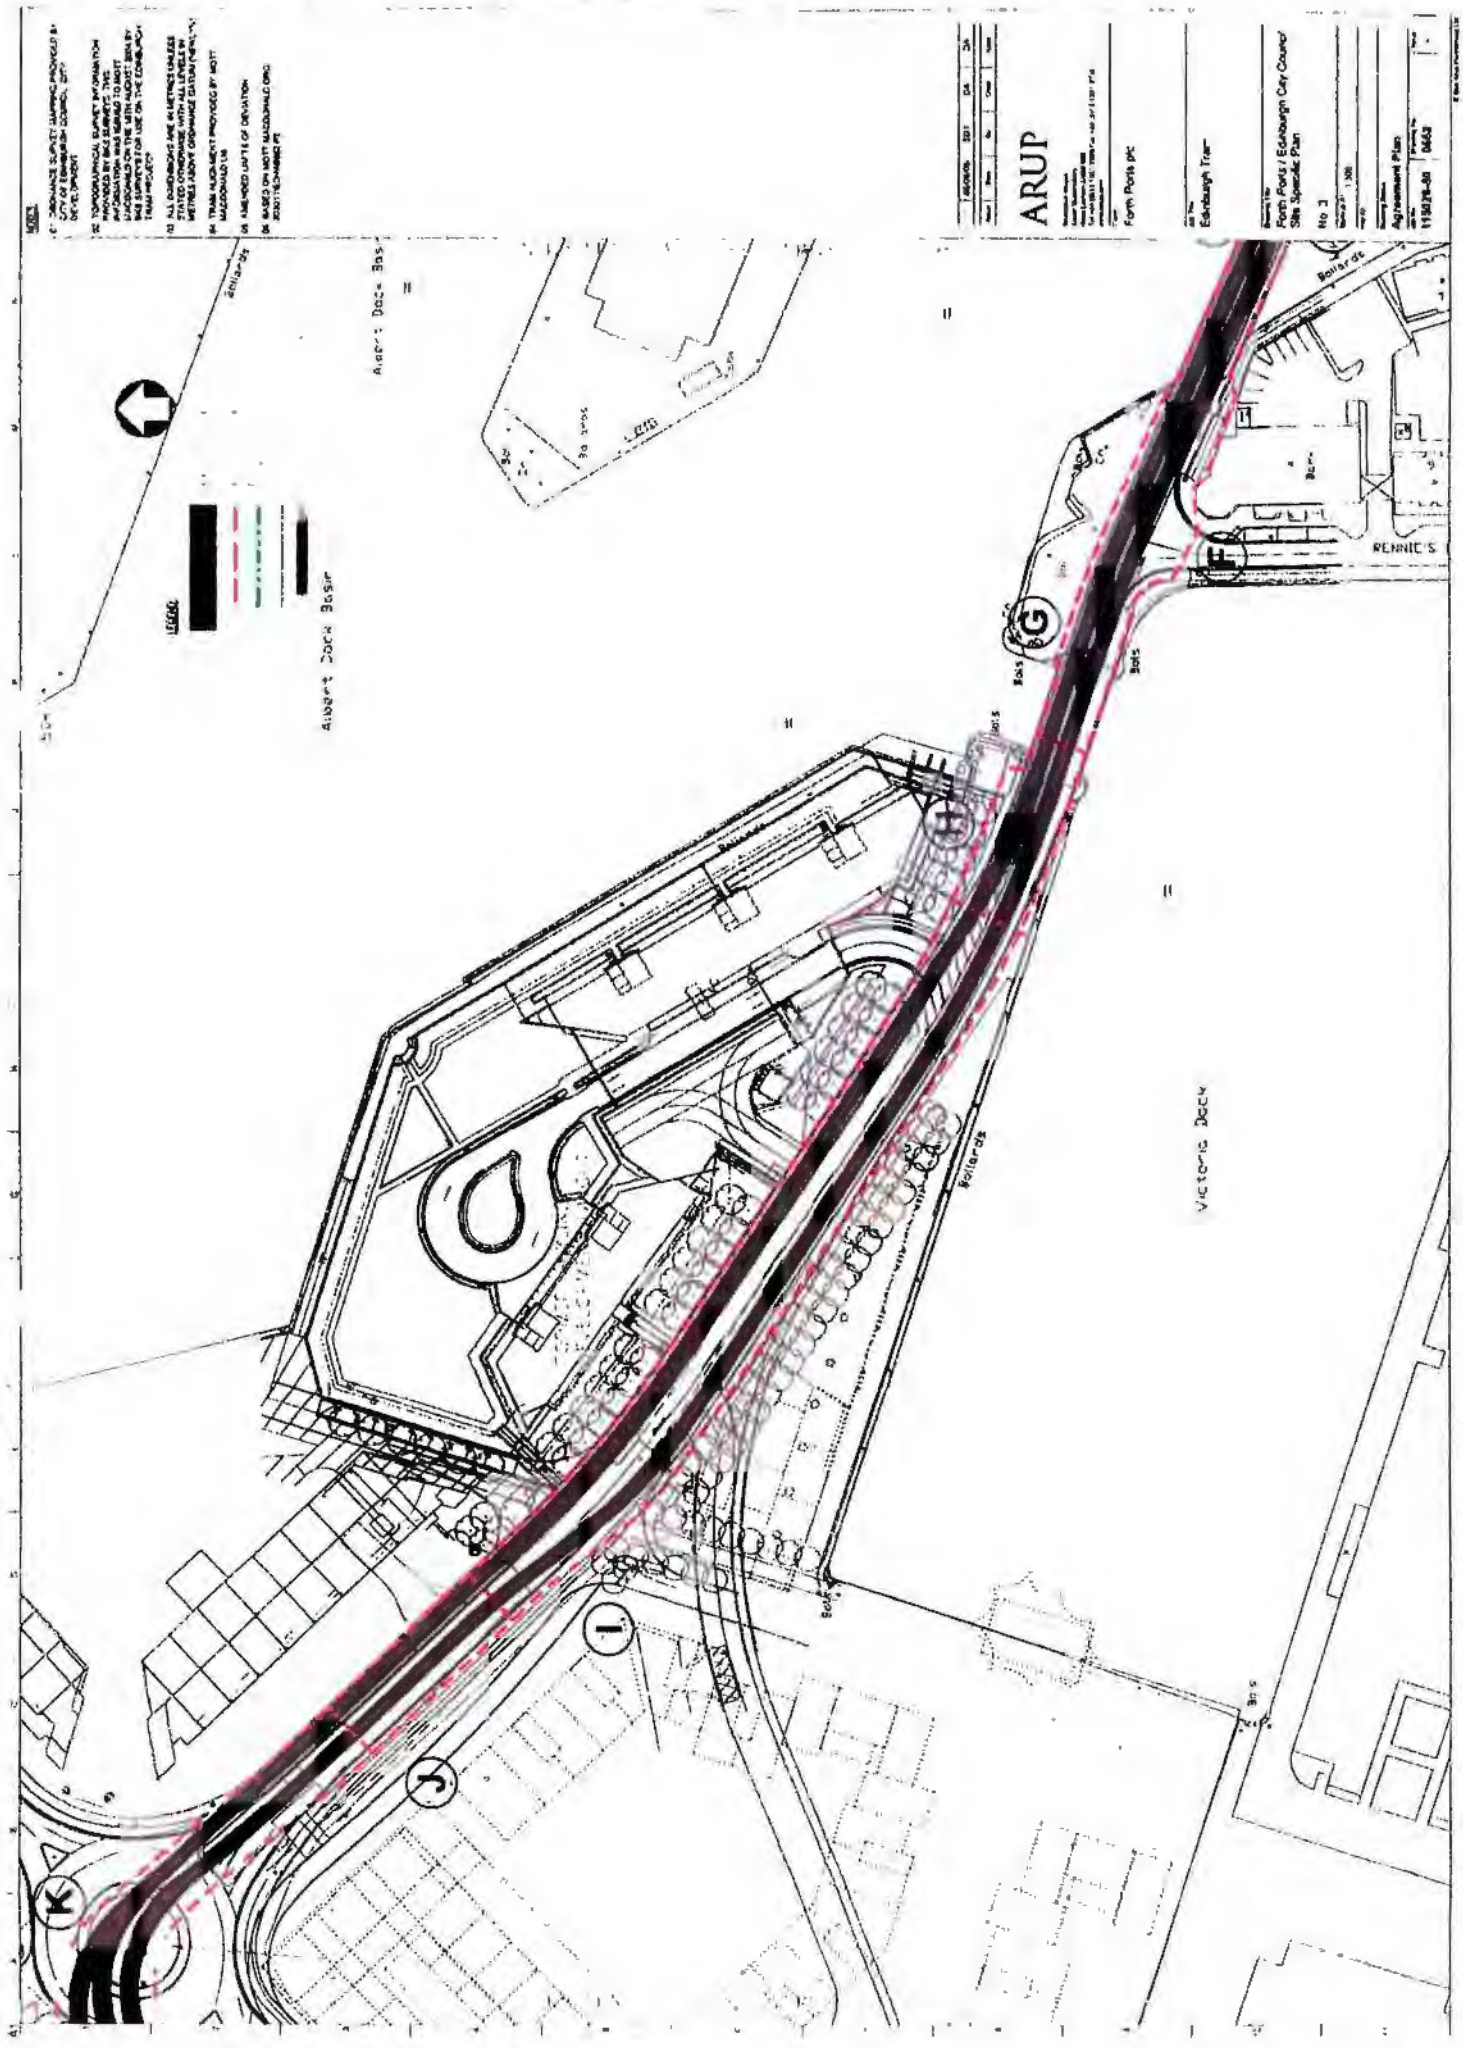
Part 2 (Table headed Leith Docks Tram Integration)

These are the Site Specific Plans referred to in paragraph 1.1 of Section 1 of Schedule 13.

