Tom

Enclosed is the deal reached regarding a basket of issues. Please note point 5 and 10 which need to be reflected in programme assumptions

Regards

Geoff

Andrew,

Please find attached the version of the Deal note which has the benefit of Siemens approval from Michael Flynn.

Kind regards

Chris

Chris

Could you re send me a copy of your note on the 'wrap up' deal from Friday (?) that Michael agreed with Jim and which Richard then blew up with the £ 500k SDS mark-up claim. We need to reconstruct this, with slightly different shades following this morning's meeting.

Kind regards
Andrew Fitchie
