

MR A. ARNOT

19th MARCH 2018

Dear Sir,

Councillors Steve Cardow and Jenny Dawe Lesley Hinds gave evidence at the Tram Inquiry. They stated they did not know overspend. When Billinger told the Council to make a decision where Tram line was to terminate. A full Council meeting was called at City Chambers to make that decision. My Union Unite Branch SC/21 had a delegation at that meeting where our Union Branch Chairman stated the total figure to take the Tram line from Haymarket to York Place.

Our recommendation was to terminate at Haymarket for connections with trains and buses. Most important fact would have saved millions of pounds on this project.

Yours sincerely