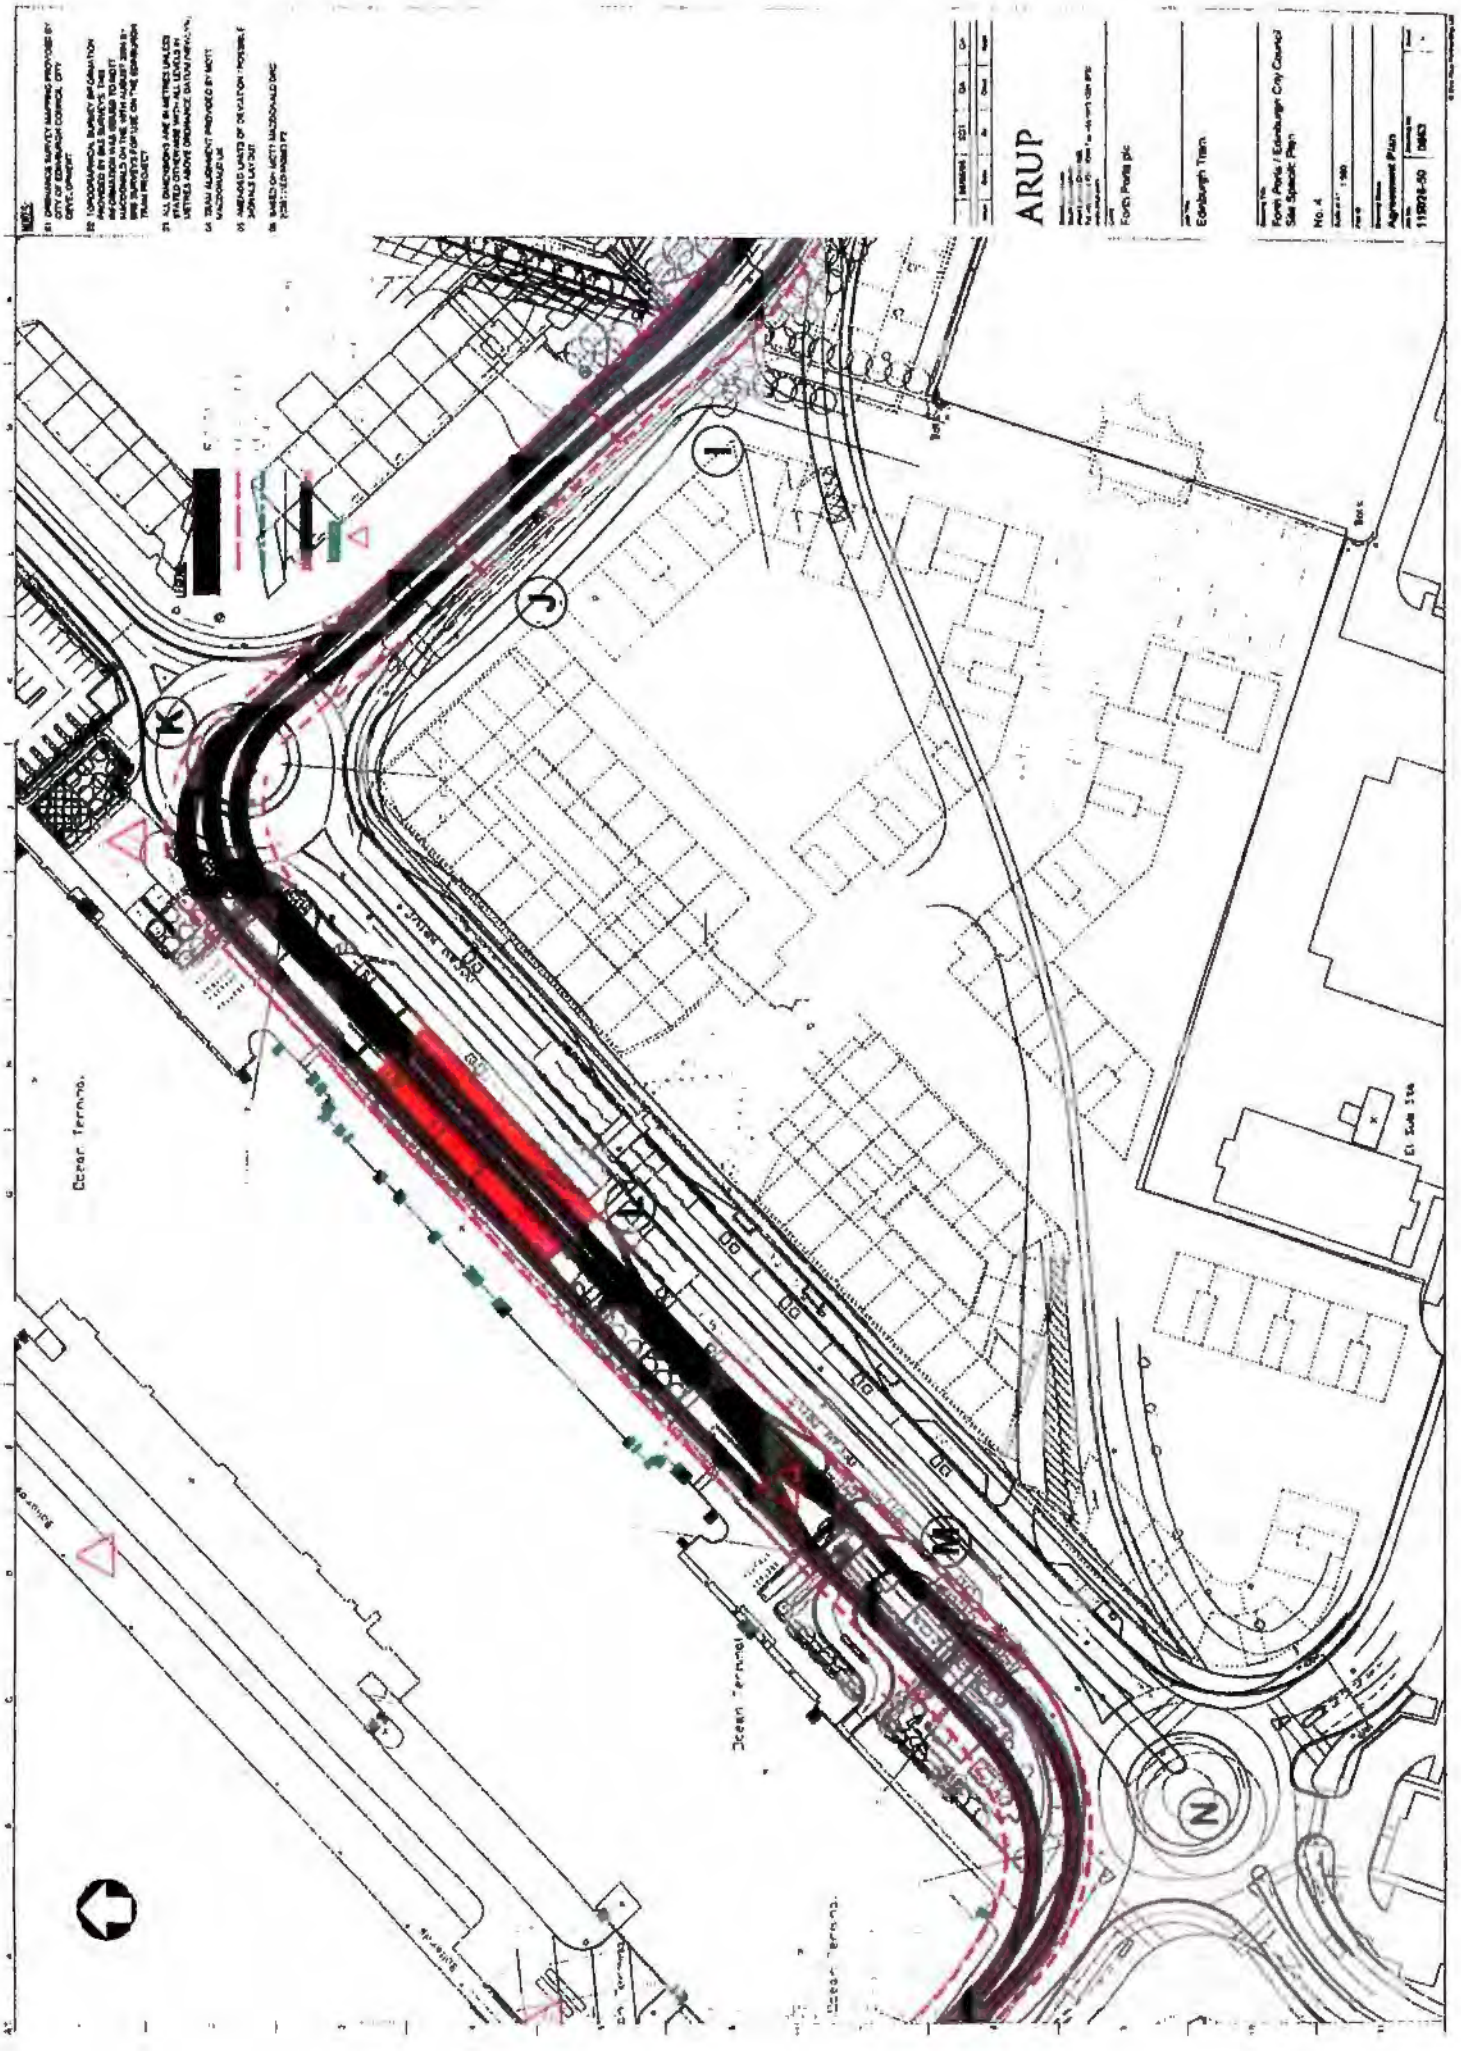


These are the Site Specific Plans referred to in paragraph 1.1 of Section 1 of Schedule 13.

