

## Amendment to Alastair Richards statement provided by email 24/11/17

According to CEC014237466, I was sent by Stewart McGarritty a copy of Schedule 4 on the 2nd April 2008.

I do not recall seeing or opening it hence my answer to question 17a) of my statement as no. I realise that I had access to a version of Schedule 4 at that time, but do not recall having read or accessed it.
