If yes, please explain what the event / activity was.:

We are particularly interested in:• How you found out about what was happening, and how informed you were throughout the project• What did you think would happen• What actually happened• What were the effects if any, on you (or your organisation) at the time of the project• What if any, were the on-going or longer-term effects on you (or your organisation). Please write your evidence here.

We are particularly interested in:

My comments and evidence will be presented under four headings

1. Effects on me and my visitors during the construction period (including a suite of photographs taken from my house during the construction work).
2. A saga of the attachment (or, as it turned out non-) attachment of wires to my premises.
3. Comments on the design of the tram system.

Do you have any documents which you think it would be useful for the Inquiry to see?