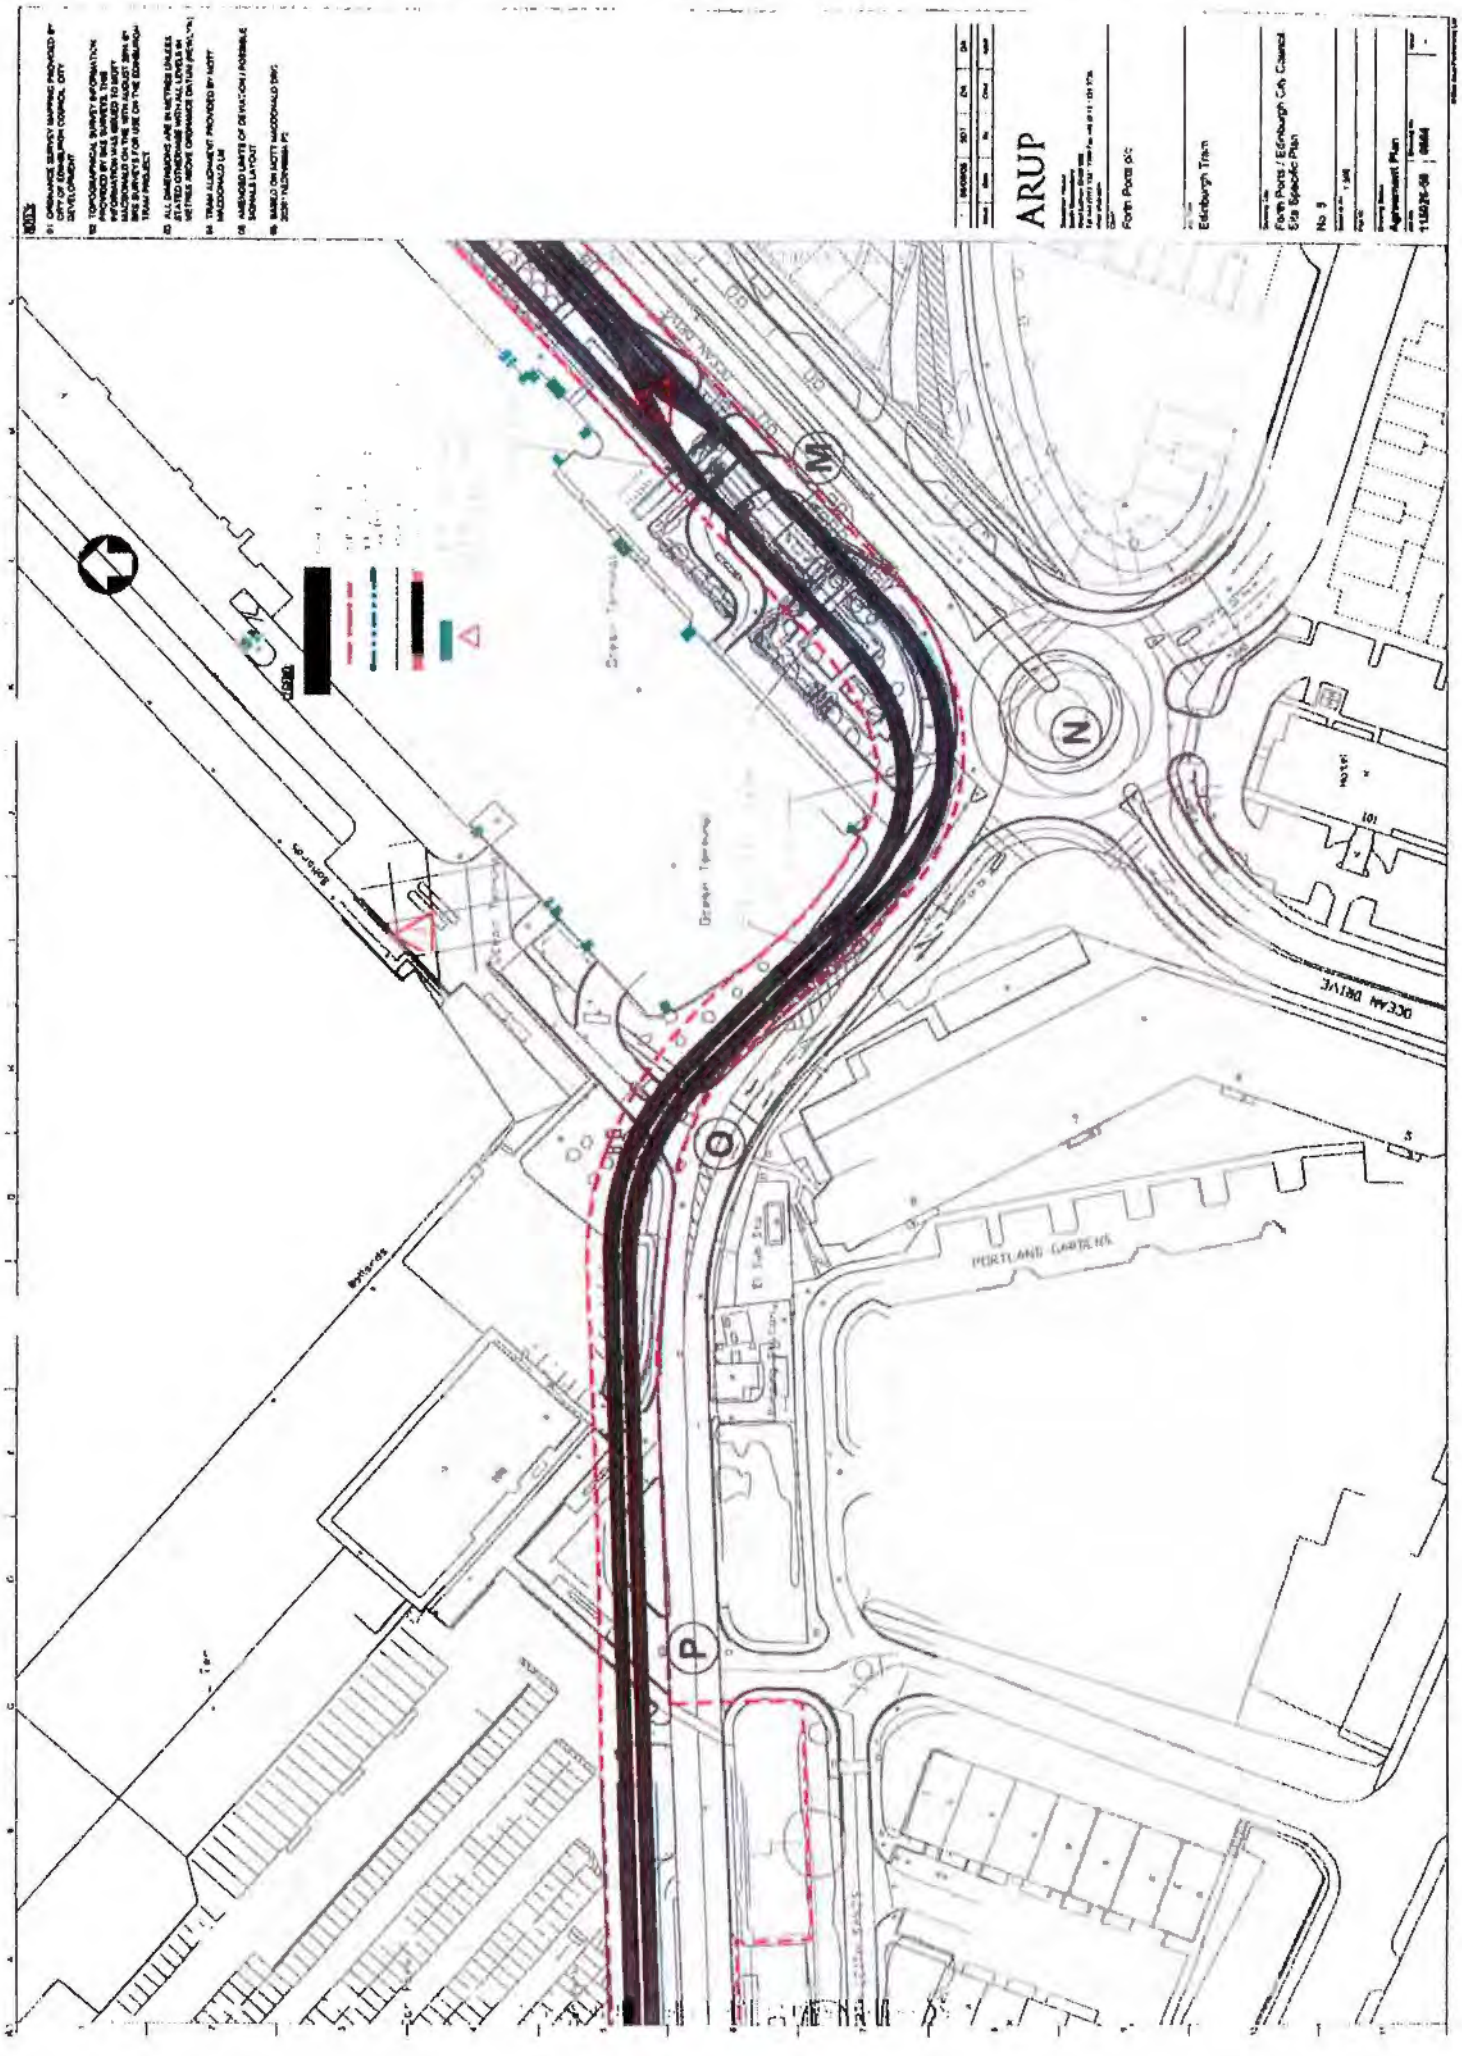
These are the Site Specific Plans referred to in paragraph 1.1 of Section 1 of Schedule 13.



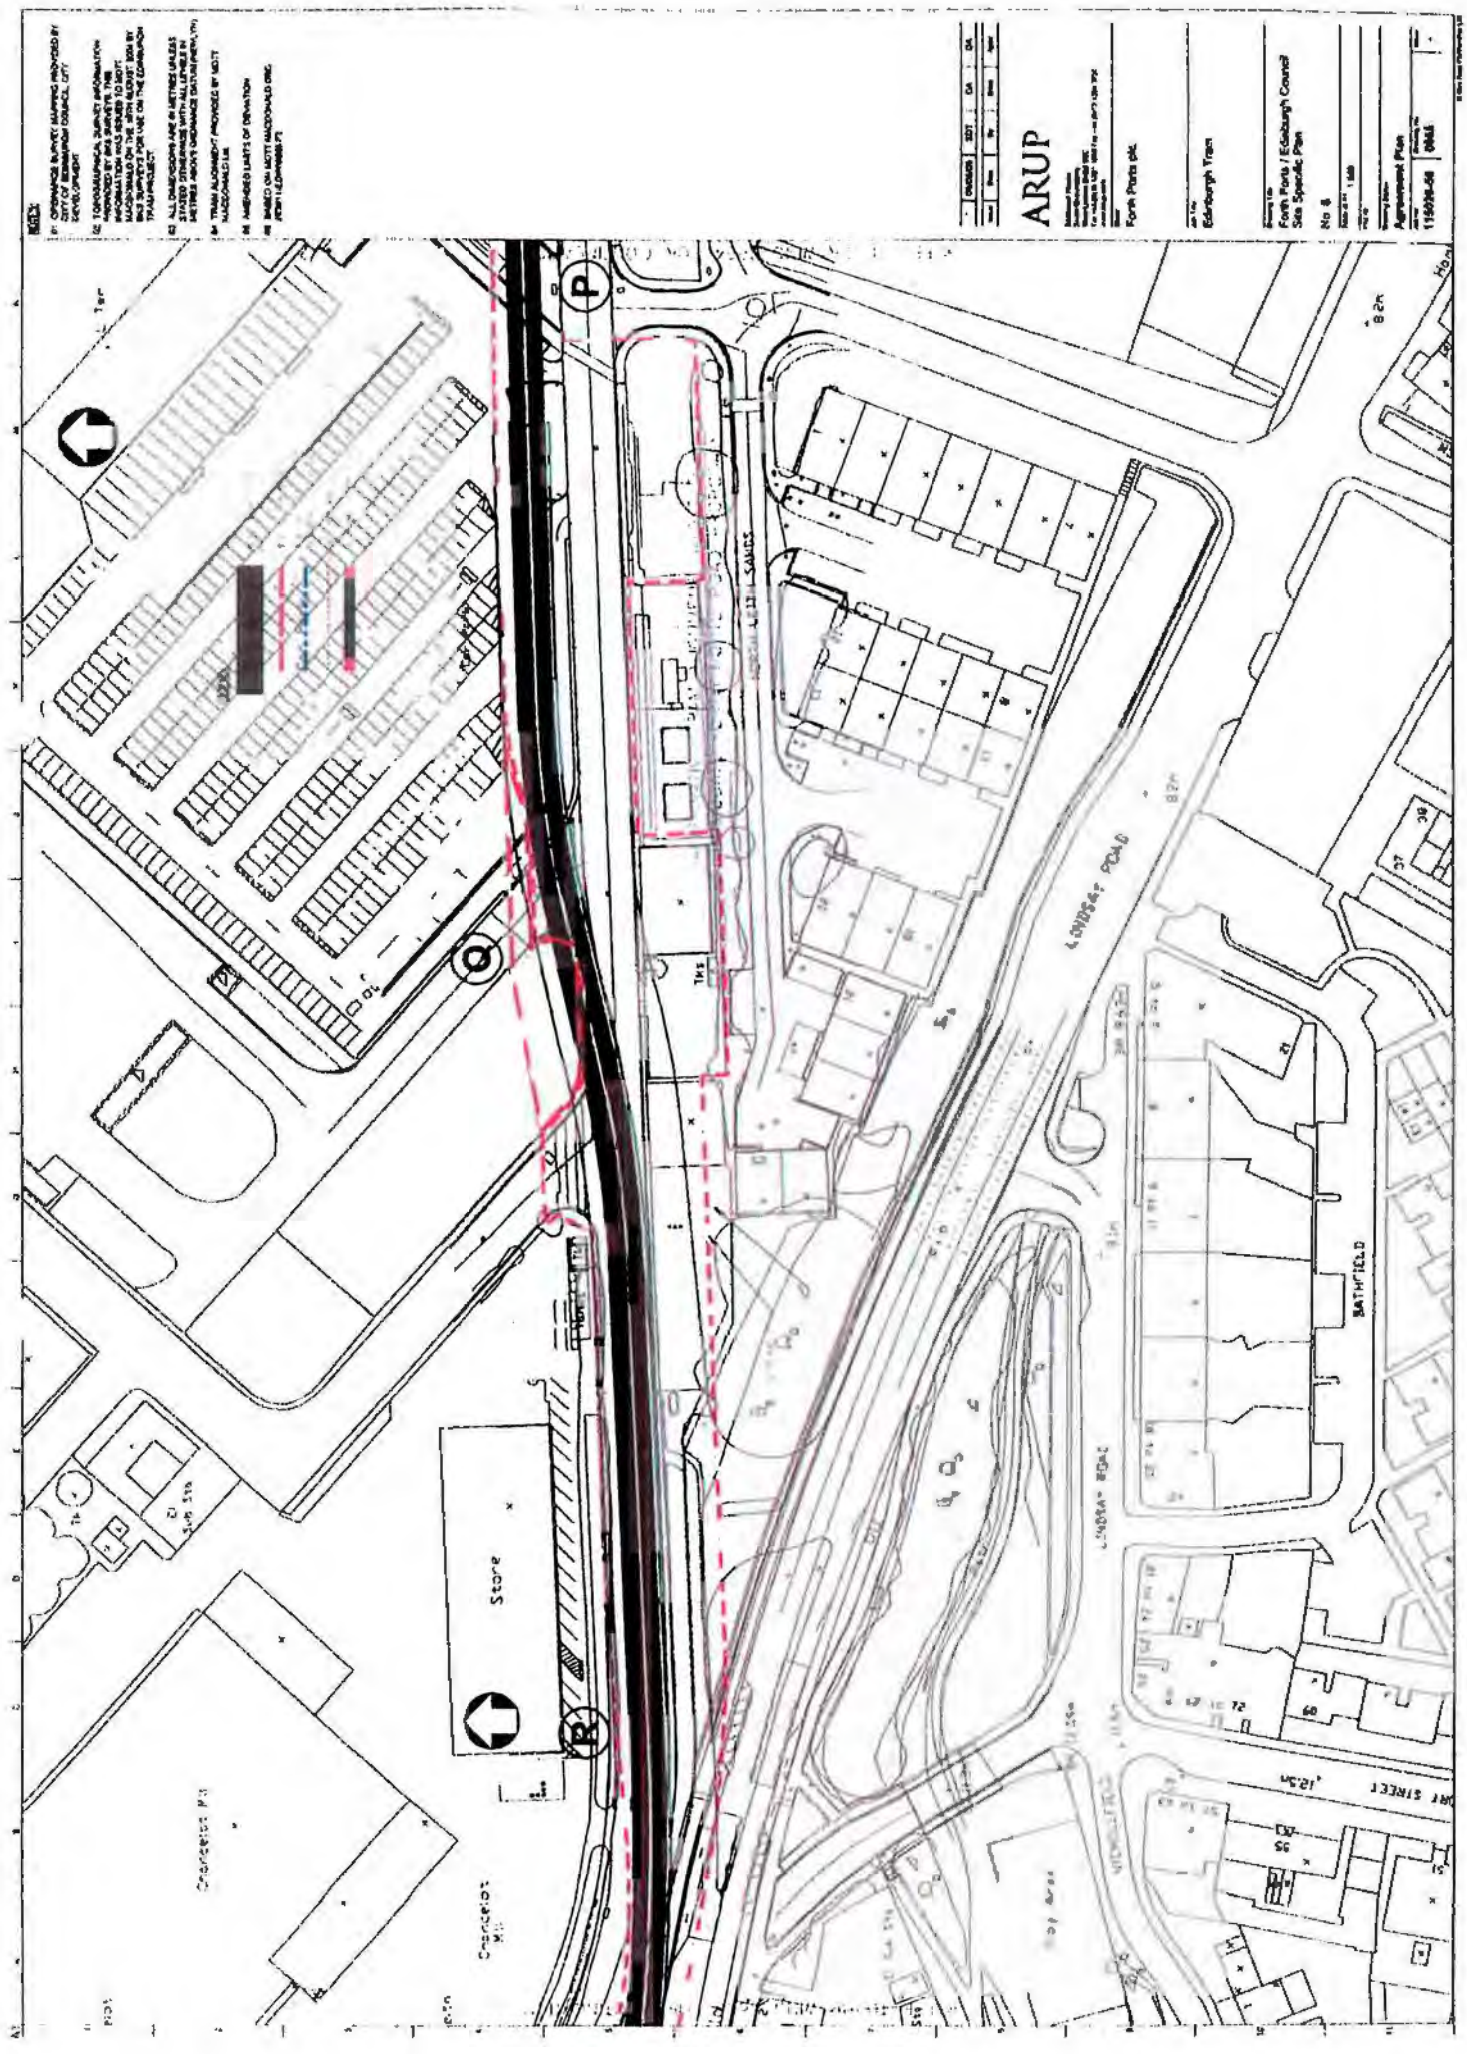
These are the Site Specific Plans referred to in paragraph 1.1 of Section 1 of Schedule 13.



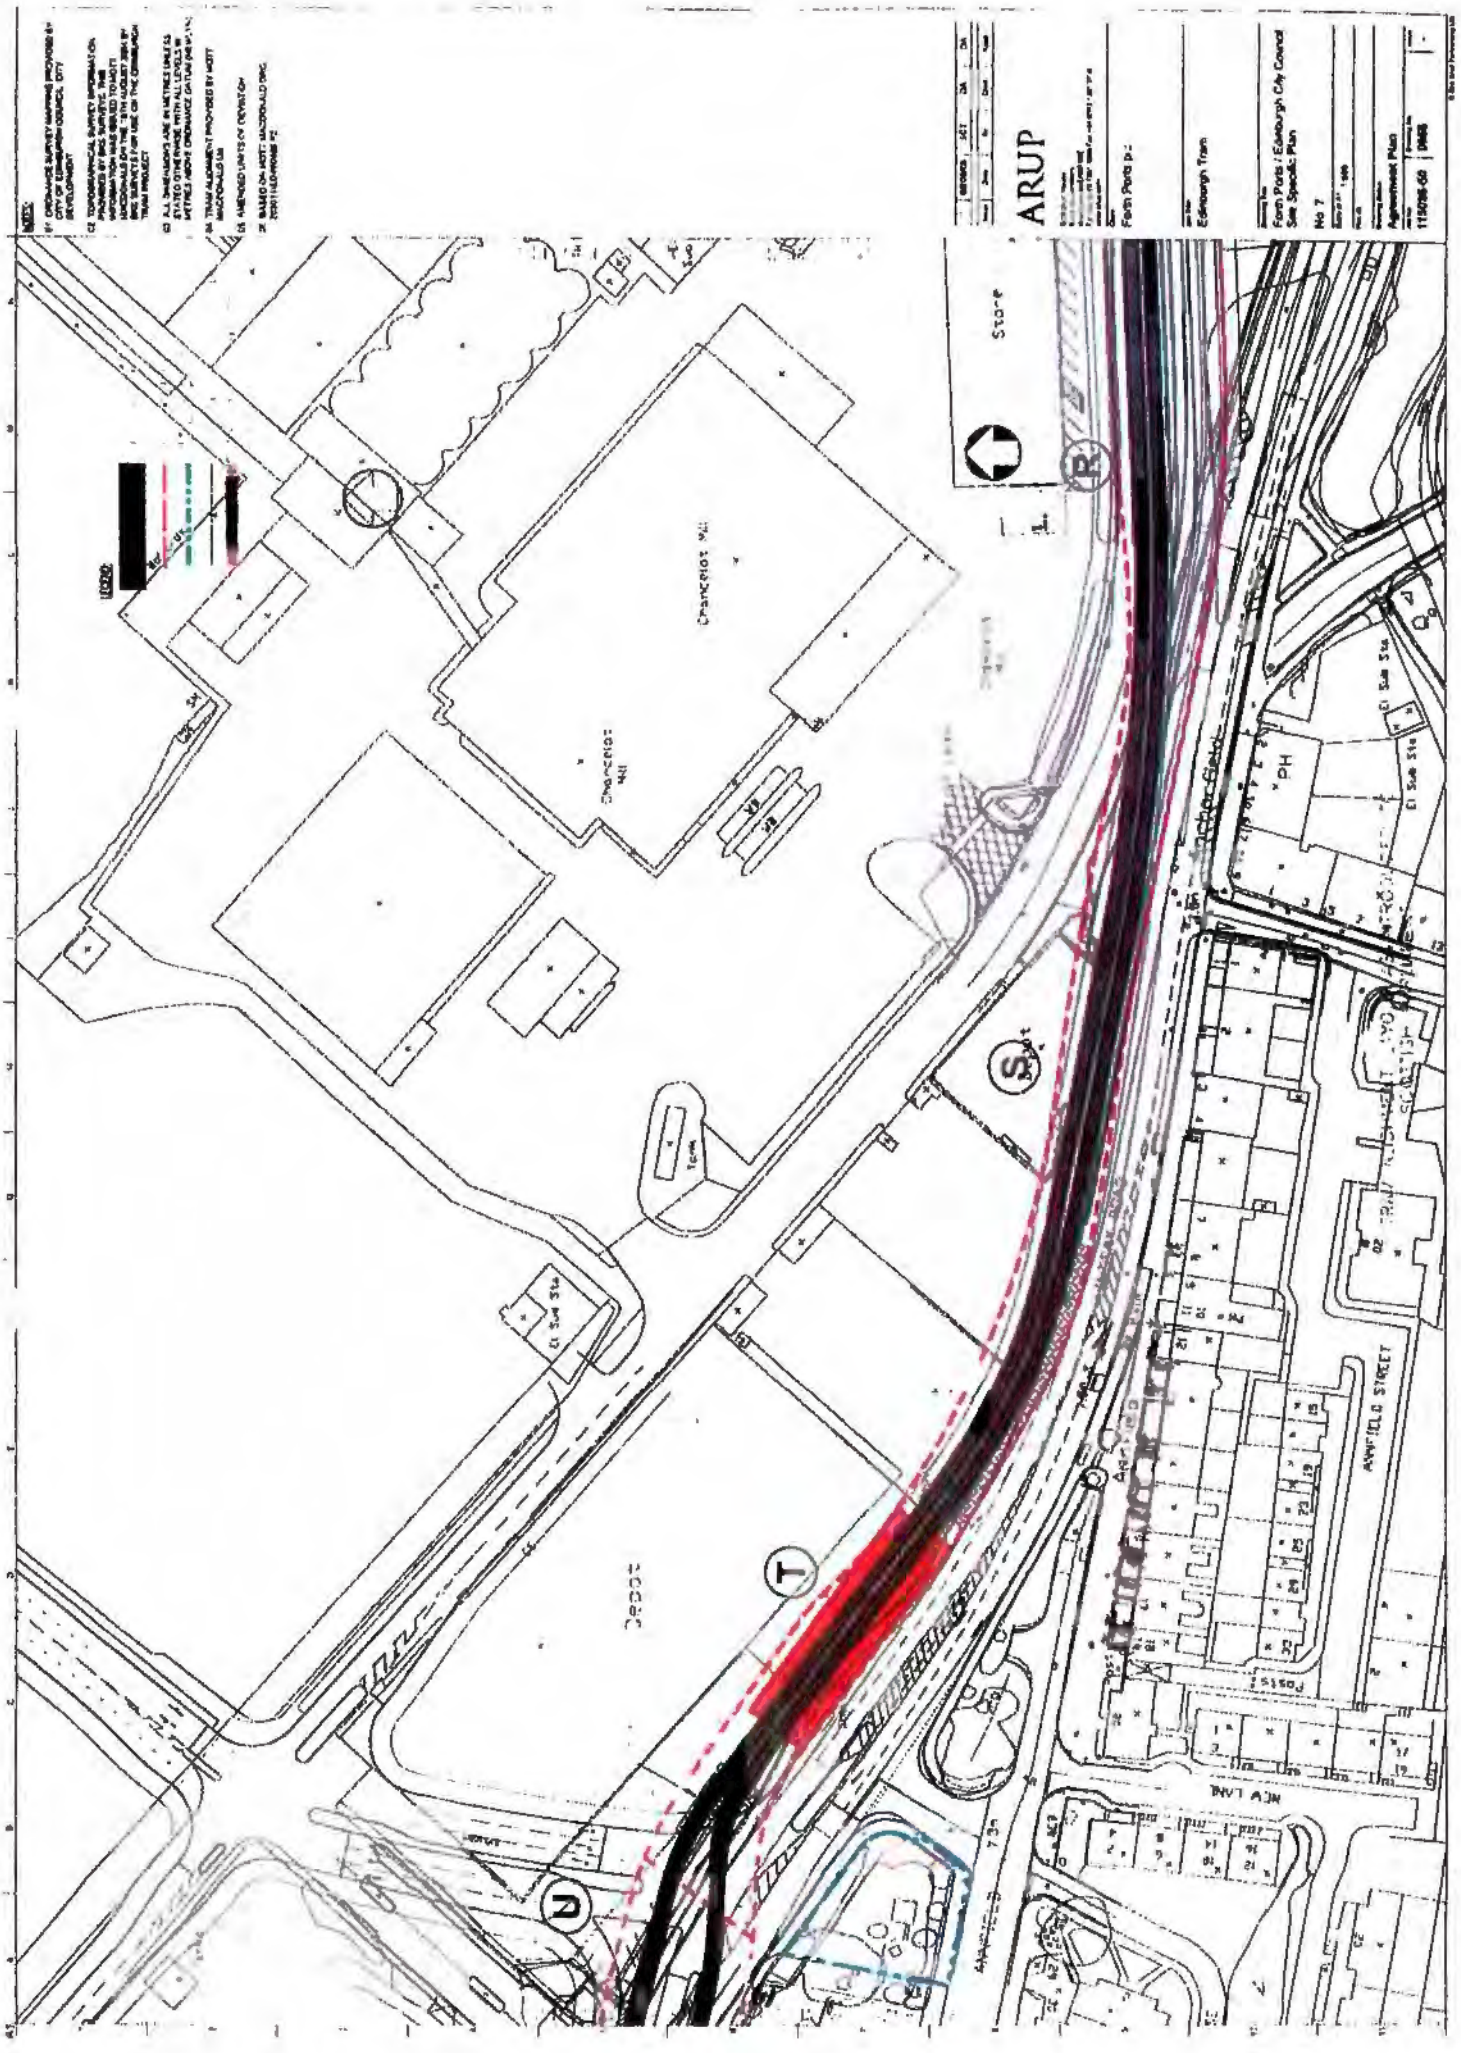
These are the Site Specific Plans referred to in paragraph 1.1 of Section 1 of Schedule 13.



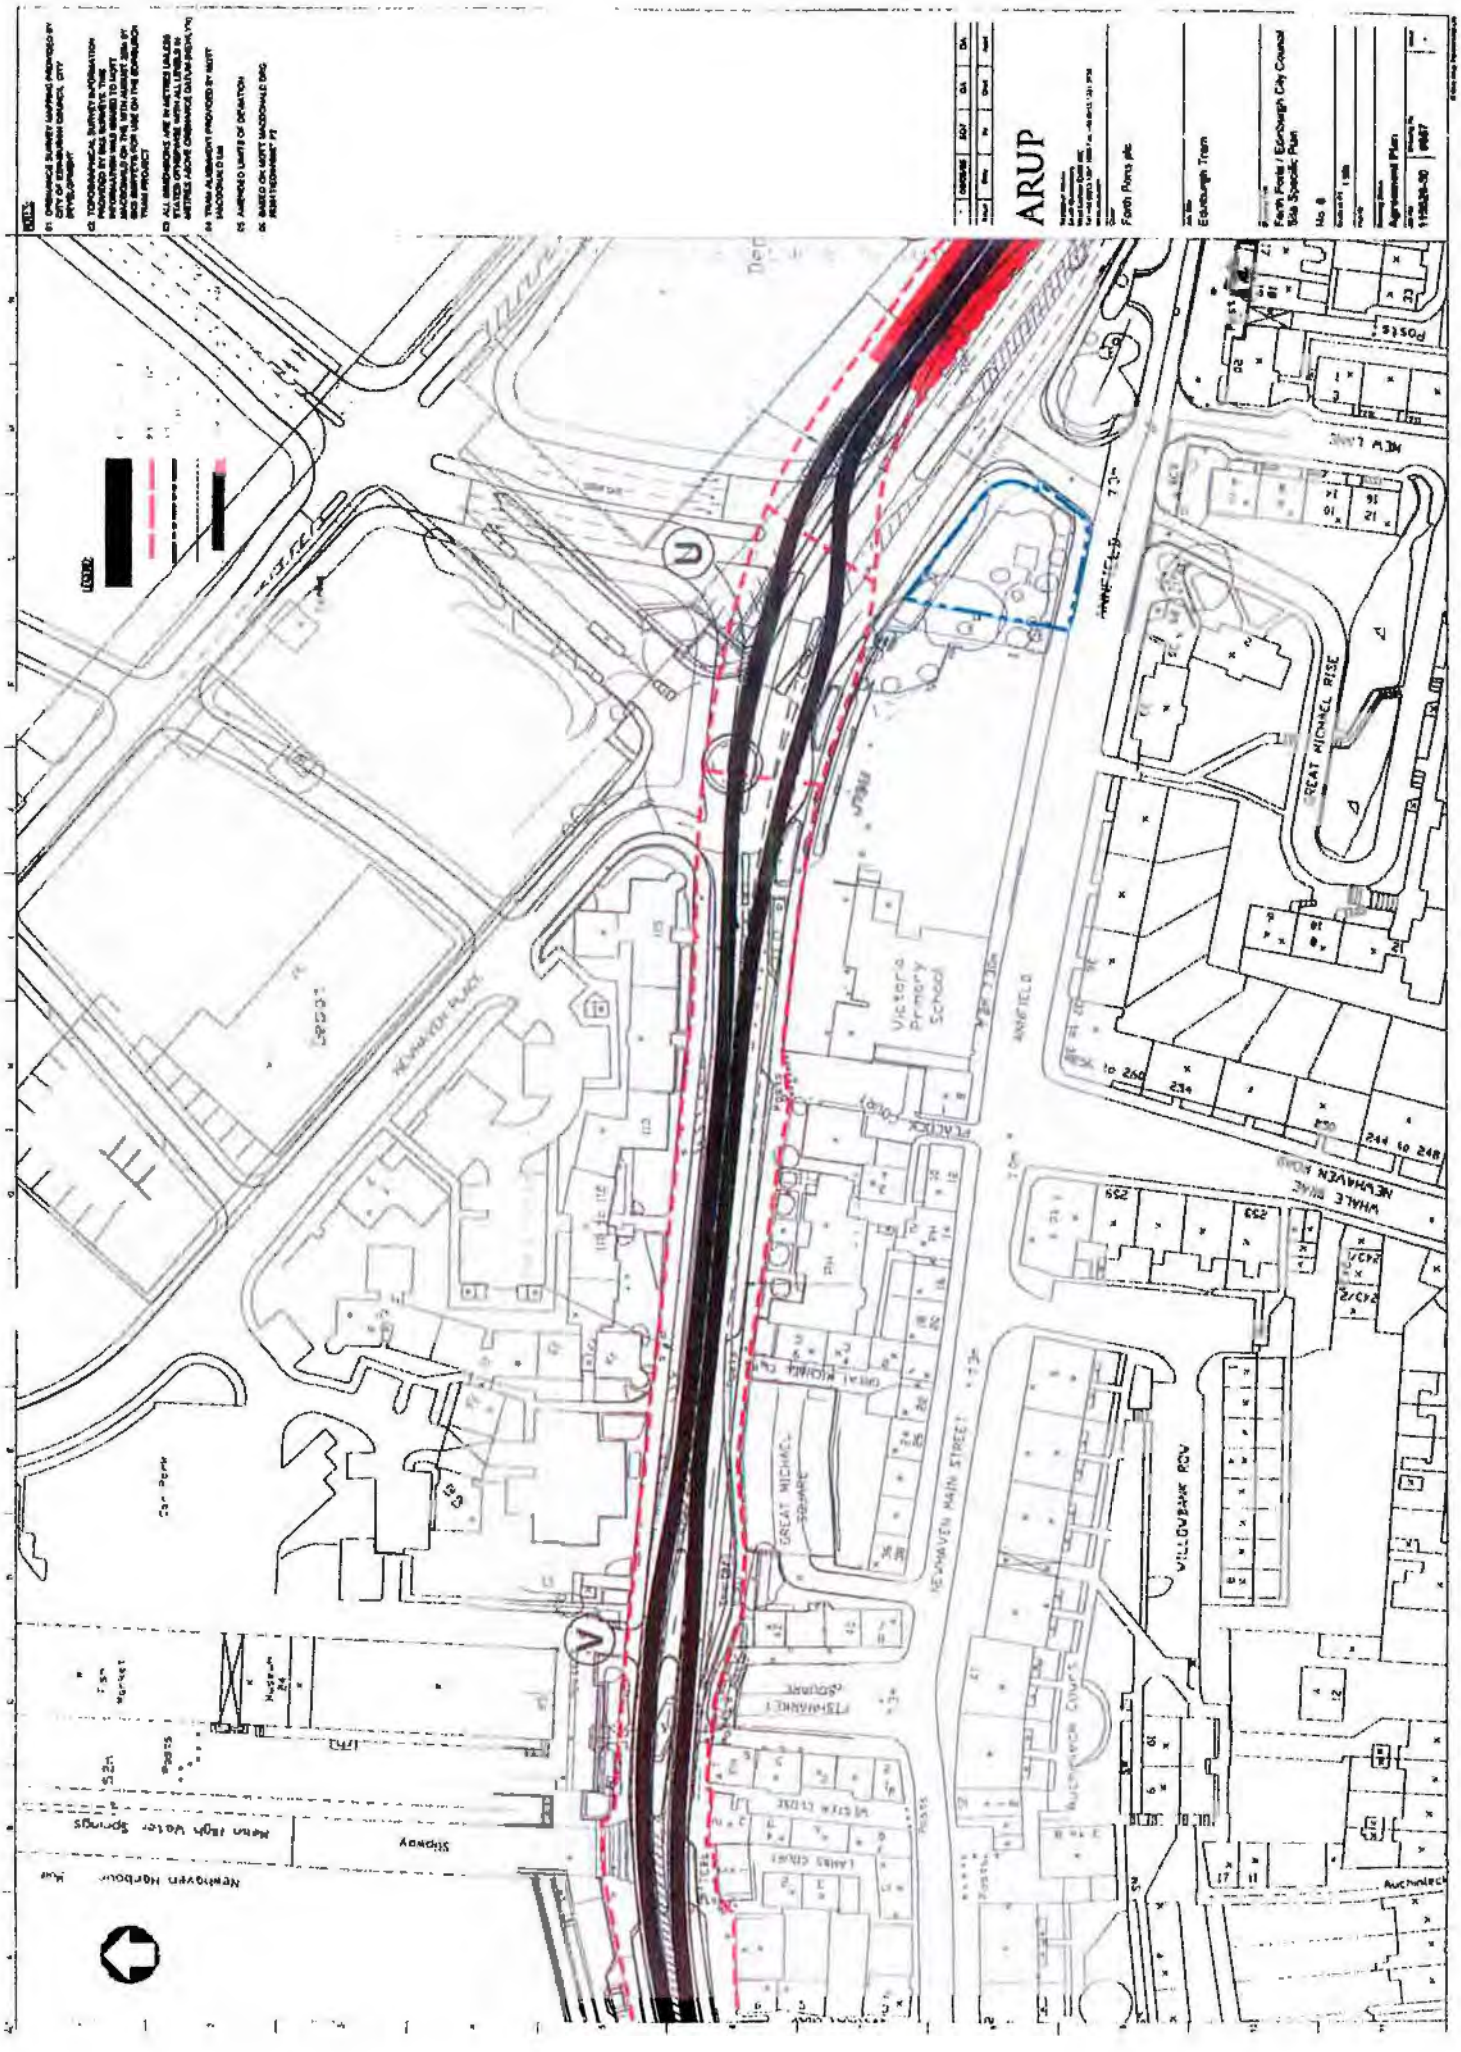
These are the Site Specific Plans referred to in paragraph 1.1 of Section 1 of Schedule 13.



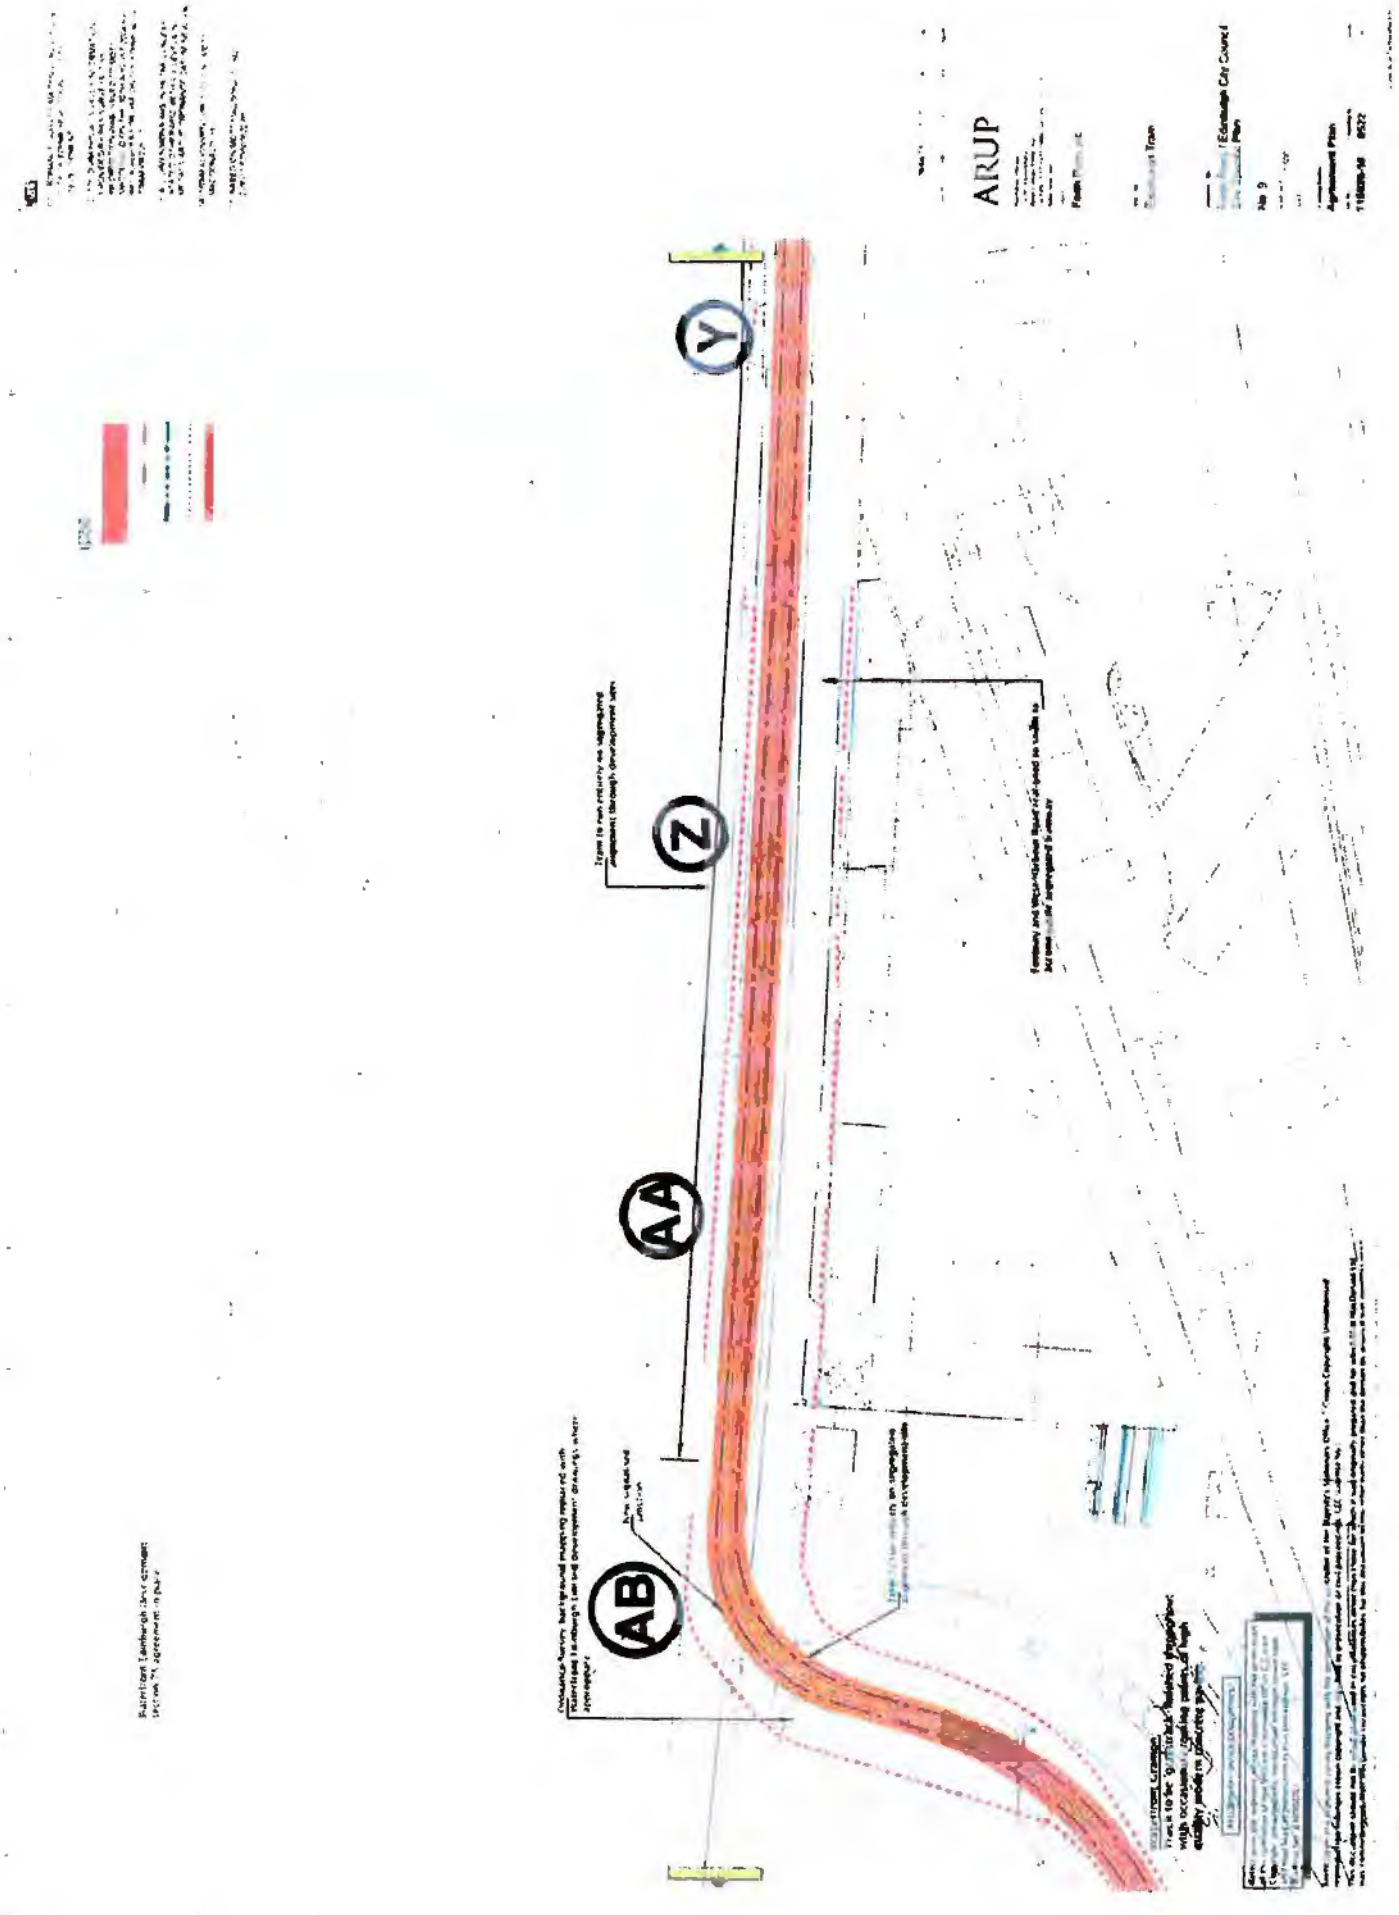
These are the Site Specific Plans referred to in paragraph 1.1 of Section 1 of Schedule 13.



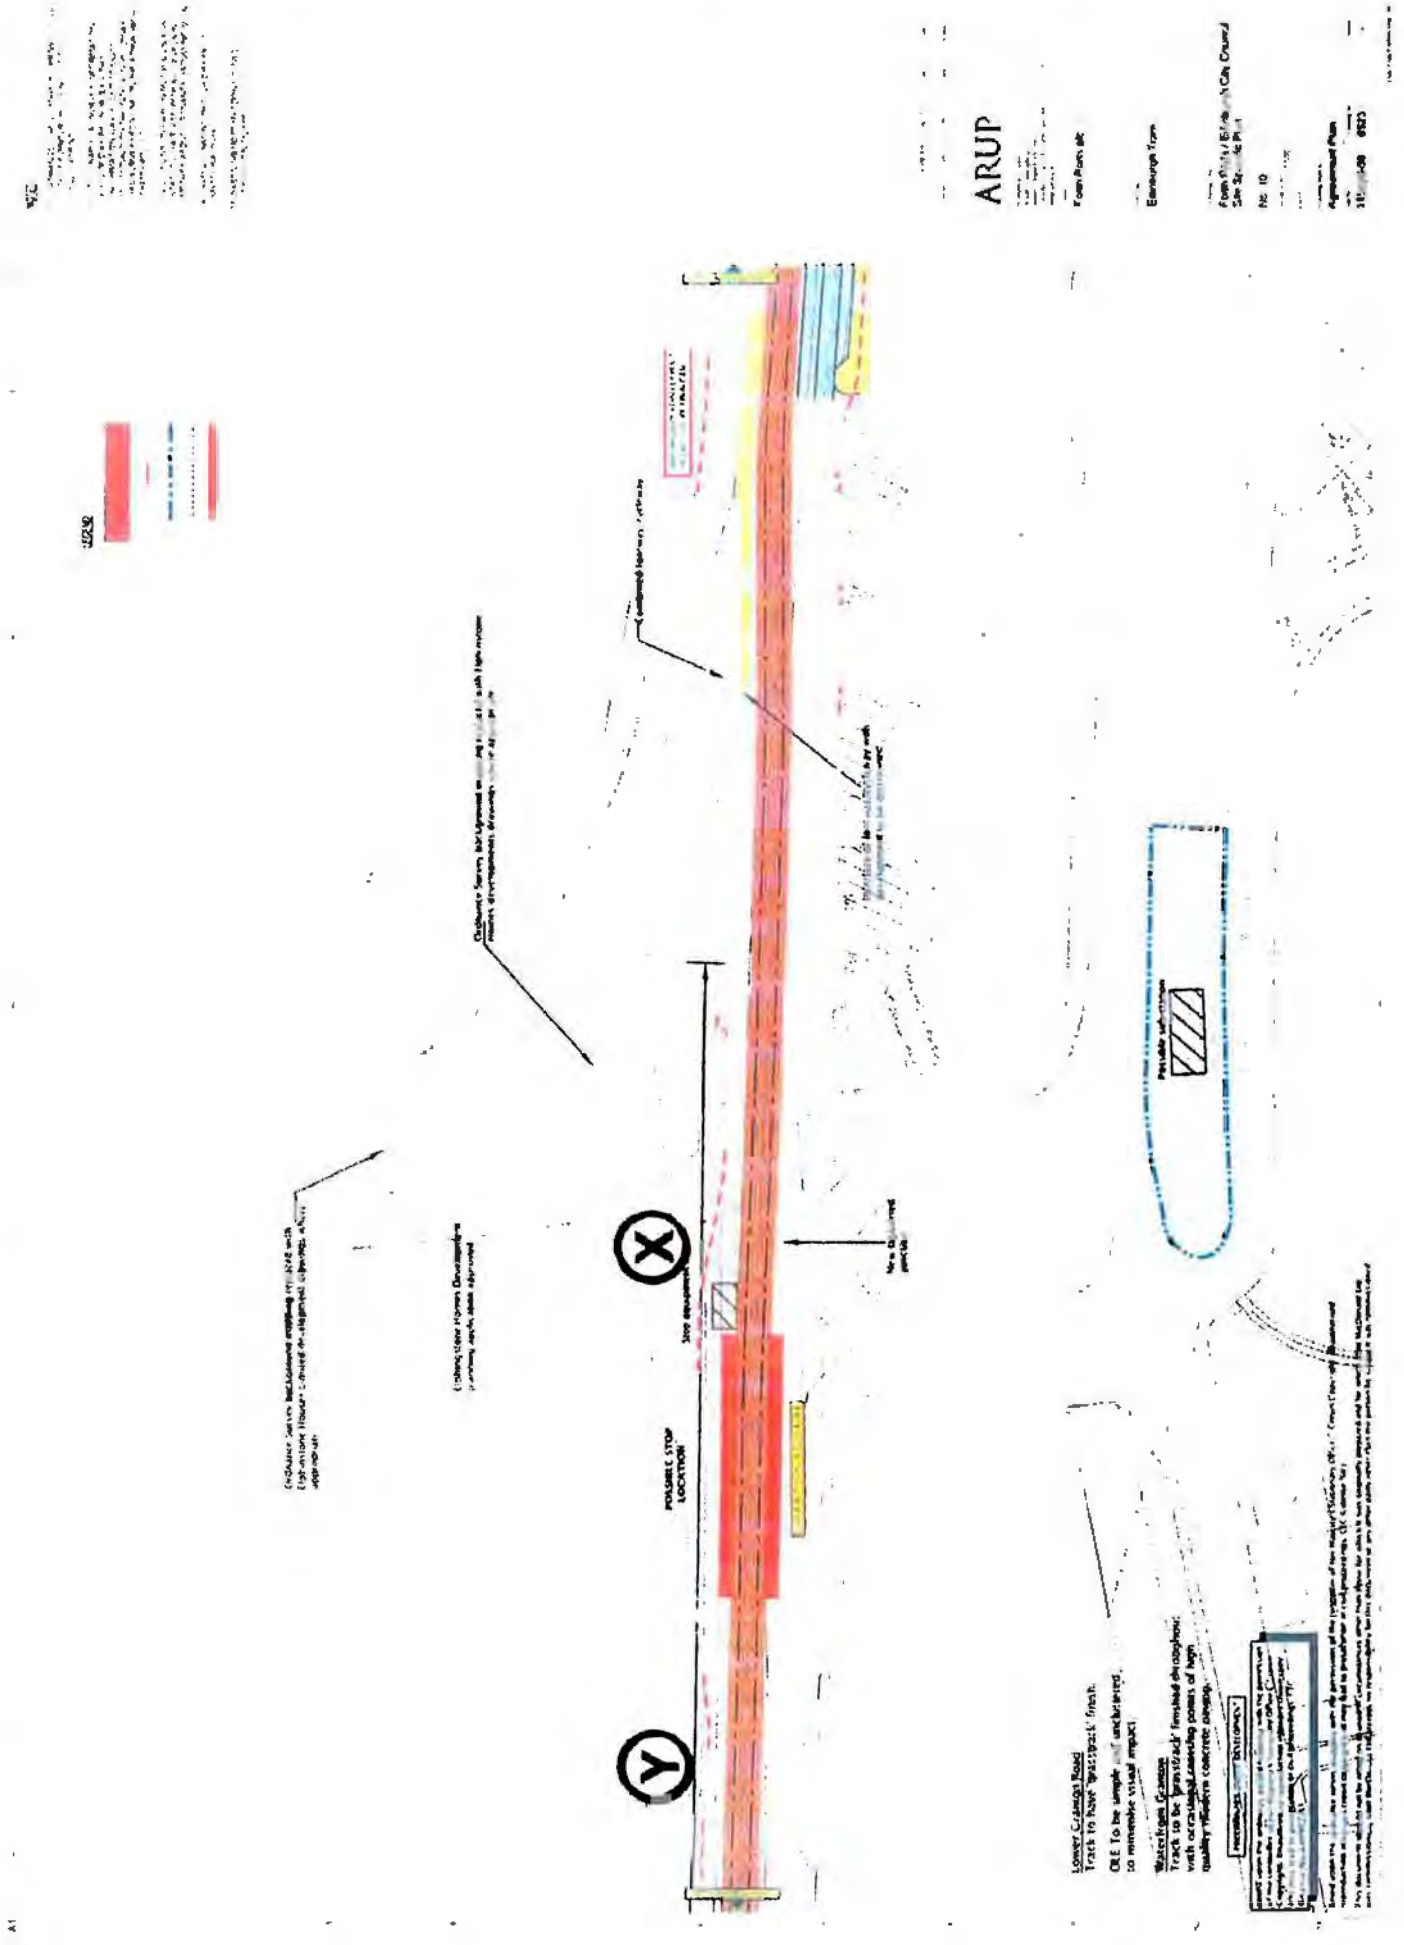
These are the Site Specific Plans referred to in paragraph 1.1 of Section 1 of Schedule 13.



These are the Site Specific Plans referred to in paragraph 1.1 of Section 1 of Schedule 13.



These are the Site Specific Plans referred to in paragraph 1.1 of Section 1 of Schedule 13.



These are the Site Specific Plans referred to in paragraph 1.1 of Section 1 of Schedule 13.

This schedule sets out the access and junction requirements associated with the development of Forth Ports PLC's land. The Council as promoter of Edinburgh Tram Line One shall ensure that the design of Tram Line One will accommodate such access and junction requirements. This clause does not negate the need for appropriate consents. This schedule should be read in conjunction with the amended consultation drawings prepared by Arup for Forth in respect of the Tram, reference ******** which drawings are referred to in the Agreement between Forth and the City of Edinburgh Council. This schedule and the drawings referred to are annexed to and form part of such Agreement.

Reference	Drawing Ref	Requirement
A	0660	Space for construction of traffic signal controlled junction to the east of Stanley Casino. Modification of the LOD for Works Nos. 4 and 4B. Non-acquisition of land marked 39, 41 on Sheet no 6. Forth will transfer land to allow solution with Stanley Casino as shown in this drawing 0660 on request and free from consideration. The solution demonstrated is proposed to cover the intent of both the Council and Forth that there should be created in the future in this location a road suitable for accommodating four lanes and associated footpath and other works to an adoptable standard to provide full vehicular access to the area generally to the East to be developed pursuant to the Leith Docks Development Framework SPG.
B	0661	Provision of a signal controlled cross roads at the junction of Tower Place and Ocean Drive,. All turning movements are to be allowed within the junction, and provision made for pedestrian crossings on all arms of the junction.
C D not used.	0661	Provision of a pedestrian crossing of Ocean Drive to the east of Victoria Bridge.
E	0661	Removal of LLAU adjacent to Victoria Bridge, an non-acquisition of land marked 59a, 60a and 64a on Sheet no 6. Provision required in this area to enable continuing vehicular and pedestrian access to land at North East of bridge for party carrying out clearance of debris from Water of Leith. Extent of bridge to transfer to be limited to ensure that Forth continue to be able to exercise rights of passage under bridge spans which areas should remain in Forth ownership.
F	0661	Maintain existing road junction to Rennie's Isle allowing all turning movements.
G	0661	Provision of a junction to land to the north of Ocean Drive allowing all turning movements such land being allocated for future potential development.
H	0662	Provision of a junction to land on the northern side of Ocean Drive, allowing left in/left out turning movements. Modification of LOD for Works Nos 5 and 6
I	0662	Provision of a traffic signal controlled junction allowing access to land to the north and south of Ocean Drive north including pedestrian crossing facilities of Ocean Drive
J	0662	Provision of a junction to land on the southern side of Ocean Drive, allowing

USB00000078_0017

		left in/ left out turning movements
K	0663	Deletion of Works Nos 8A and 8B and modification of LOD for Work No 8. Non acquisition of land marked 69 on Sheet no 7.
L	0663	Pedestrian crossing facility outside Ocean Terminal Main Entrance.
M	0663	Installation of traffic signals on the car park entrance to advise of the approach of trams.
N	0663	Provision of traffic signal controlled junction on Ocean Drive in place of existing roundabout to the south east of Ocean Terminal.
O	0664	Maintain existing junction allowing all traffic movements and modification of LOD for Work No 8
P	0664	Maintain existing access link at North Leith Sands allowing all traffic movements. Non-acquisition of land marked 71, 73 and 74a on Sheet no 7
Q	0665	Provide signal controlled traffic junction allowing all traffic movements and provision of pedestrian/ cycle facilities. Proposal noted of alternative Tram alignment.
R	0666	Provide a junction between Lindsay Road and Ocean Drive ..
S T	0666	Non-acquisition of LLAU and land marked 88a and 89a on Sheet no 8
U	0666	Provision of traffic signal controlled junction for Western Harbour including modifications to Works Nos 8 and 9 and non-acquisition of land marked 92 on Sheet no 8. For these purposes it is acknowledged and assumed that the road junction will be reconfigured and designed generally as shown on this drawing.
V	0667	Maintain existing junction at Newhaven Fish Market
W	0524	Maintain existing access to Granton Harbour breakwater per Agreement allowing all traffic movements and classes of vehicles without particular weight restriction.
X	0523	Maintain existing access to Granton Harbour, through provision of traffic signals allowing all turning movements consistent with the revised layout and operation of Granton Square. Location of Equipment Room to be considered further.
Y	0522	Provision of access to Granton Harbour
Z	0522	Provision of priority junction allowing all turning movements to land to the north of West Harbour Road
aa	0522	Provision of access to Granton Harbour
bb	0522	Provision of traffic signal controlled junction at the junction of West Harbour Road and Chestnut Street allowing all turning movements and incorporating pedestrian/cycle facilities.
